## WHALES

This brief bibliography is intended to provide an overview to recent literature on whales. A combination of books, journal articles and technical reports are included. The items are arranged by author under four separate categories: Conservation and Management; Reviews and Bibliographies; Whale guides; and Whale species. Those items with a call number indicates holdings in the NOAA Central Library, or another NOAA library. Current references were selected from Aquatic Sciences and Fisheries Abstracts, produced by Cambridge Scientific Abstracts, 7200 Wisconsin Avenue, Bethesda, Md. 20814.

Questions about this material may be addressed to: Reference Desk, NOAA Central Library, 6009 Executive Blvd., Rockville, MD 20852, or call (301) 443-8330.
