March 1983

Unattached Supplemental Appendices

<u>Number</u>		<u>Page</u>
A	Salinity, Temperature, pH and Dissolved Oxygen Profiles for Quarter One, Stations One Through Eight	A1-A41
B	Salinity, Temperature, pH and Dissolved Oxygen Profiles for Quarter Two, Stations One Through Eight	B1-B65
C	Salinity, Temperature, pH and Dissolved Oxygen Profiles for Quarter Three, Stations One Through Eight	C1-C64
D	Salinity, Temperature, pH and Dissolved Oxygen Profiles for Quarter Four, Stations One Through Eight	D1-D64
E	Map of Salinity Concentrations for each Sample Depth and for each Month in 1975	E1-E30
F	Annual Trend for Salinity at each Depth for each Station	F1-F31
G	Map of Temperature for each Sample Depth and for each Month in 1975	G1-G30
H	Annual Trend for Temperature at each Depth for each Station	H1-H31
I	Map of Dissolved Oxygen Concentrations for each Sample Depth and for each Month in 1975	I1-I30
J	Annual Trend for Dissolved Oxygen at each Depth for each Station	J1-J31
K	Map of Ammonia Concentrations for each Sample Depth and for each Month in 1975	K1-K30
L	Annual Trend for Ammonia at each Depth for each Station	L1-L31

Unattached Supplemental Appendices (continued)

<u>Number</u>		<u>Page</u>
M	Map of Nitrate-Nitrite Concentrations for each Sample Depth and for each Month in 1975	M1-M30
N	Annual Trend for Nitrate-Nitrite at each Depth for each Station	N1-N31
O	Map of Organic Nitrogen Concentrations for each Sample Depth and for each Month in 1975	O1-O30
P	Annual Trend for Organic Nitrogen at each Depth for each Station	P1-P31
Q	Map of Total Phosphorous Concentrations for each Sample Depth and for each Month in 1975	Q1-Q30
R	Annual Trend for Total Phosphorous at each Depth for each Station	R1-R31
S	Map of Dissolved Phosphorous Concentrations for each Sample Depth and for each Month in 1975	S1-S30
T	Annual Trend for Dissolved Phosphorous at each Depth for each Station	T1-T31
U	Map of Total Carbon Concentrations for each Sample Depth and for each Month in 1975	U1-U30
V	Annual Trend for Total Carbon at each Depth for each Station	V1-V31
W	Map of Organic Carbon Concentrations for each Sample Depth and for each Month in 1975	W1-W30
X	Annual Trend for Organic Carbon at each Depth for each Station	X1-X31
Y	Map of Total Coliform Bacteria Numbers for each Sample Depth and for each Month in 1975	Y1-Y20

Unattached Supplemental Appendices (continued)

<u>Number</u>		<u>Page</u>
Z	Annual Trend for Total Coliform Bacteria at each Depth for each Station	Z1-Z10
AA	Map of Fecal Coliform Bacteria Numbers for each Sample Depth and for each Month in 1975	AA1-AA20
BB	Annual Trend for Fecal Coliform Bacteria at each Depth for each Station	BB1-BB10
CC	Map of Total Chlorophyll Concentrations for each Sample Depth and for each Month in 1975	CC1-CC10
DD	Phytoplankton Numbers by Species, Stations and Months in Choctawhatchee Bay, 1975	DD1-DD60

Supplemental Appendix M: Map of Nitrite-Nitrate Concentrations for each Sample Depth and for each Station in 1975.

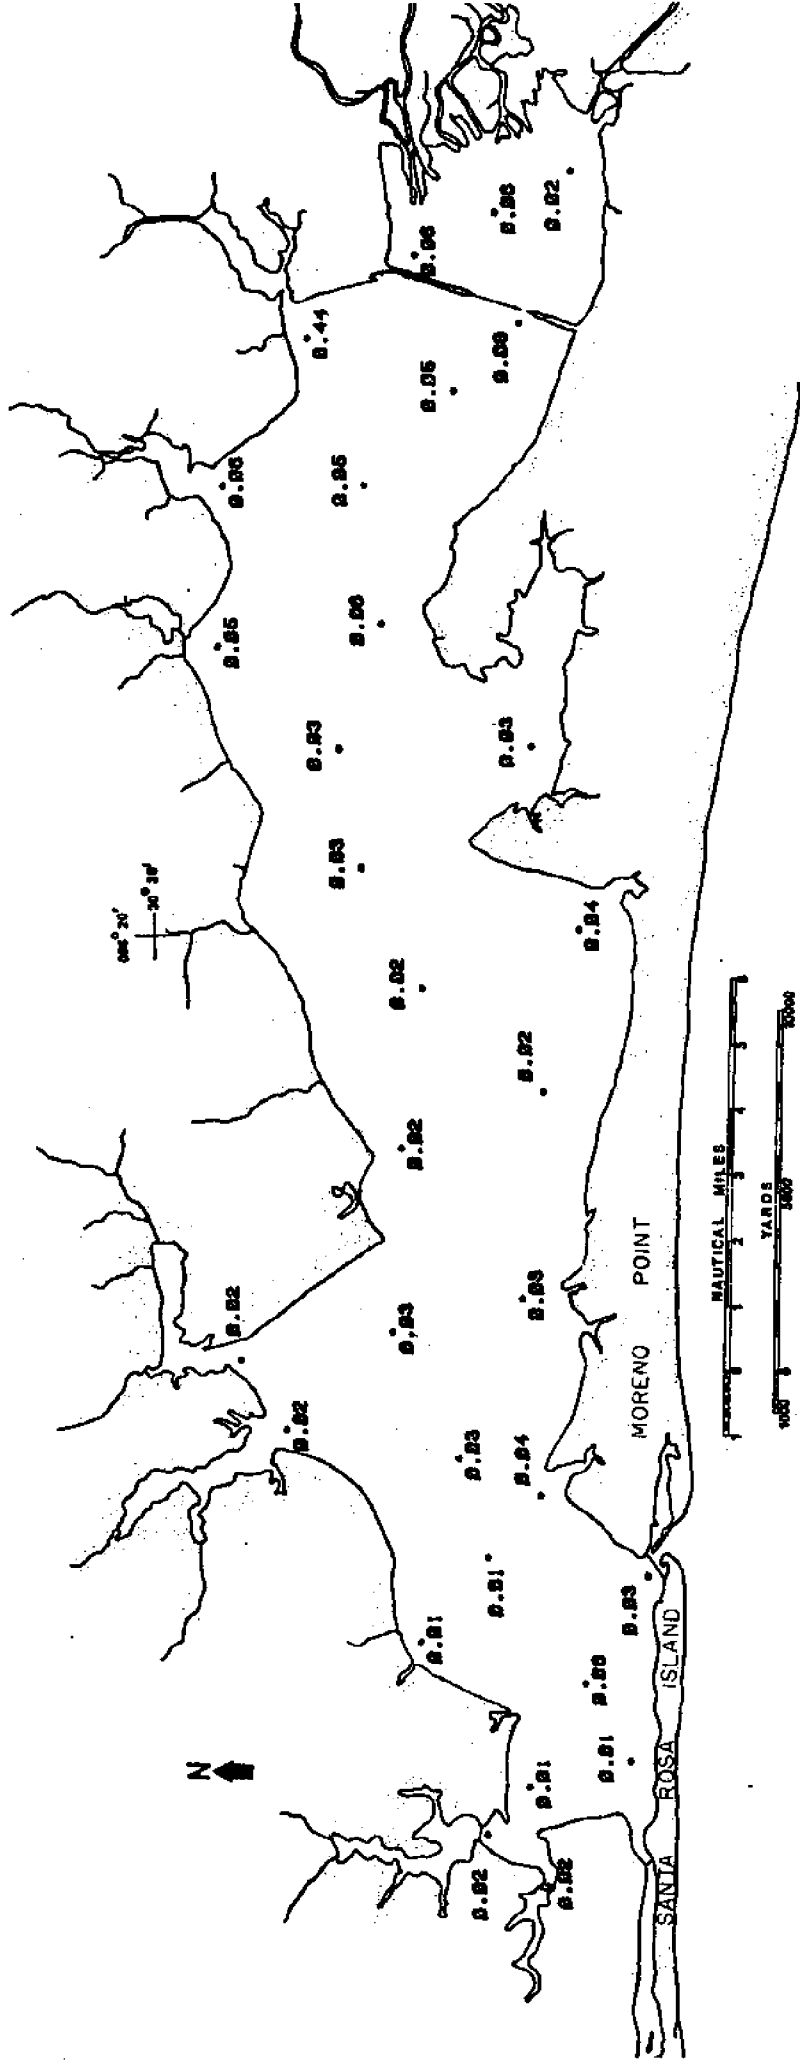

Figure : Nitrate-nitrite concentration (mg/l-N) in surface waters of Choctawhatchee Bay on January 28-29, 1975.

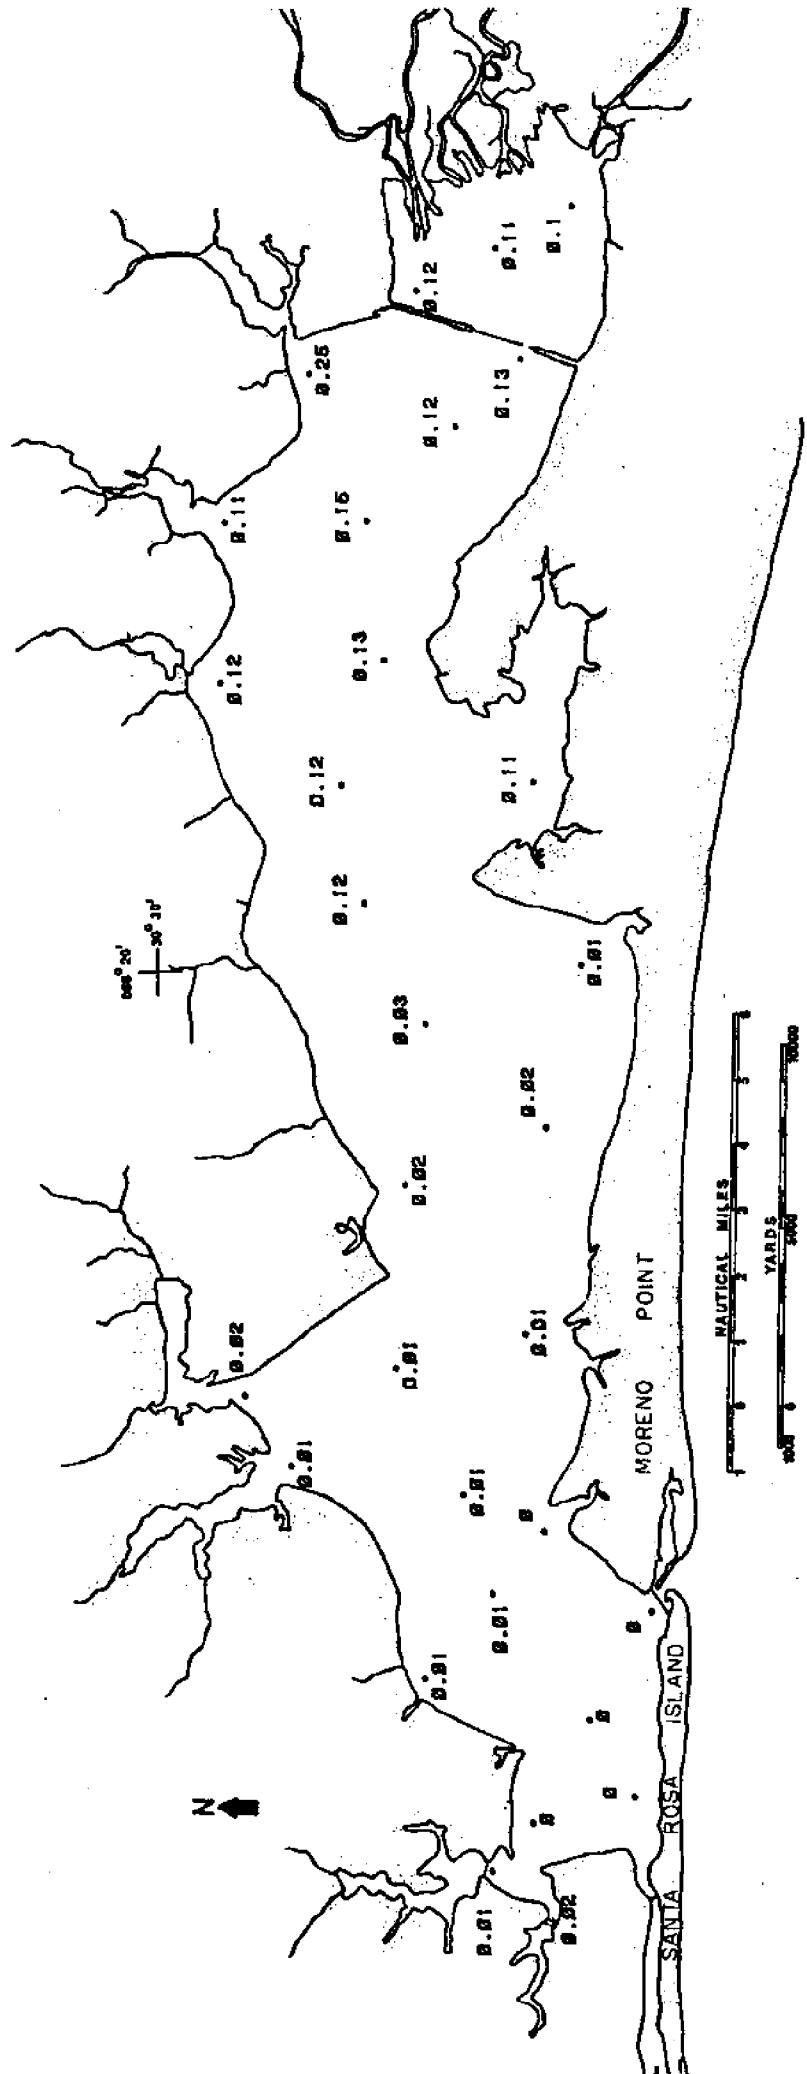

Figure : Nitrate-nitrite concentration (mg/l-N) in surface waters of Choctawhatchee Bay on March 19-20, 1976.

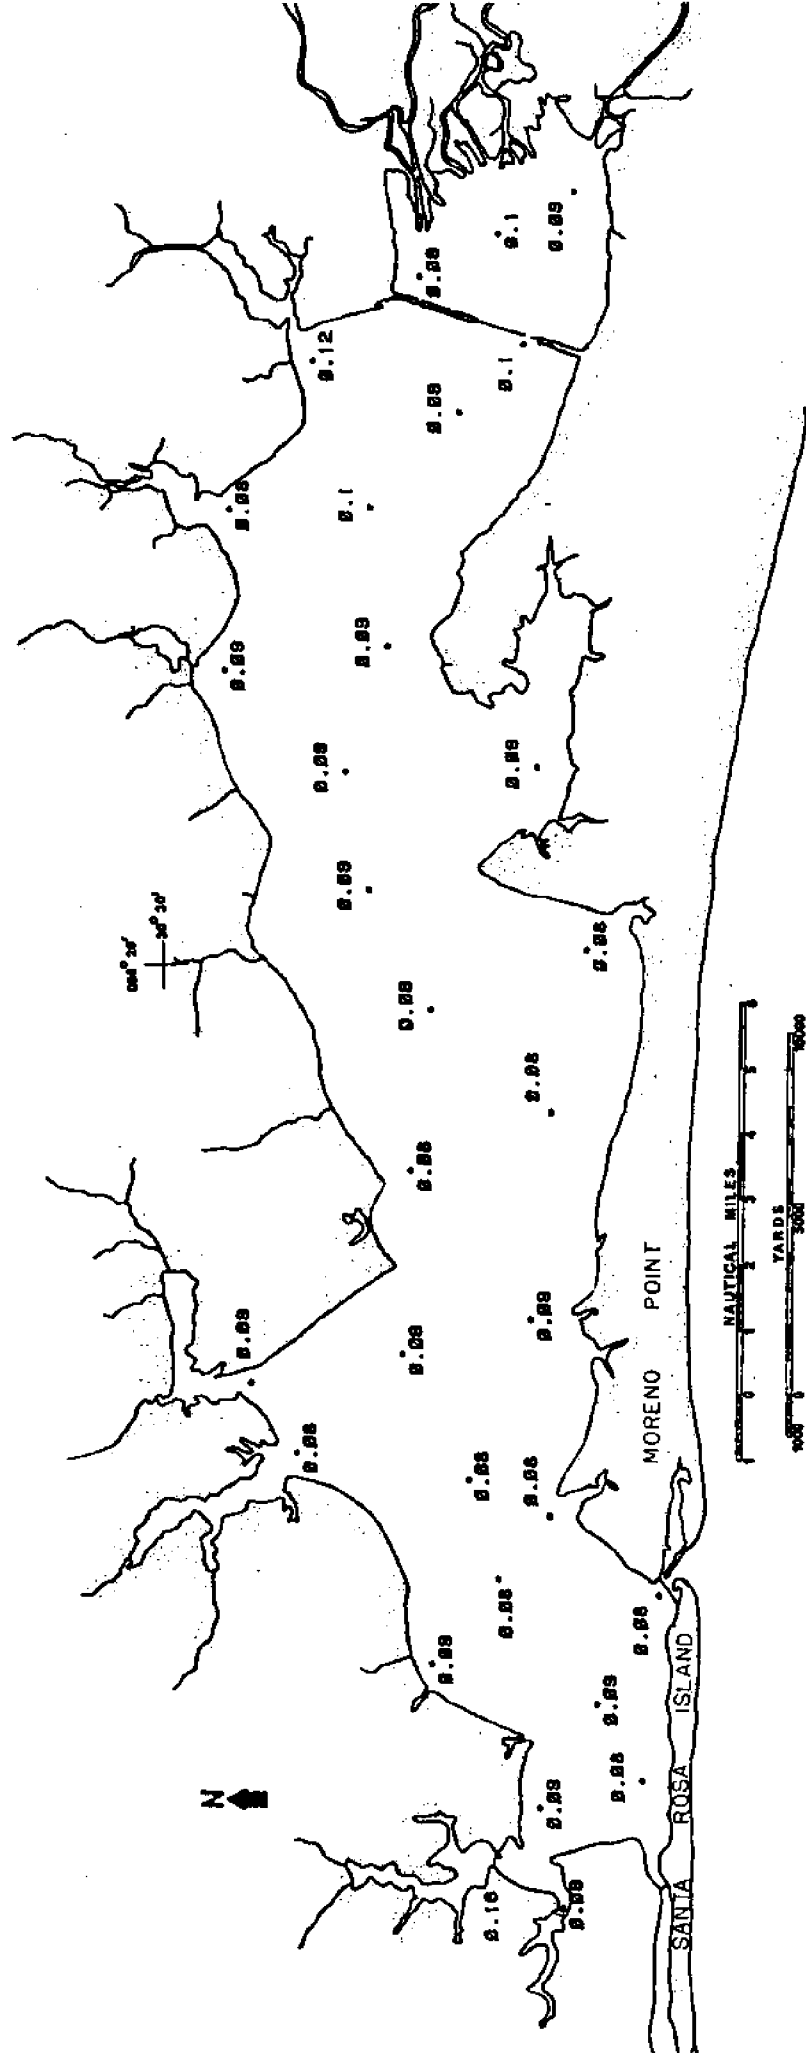

Figure : Nitrate-nitrite concentration (mg/l-N) in surface waters of Choctawhatchee Bay on April 21-22, 1975.

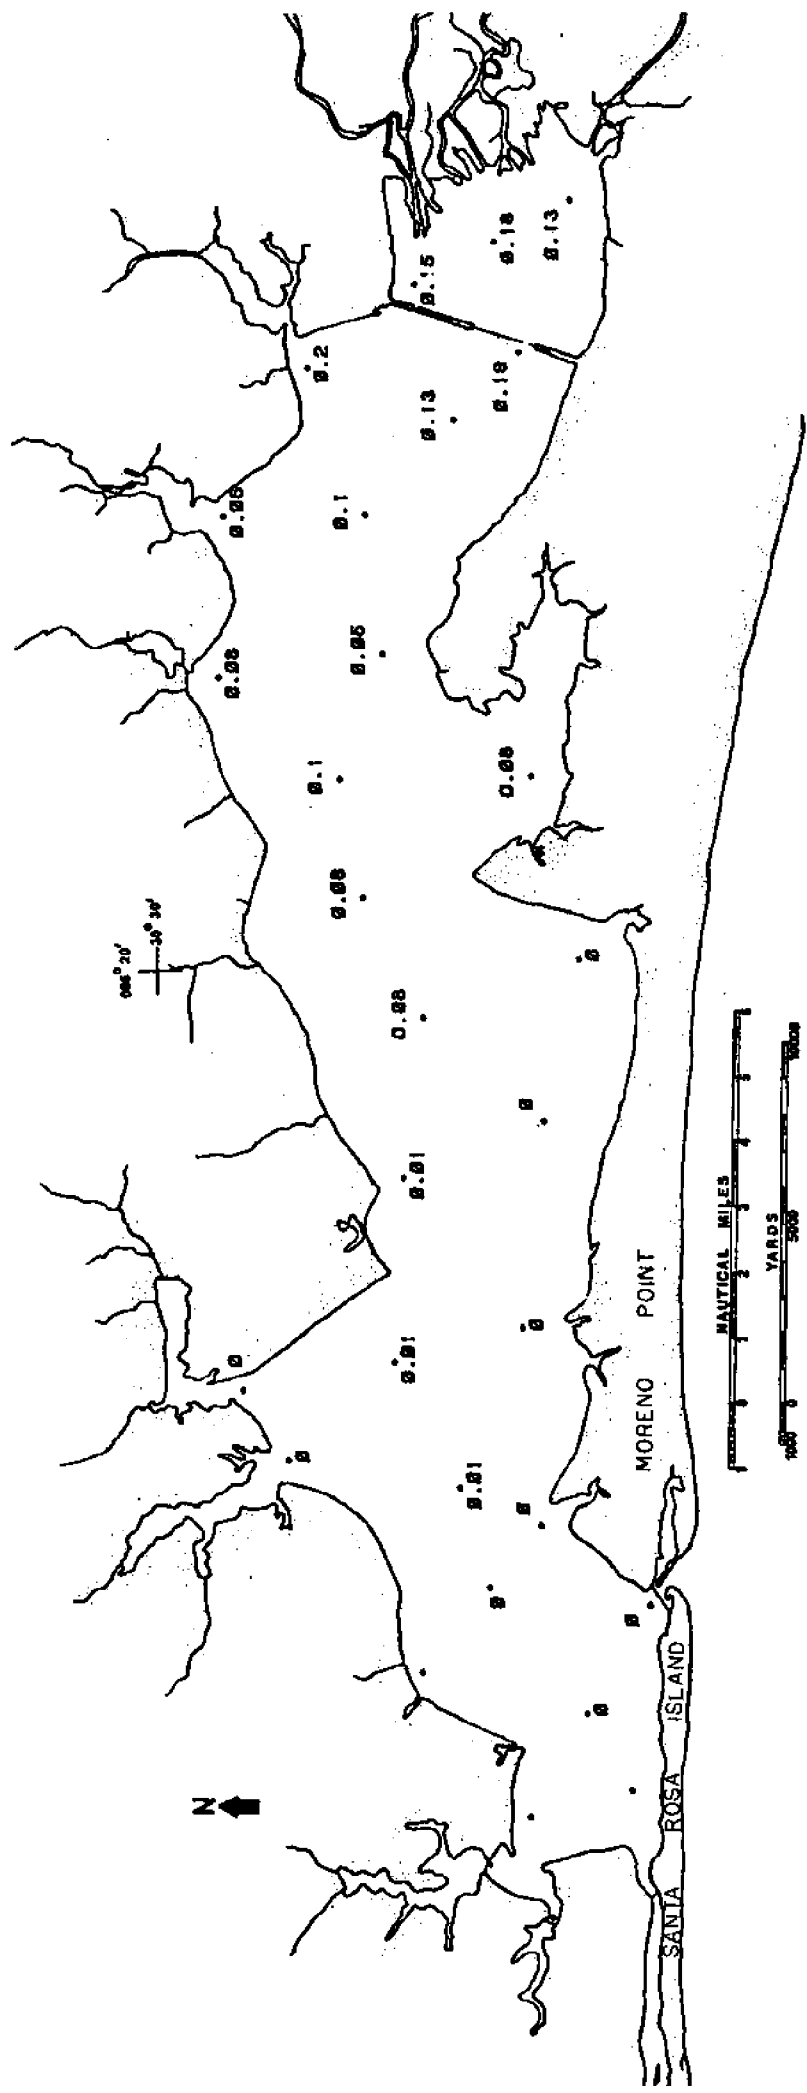

Figure : Nitrate-nitrite concentration (mg/l-N) in surface waters of Choctawhatchee Bay on May 20-21, 1975.

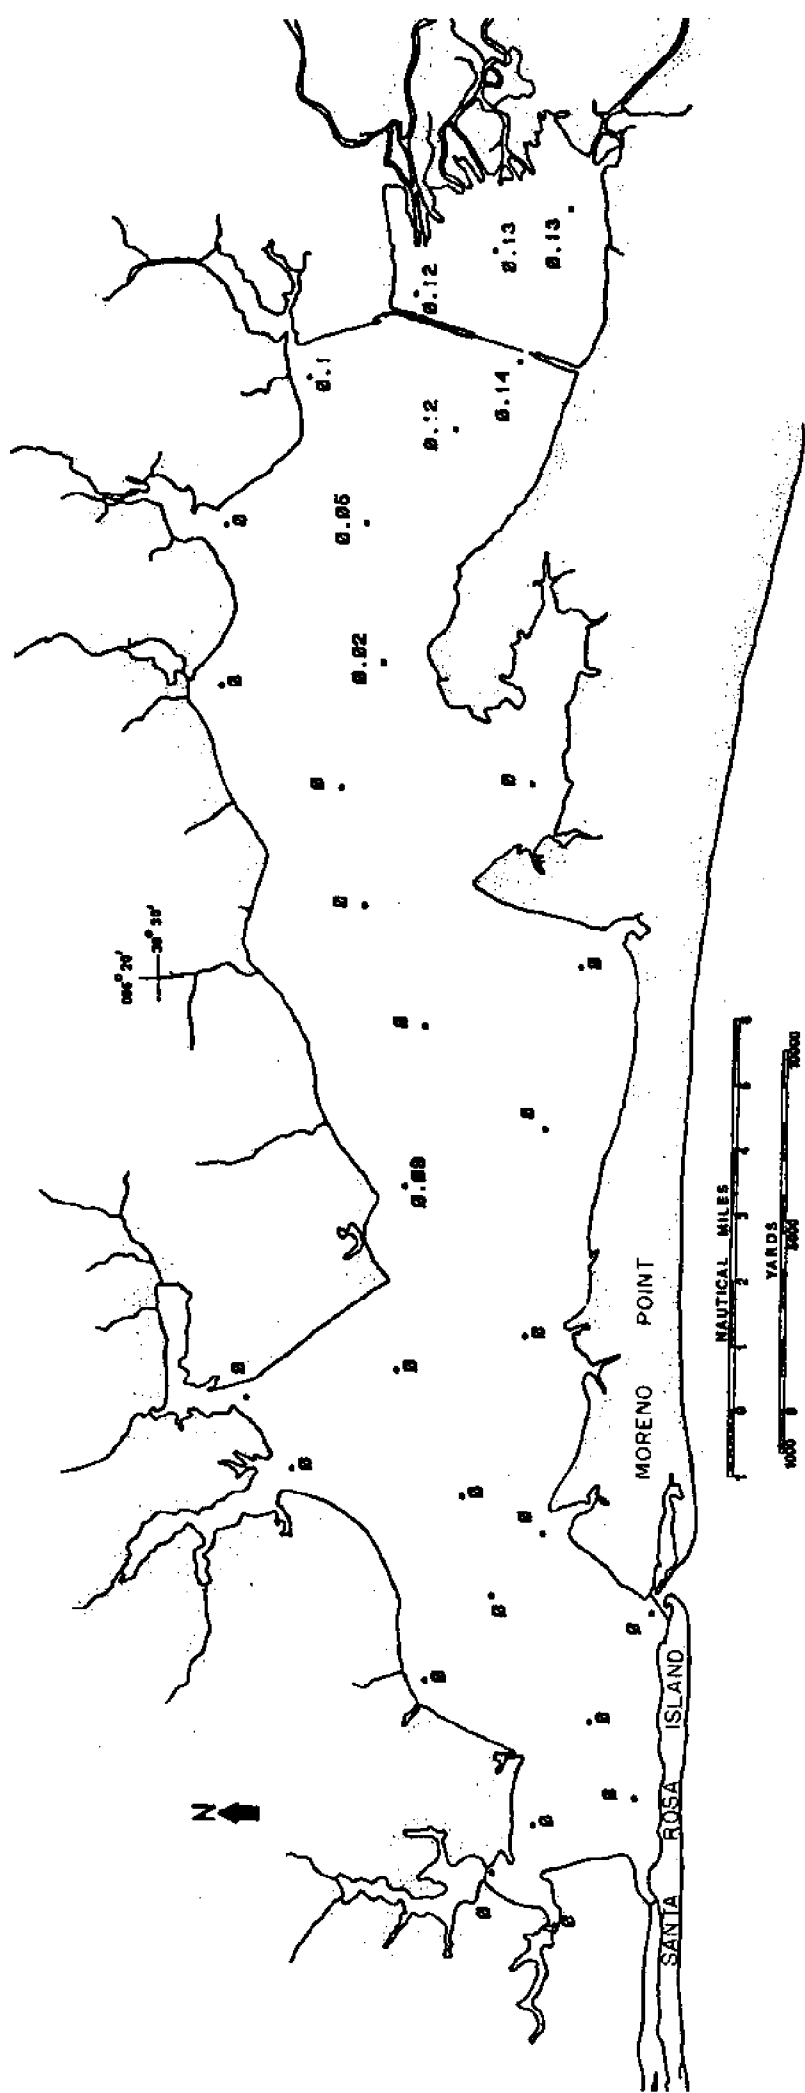

Figure : Nitrate-nitrite concentration
(mg/l-N) in surface waters of Choctawhatchee
Bay on June 21-22, 1975.

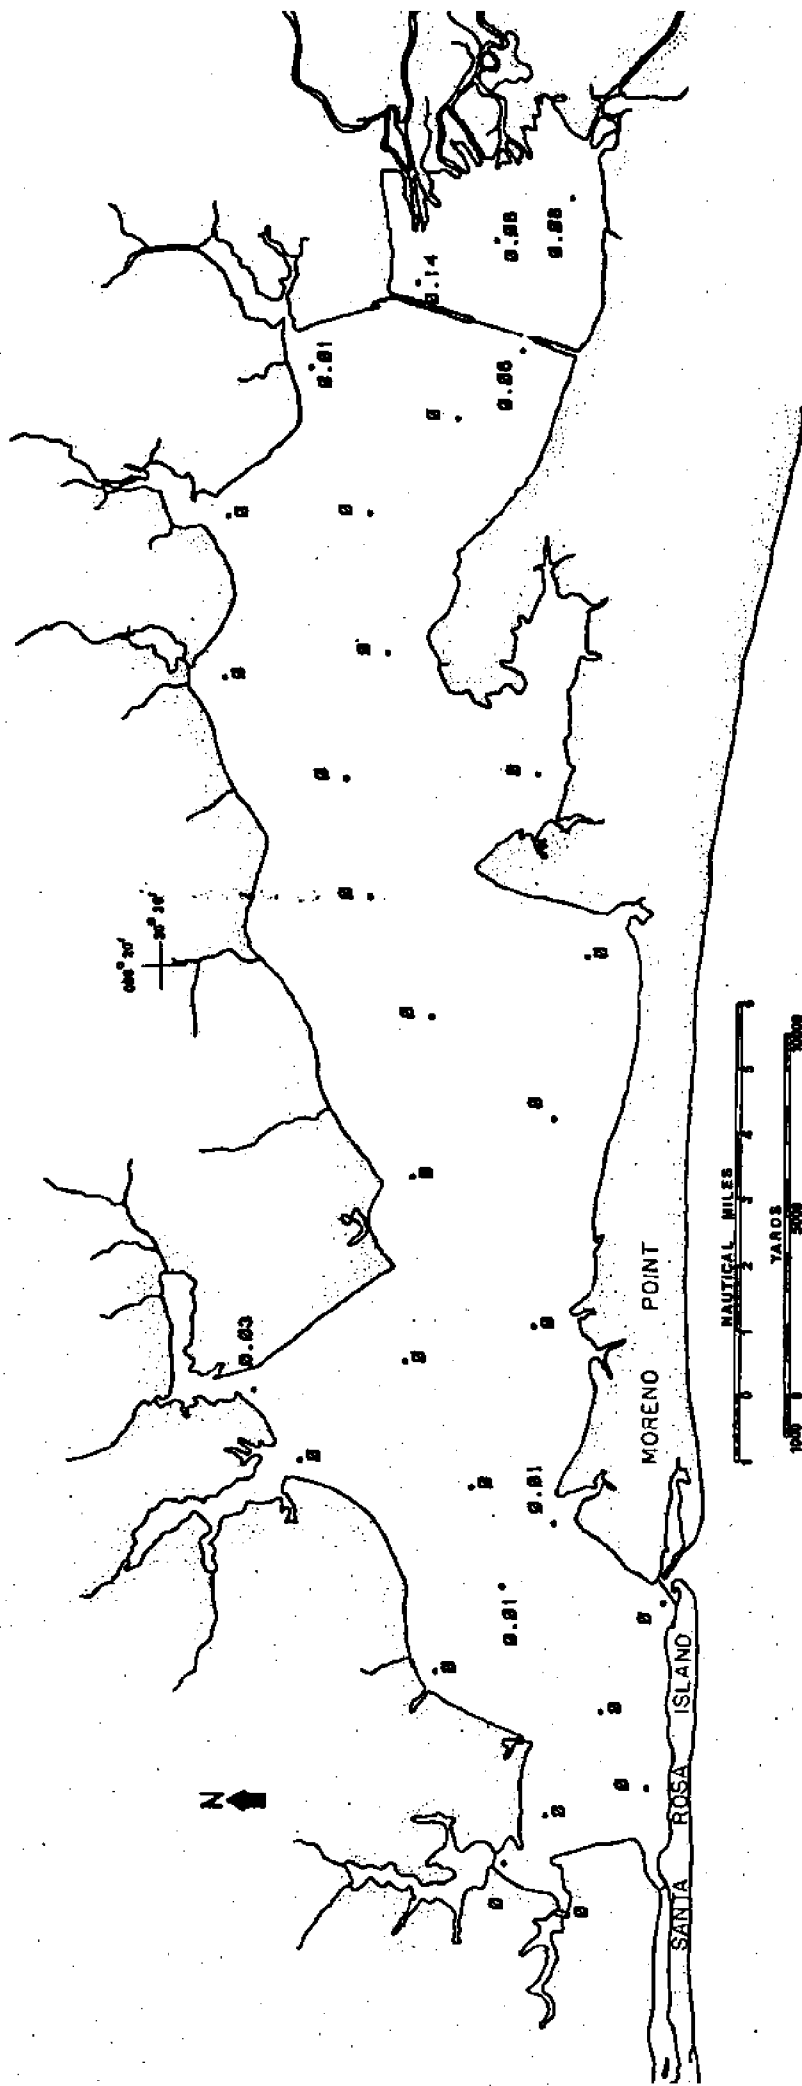

Figure : Nitrate-nitrite concentration
(mg/l-N) in surface waters of Choctawhatchee
Bay on July 19 & 23, 1975.

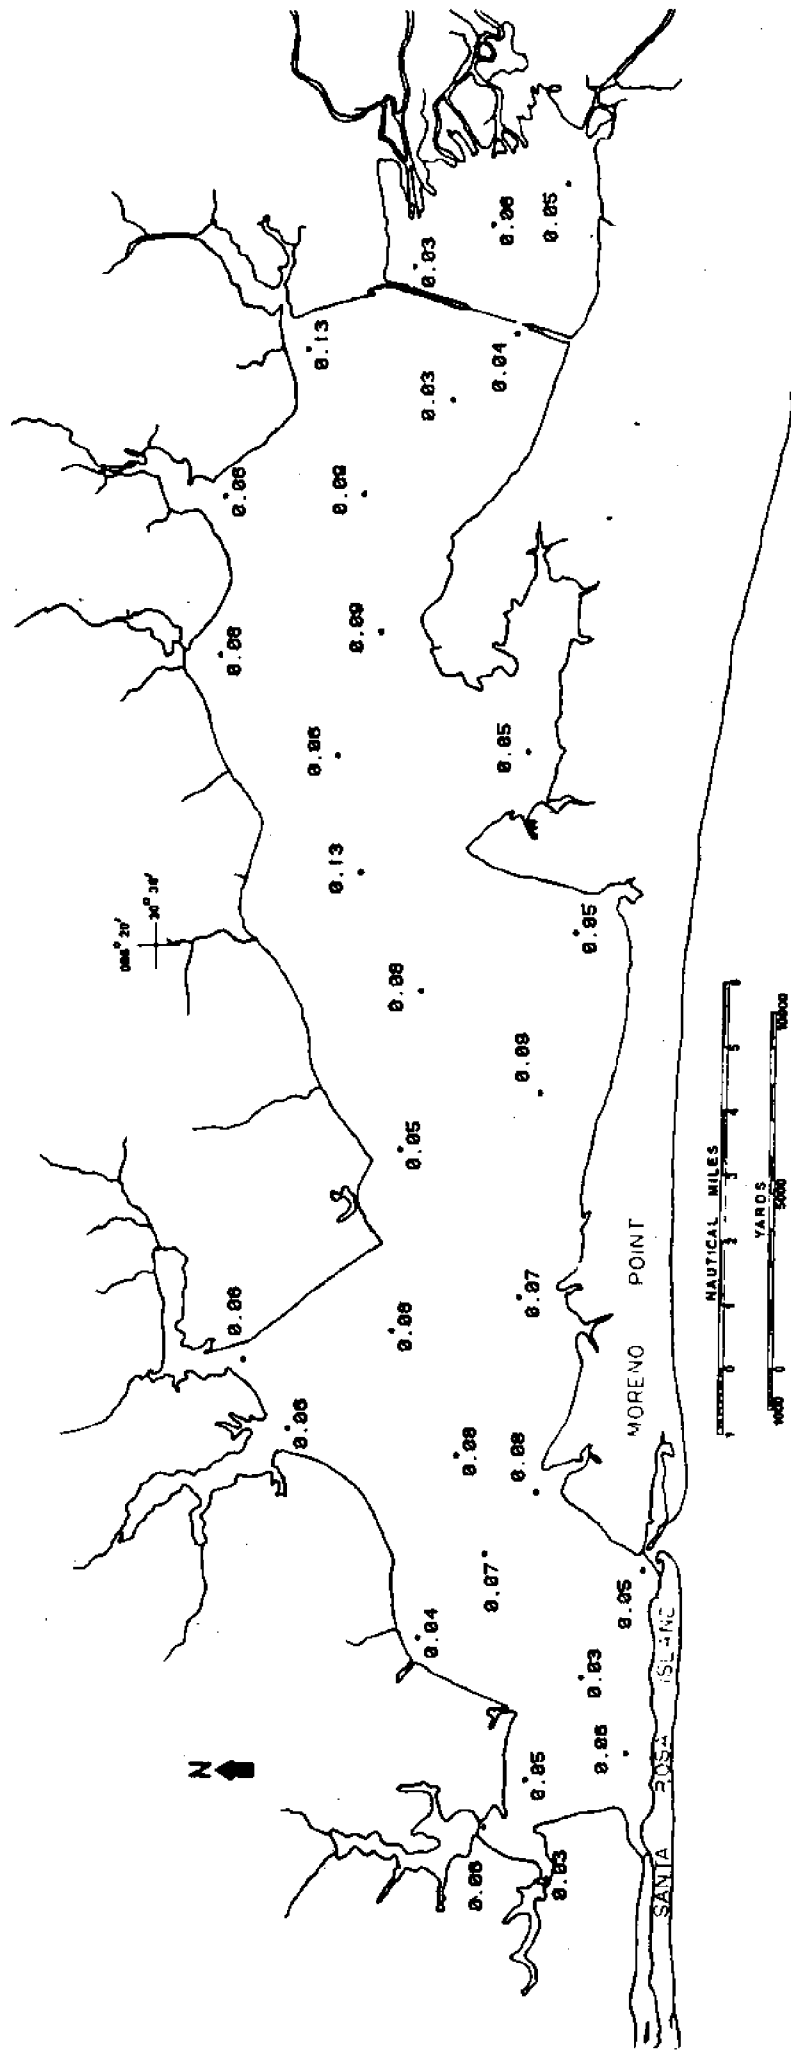

Figure : Nitrate-nitrite concentration (mg/l-N) in surface waters of Choctawhatchee Bay on September 25-26, 1975.

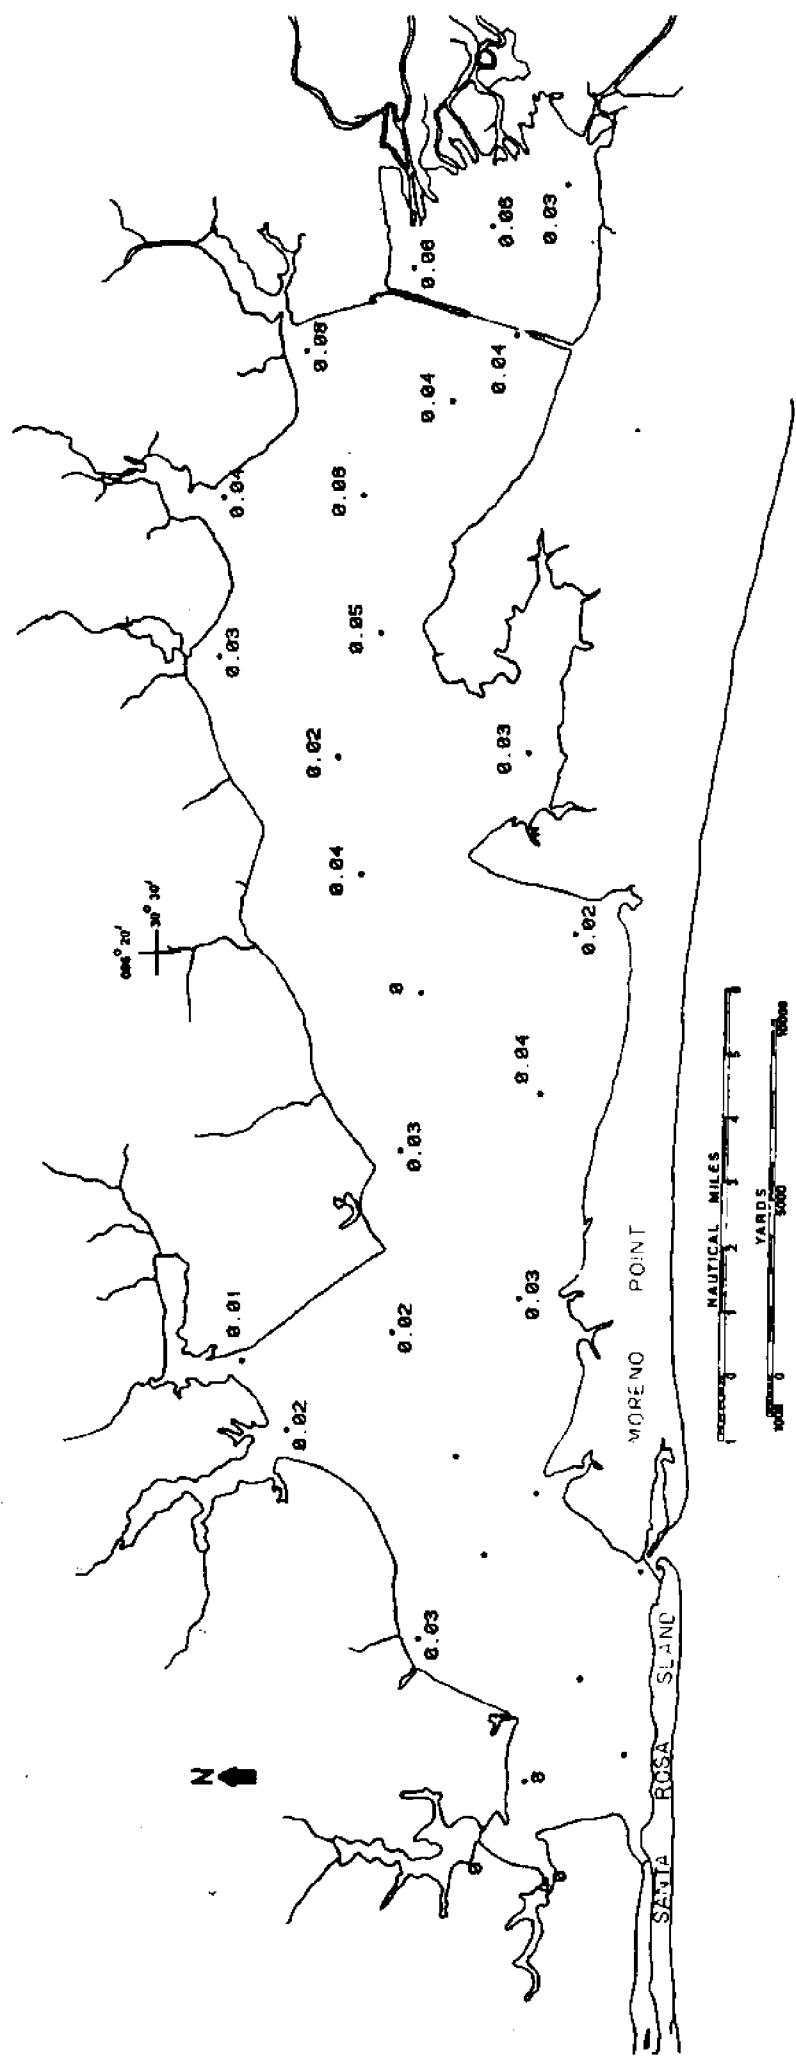

Figure : Nitrate-nitrite concentration (mg/l-N) in surface waters of Choctawhatchee Bay on October 29-30, 1975.

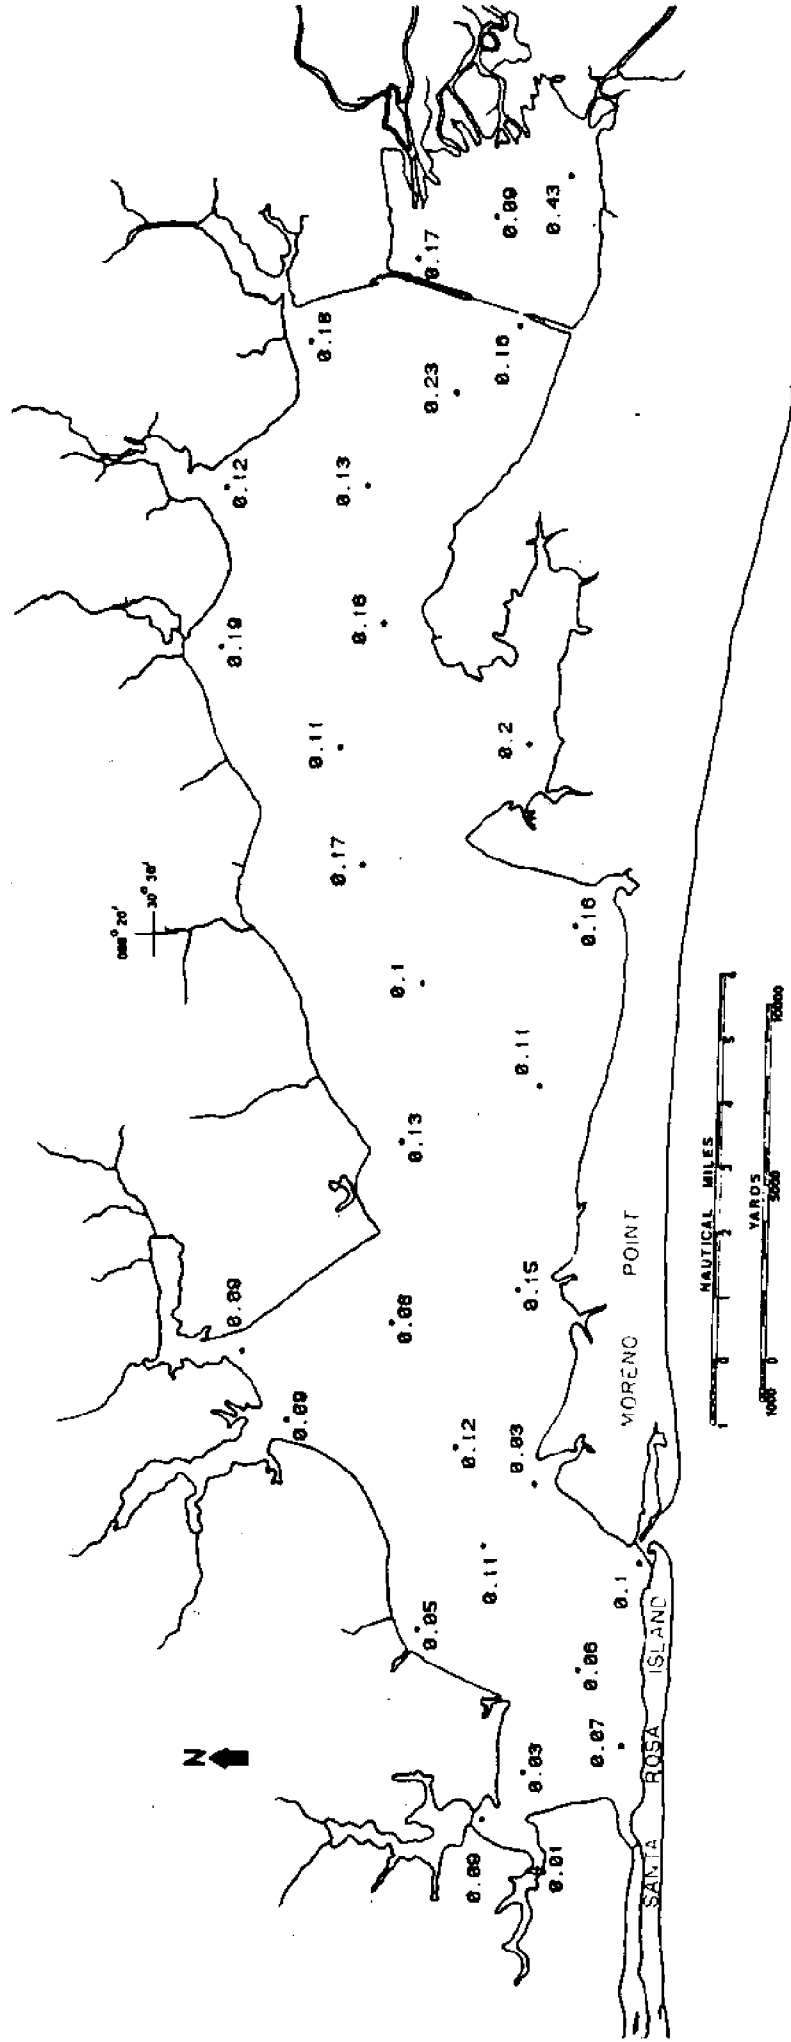

Figure : Nitrate-nitrite concentration (mg/l-N) in surface waters of Choctawhatchee Bay on November 24, 1975.

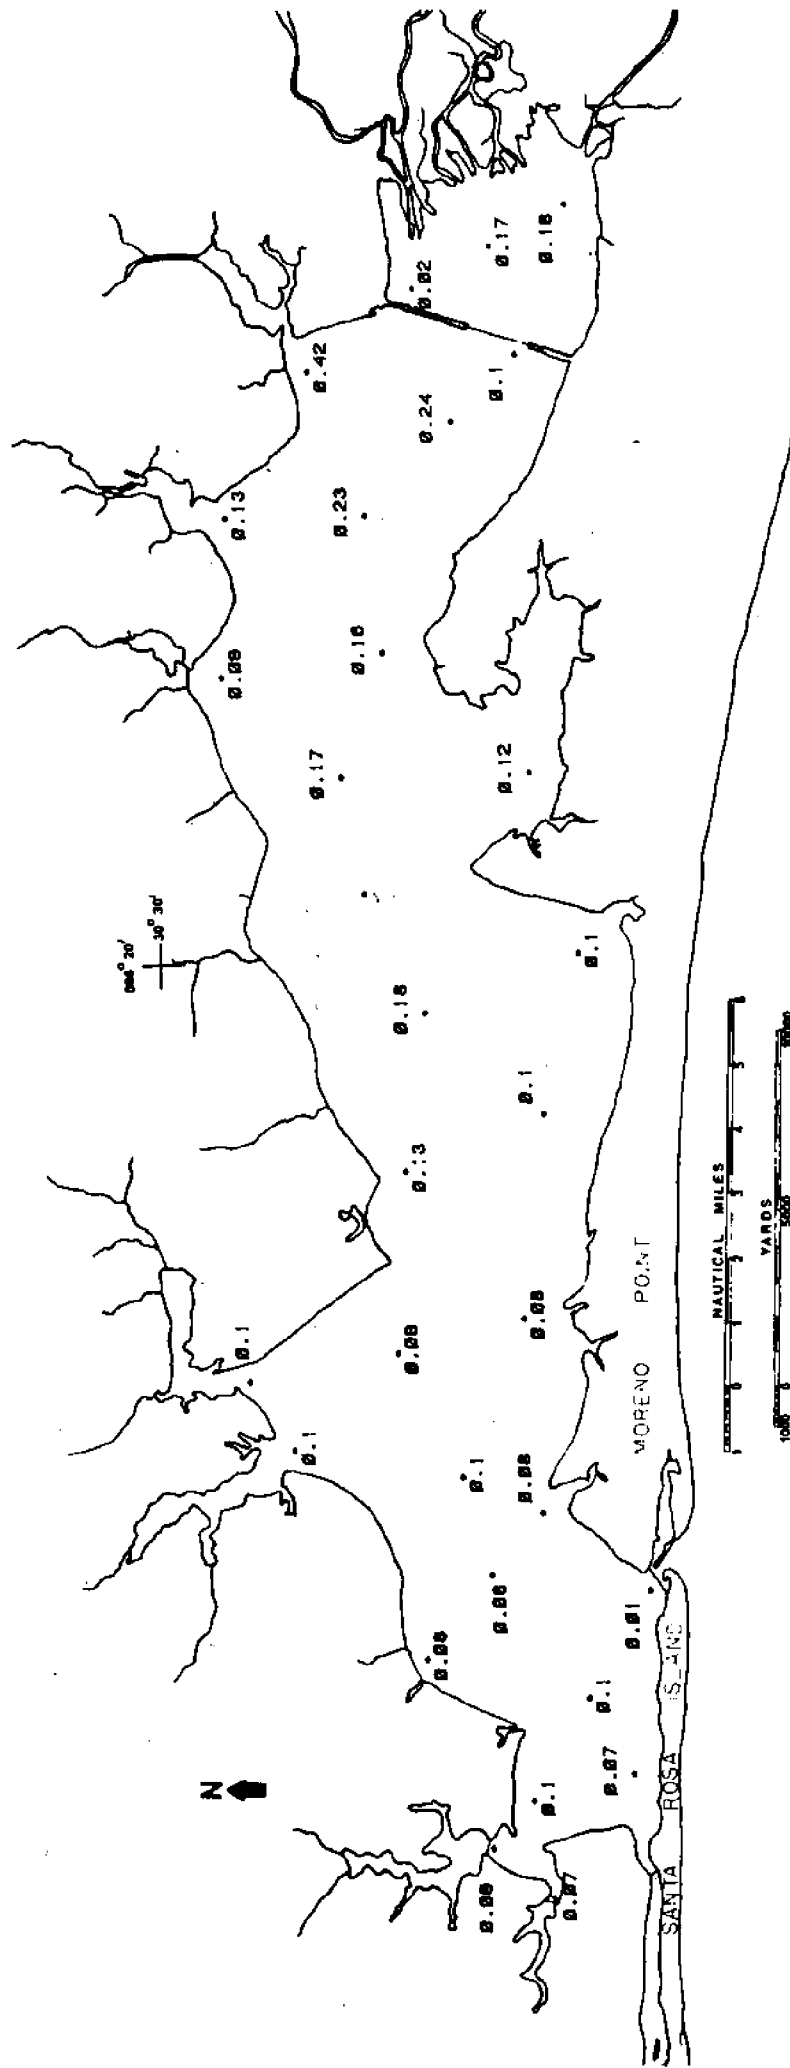

Figure : Nitrate-nitrite concentration (mg/l-N) in surface waters of Choctawhatchee Bay on December 15, 1975.

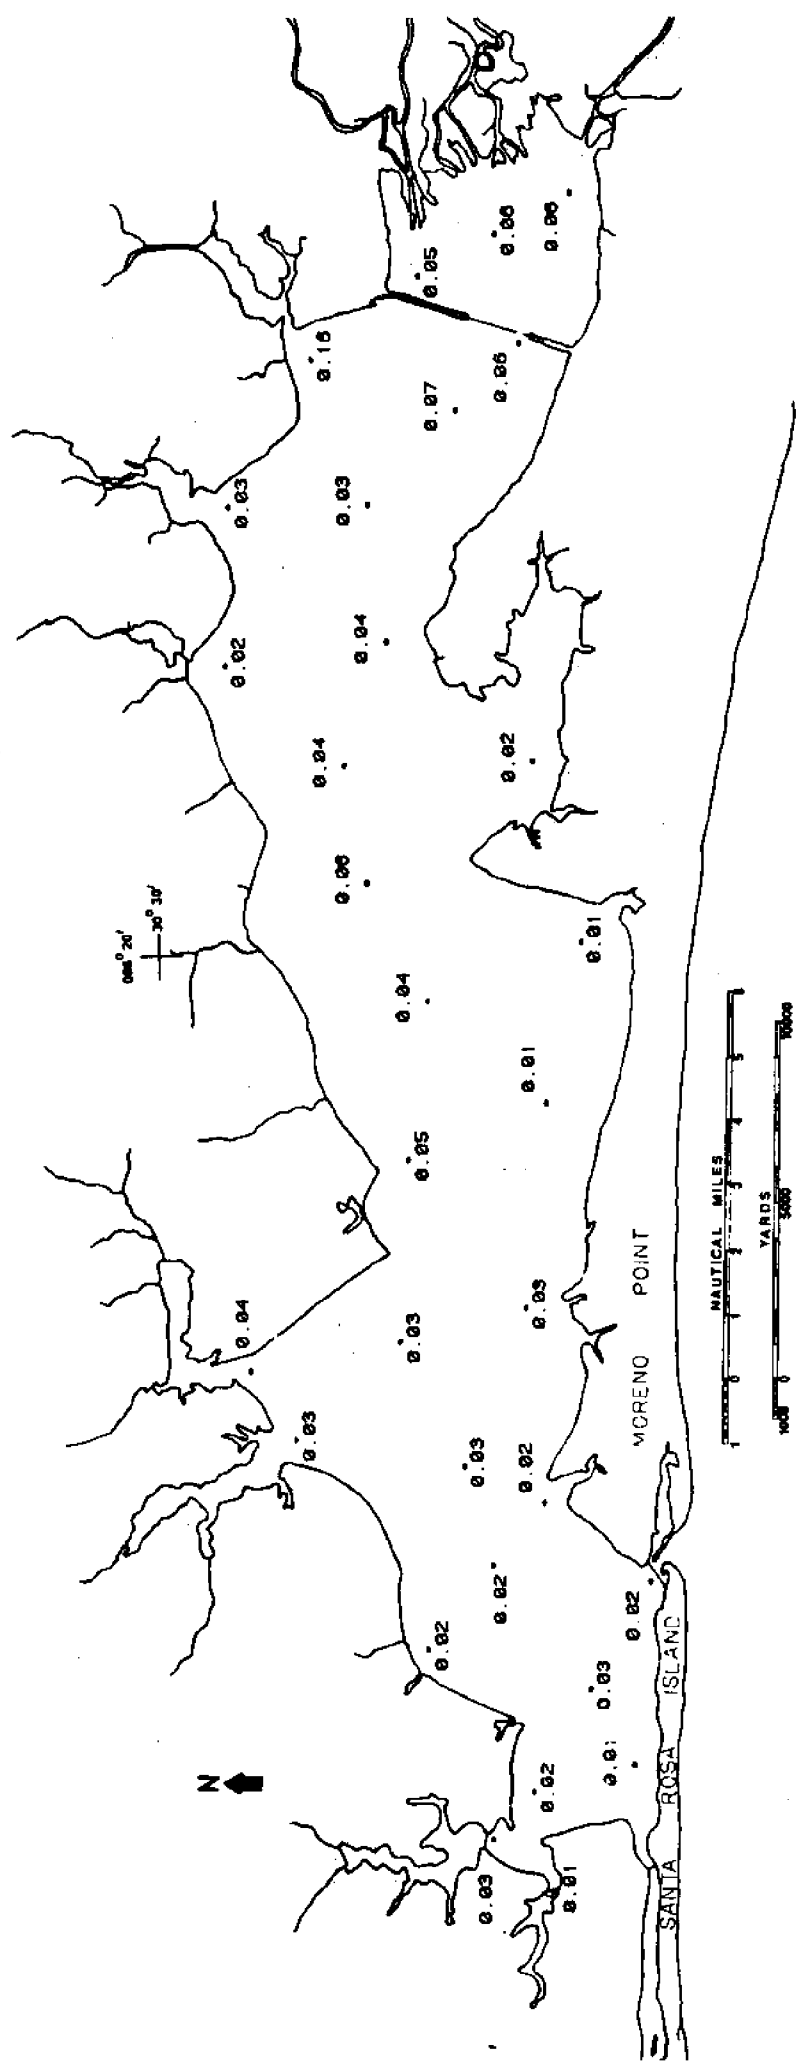

Figure : Nitrate-nitrite concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on January 28-29, 1975.

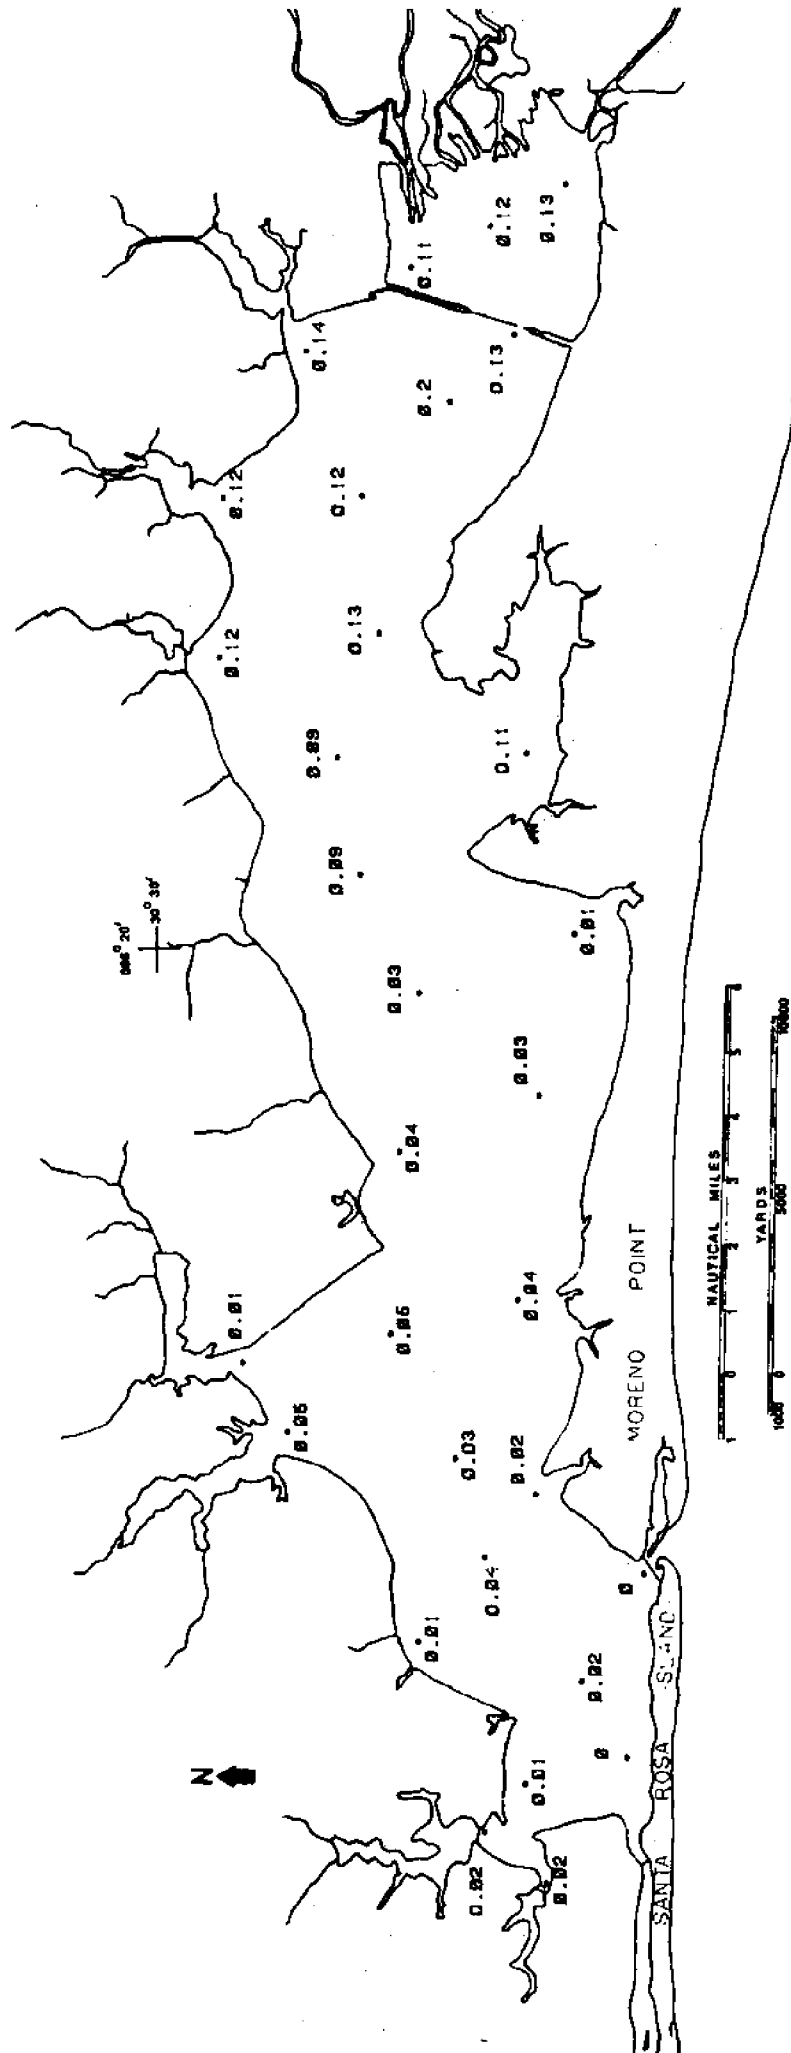

Figure : Nitrate-nitrite concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on March 19-20, 1975.

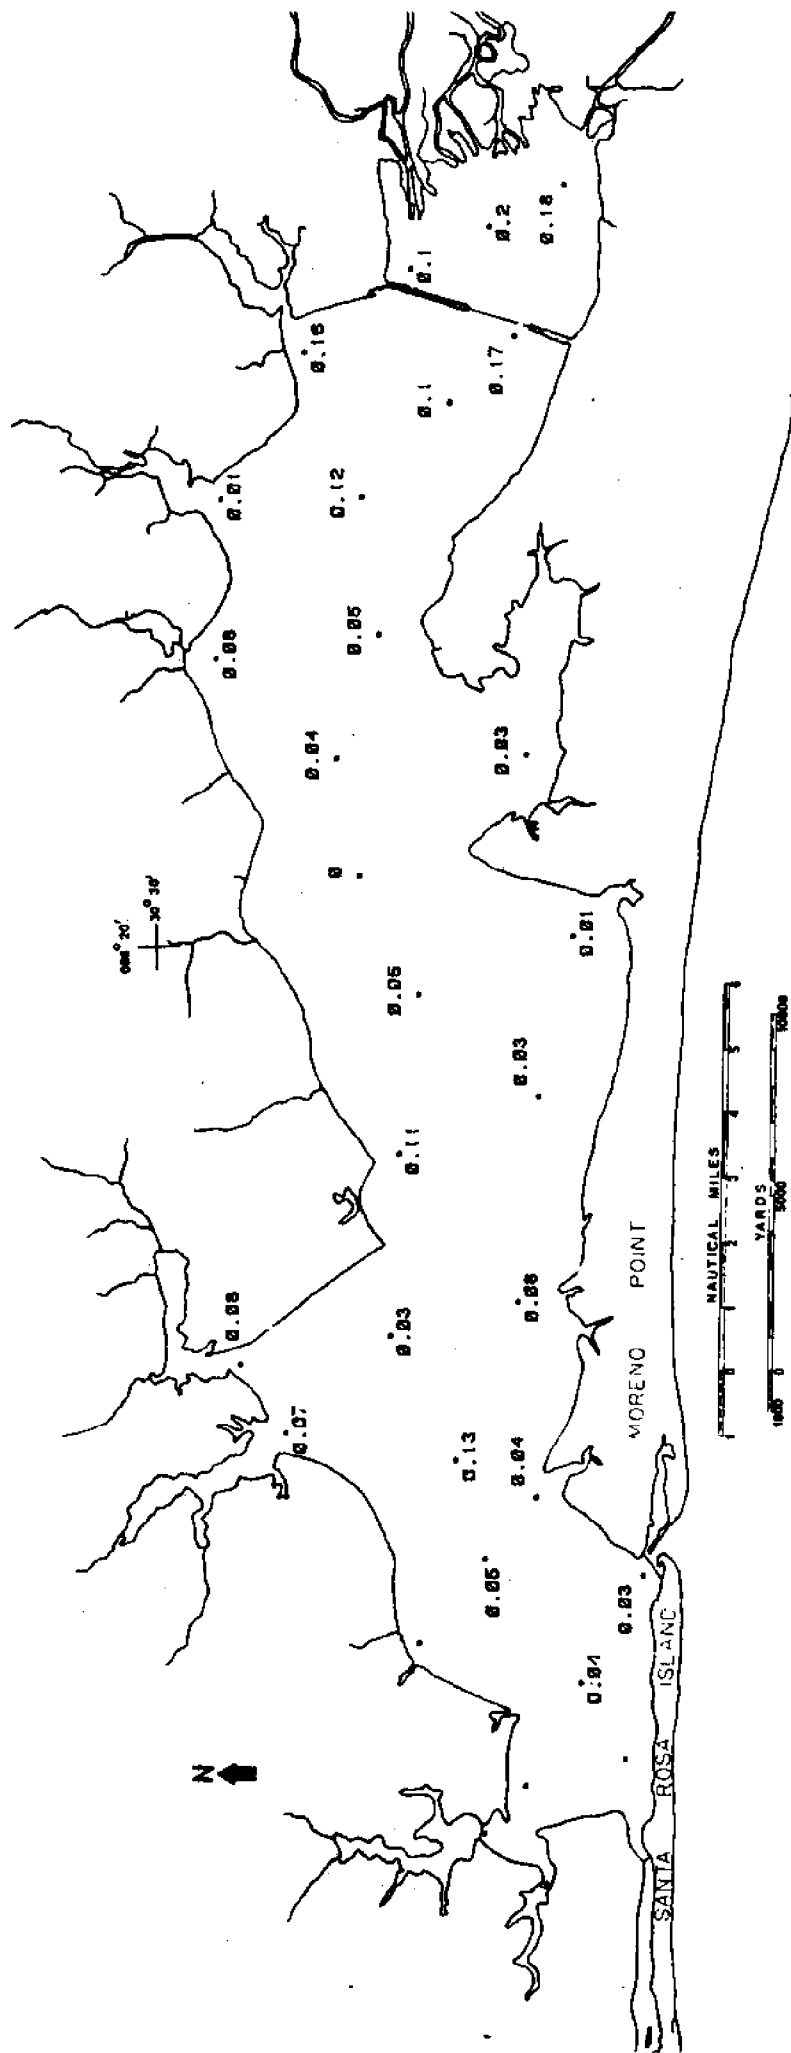

Figure : Nitrate-nitrite concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on May 20-21, 1975.

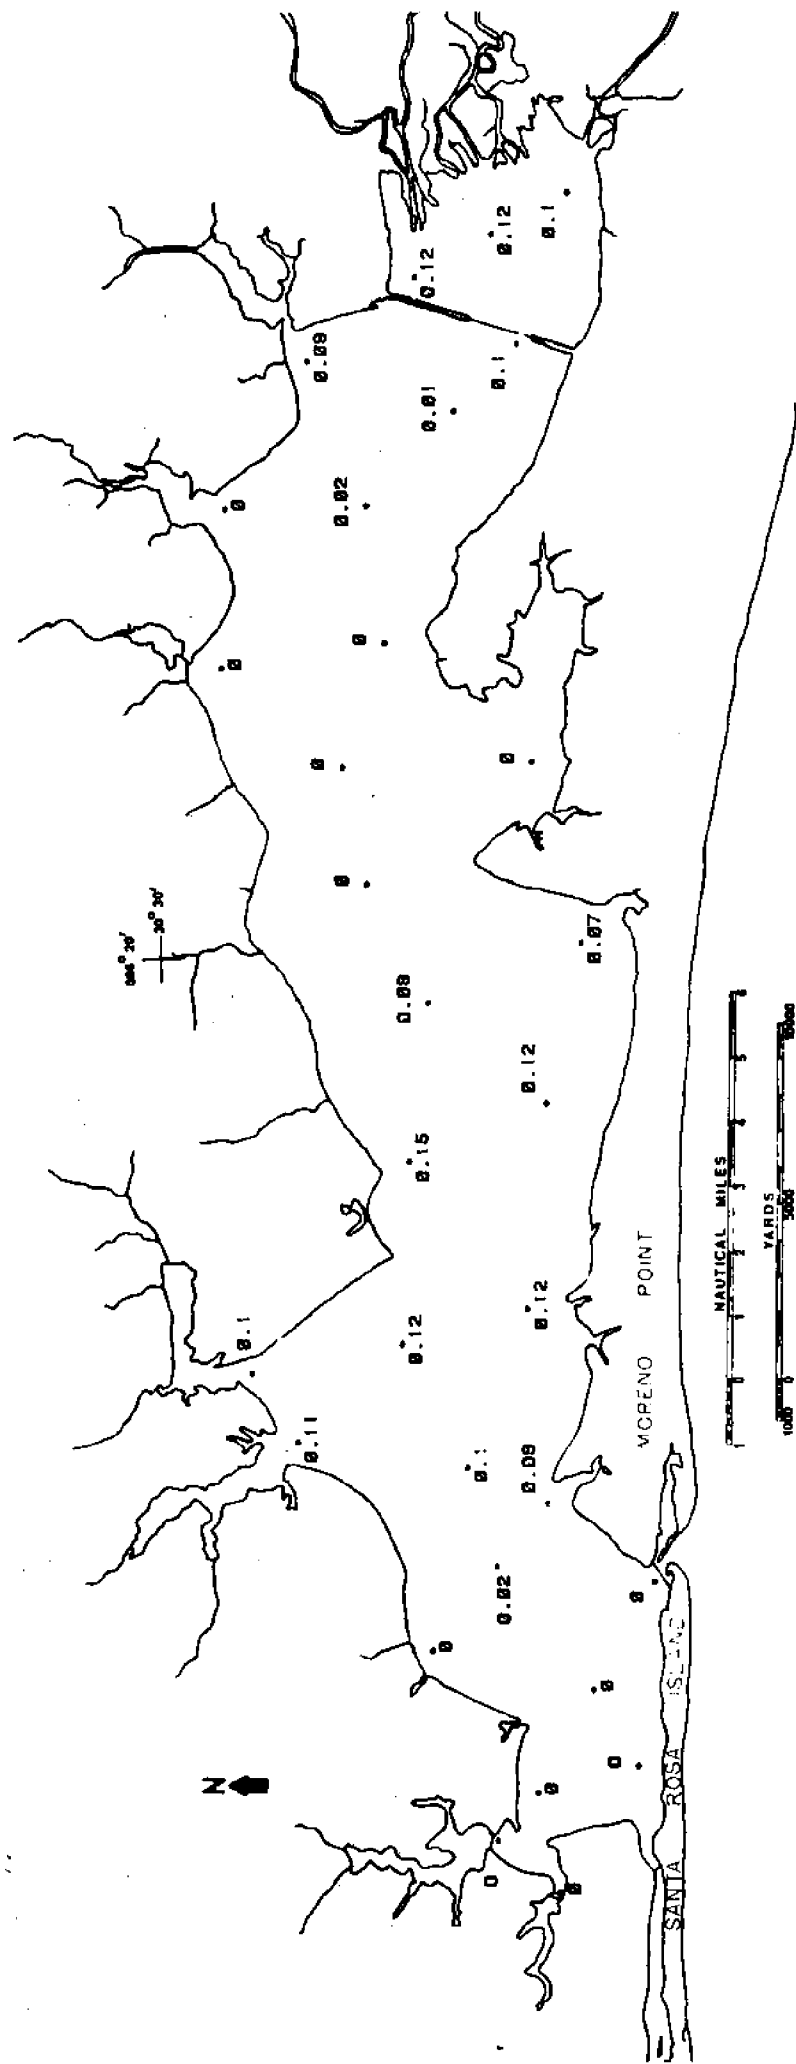

Figure : Nitrate-nitrite concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on June 21-22, 1975.

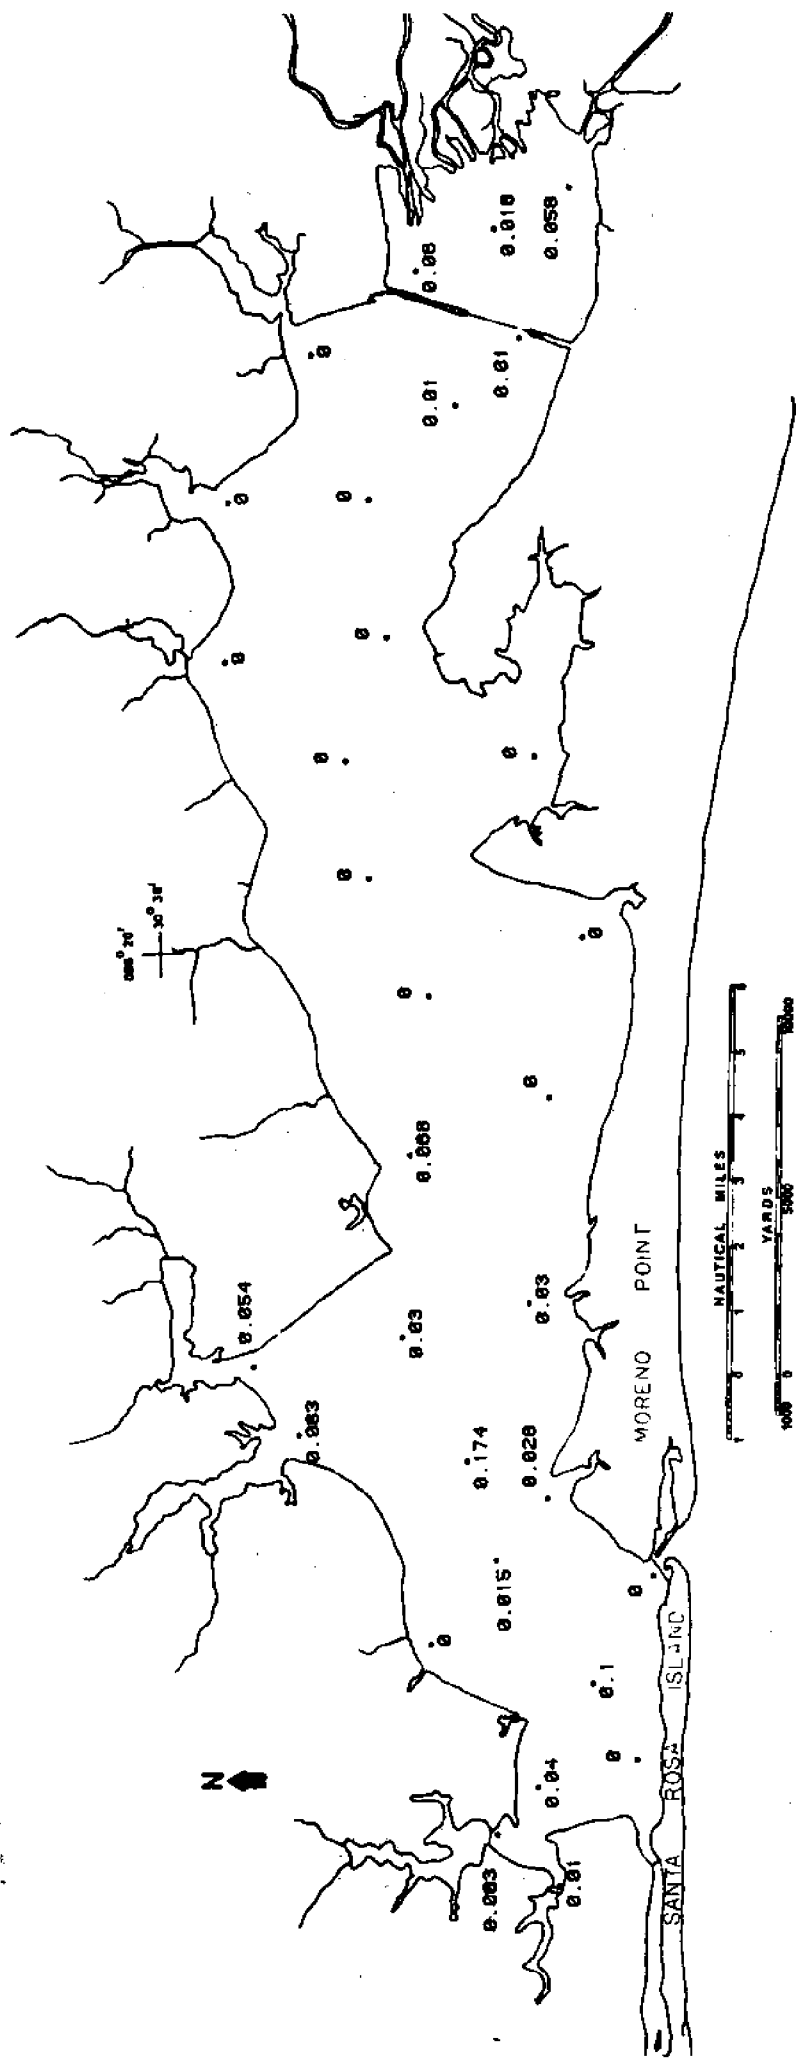

Figure : Nitrate-nitrite concentration
 mg/l-N in mid-depth waters of Choctawhatchee
 Bay on July 19 & 23, 1975.

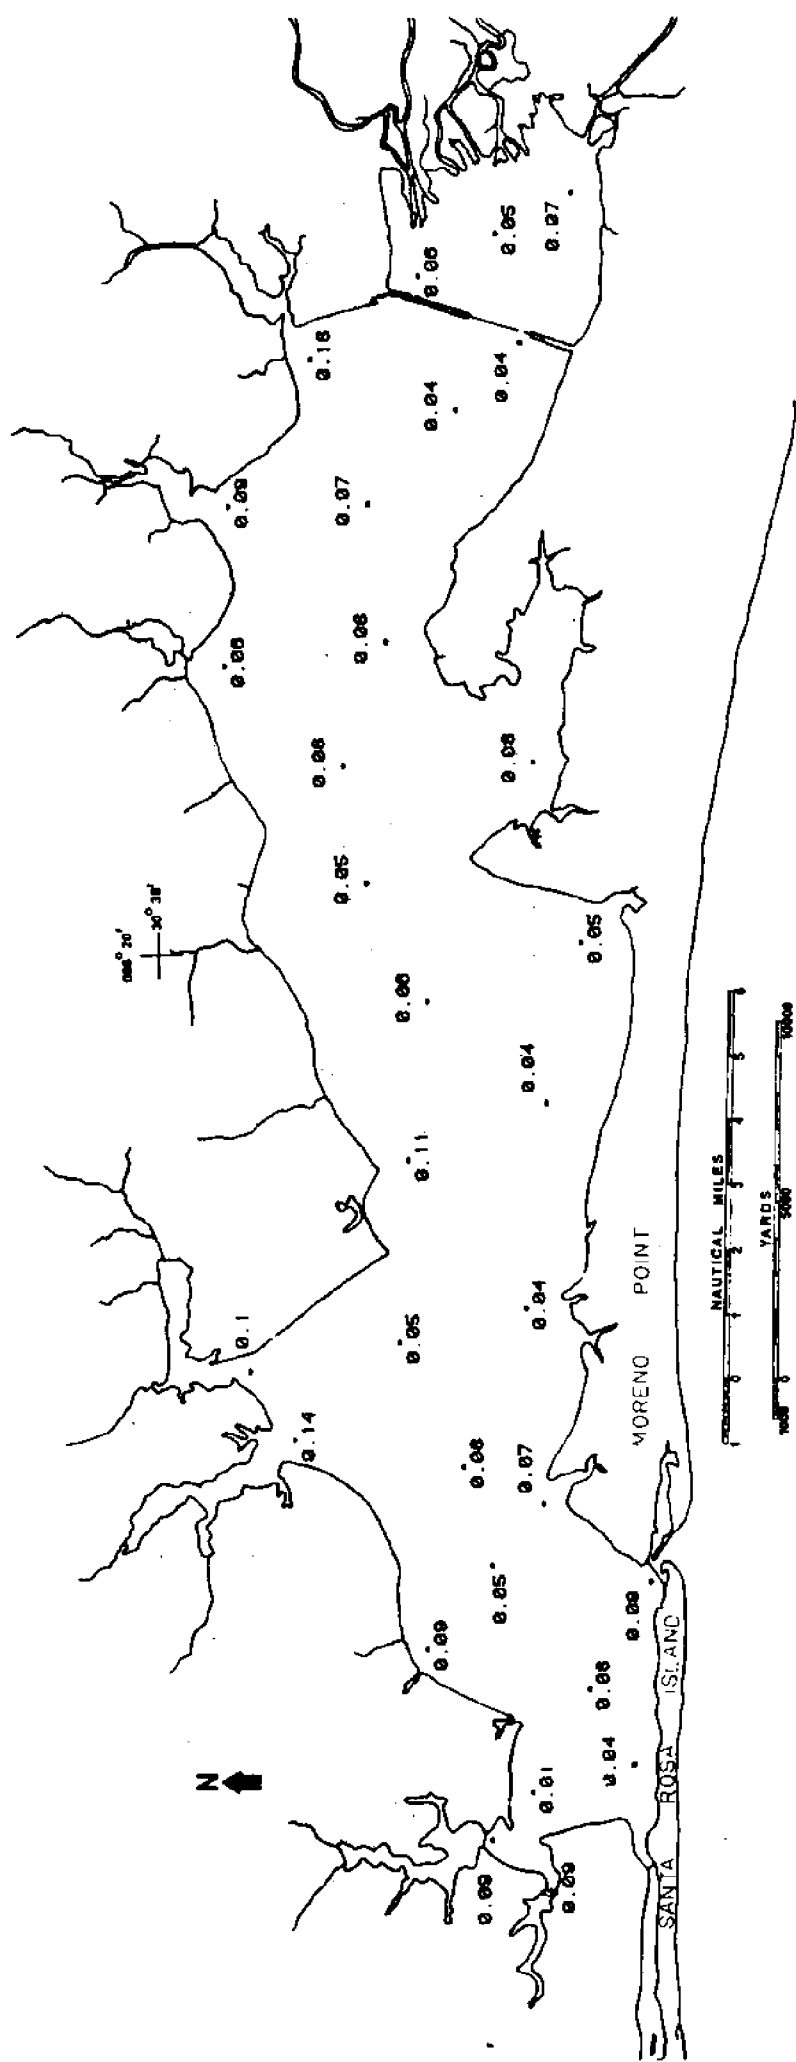

Figure 1: Nitrate-nitrite concentration (mg/l-N) in mid-September waters of Choctawhatchee Bay on September 25-26, 1975.

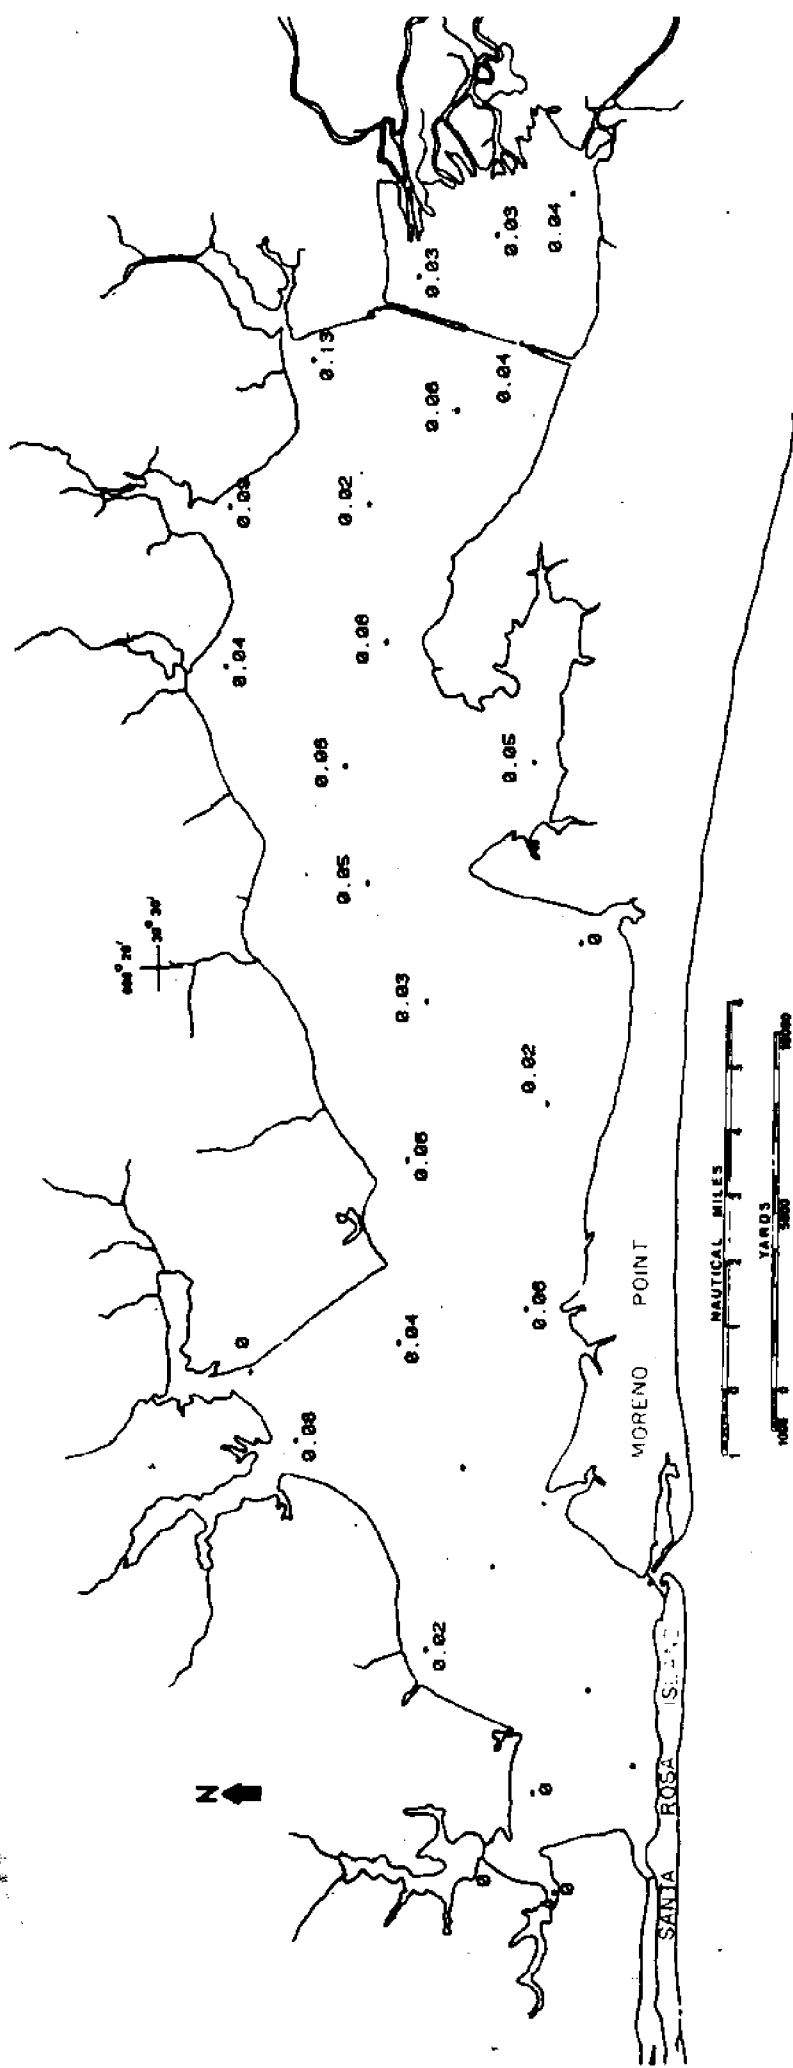

Figure : Nitrate-nitrite concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on October 29-30, 1975.

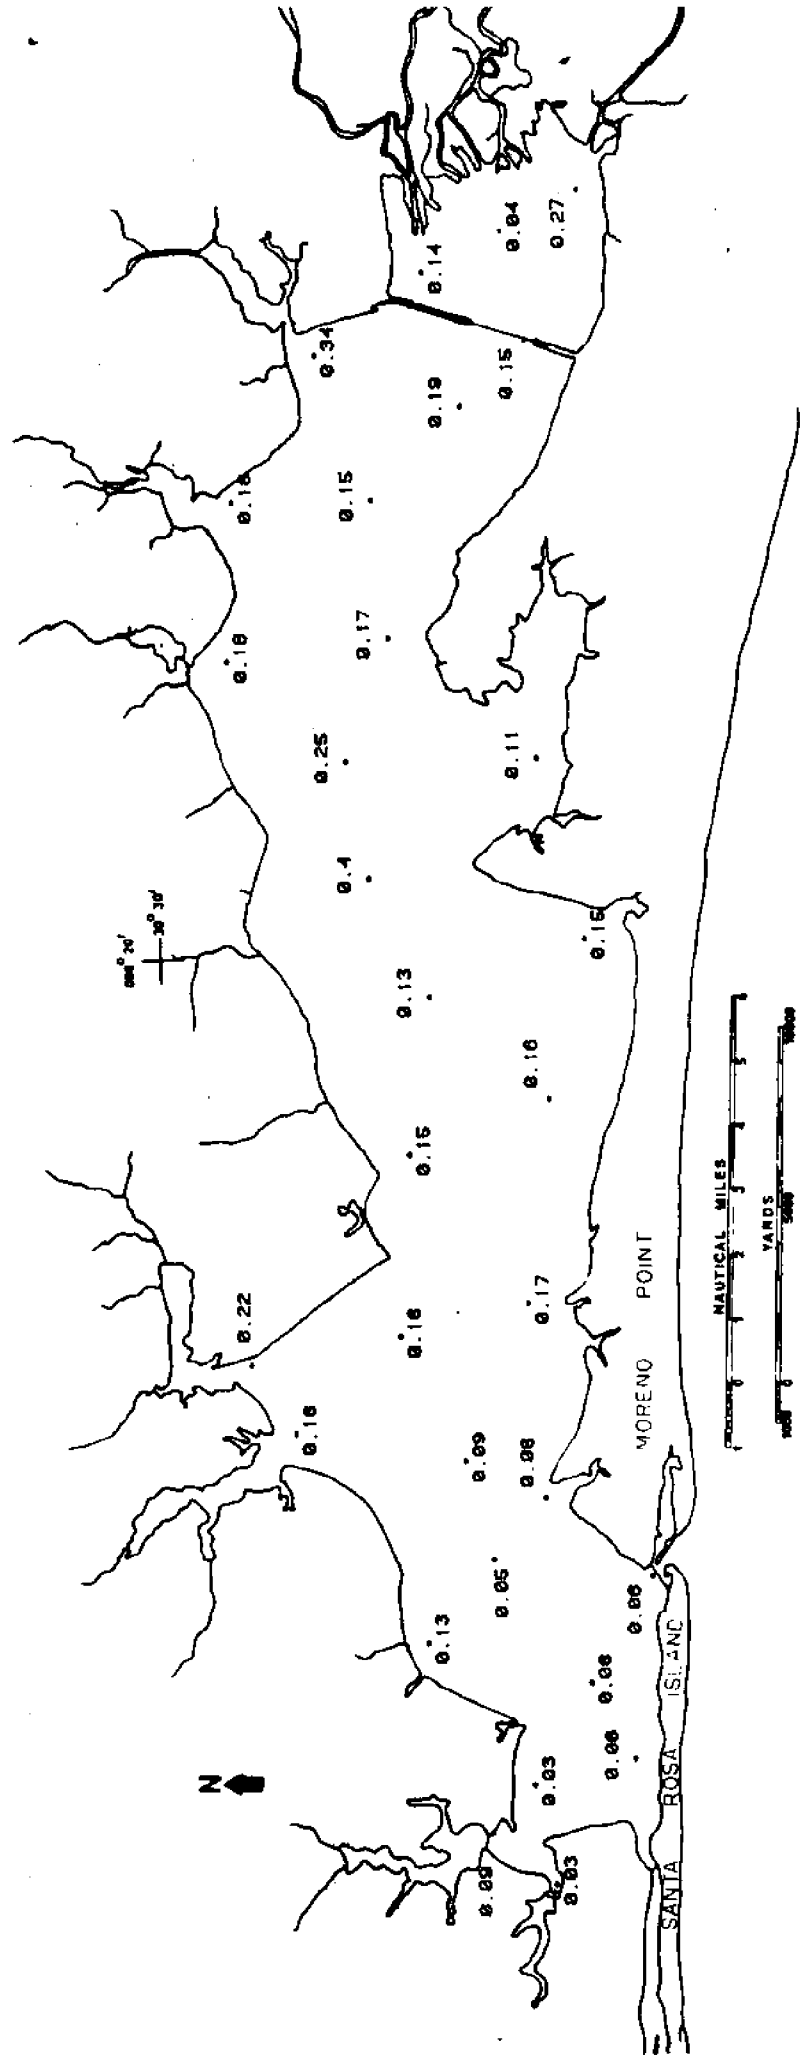

Figure : Nitrate-nitrite concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on November 24, 1975.

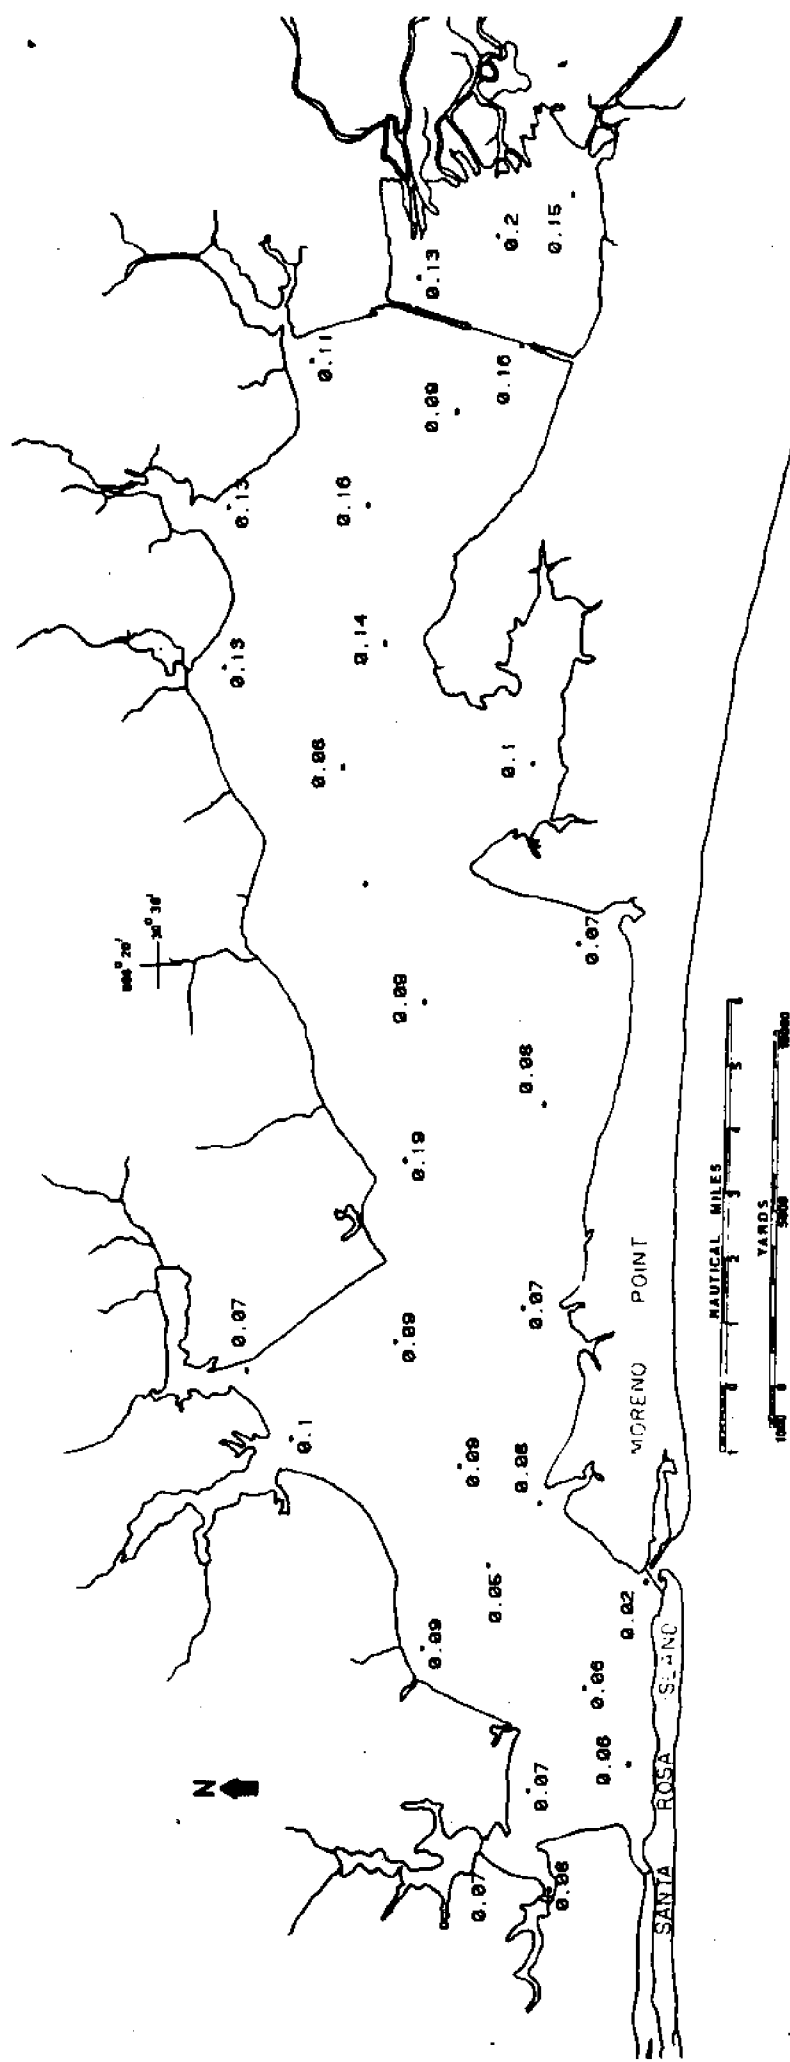

Figure : Nitrate-nitrite concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on December 15, 1975.

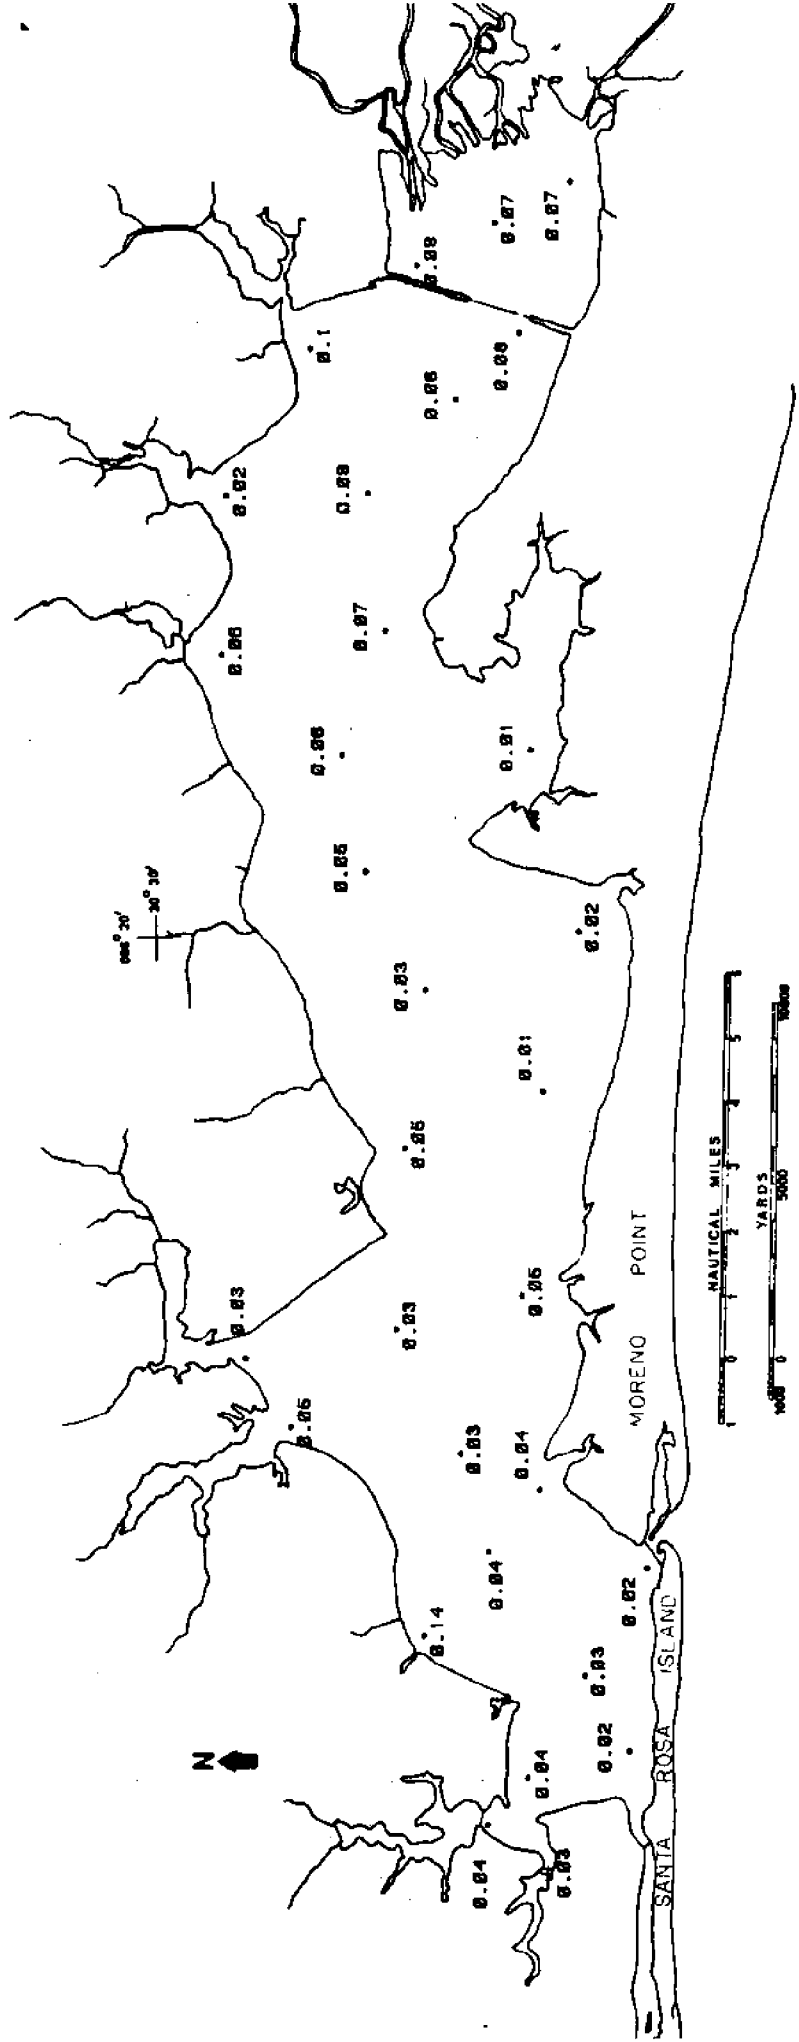

Figure : Nitrate-nitrite concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on January 28-29, 1975.

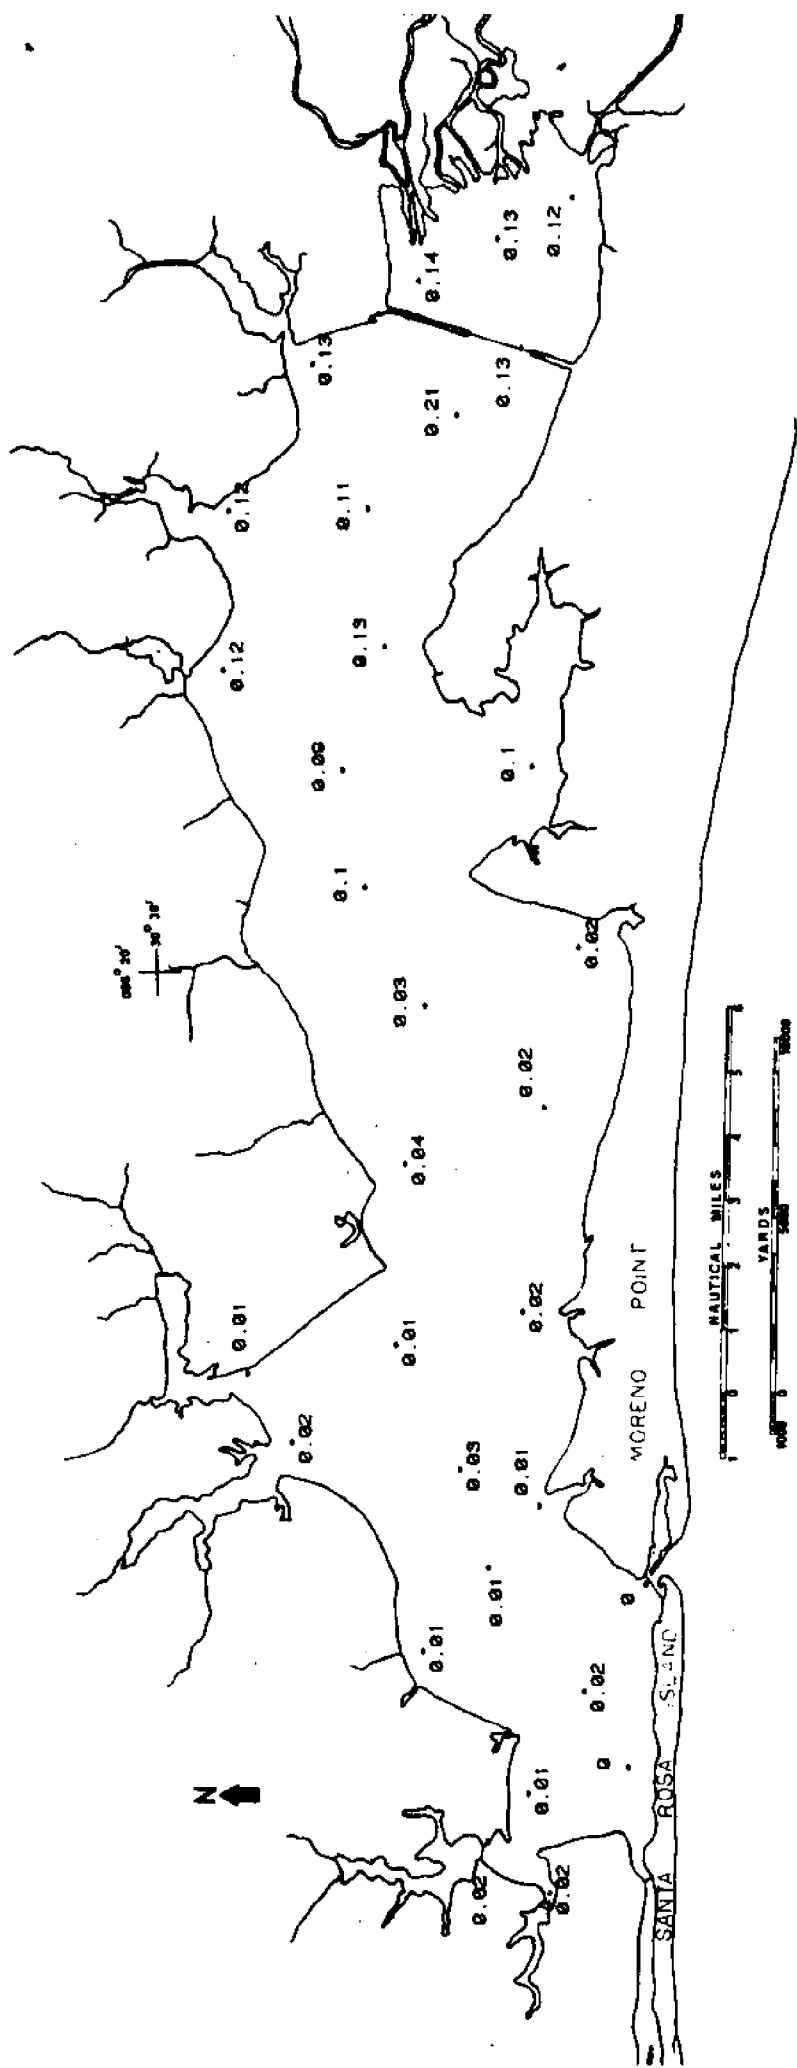

Figure : Nitrate-nitrite concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on March 19-20, 1975.

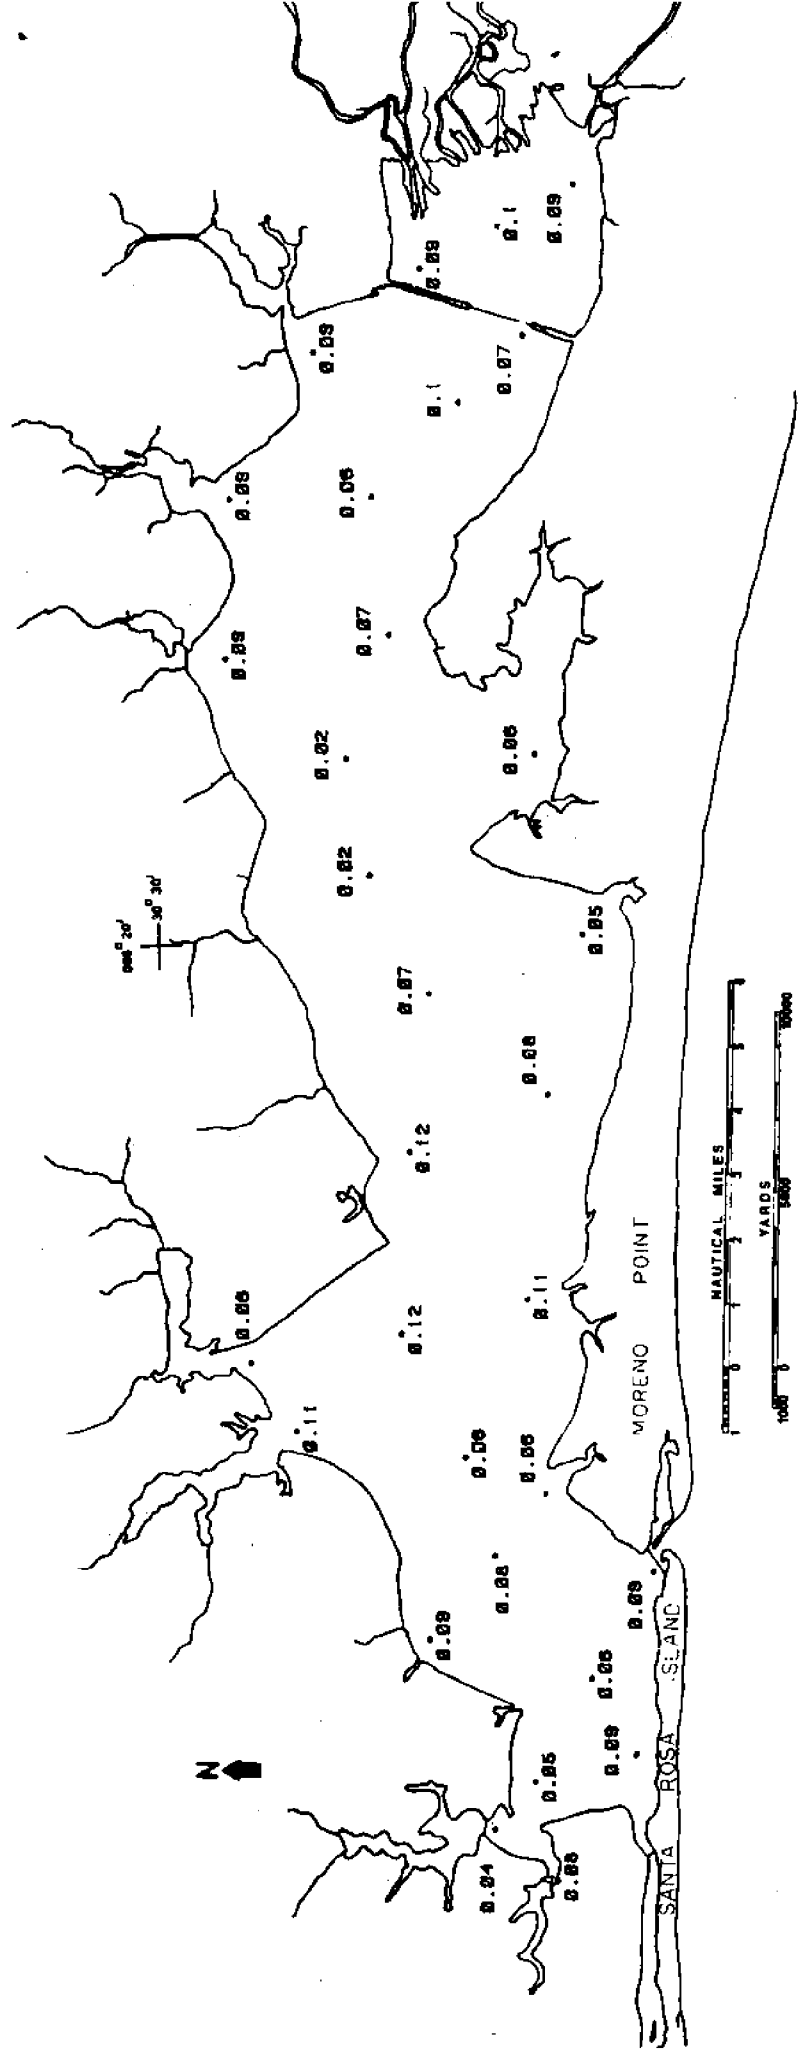

Figure : Nitrate-nitrite concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on April 21-22, 1975.

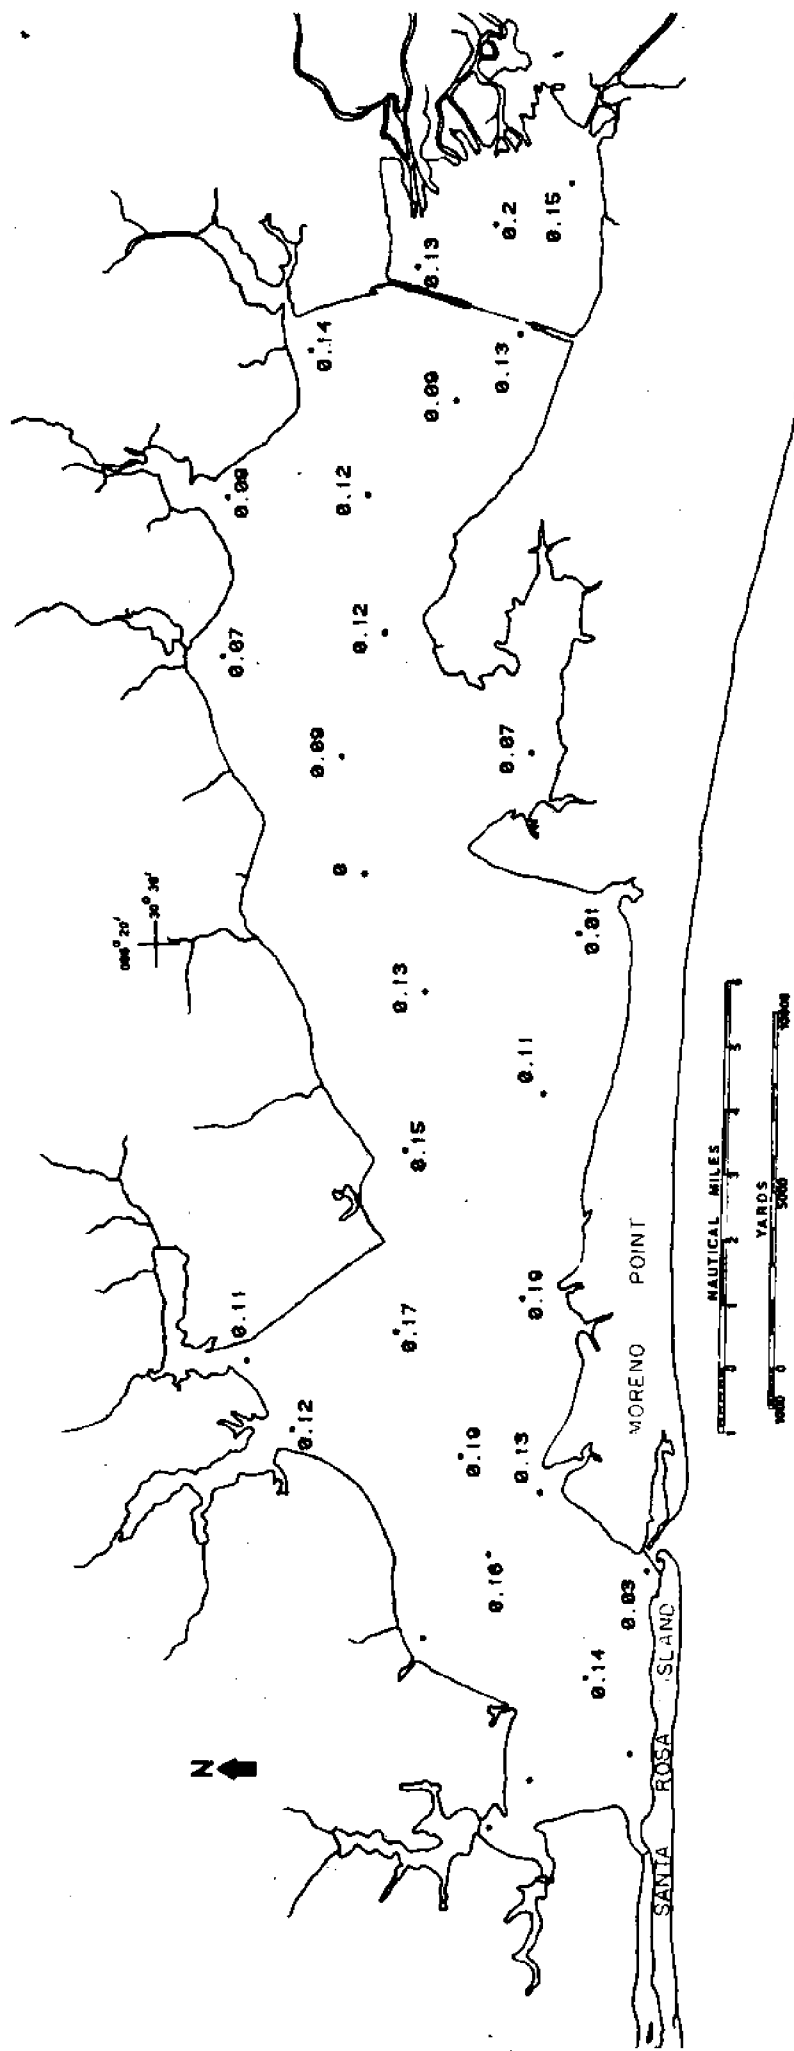

Figure : Nitrate-nitrite concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on May 20-21, 1975.

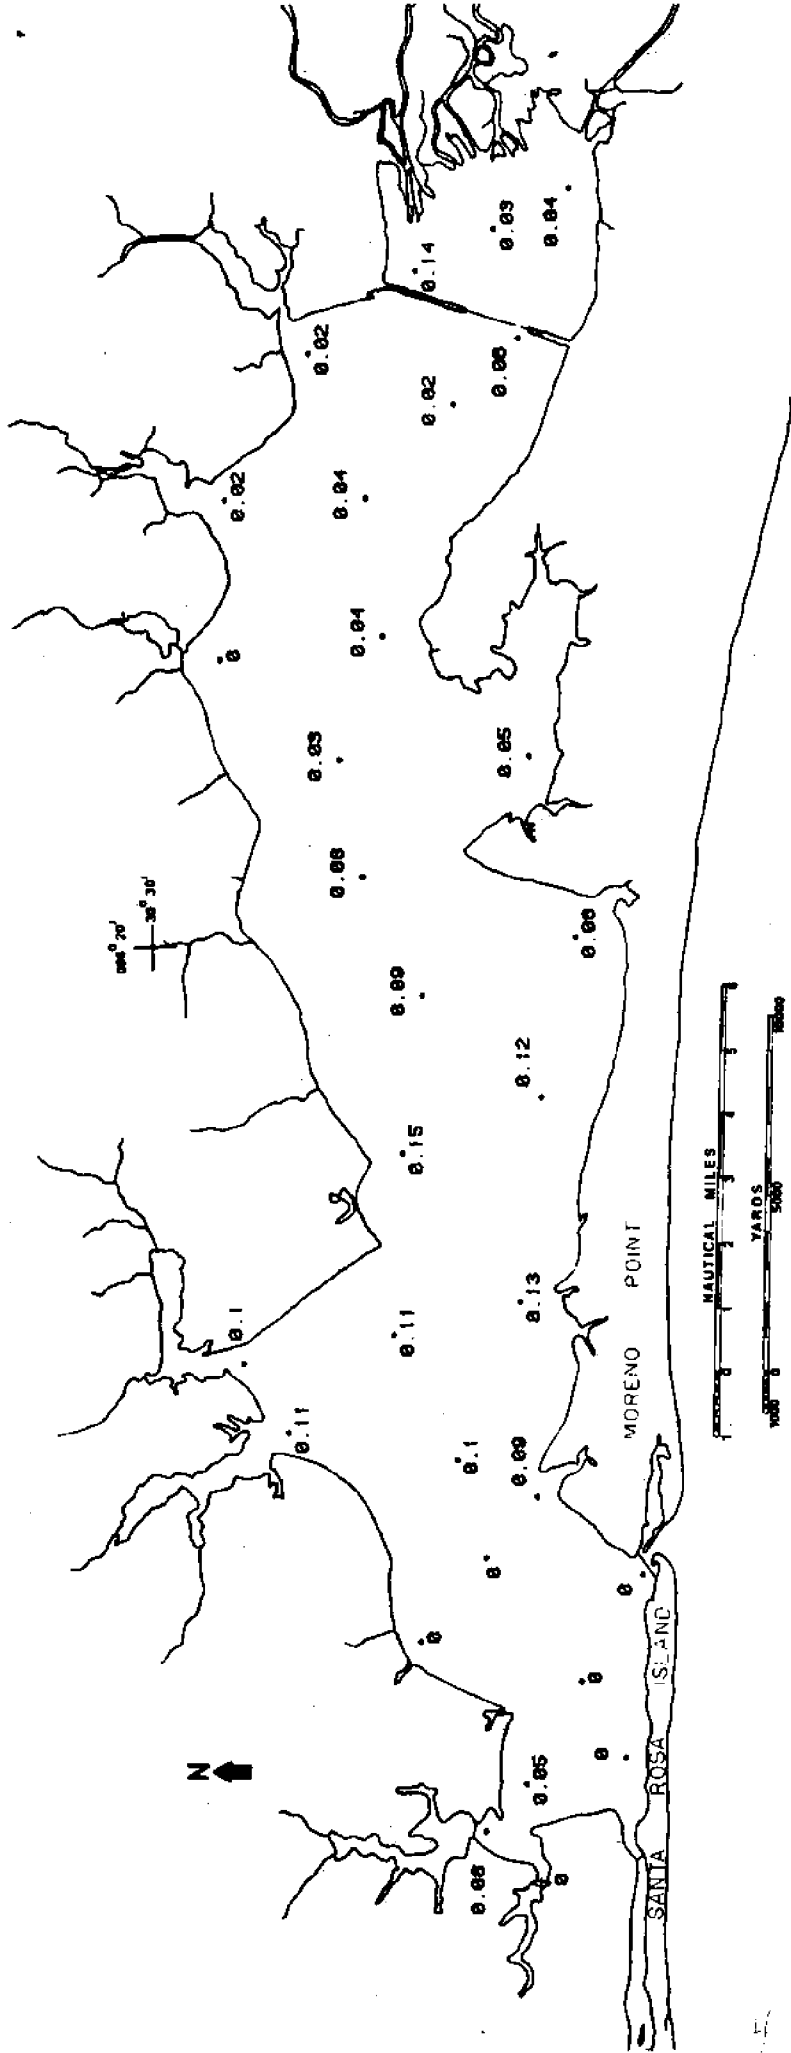

Figure : Nitrate-nitrite concentration
(mg/l-N) in bottom waters of Choctawhatchee
Bay on June 21-22, 1975.

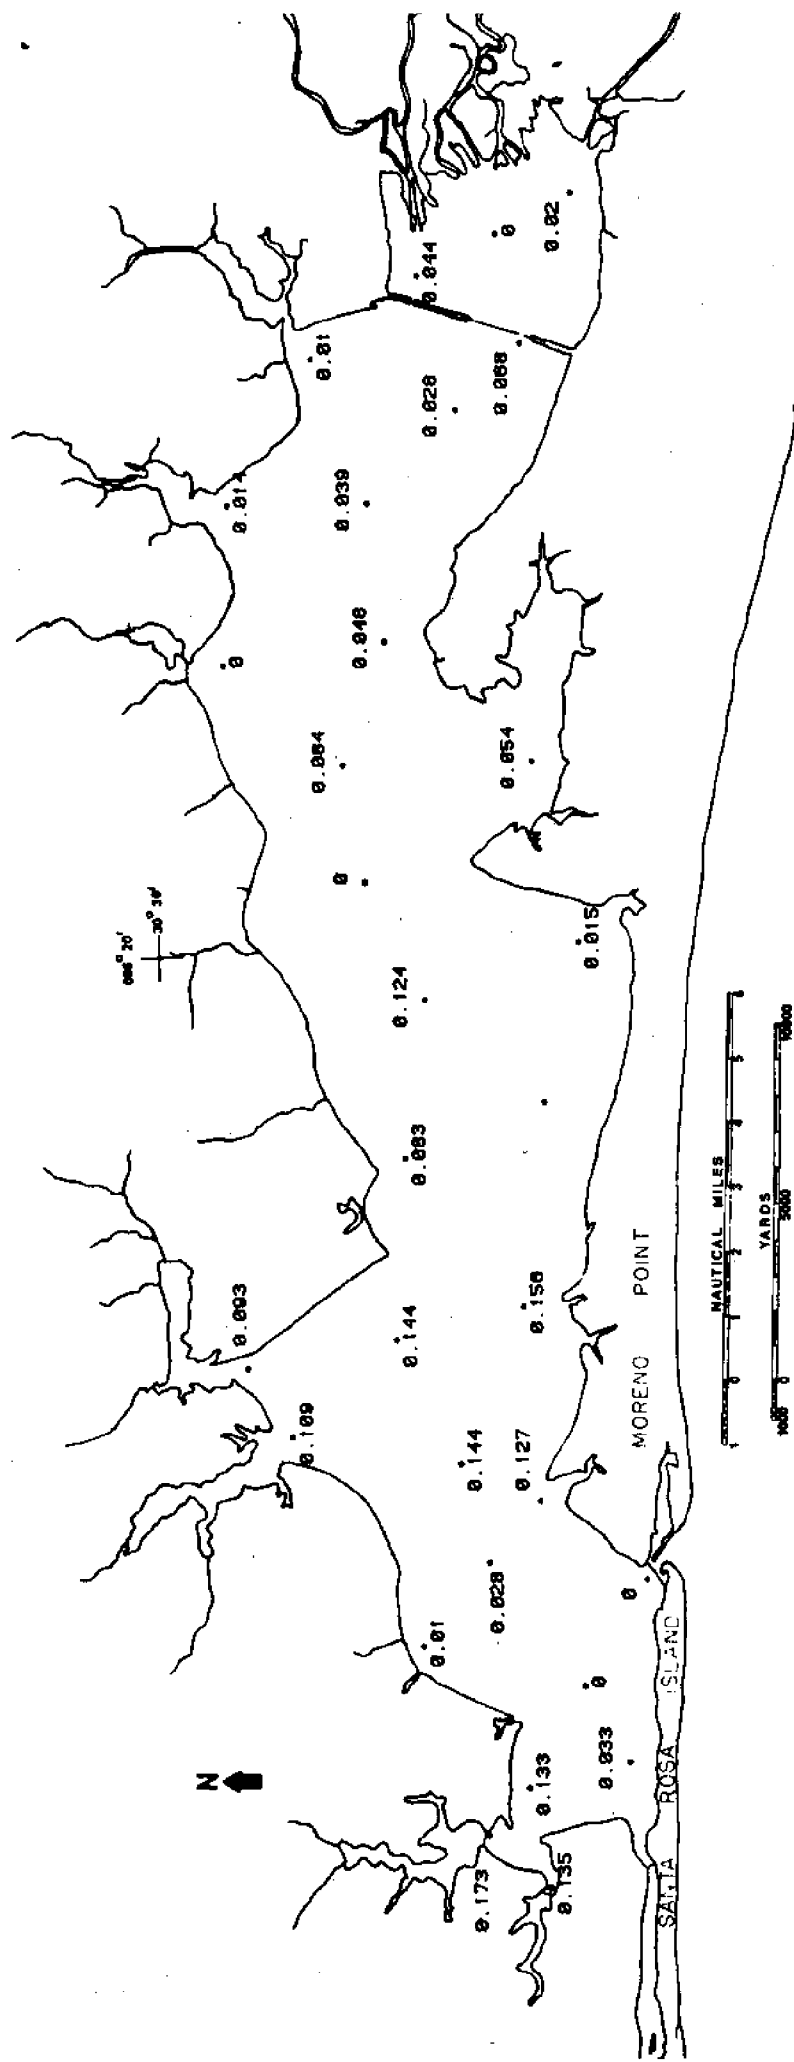

Figure : Nitrate-nitrite concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on July 19 & 23, 1975.

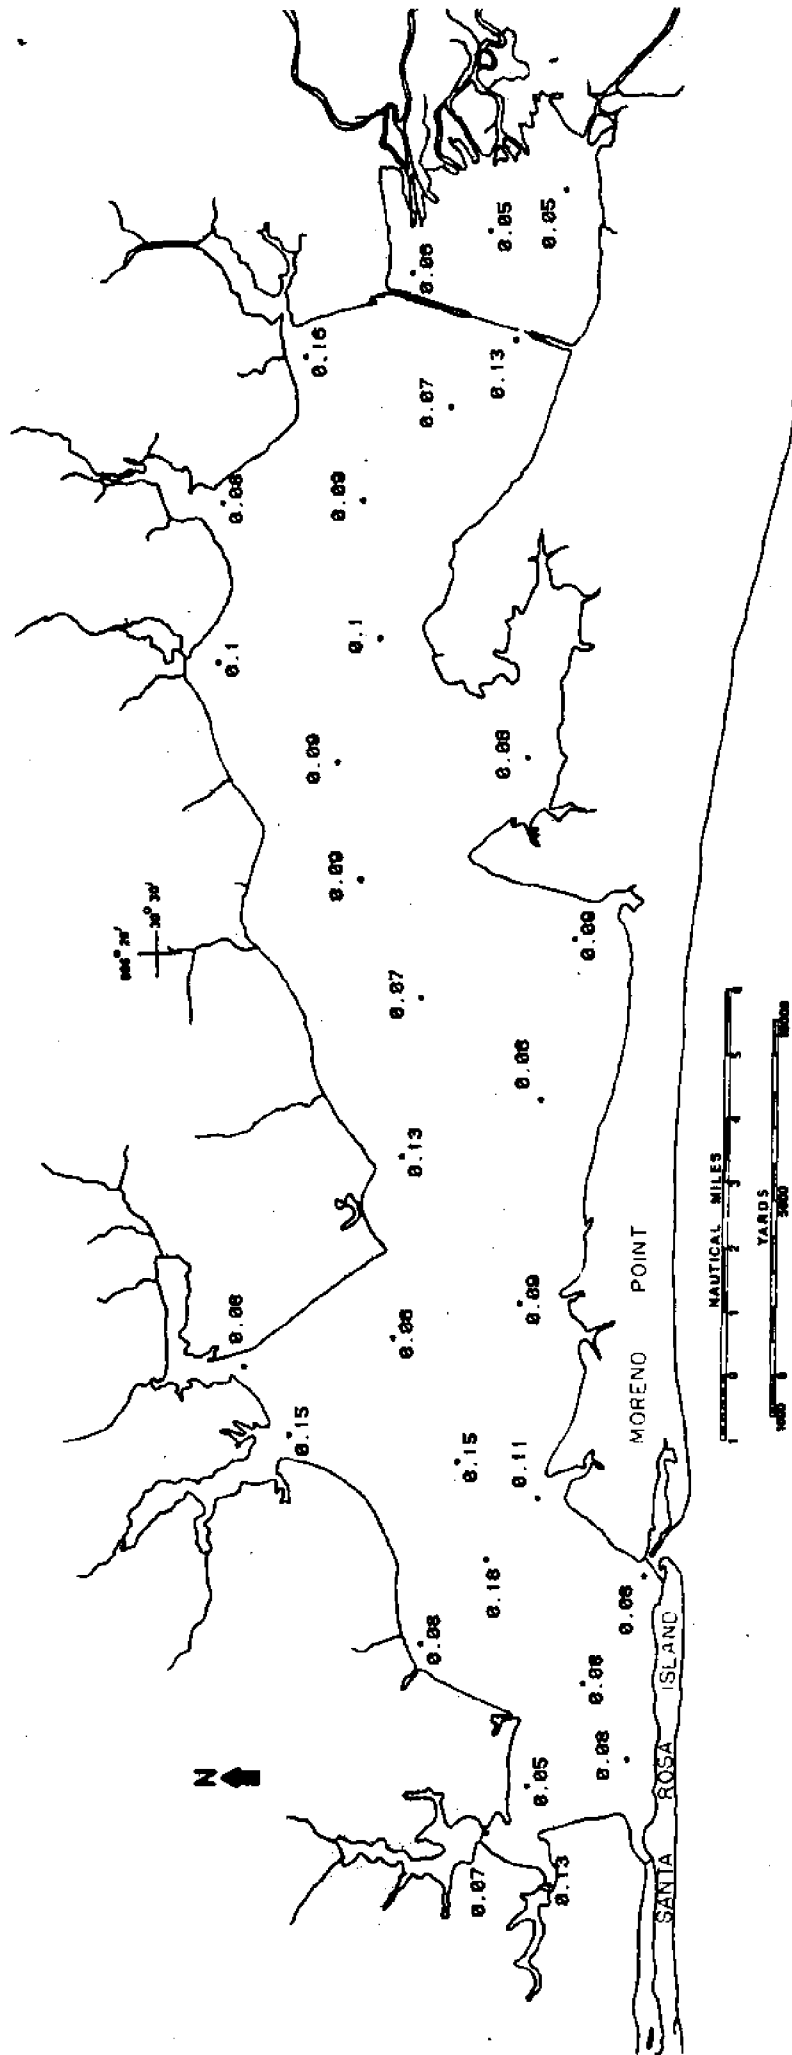

Figure : Nitrate-nitrite concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on September 25-26, 1975.

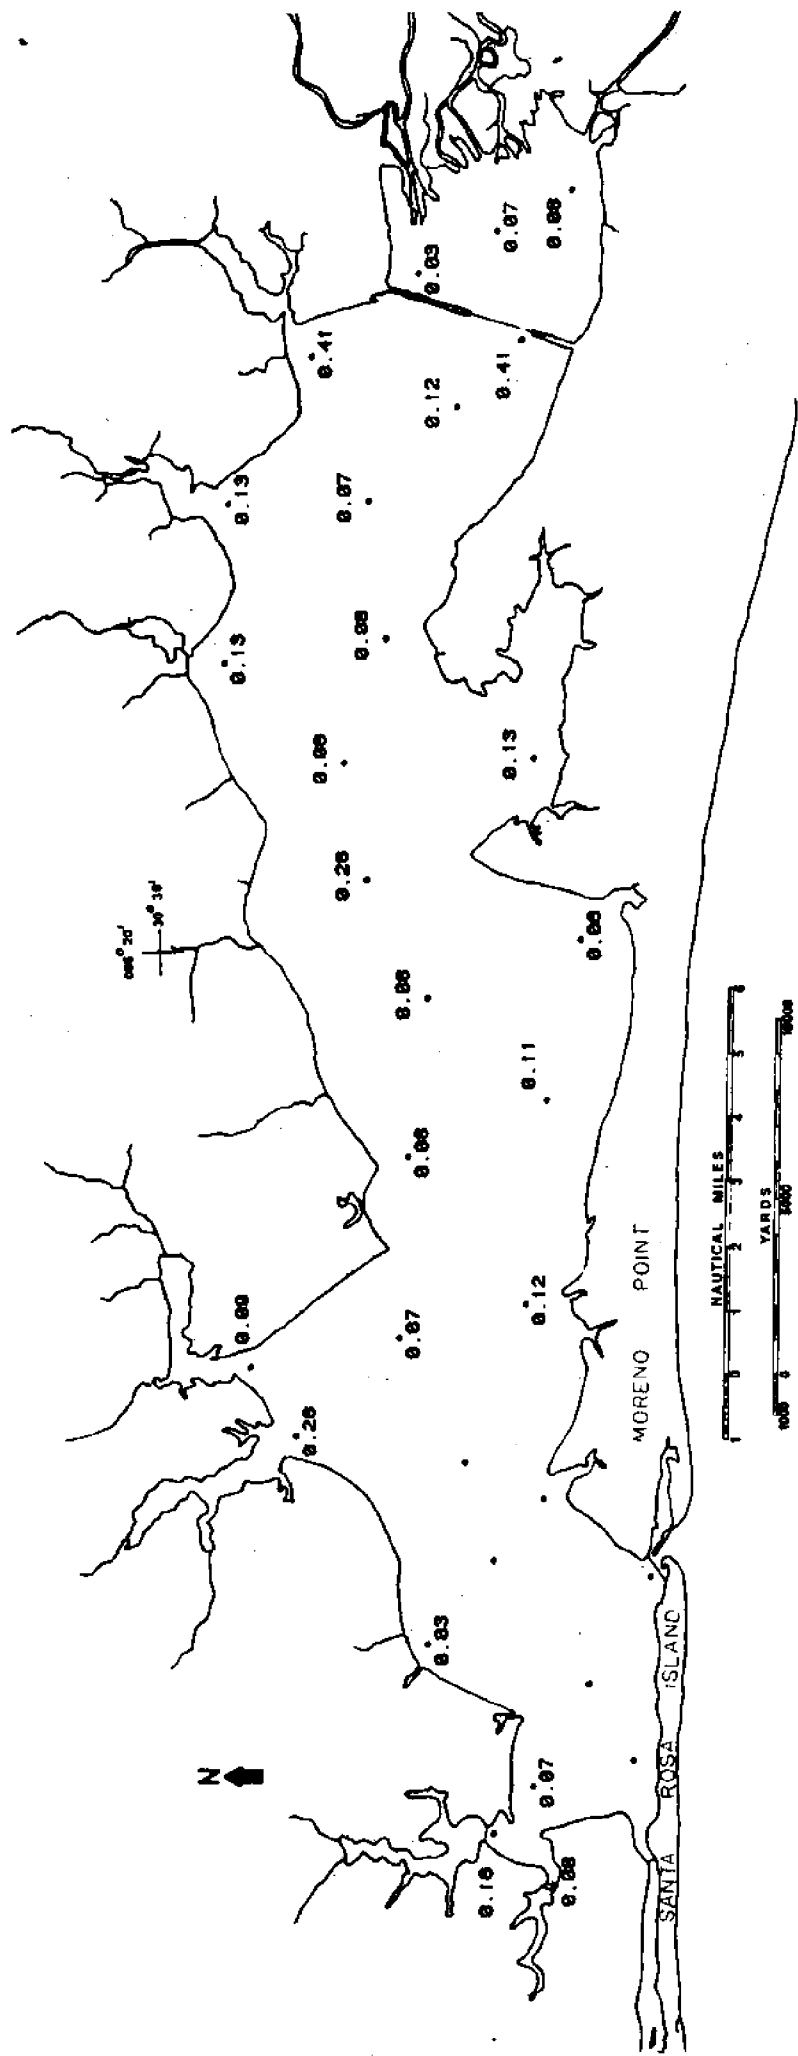

Figure : Nitrate-nitrite concentration
 (mg/l-N) in bottom waters of Choctawhatchee
 Bay on October 29-30, 1975.

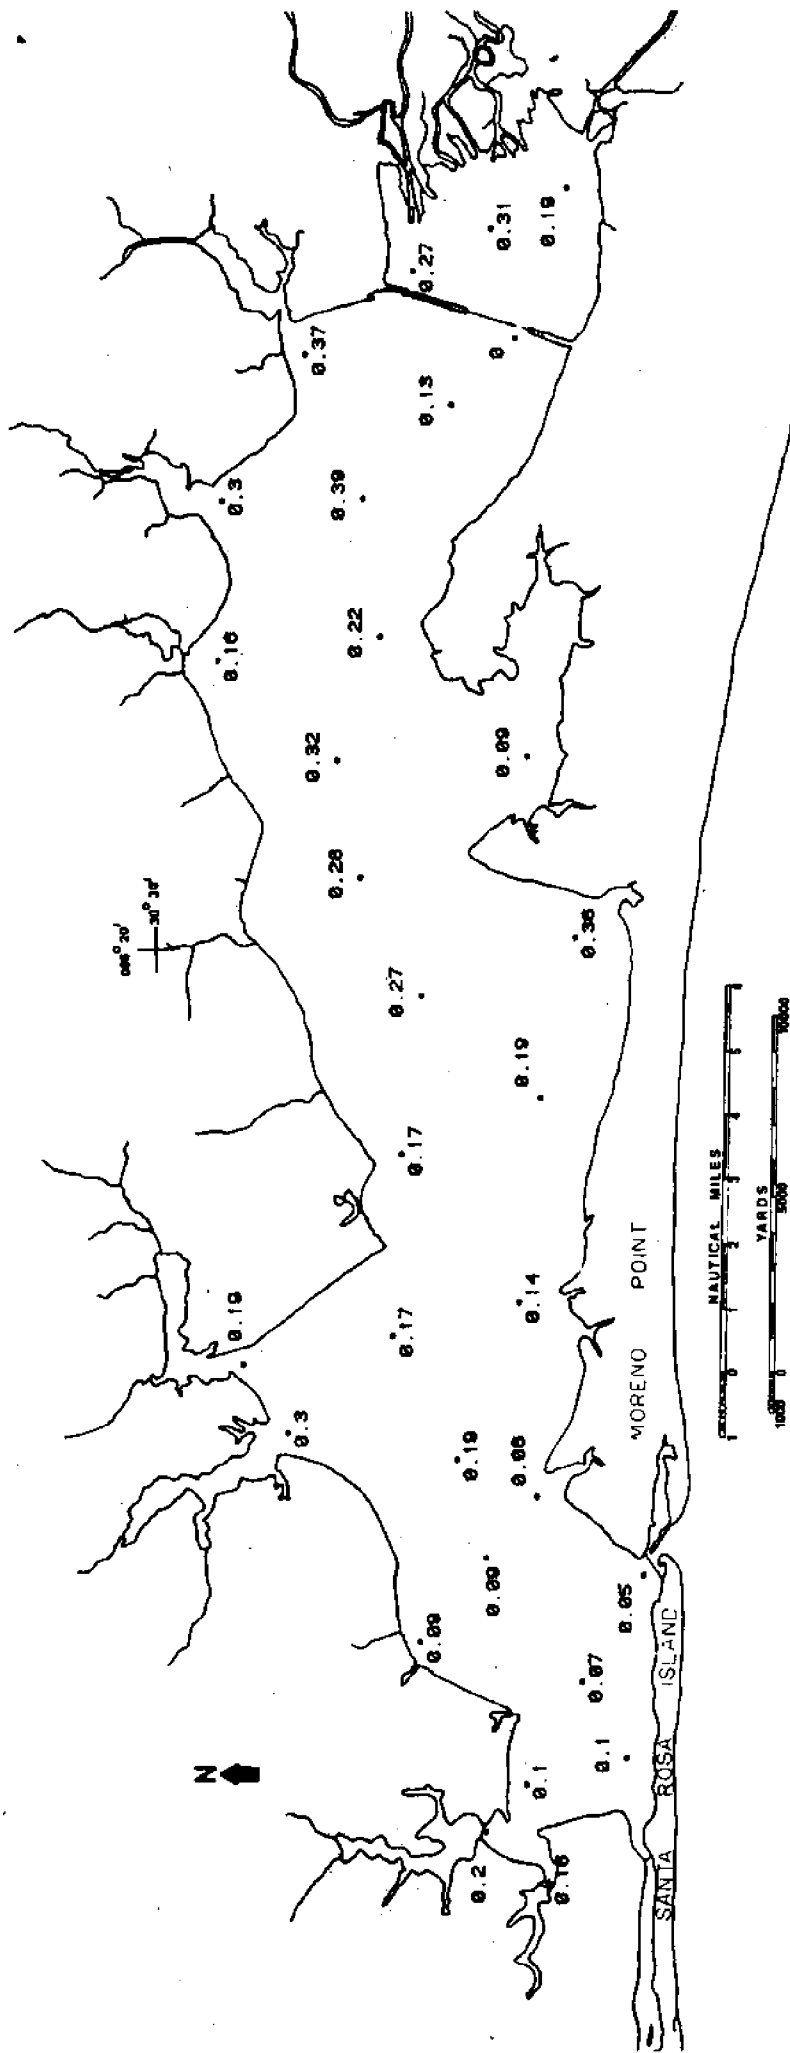

Figure : Nitrate-nitrite concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on November 24, 1975.

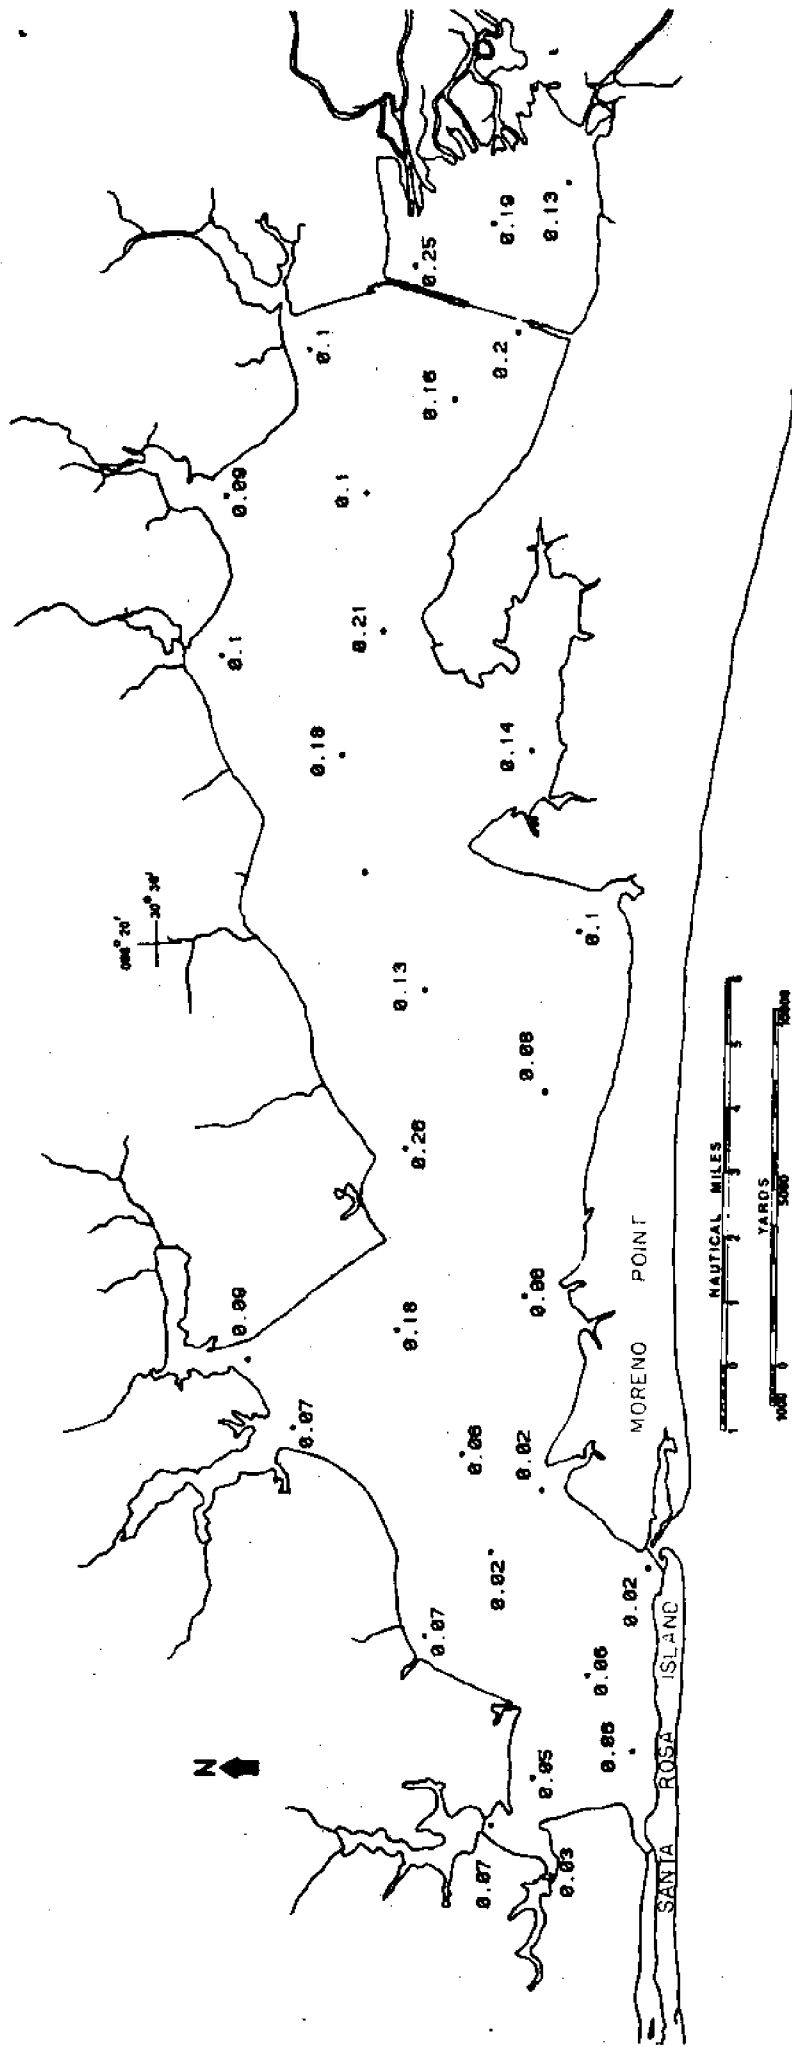

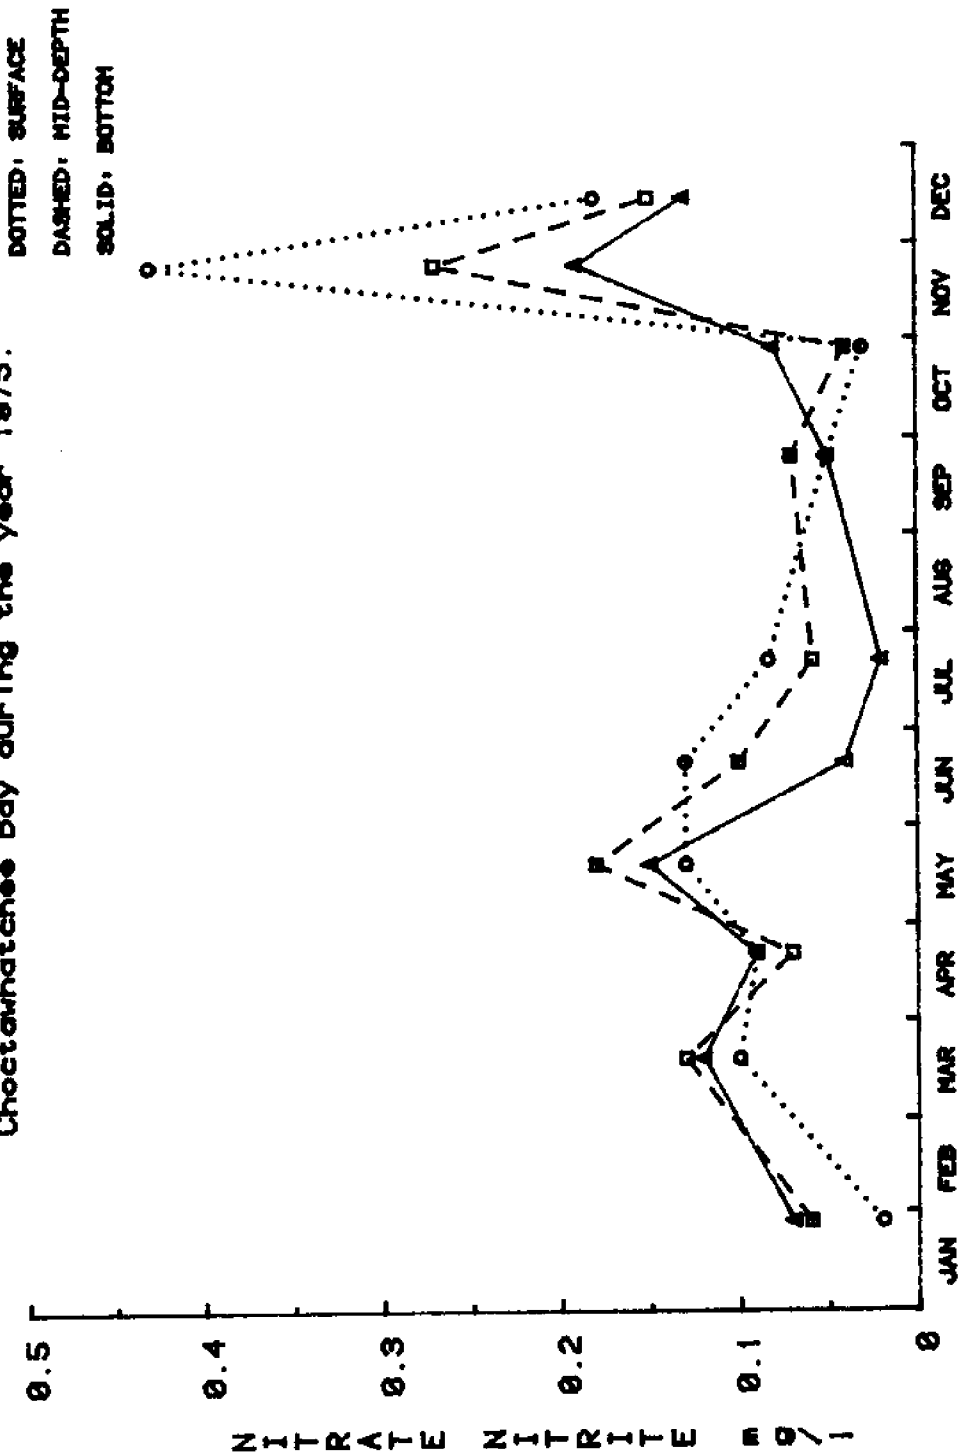

Figure : Nitrate-nitrite concentration
 (mg/l-N) in bottom waters of Choctawhatchee
 Bay on December 15, 1975.

Supplemental Appendix N: Annual Trend for Nitrate-Nitrite at each Sample Depth for each Station.

Figure : Nitrate-nitrite (mg/l-N) at Station One in Choctawhatchee Bay during the year 1975.

Supplemental Appendix 0: Map of Total Organic Nitrogen Concentrations for each Sample Depth and for each Month in 1975.

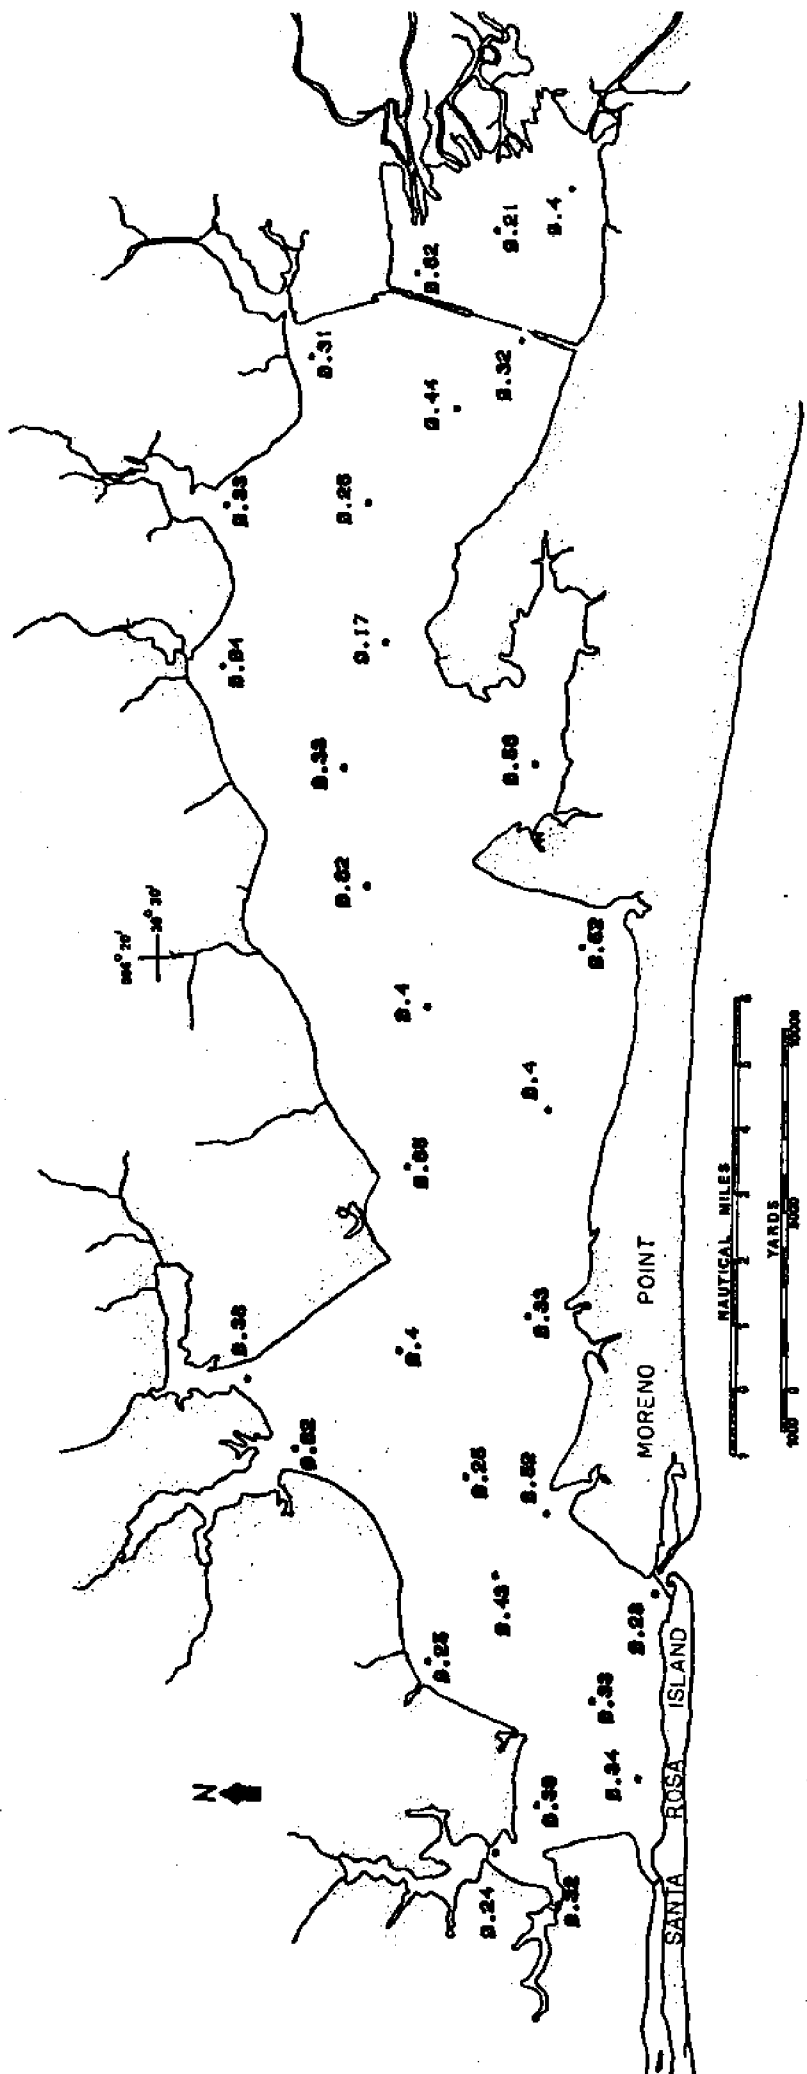

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on January 28-29, 1975.

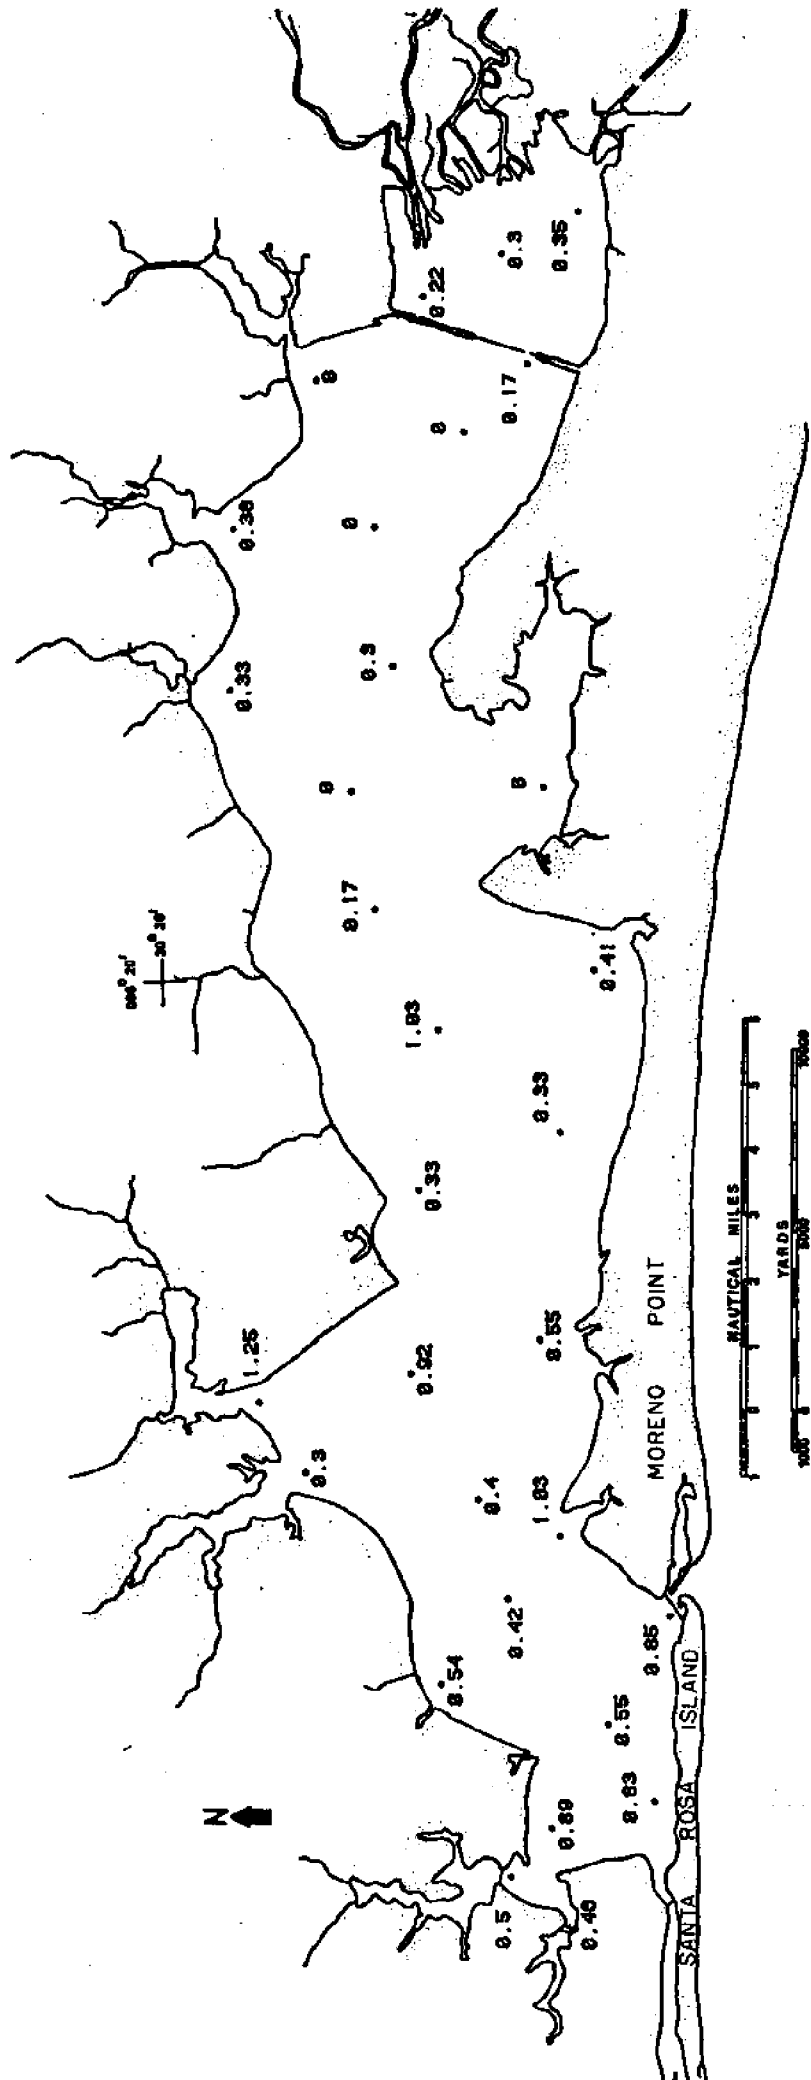

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on March 19-20, 1975.

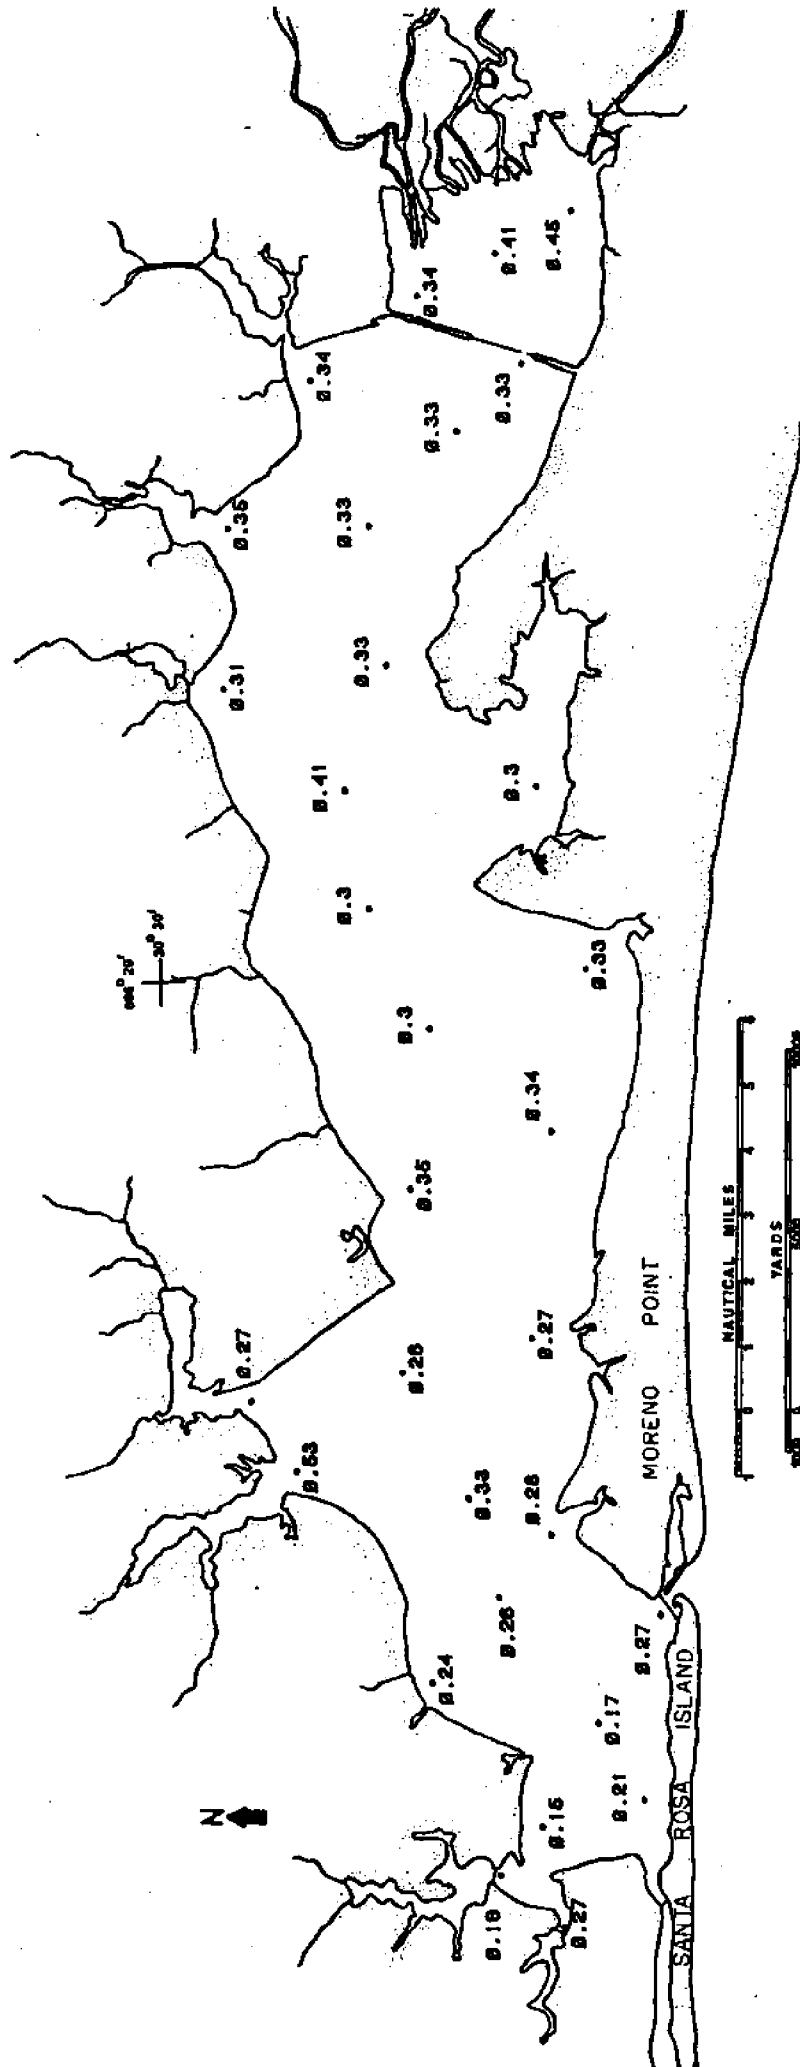

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on April 21-22, 1975.

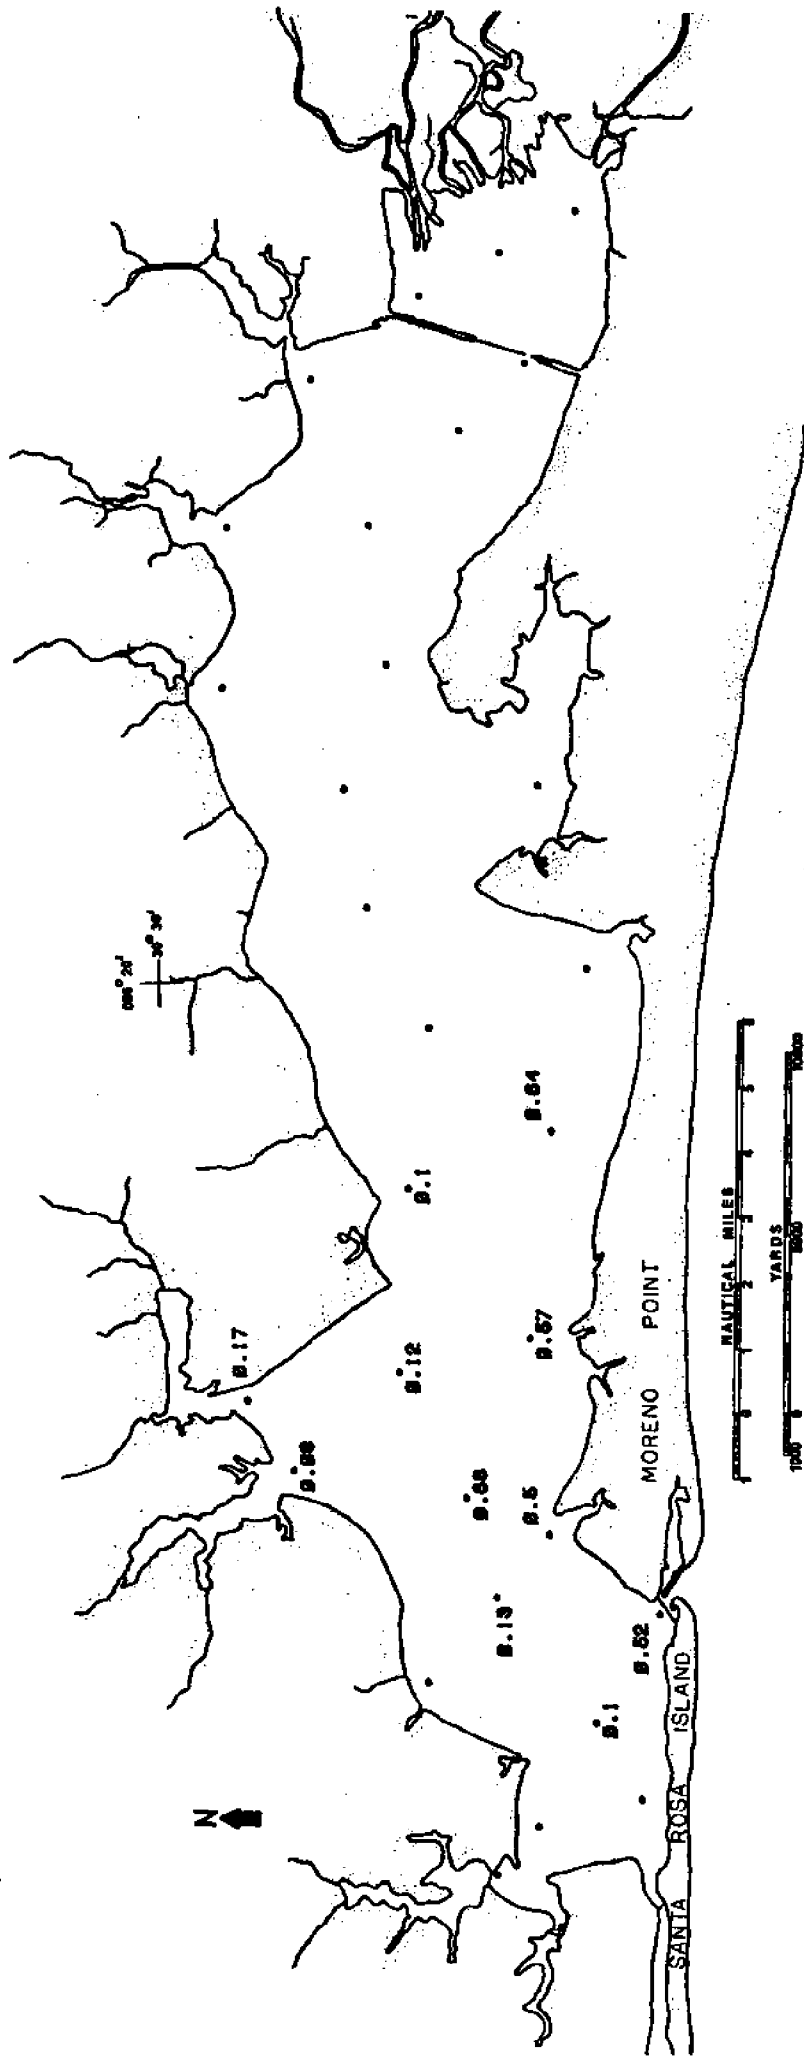

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on May 20-21, 1976.

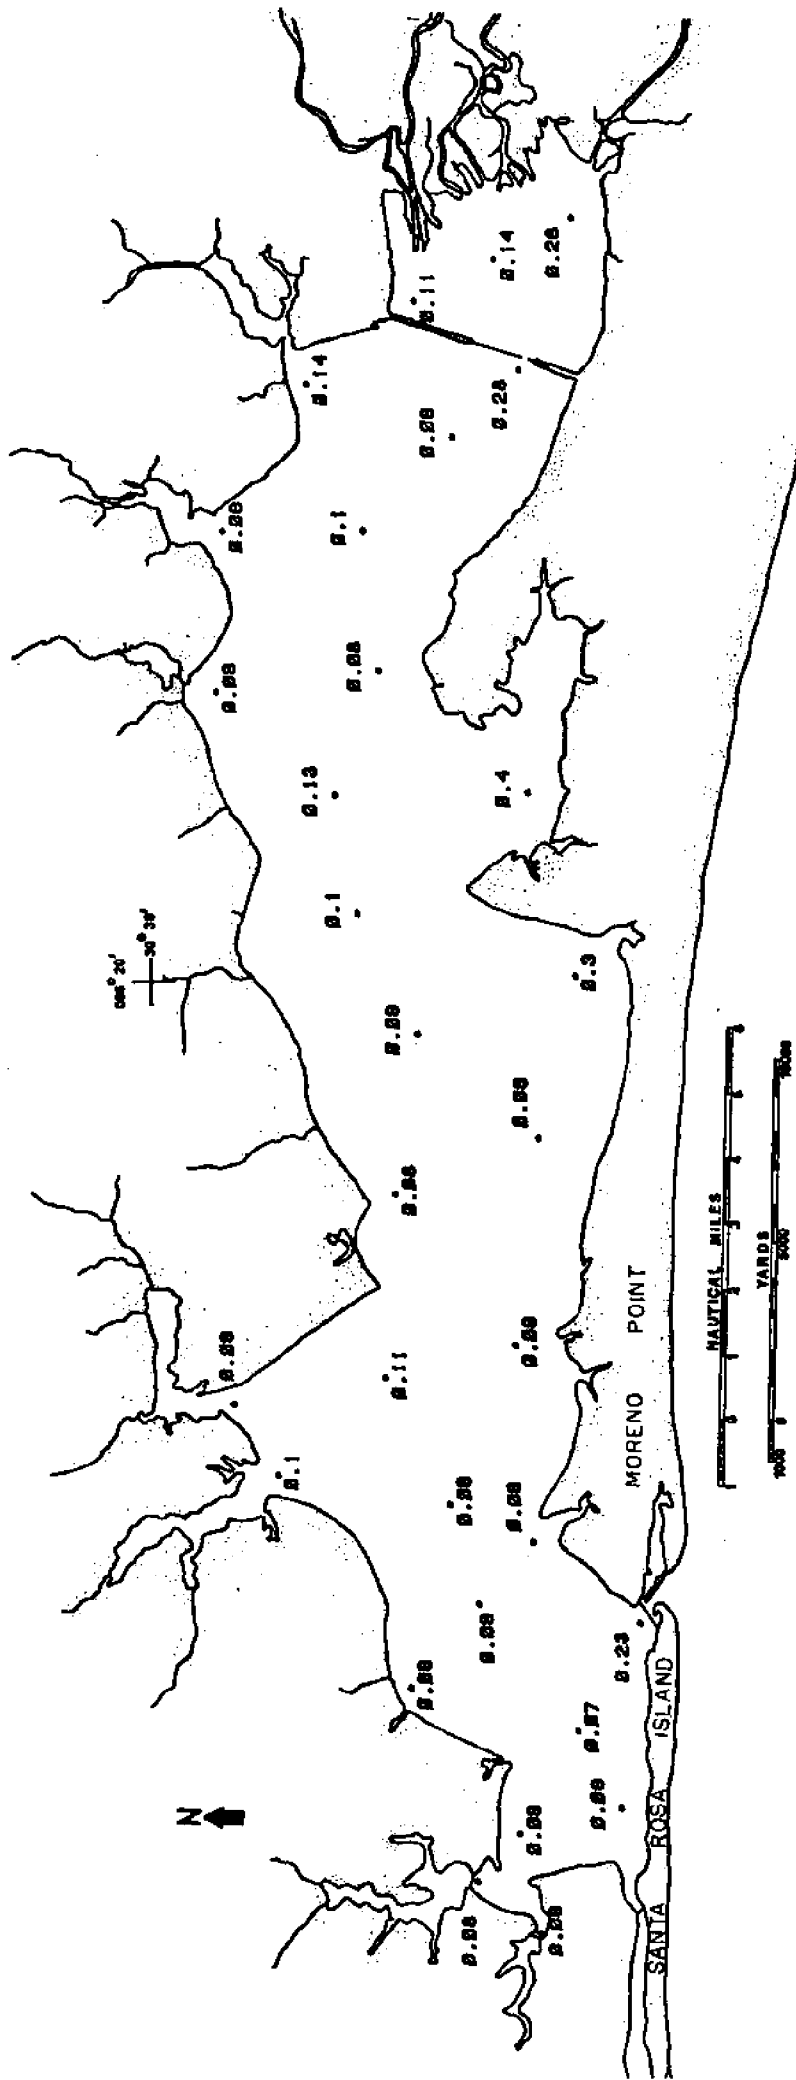

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on June 21-22, 1975.

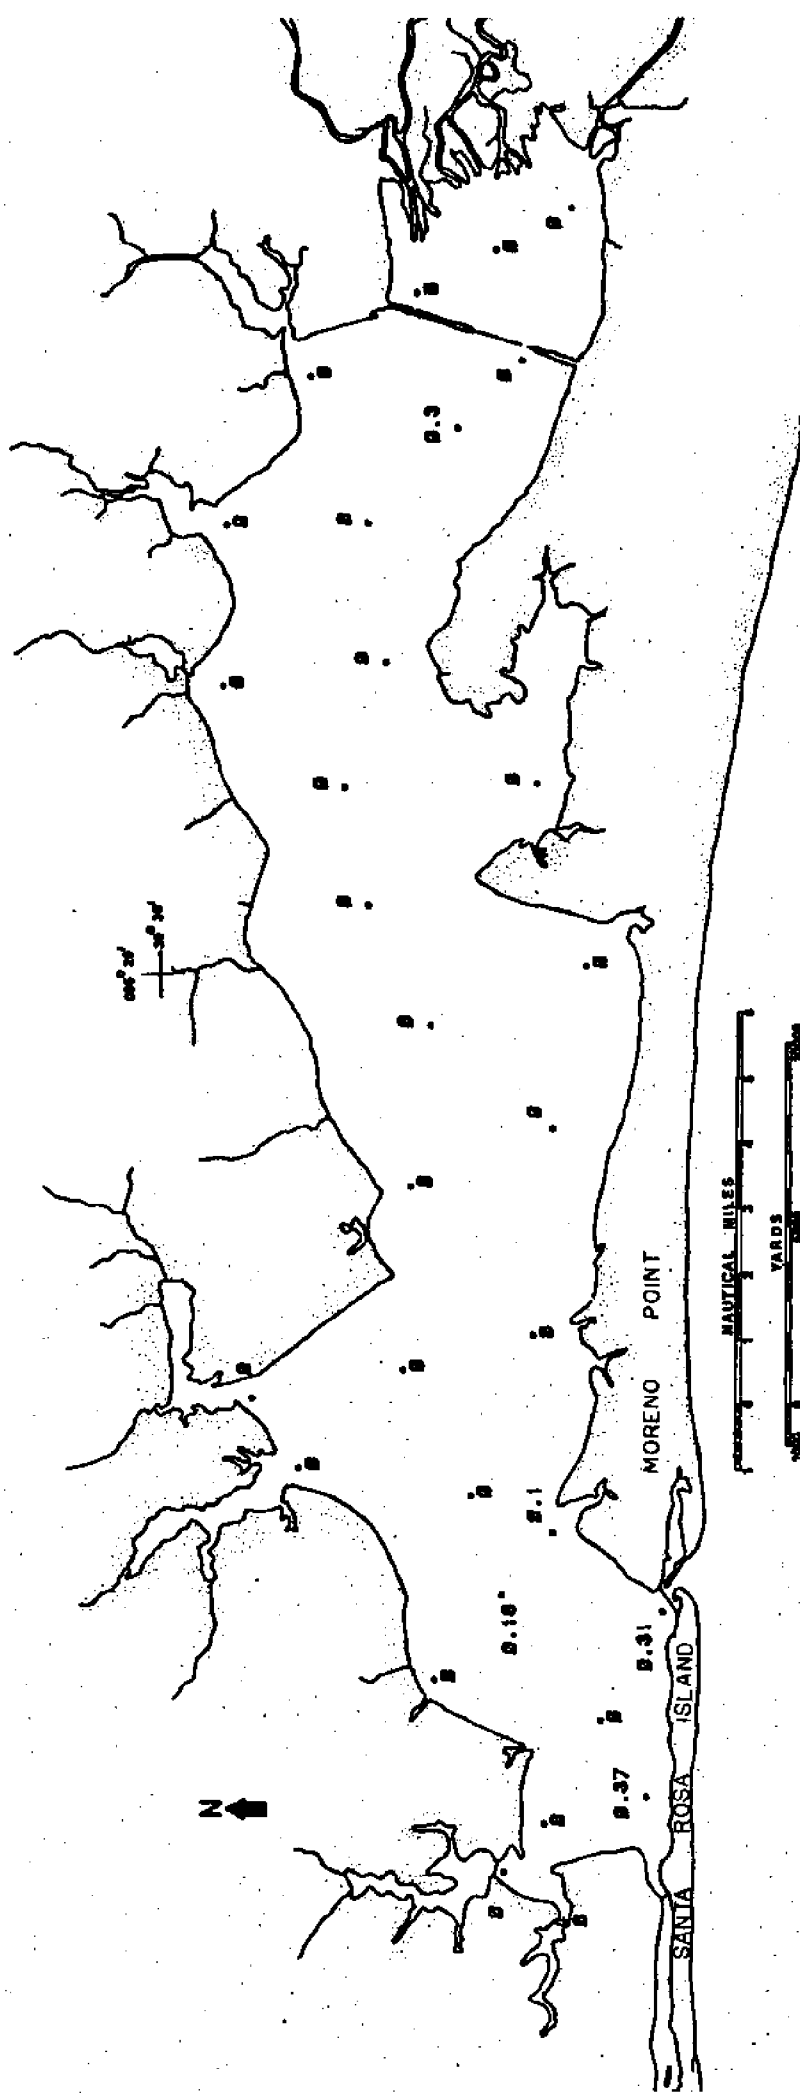

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on July 19 & 23, 1975.

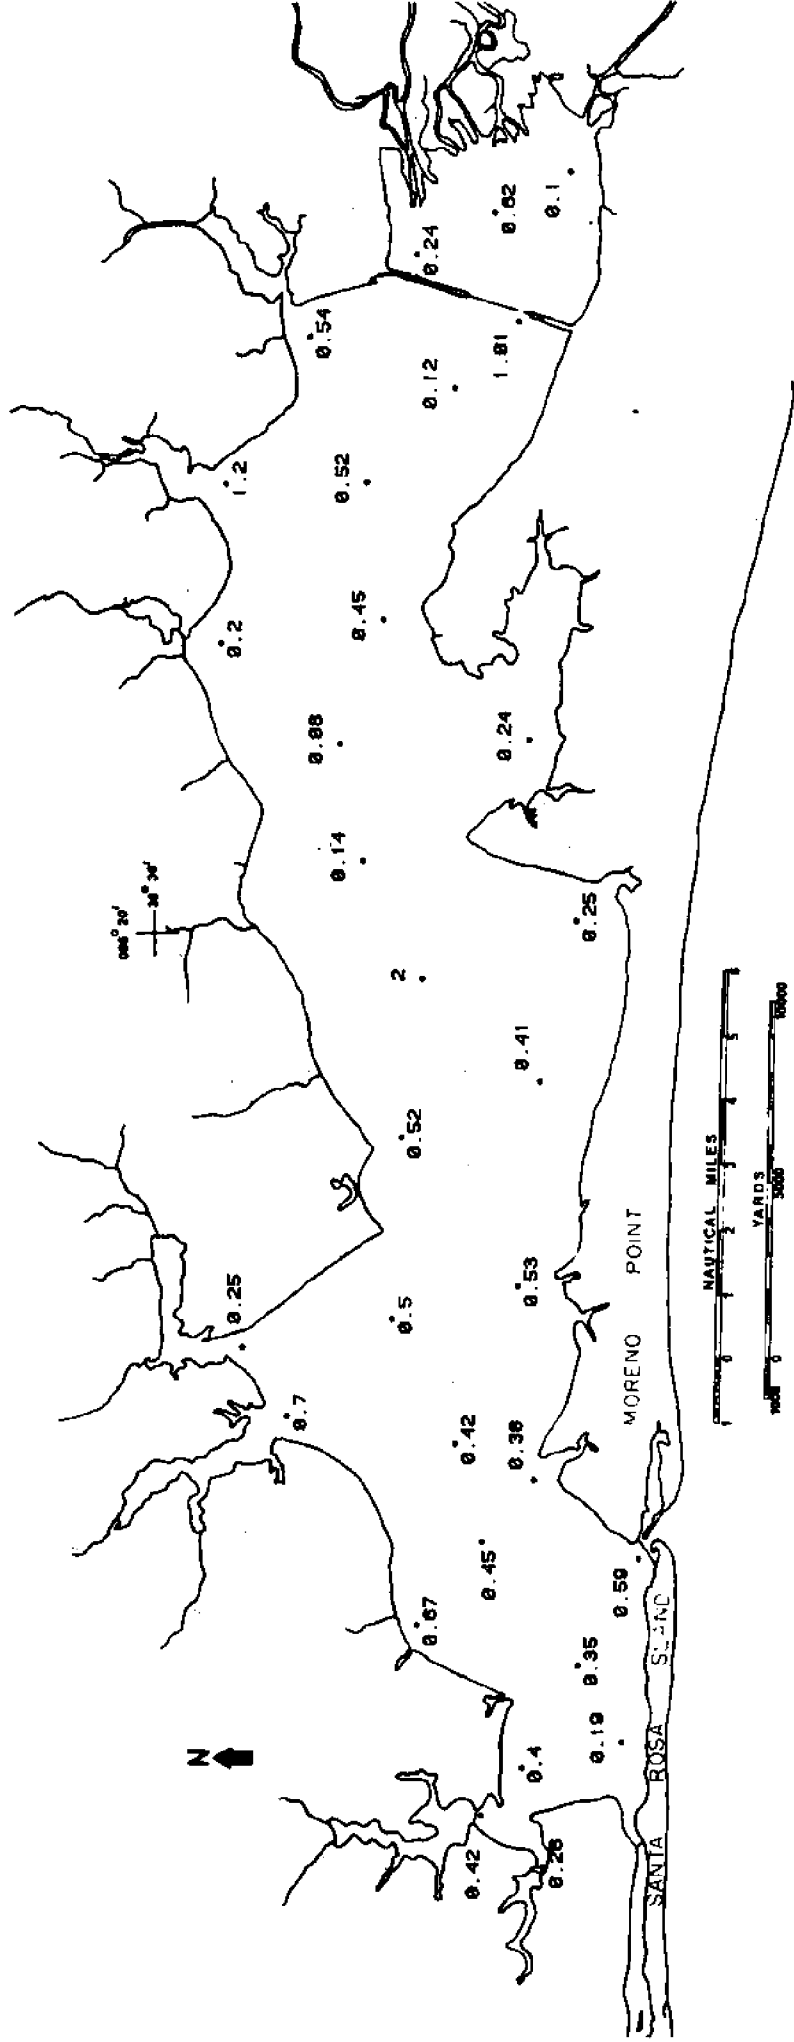

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on September 25-26, 1975.

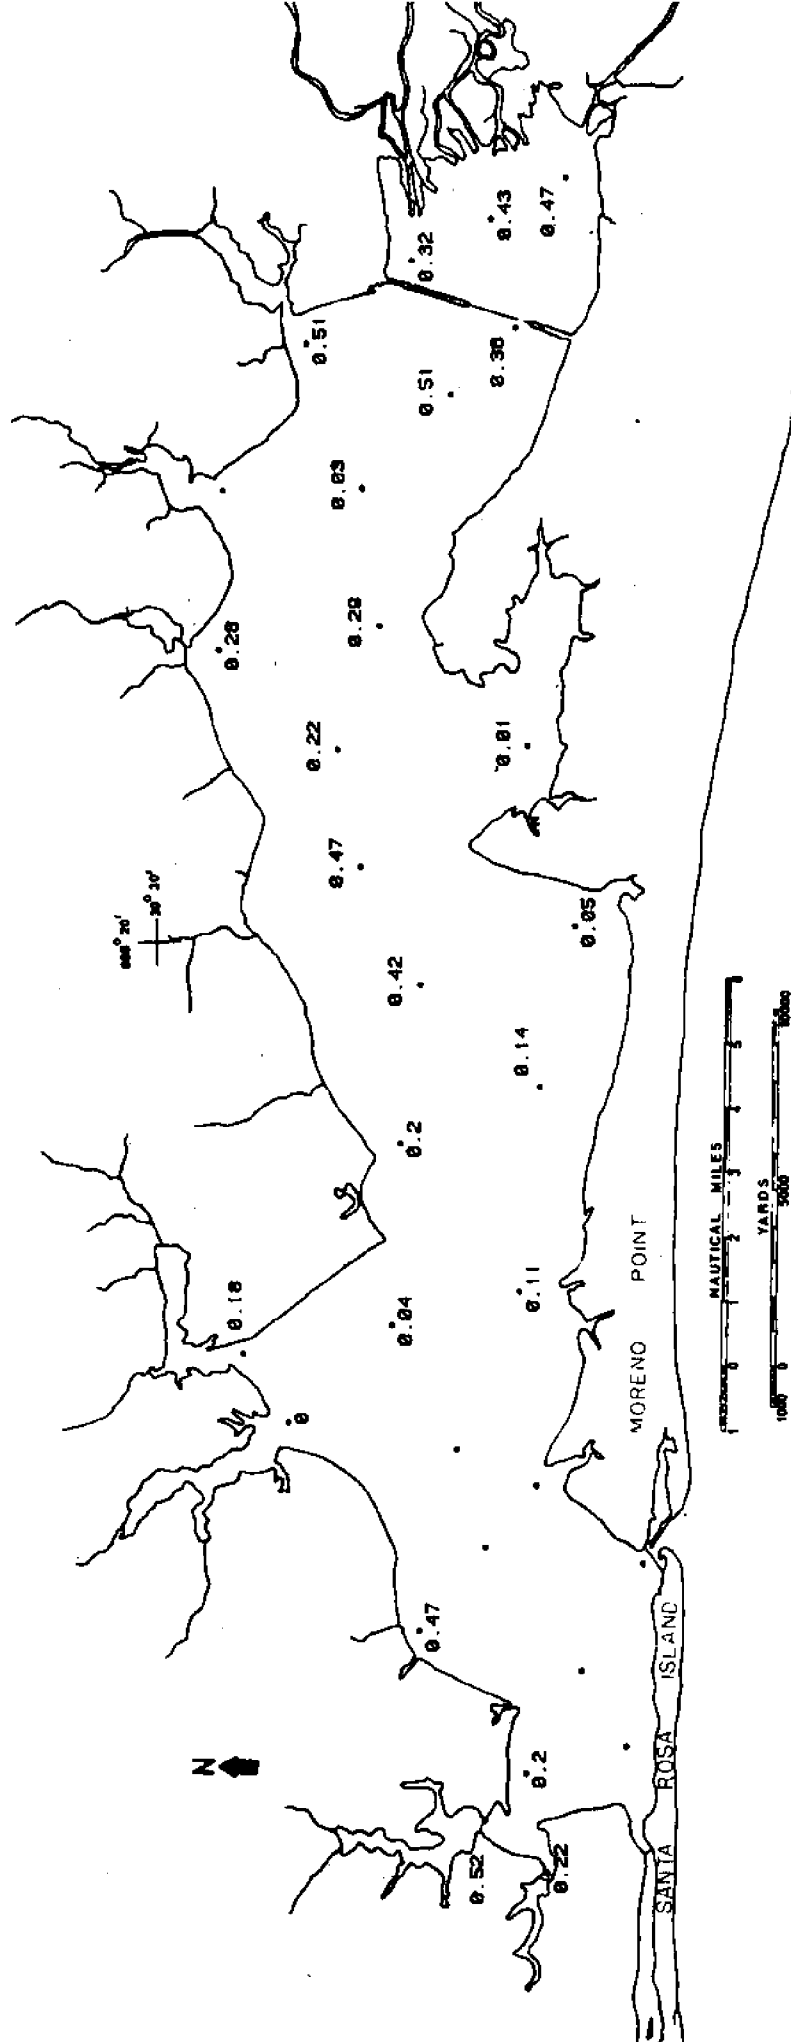

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on October 29-30, 1975.

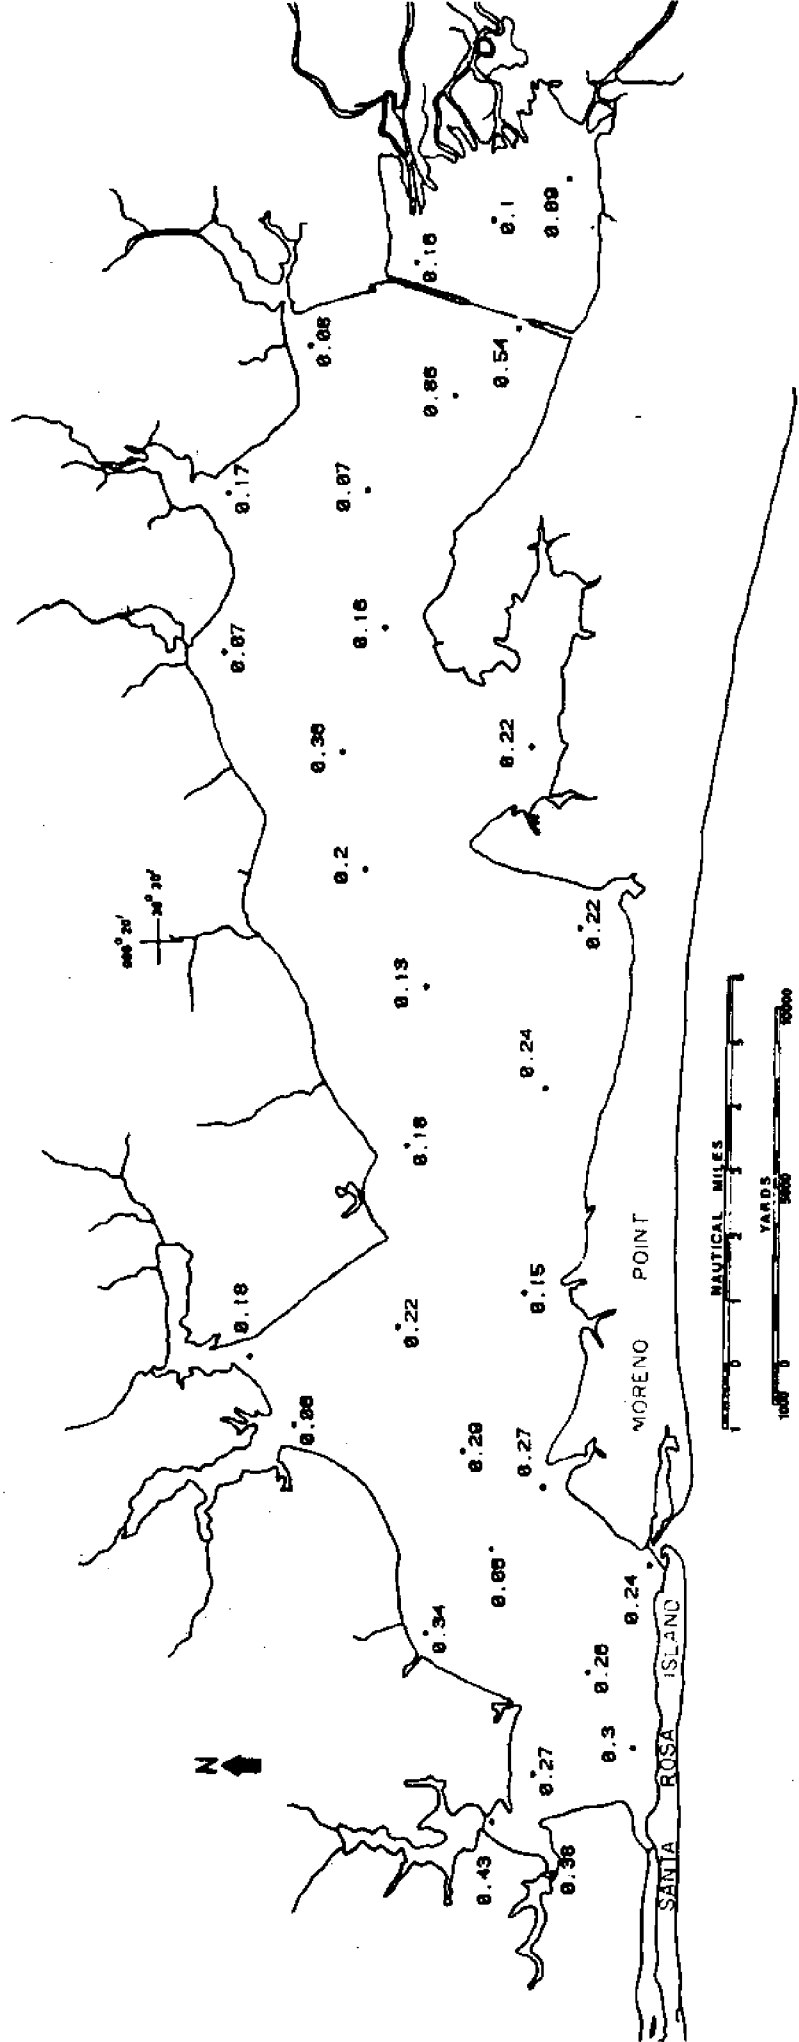

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on November 24, 1975.

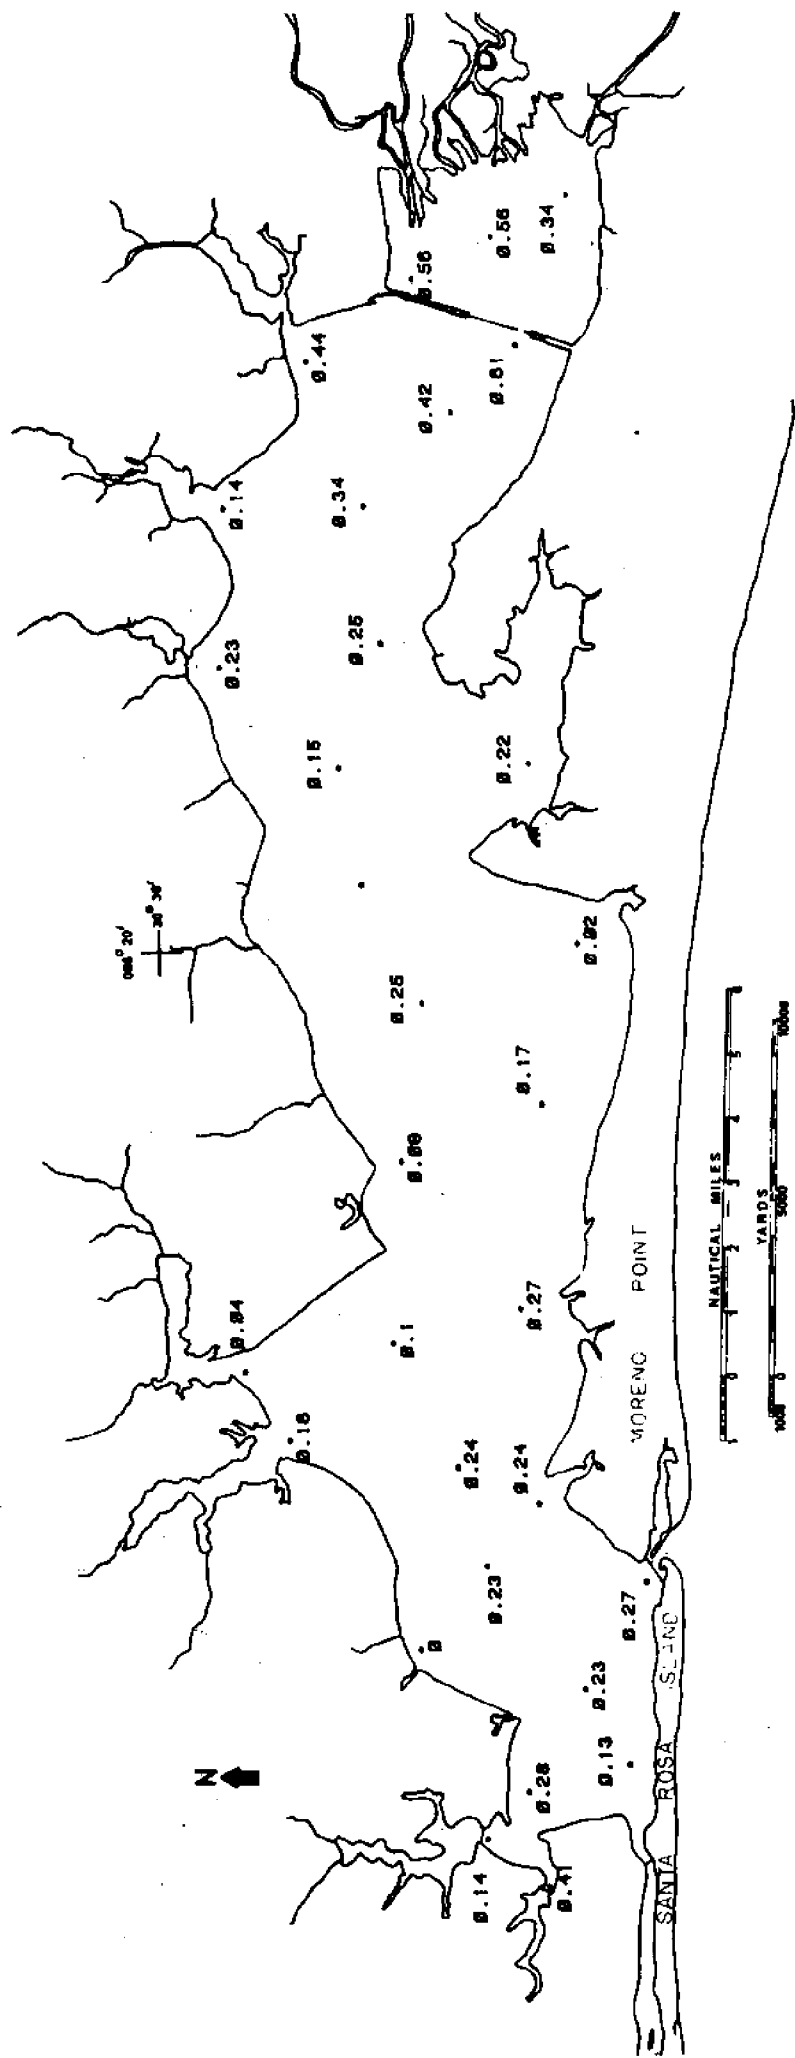

Figure : Total organic nitrogen concentration (mg/l-N) in surface waters of Choctawhatchee Bay on December 15, 1975.

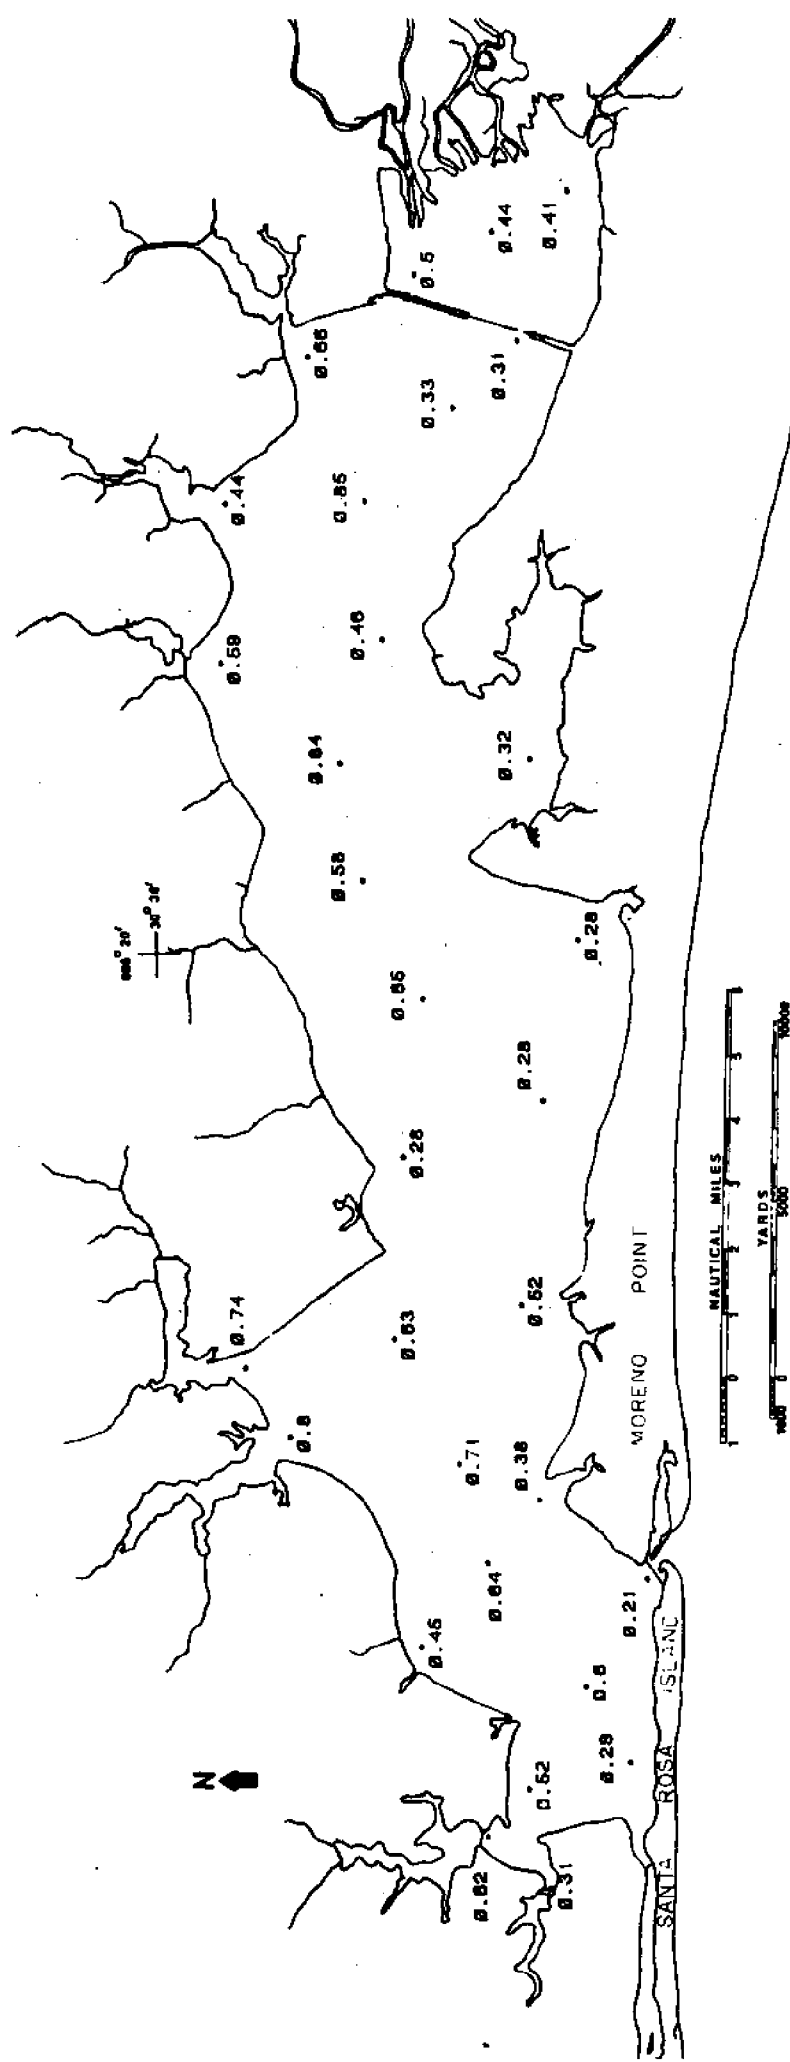

Figure : Total organic nitrogen concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on January 28-29, 1975.

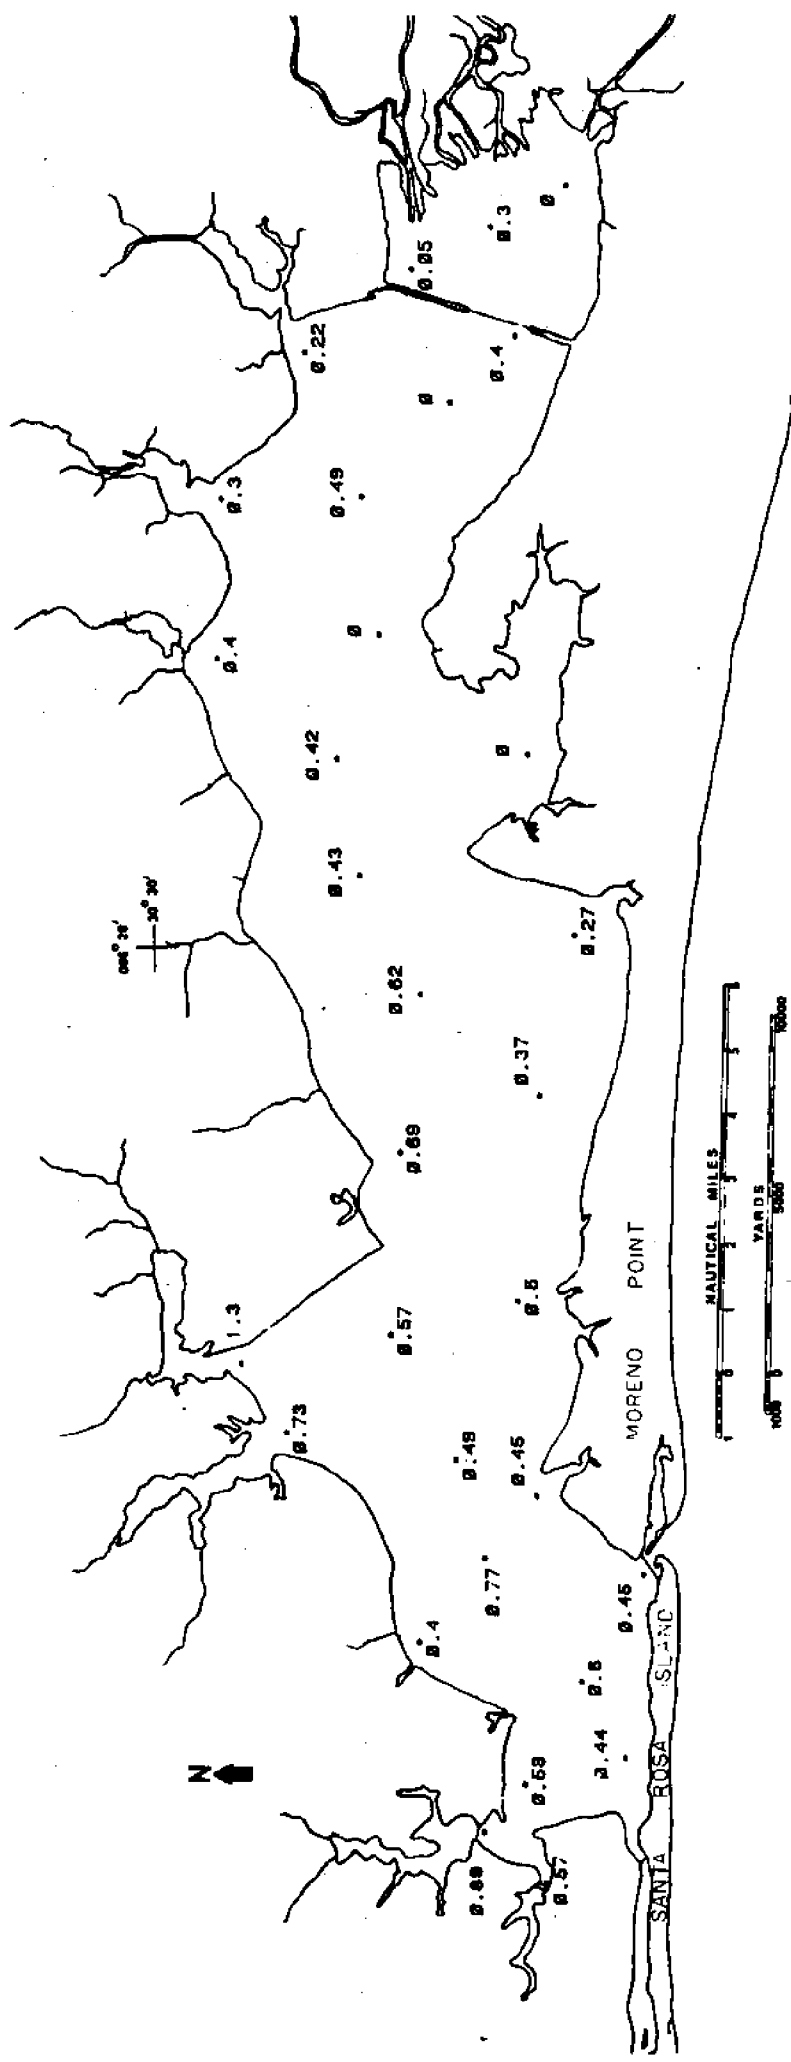

Figure : Total organic nitrogen concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on March 19-20, 1975.

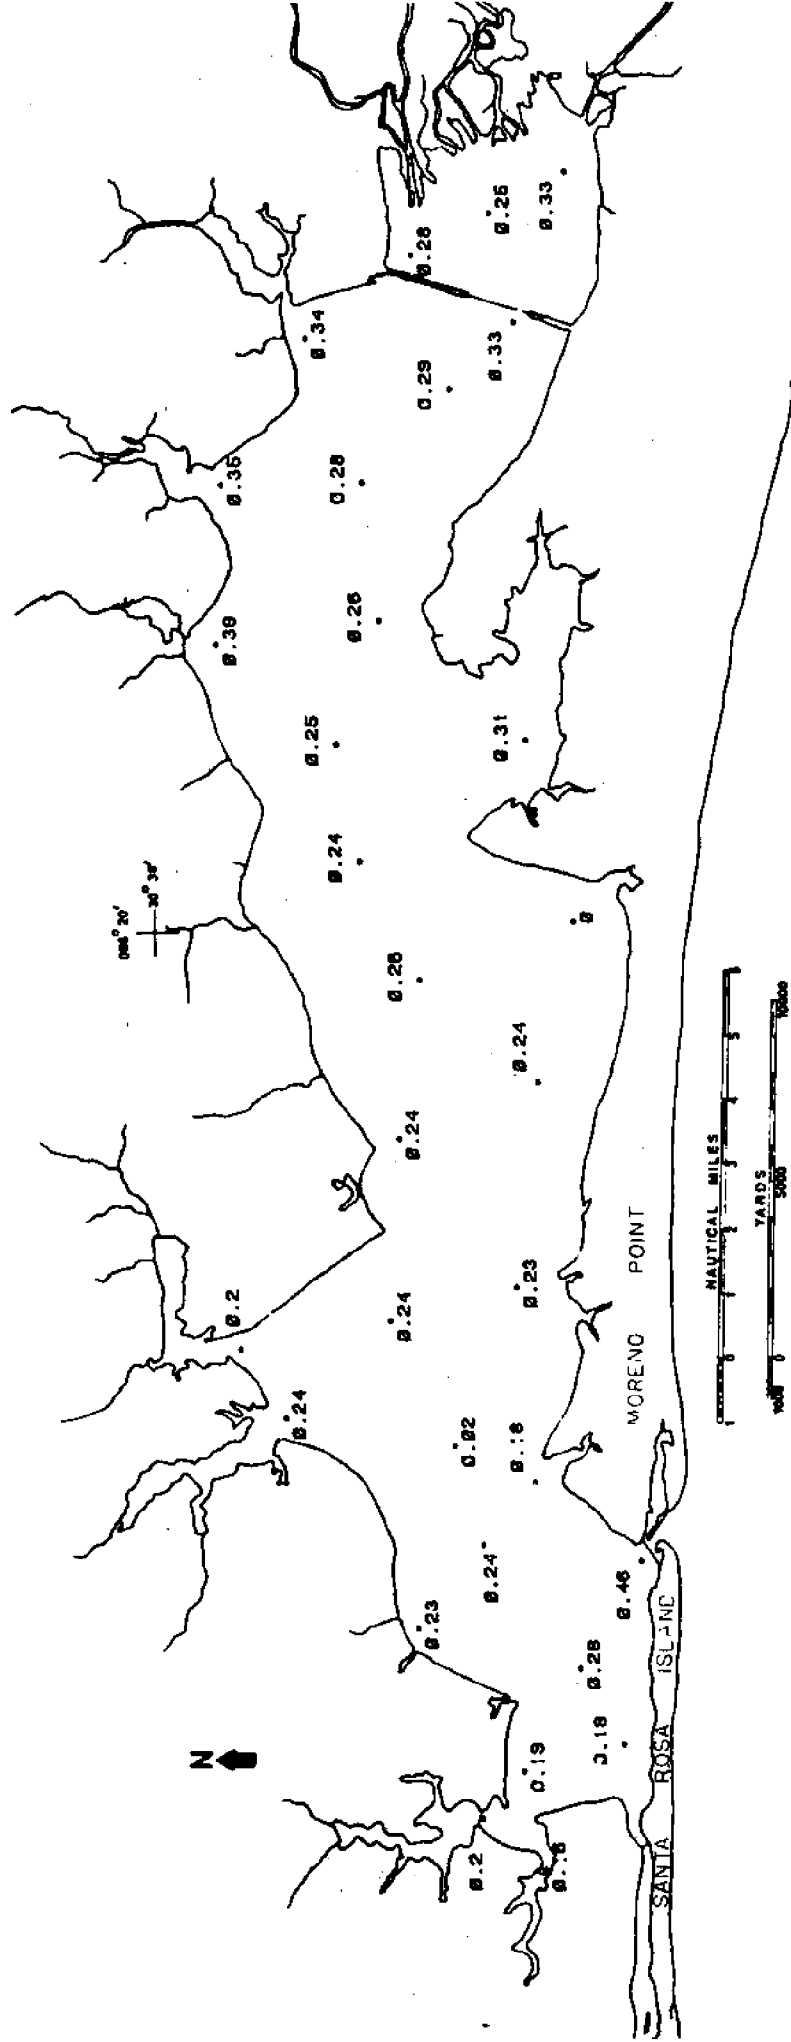

Figure : Total organic nitrogen concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on April 21-22, 1975.

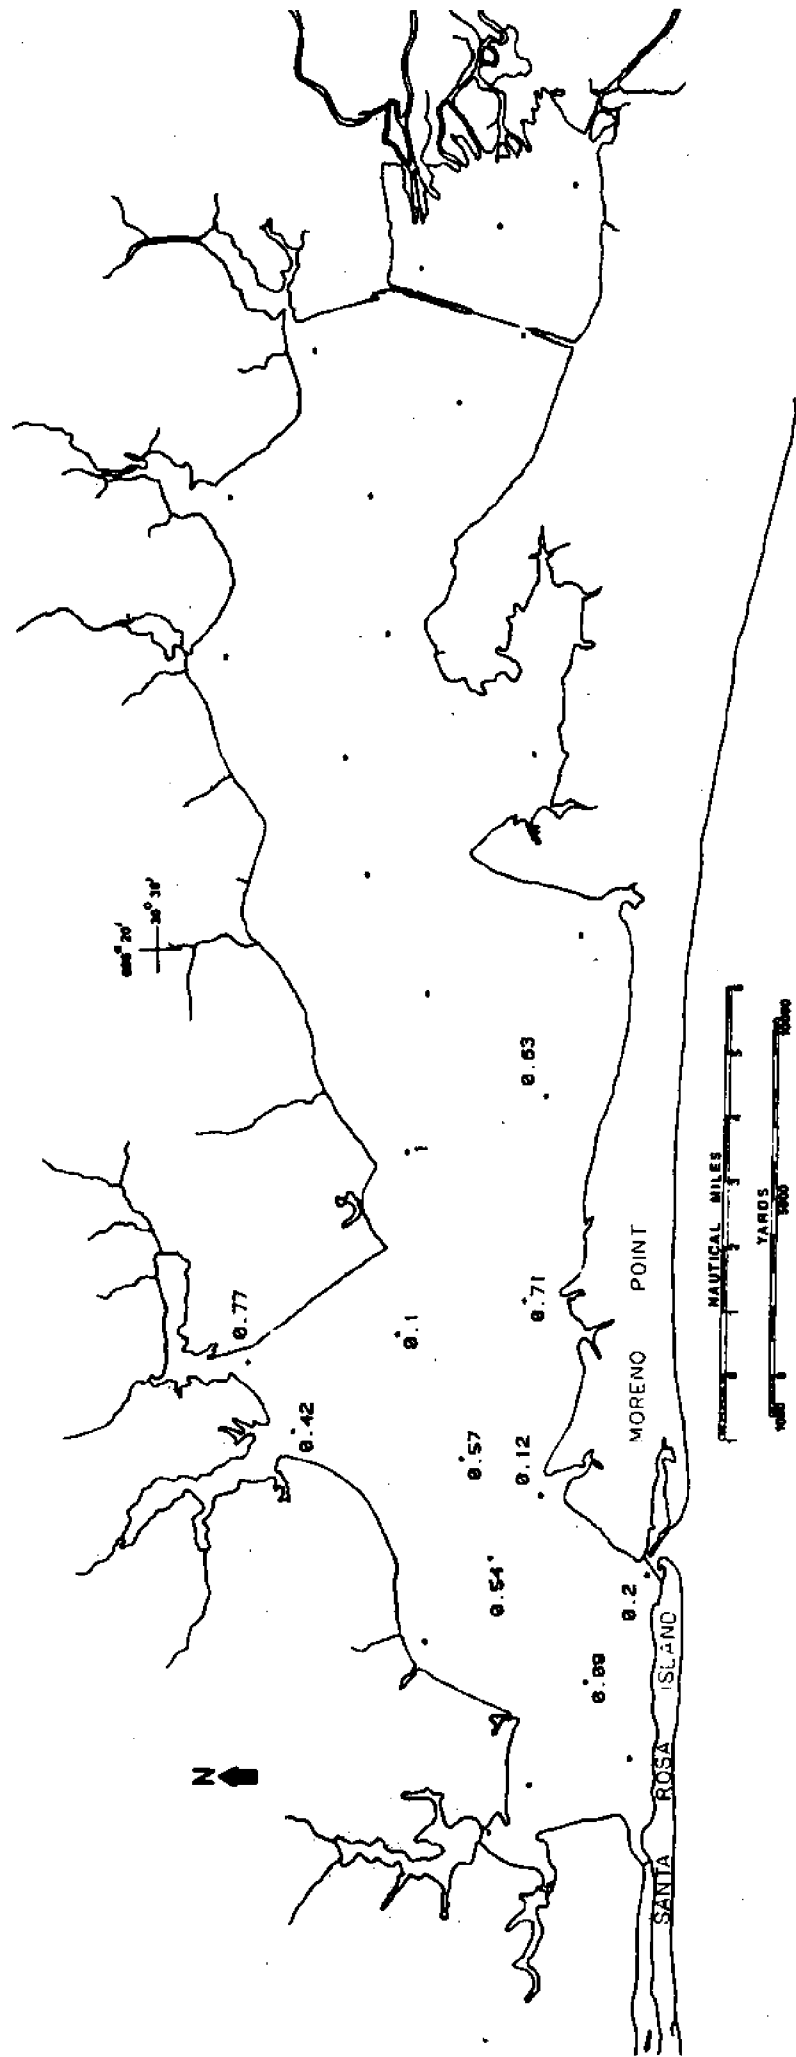

Figure : Total organic nitrogen concentration
 (mg/l) in mid-depth waters of Choctawhatchee
 Bay on May 20-21, 1975.

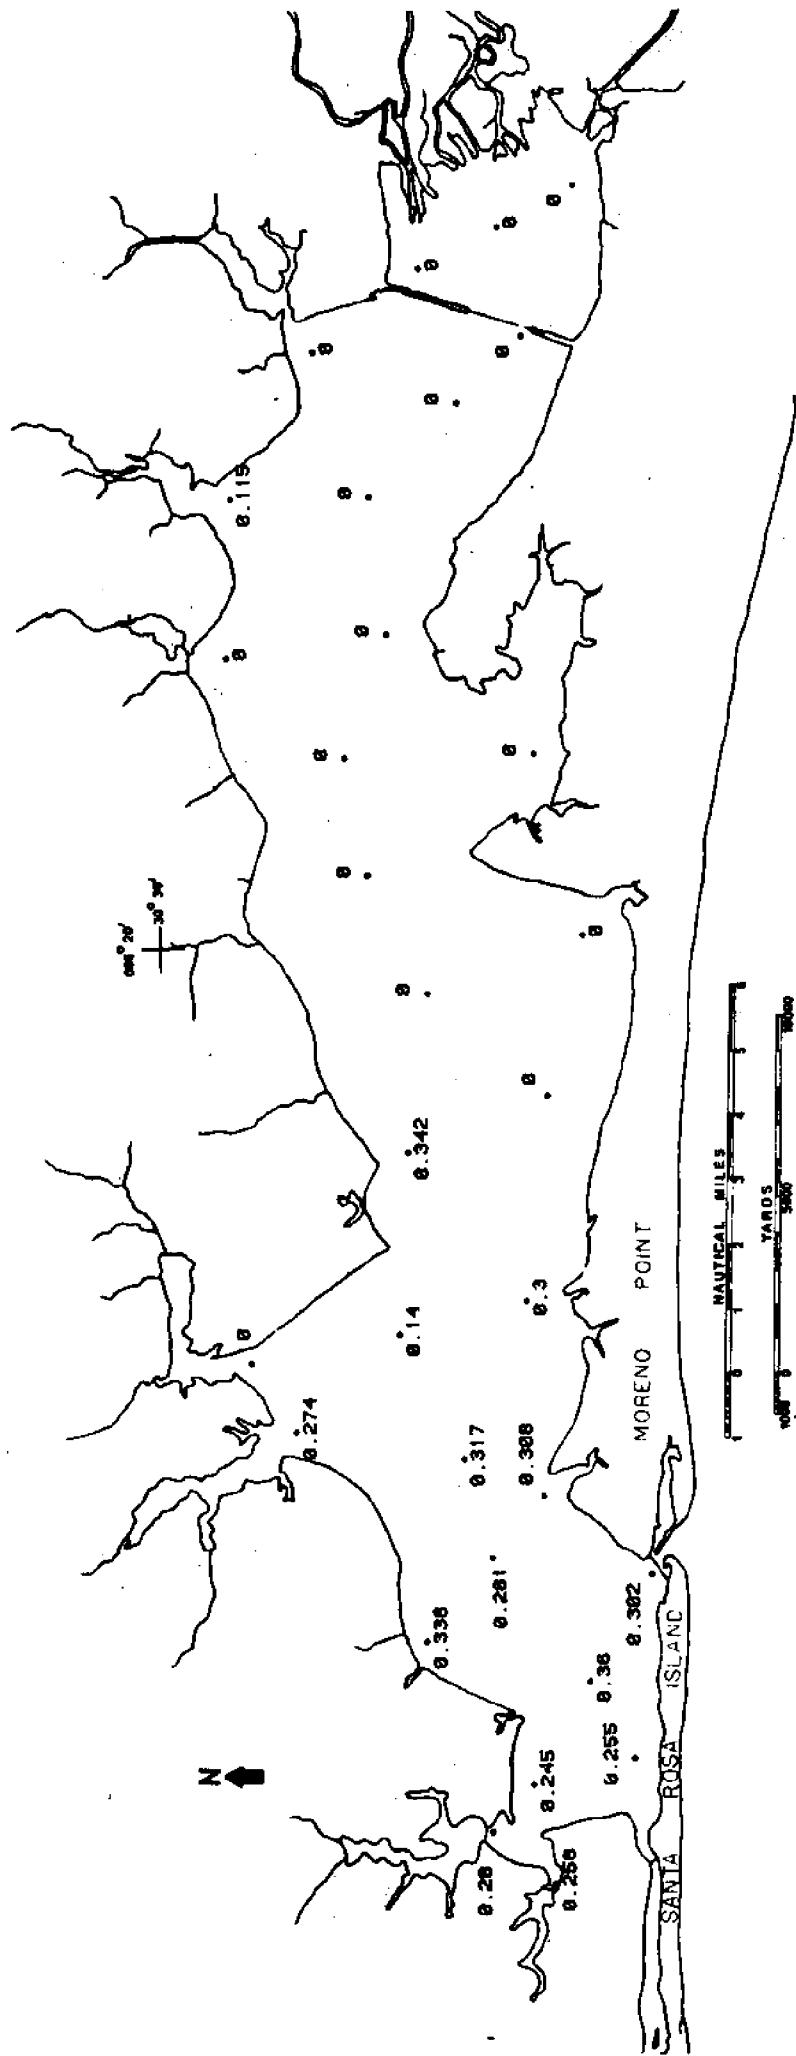

Figure : Total organic nitrogen concentration
 (mg/l-N) in mid-depth waters of Choctawhatchee
 Bay on July 19 & 23, 1975.

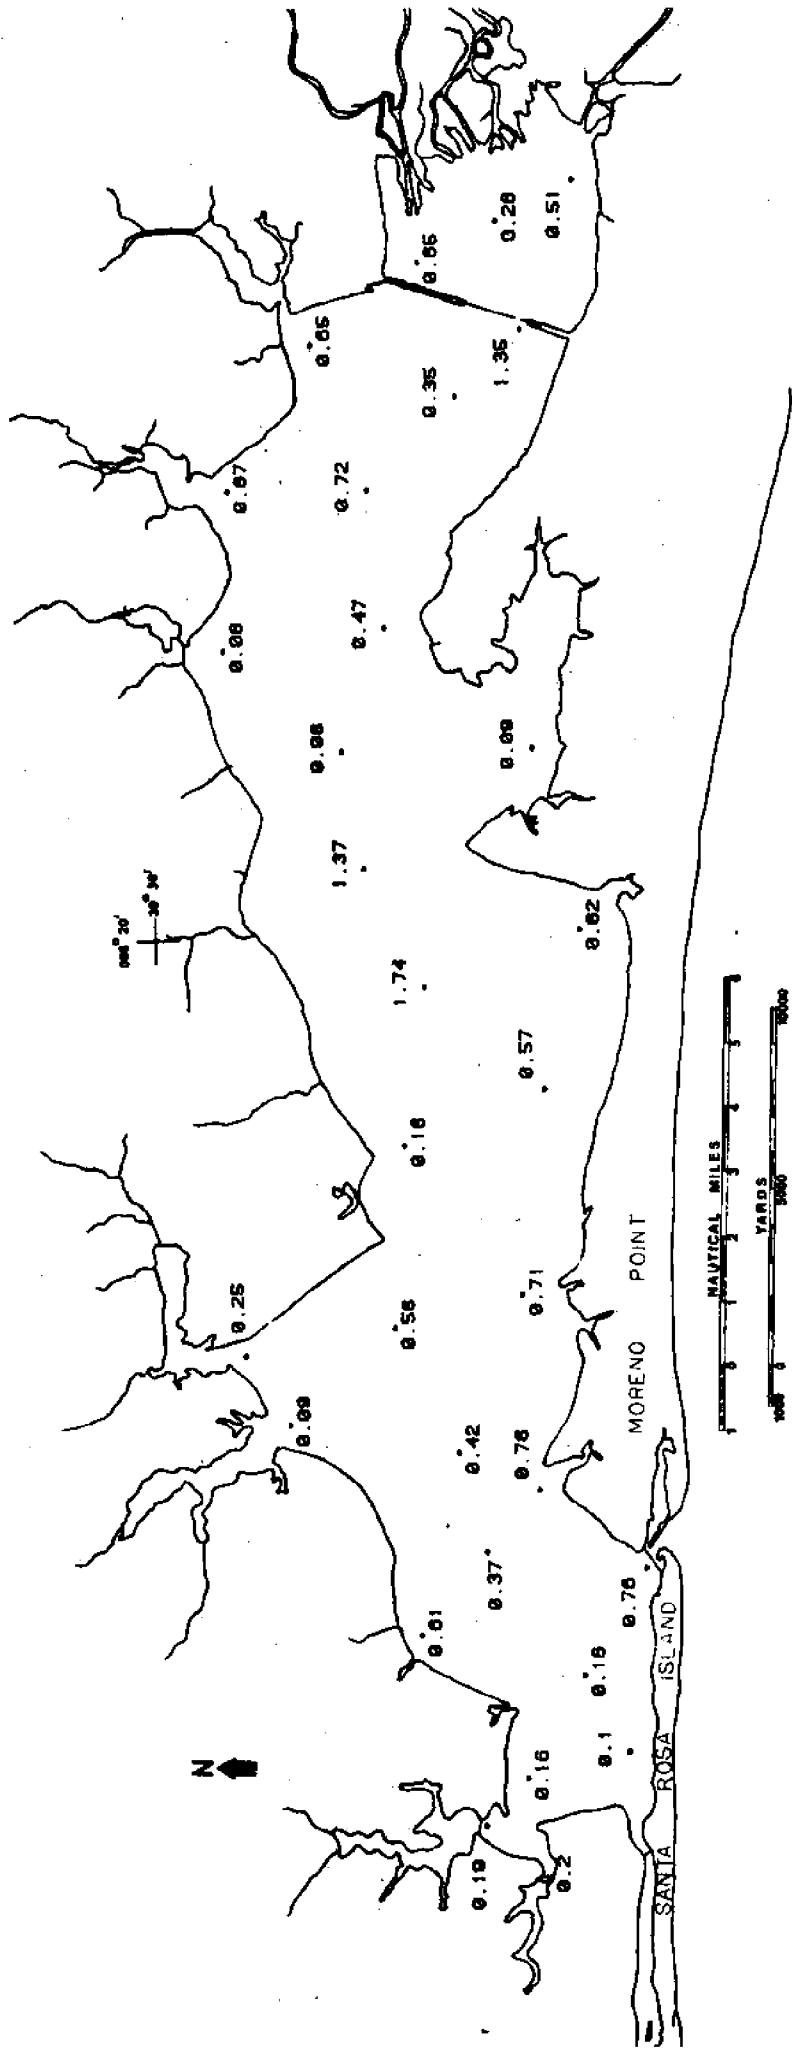

Figure : Total organic nitrogen concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on September 25-26, 1975.

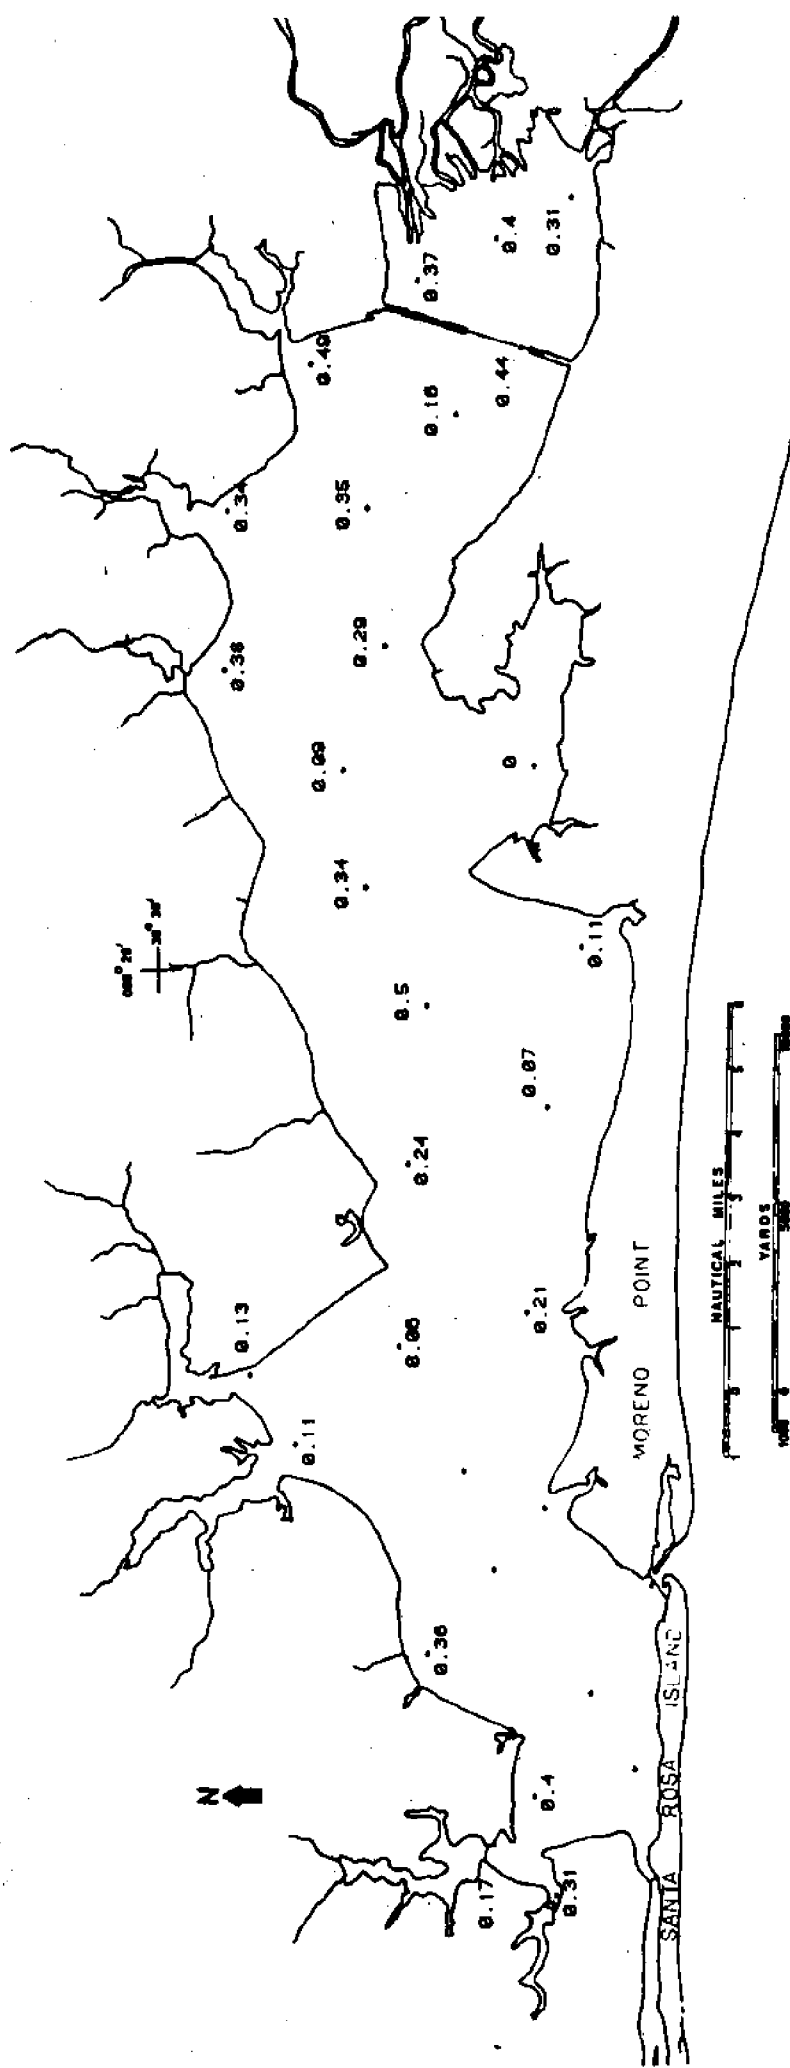

Figure : Total organic nitrogen concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on October 29-30, 1975.

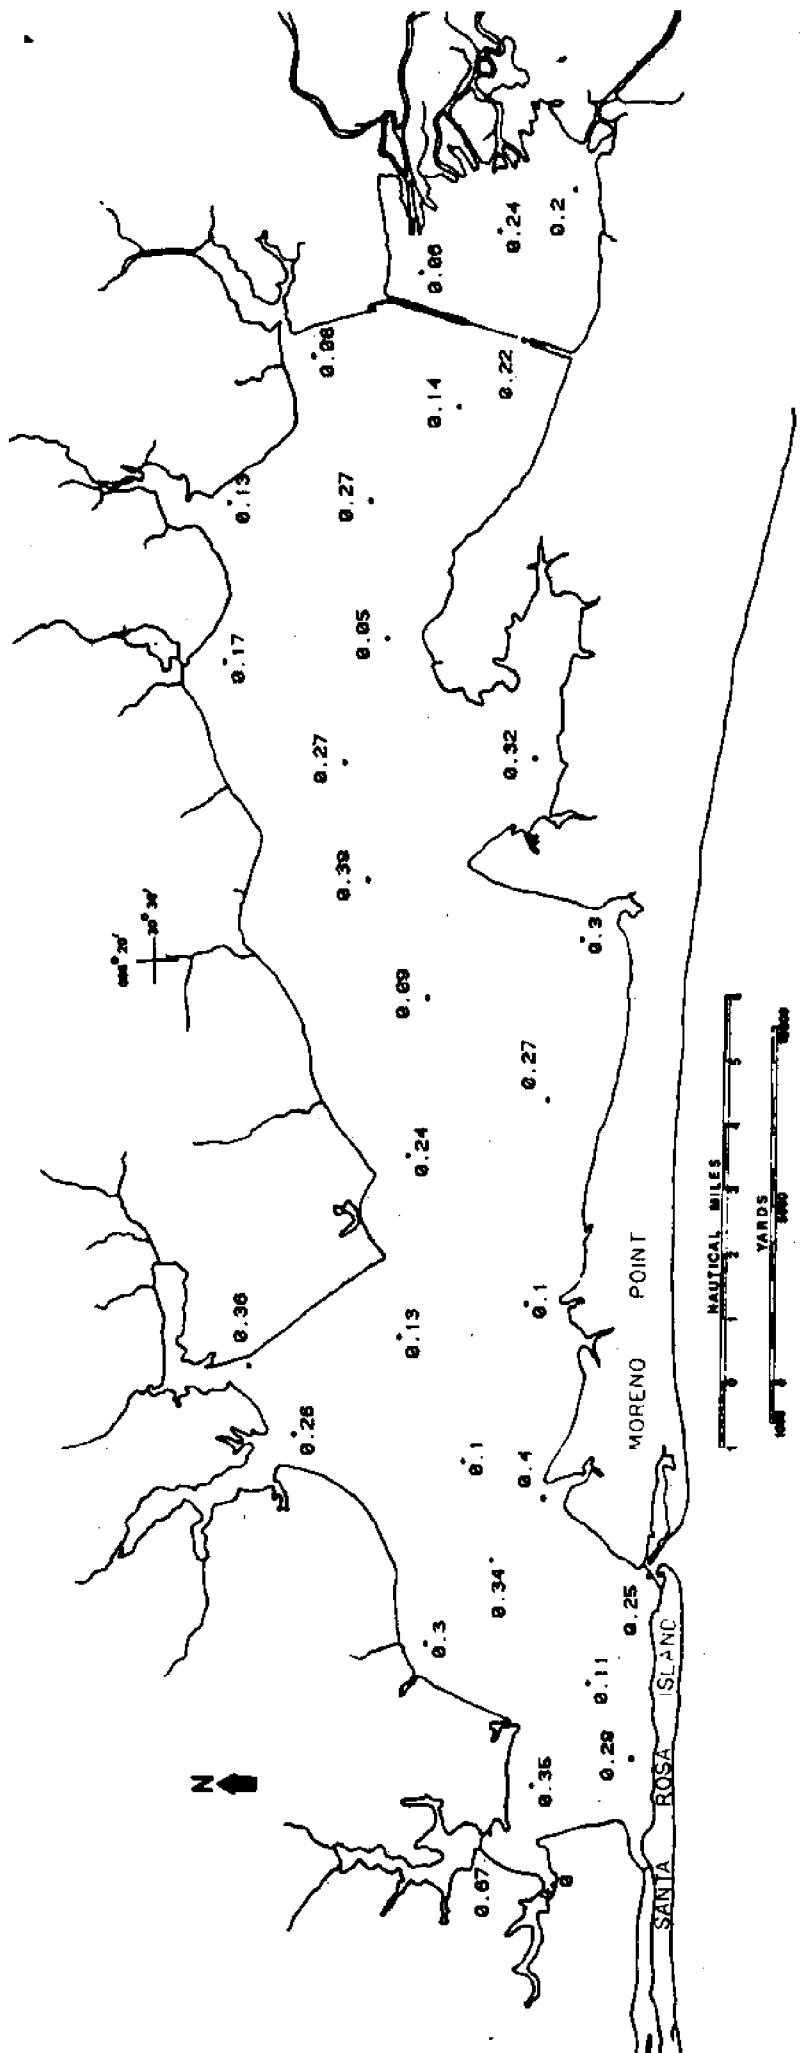

Figure : Total organic nitrogen concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on November 24, 1975.

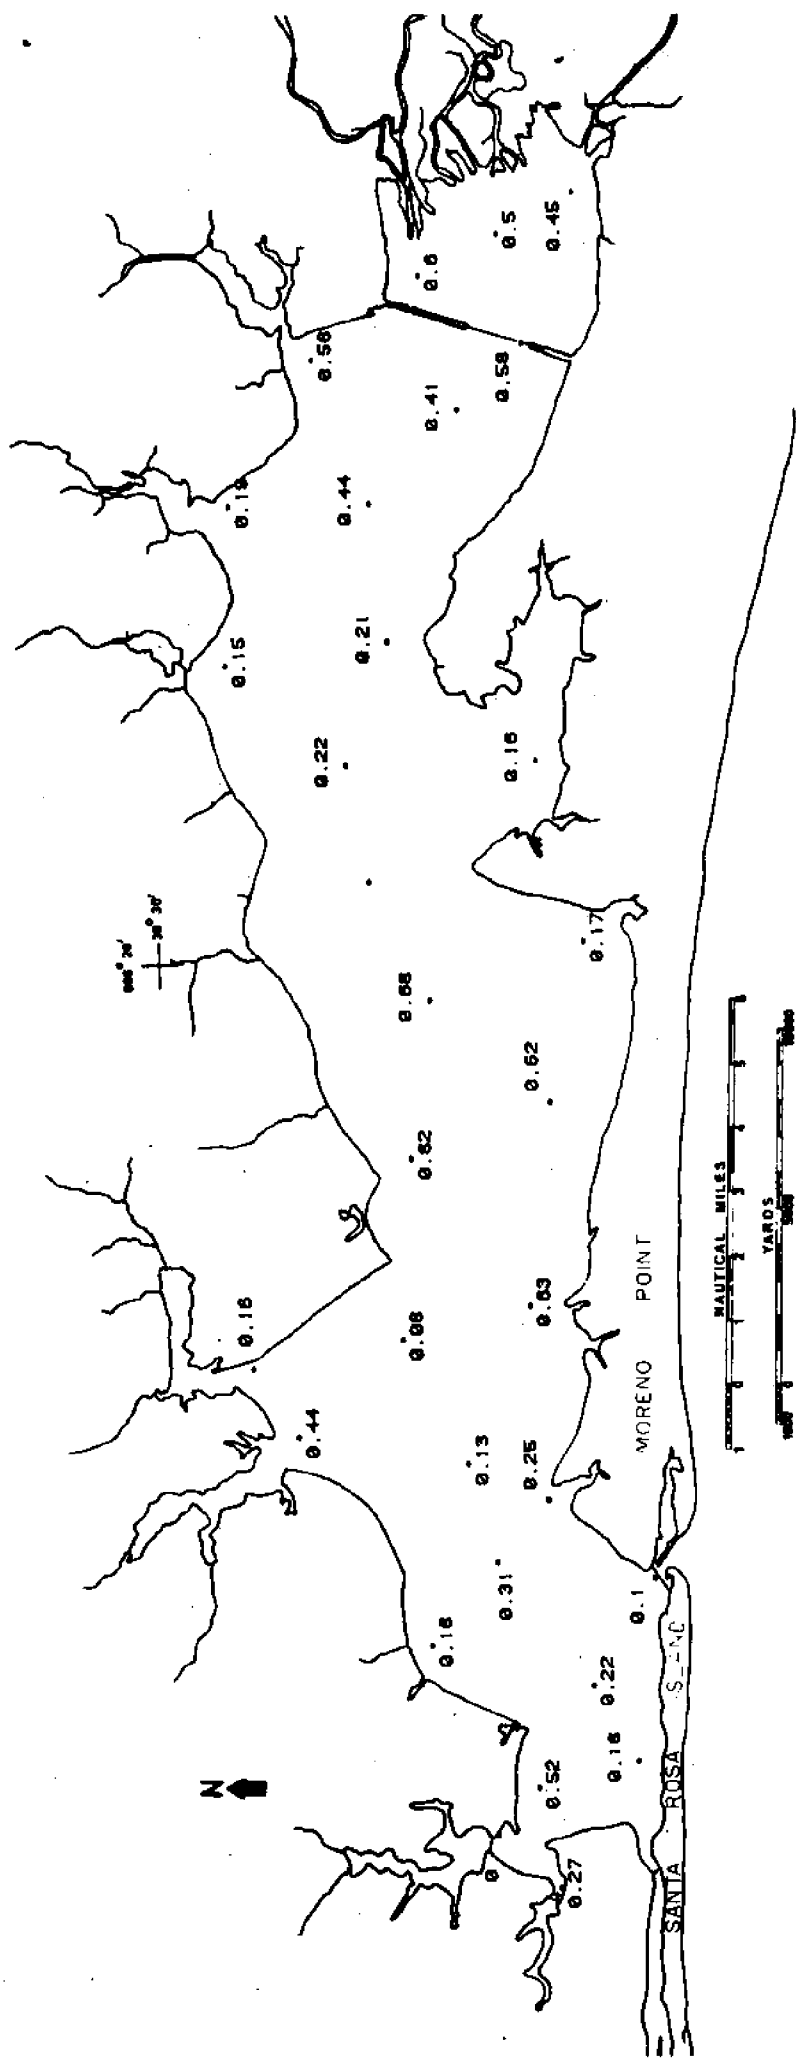

Figure : Total organic nitrogen concentration (mg/l-N) in mid-depth waters of Choctawhatchee Bay on December 15, 1975.

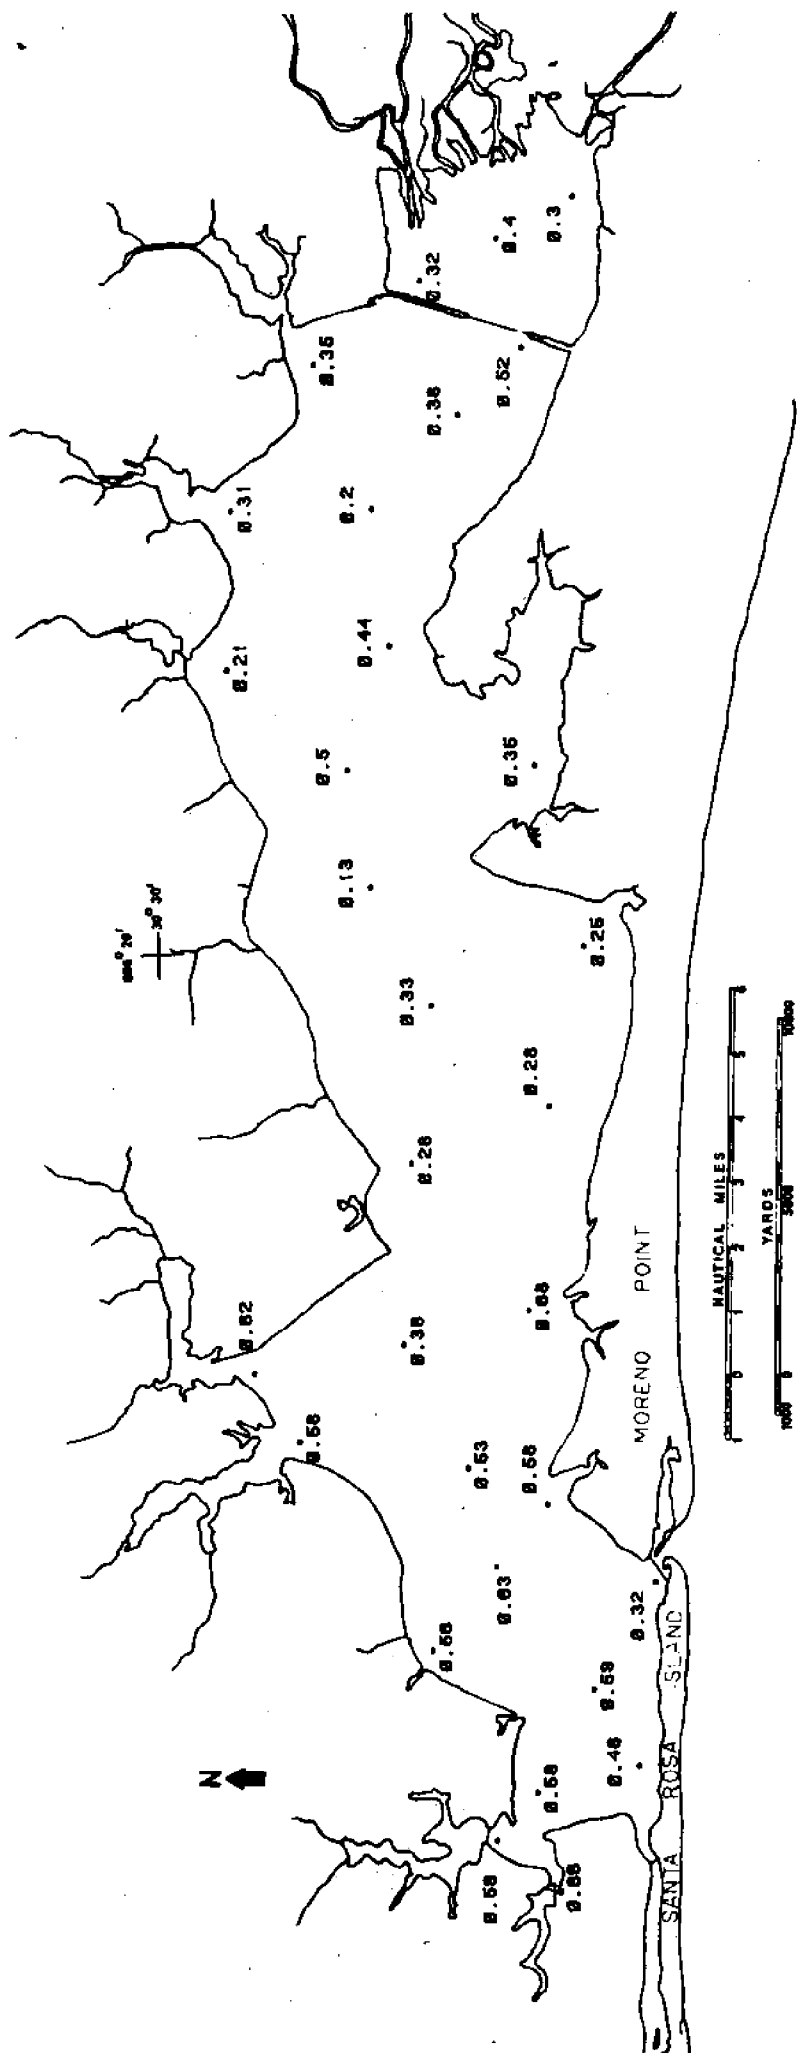

Figure : Total organic nitrogen concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on January 28-29, 1975.

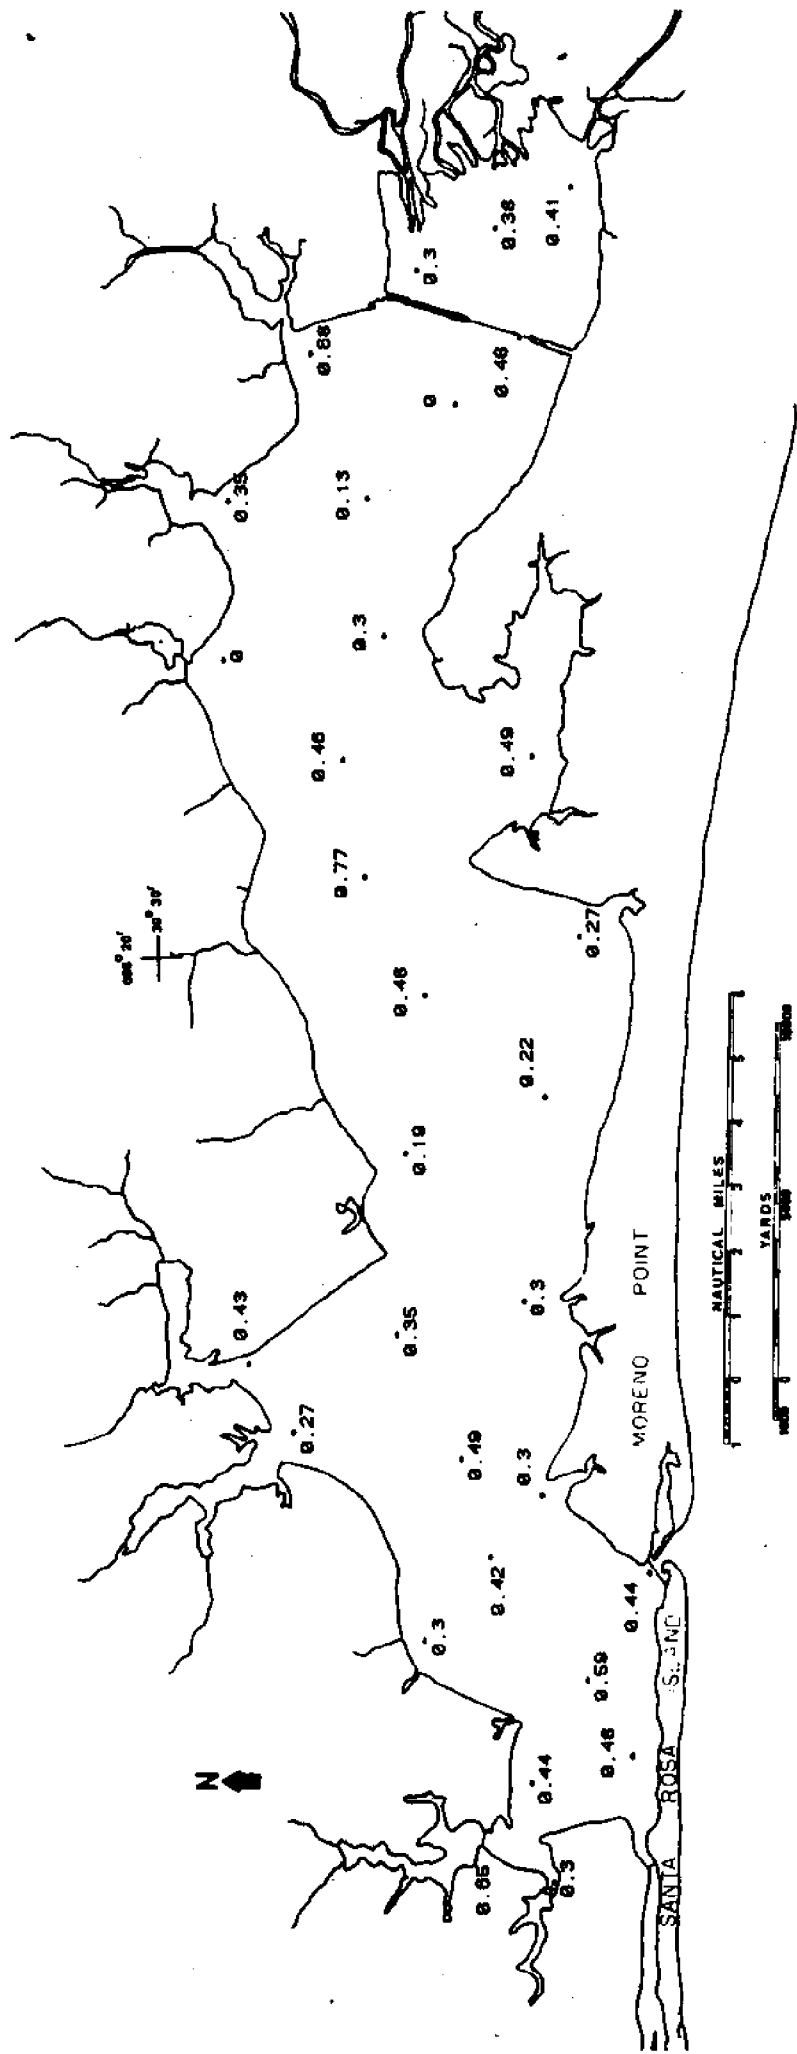

Figure : Total organic nitrogen concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on March 19-20, 1975.

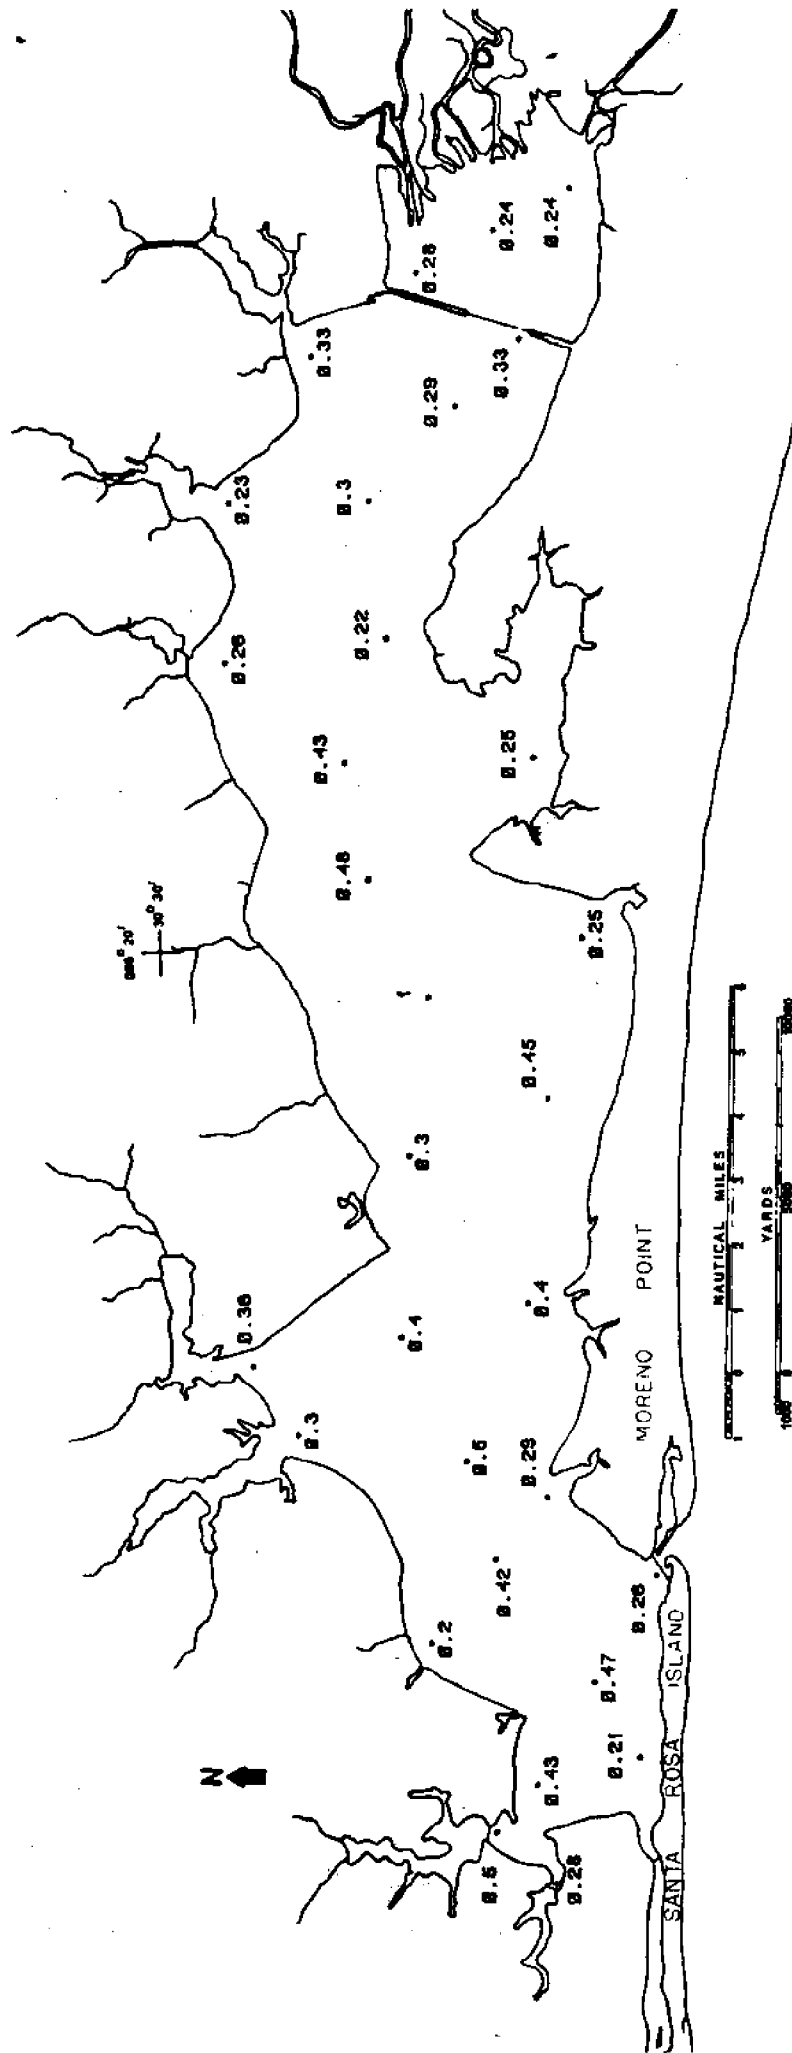

Figure : Total organic nitrogen concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on April 21-22, 1975.

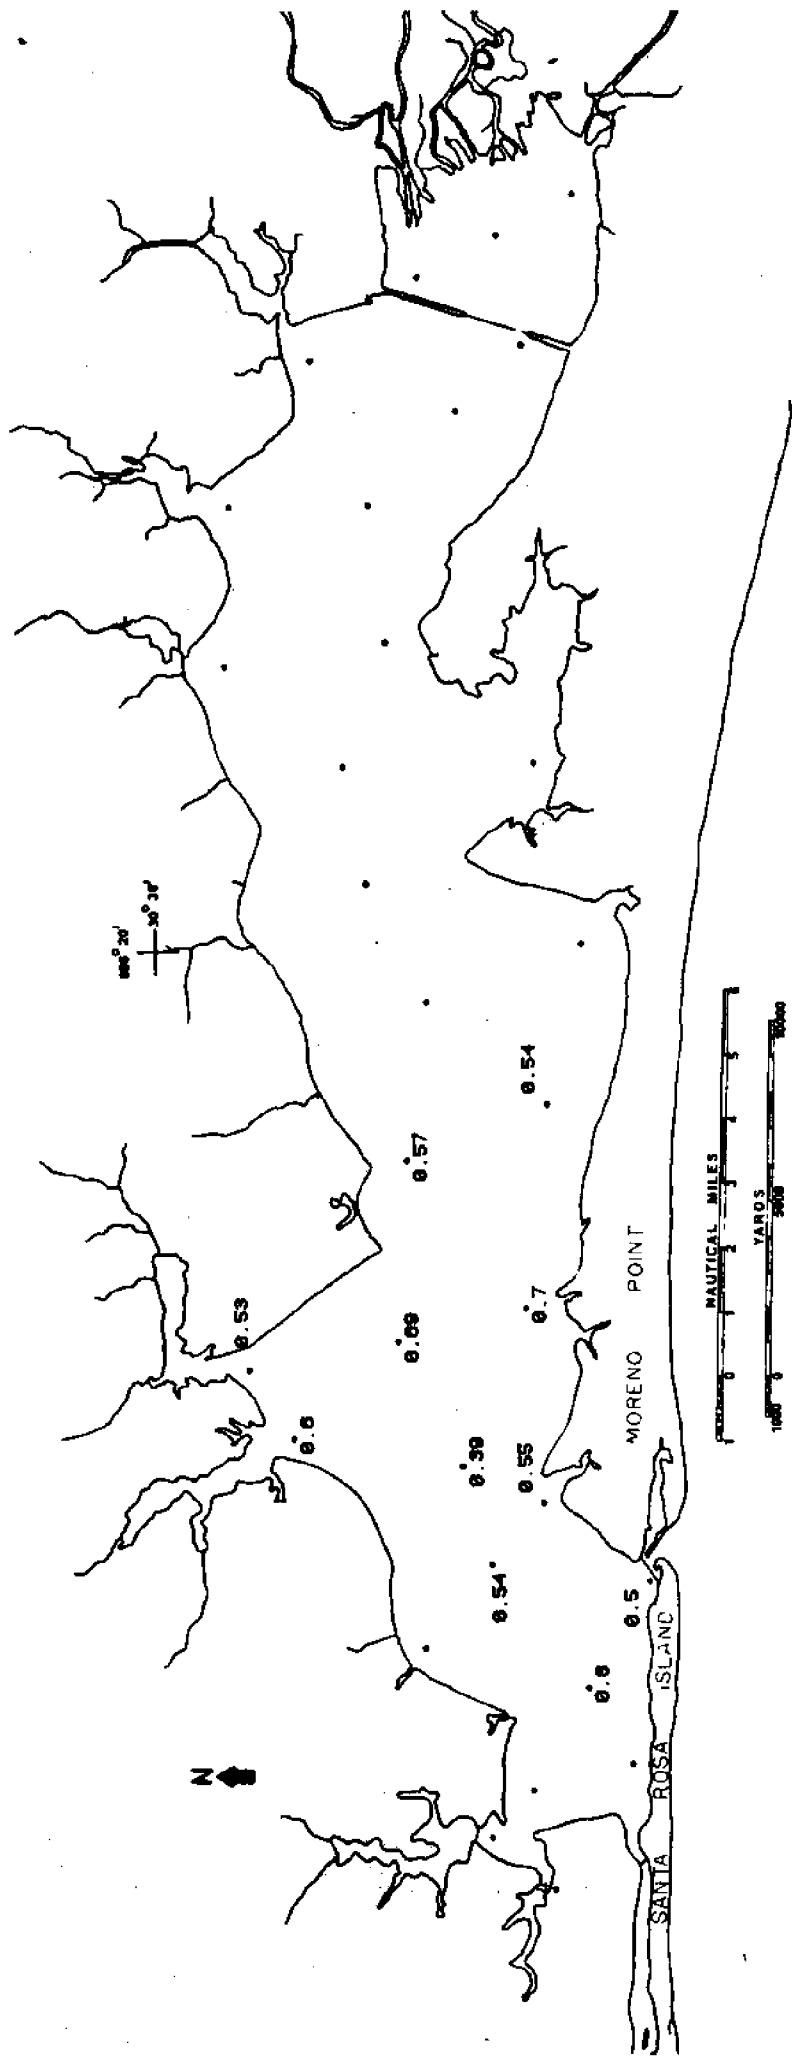

Figure : Total organic nitrogen concentration
 (mg/l-N) in bottom waters of Choctawhatchee
 Bay on May 20-21, 1975.

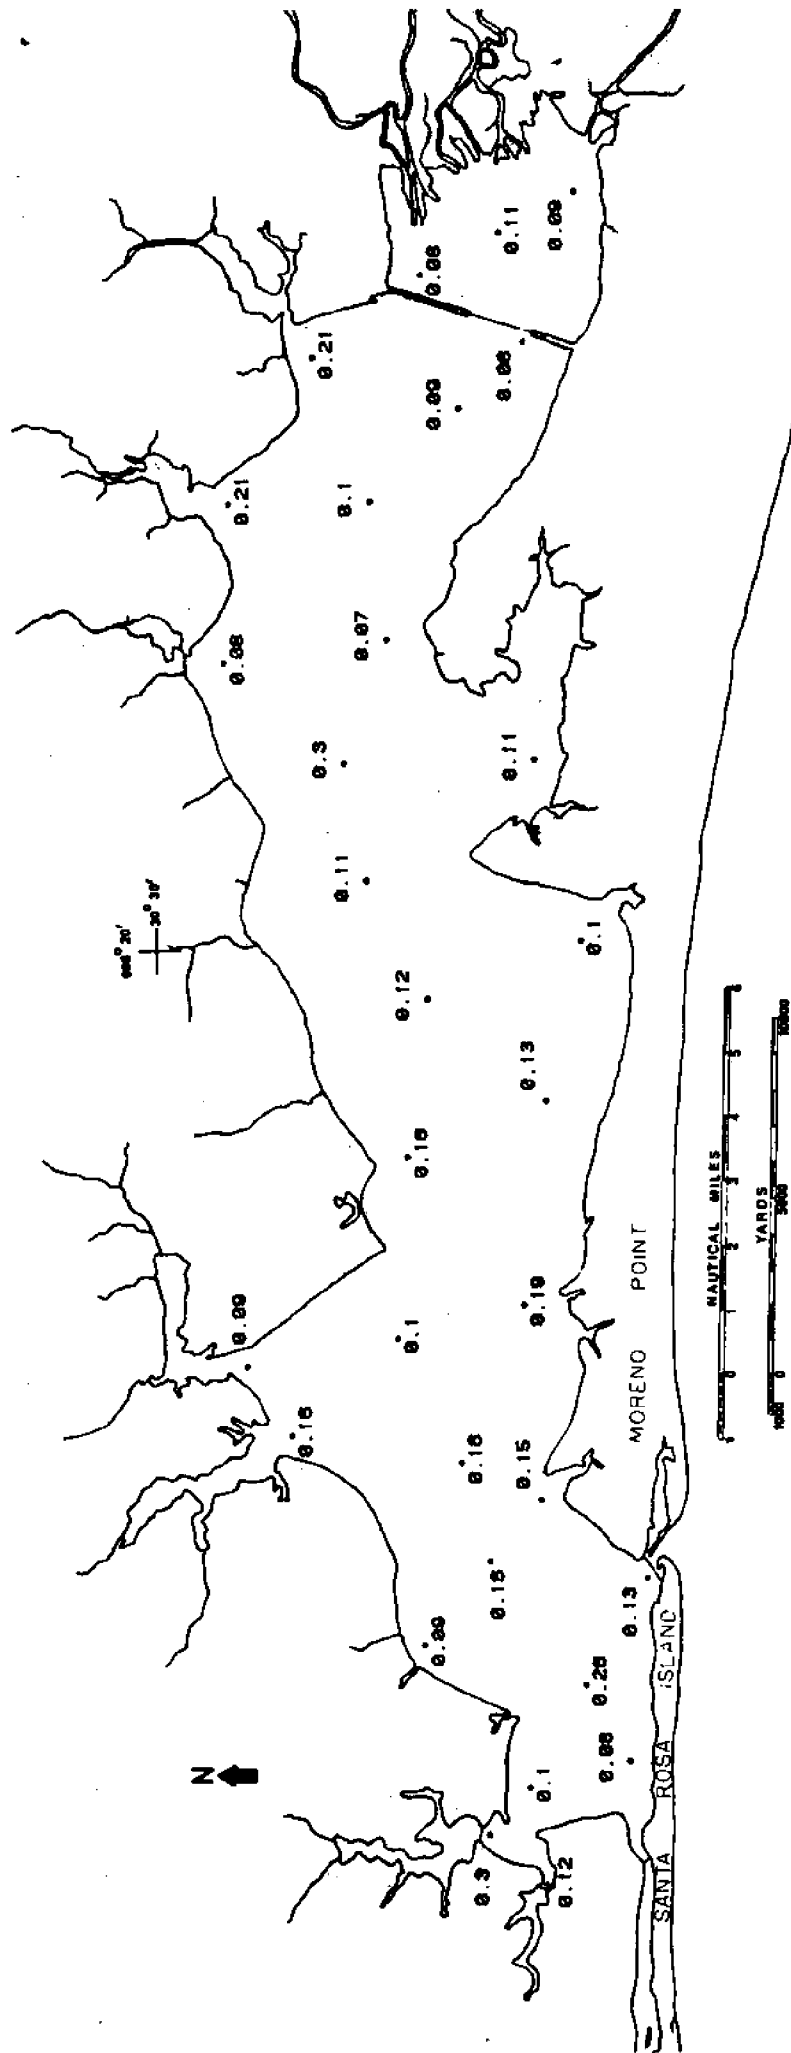

Figure : Total organic nitrogen concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on June 21-22, 1975.

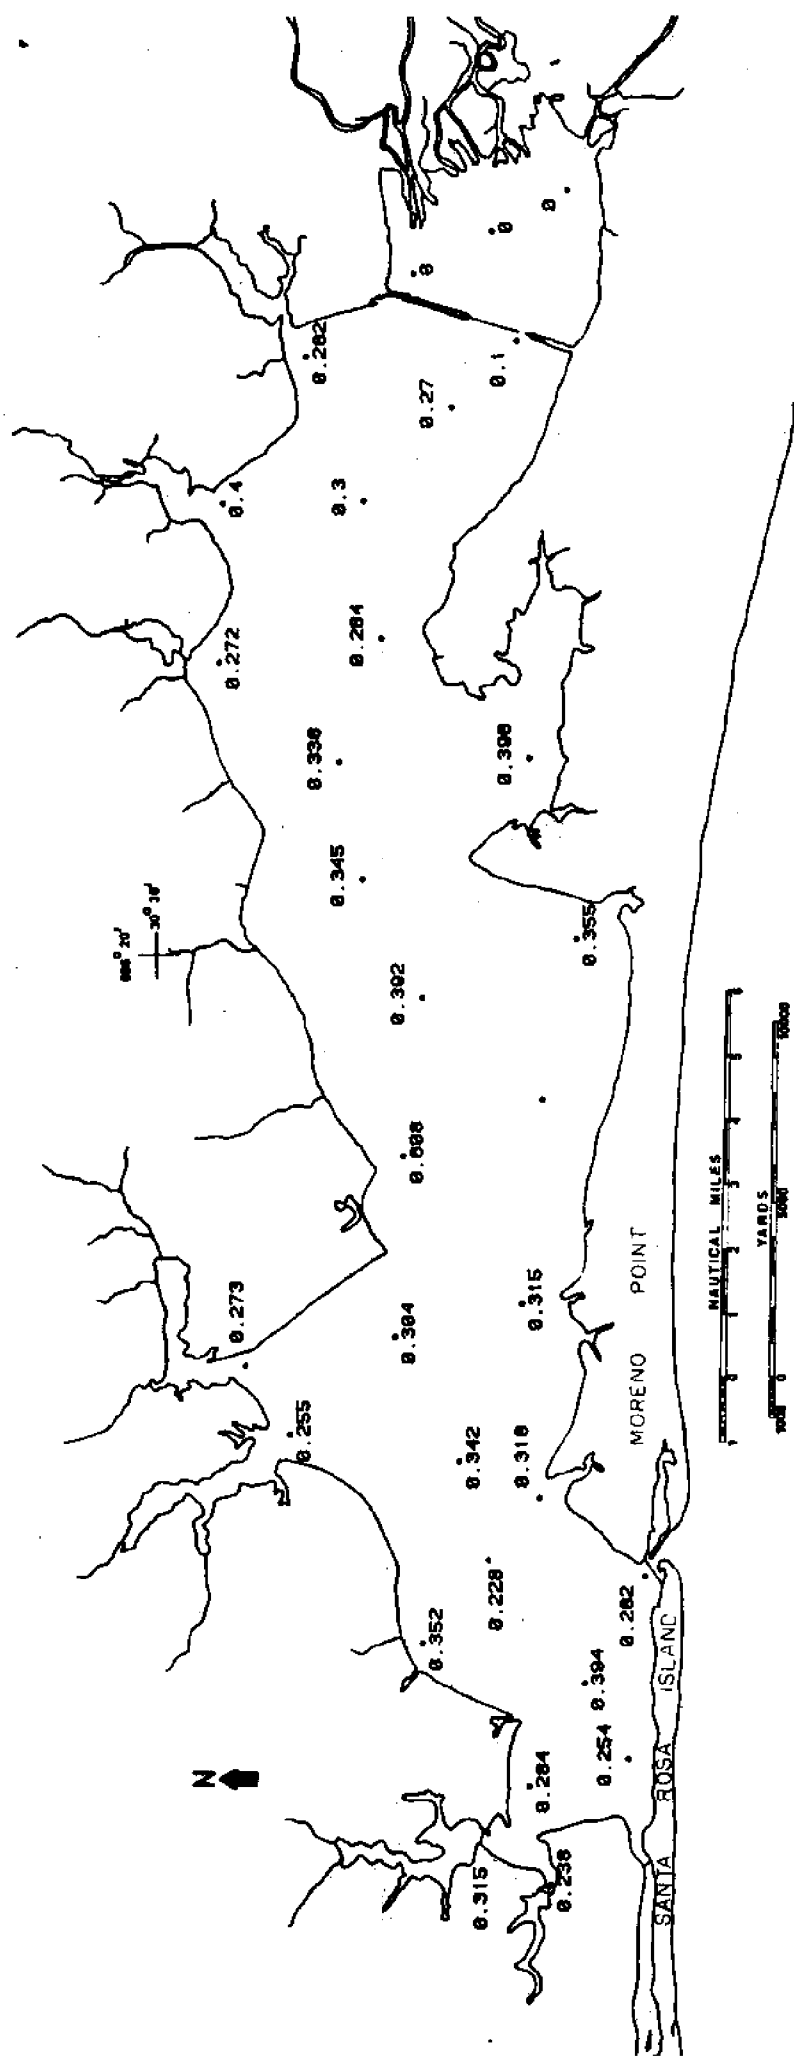

Figure : Total organic nitrogen concentration
 mg/l-ND in bottom waters of Choctawhatchee
 Bay on July 19 & 23, 1975.

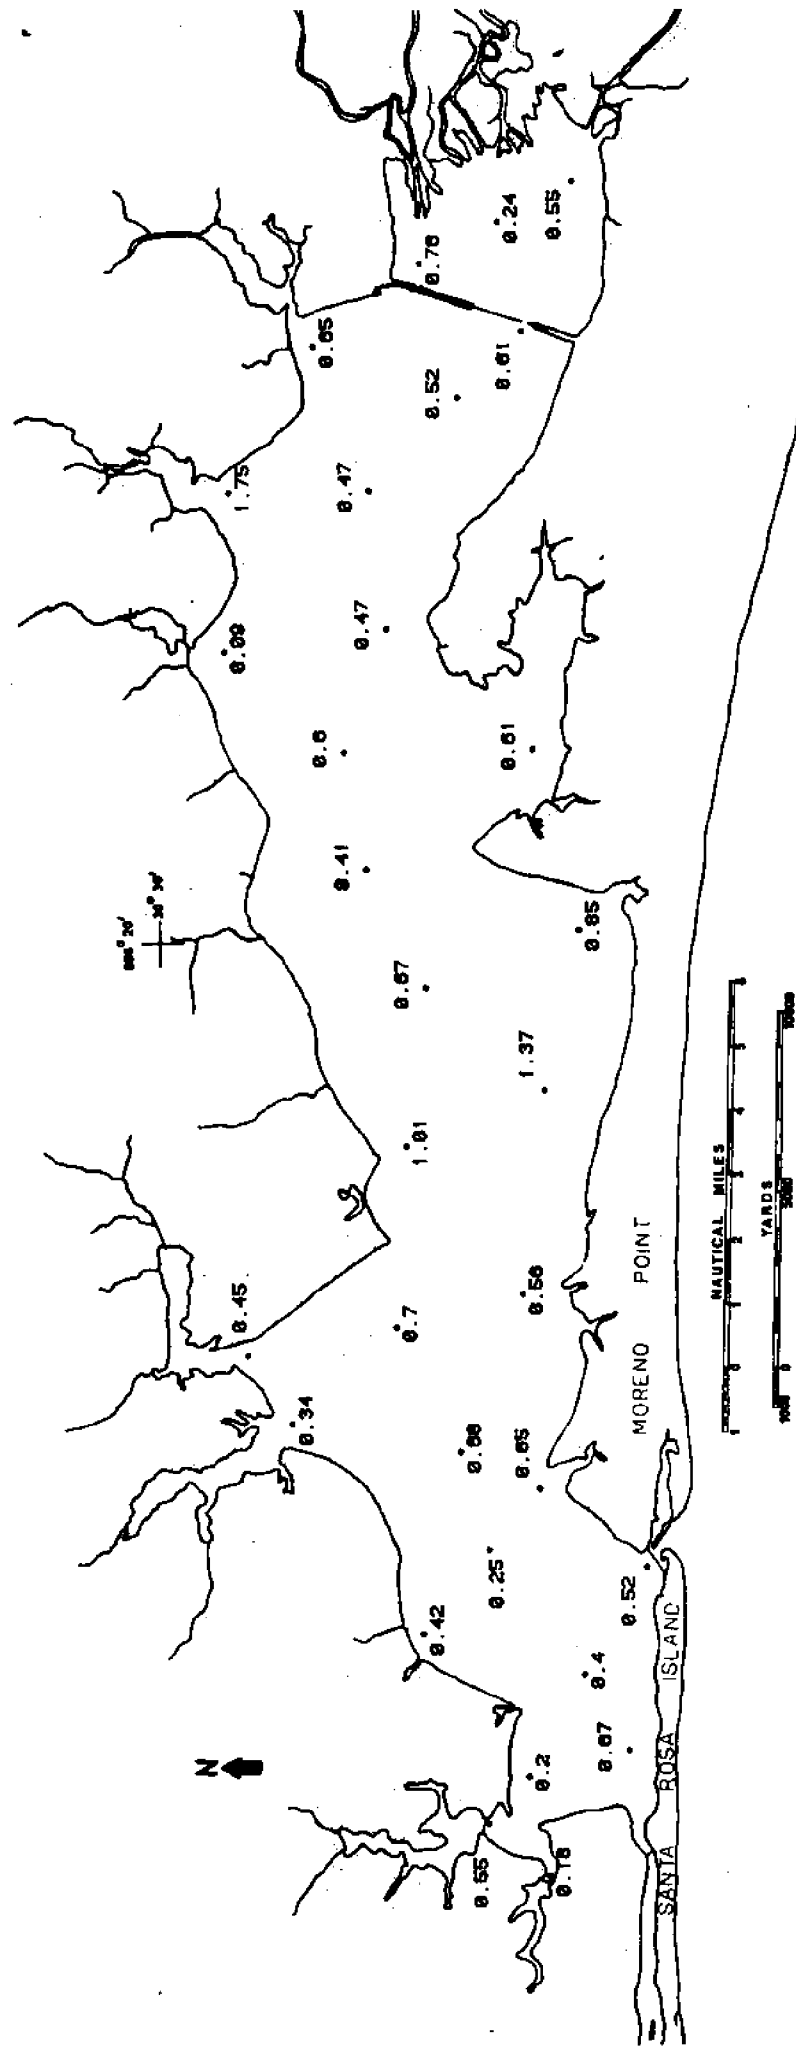

Figure : Total organic nitrogen concentration
 Cmg/l-N) in bottom waters of Choctawhatchee
 Bay on September 25-26, 1975.

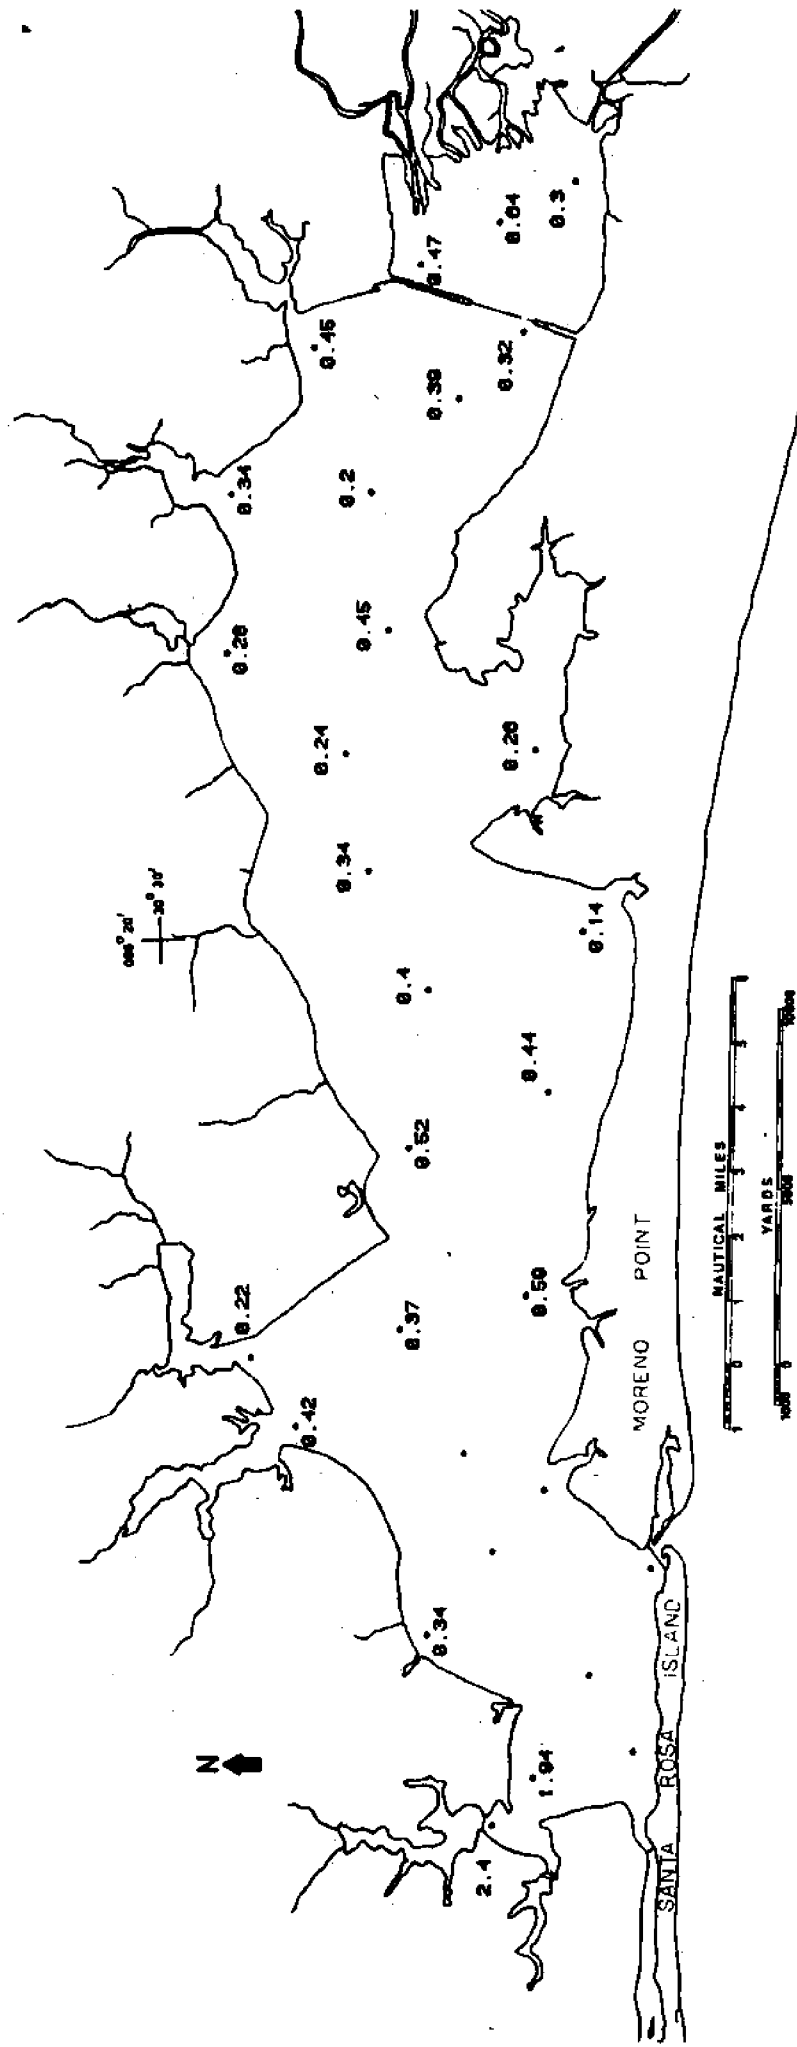

Figure : Total organic nitrogen concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on October 29-30, 1975.

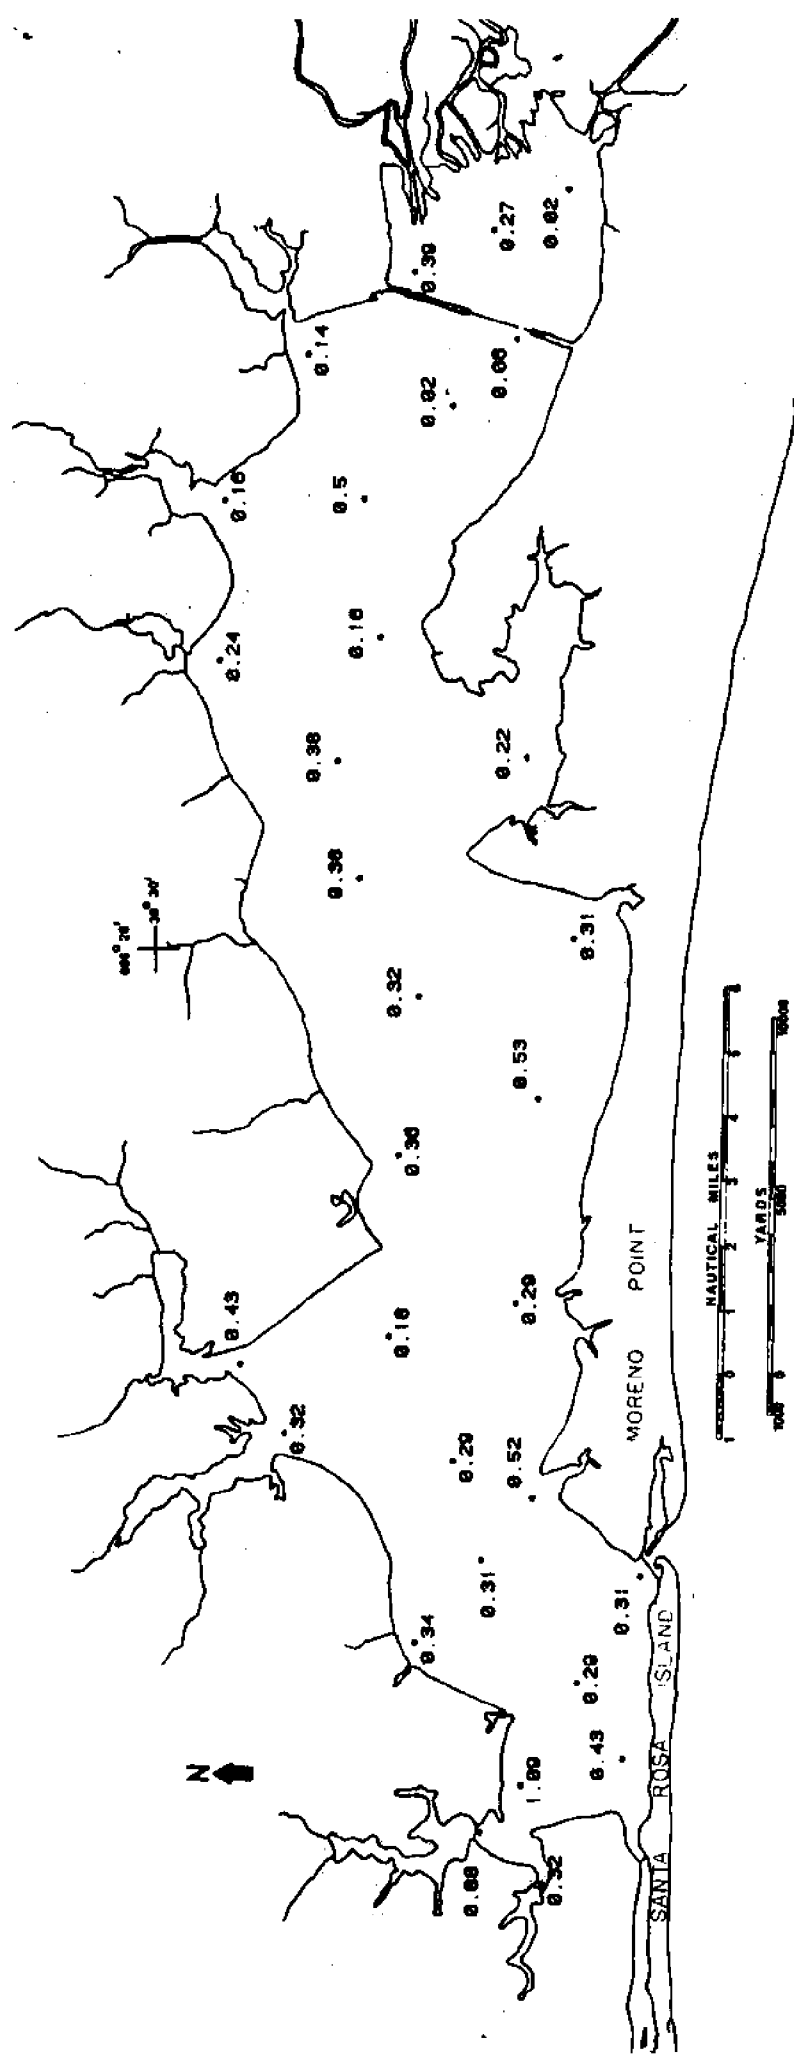

Figure : Total organic nitrogen concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on November 24, 1975.

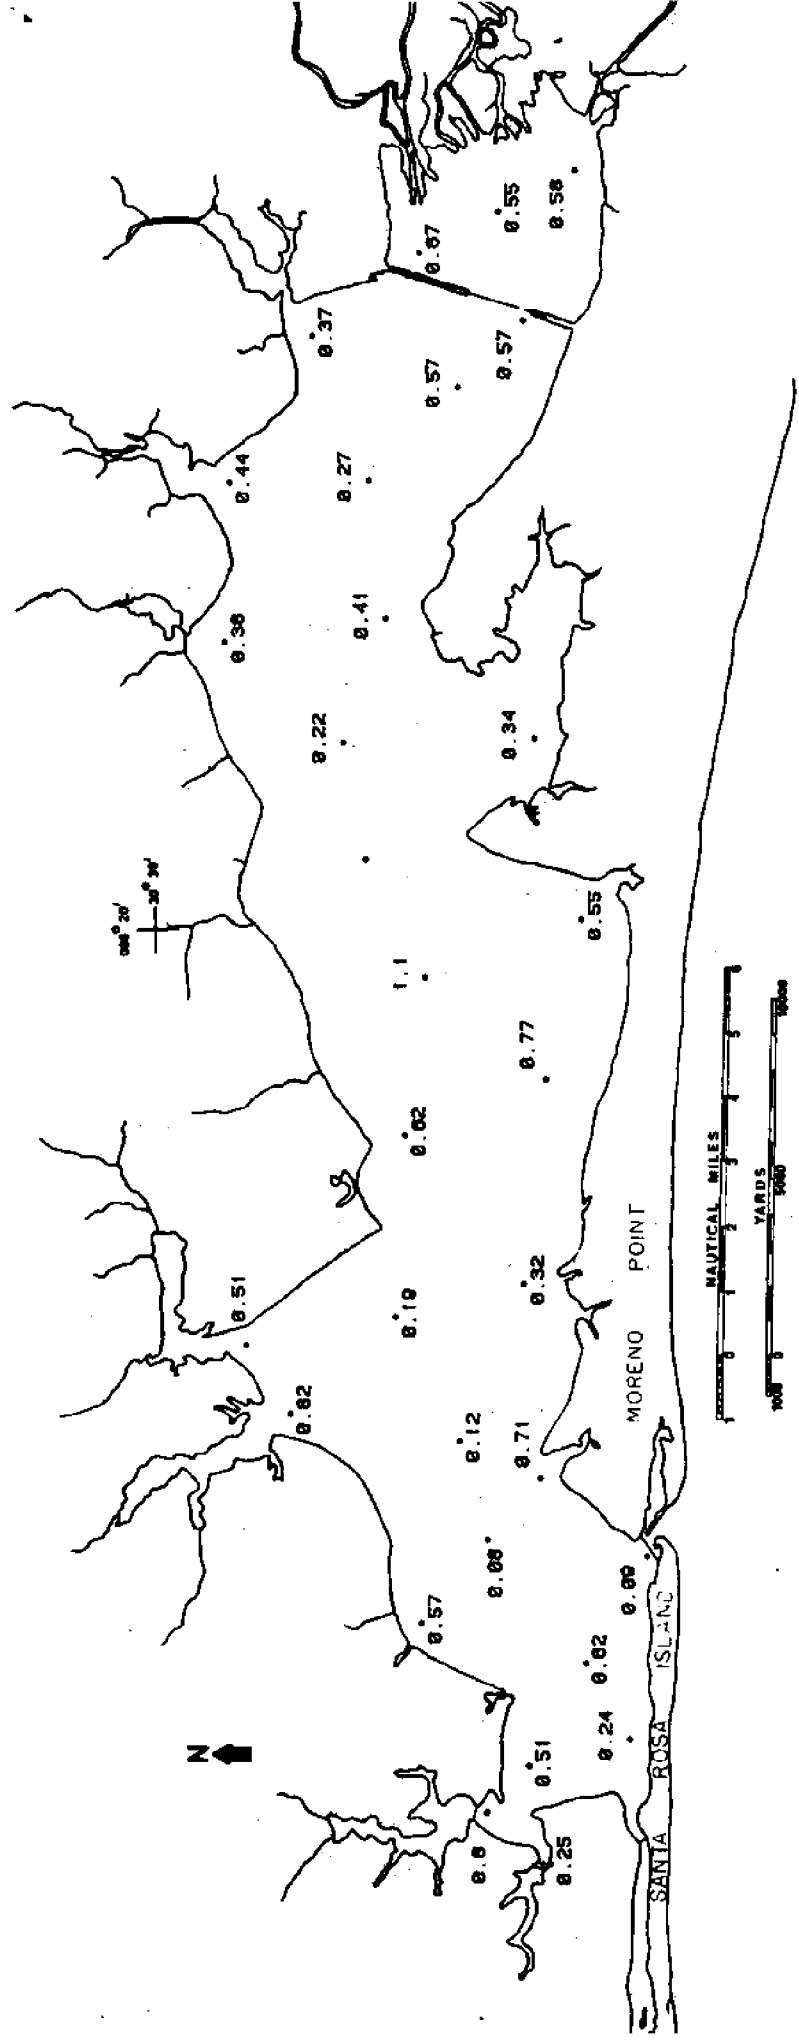

Figure : Total organic nitrogen concentration (mg/l-N) in bottom waters of Choctawhatchee Bay on December 15, 1975.

Supplemental Appendix S: Map of Dissolved Phosphorus Concentrations for each Sample Depth and for each Month in 1975.

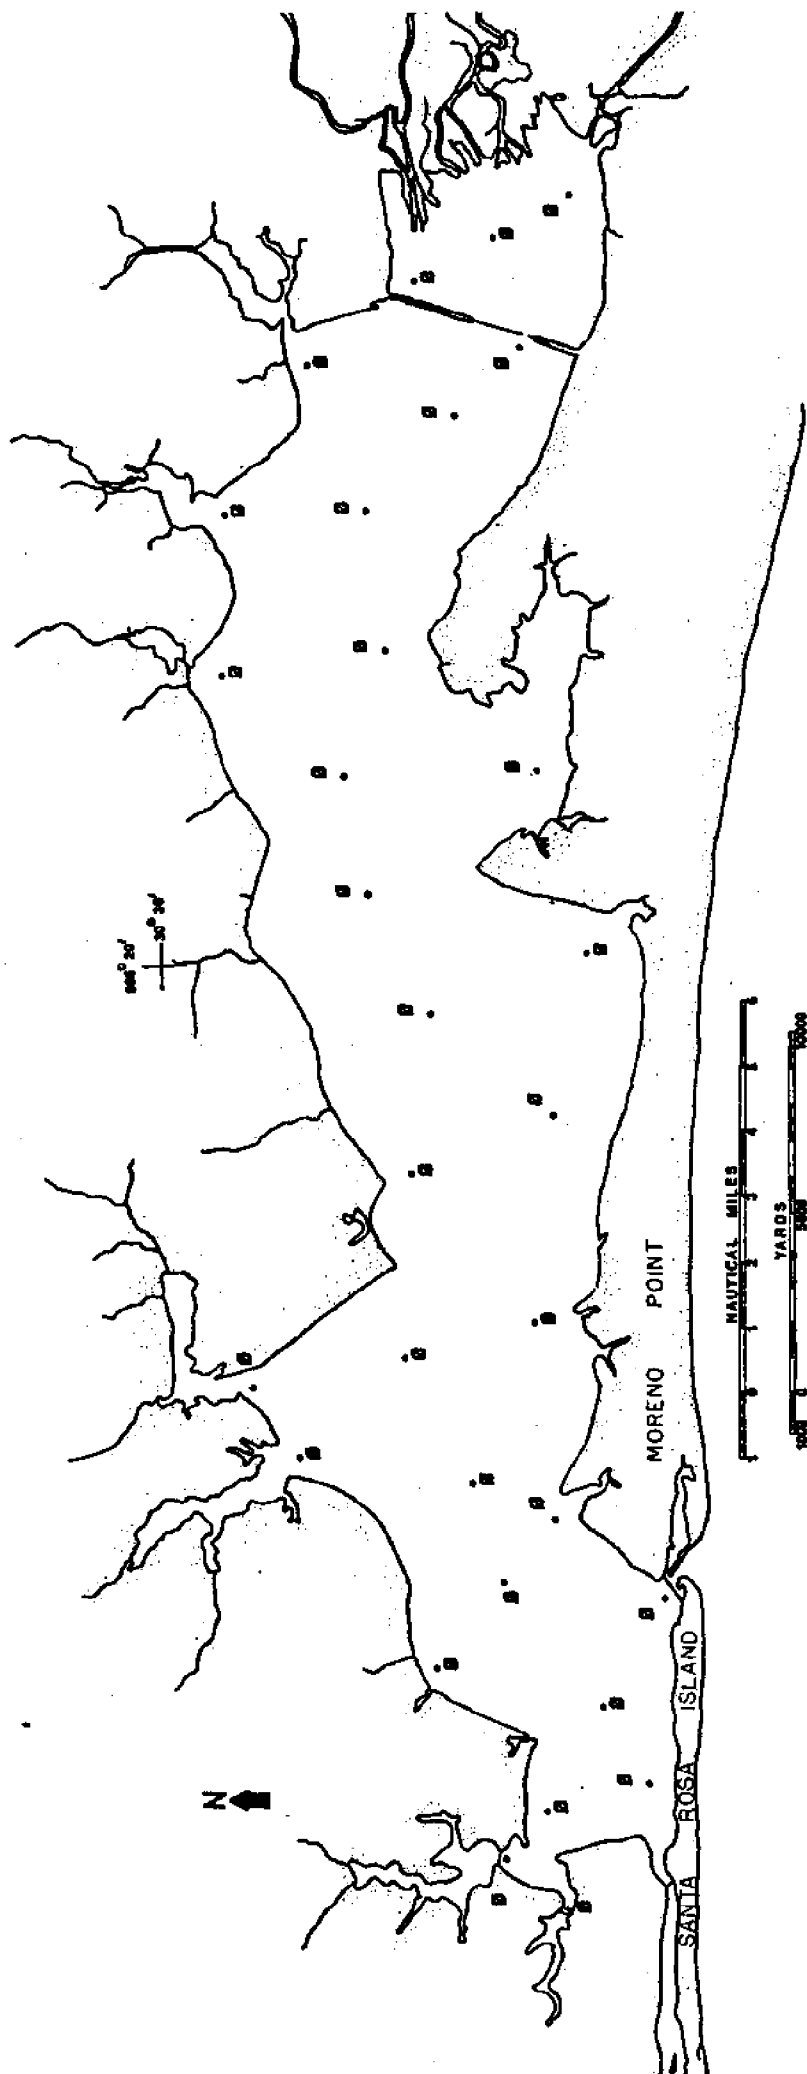

Figure : Dissolved phosphorus concentration (mg/l-P) in surface waters of Choctawhatchee Bay on January 28-29, 1976.

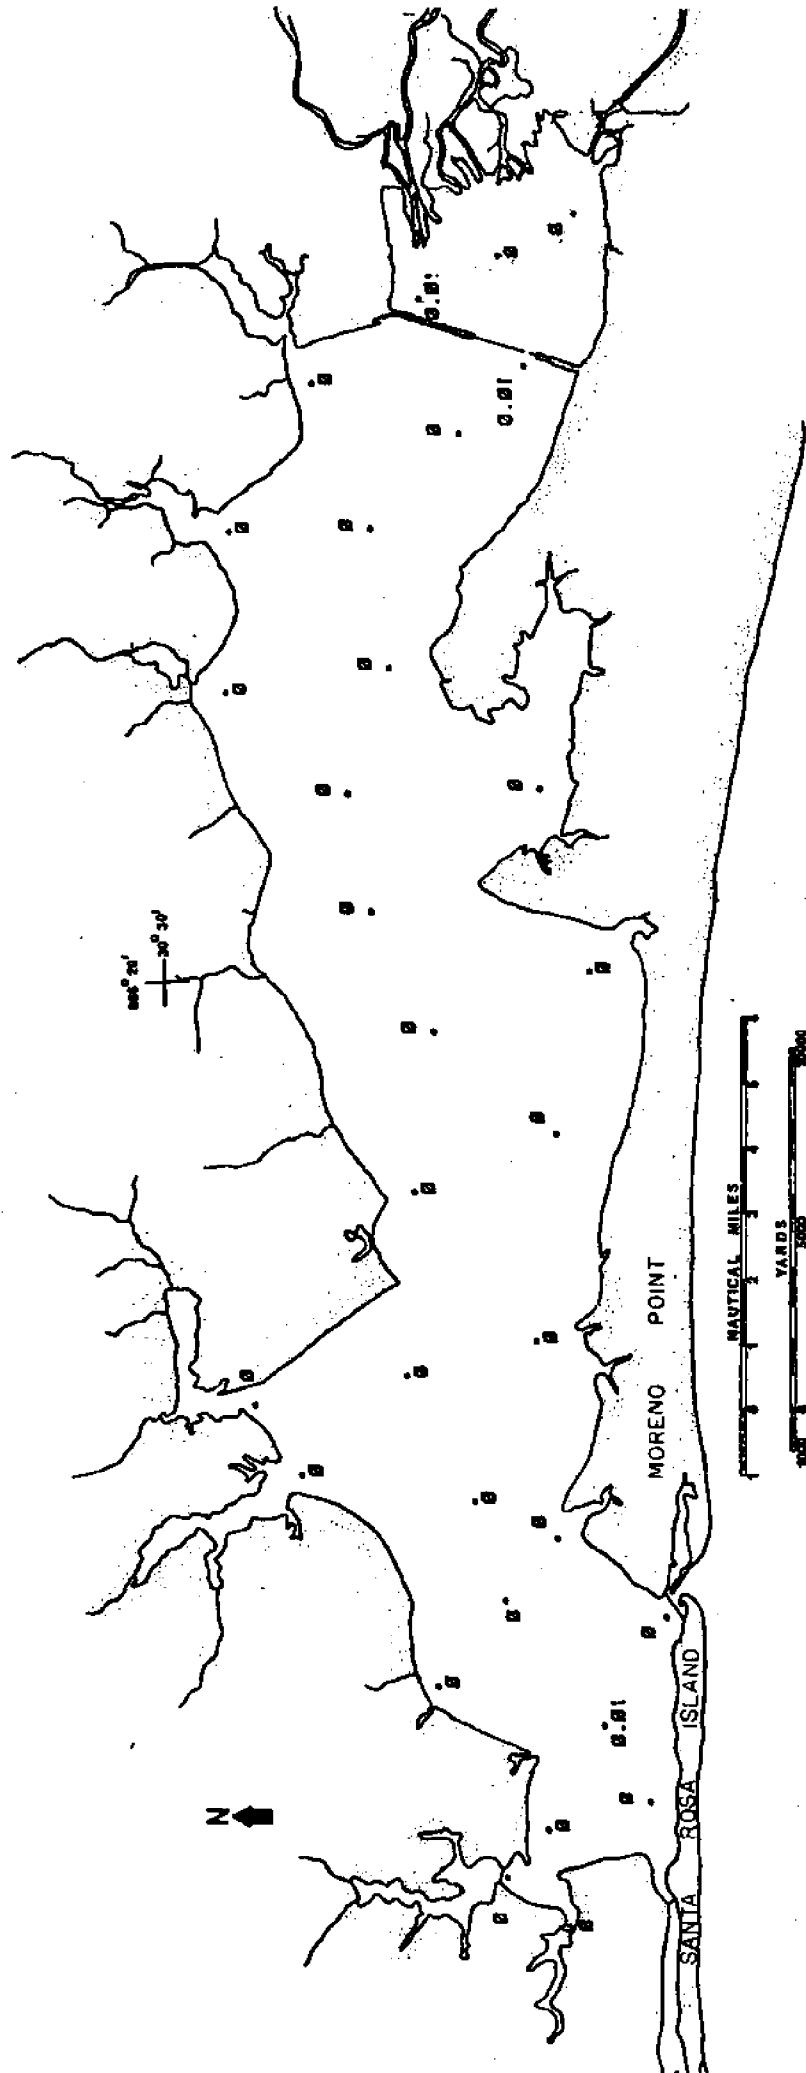

Figure : Dissolved phosphorus concentration (mg/l-P) in surface waters of Choctawhatchee Bay on March 19-20, 1976.

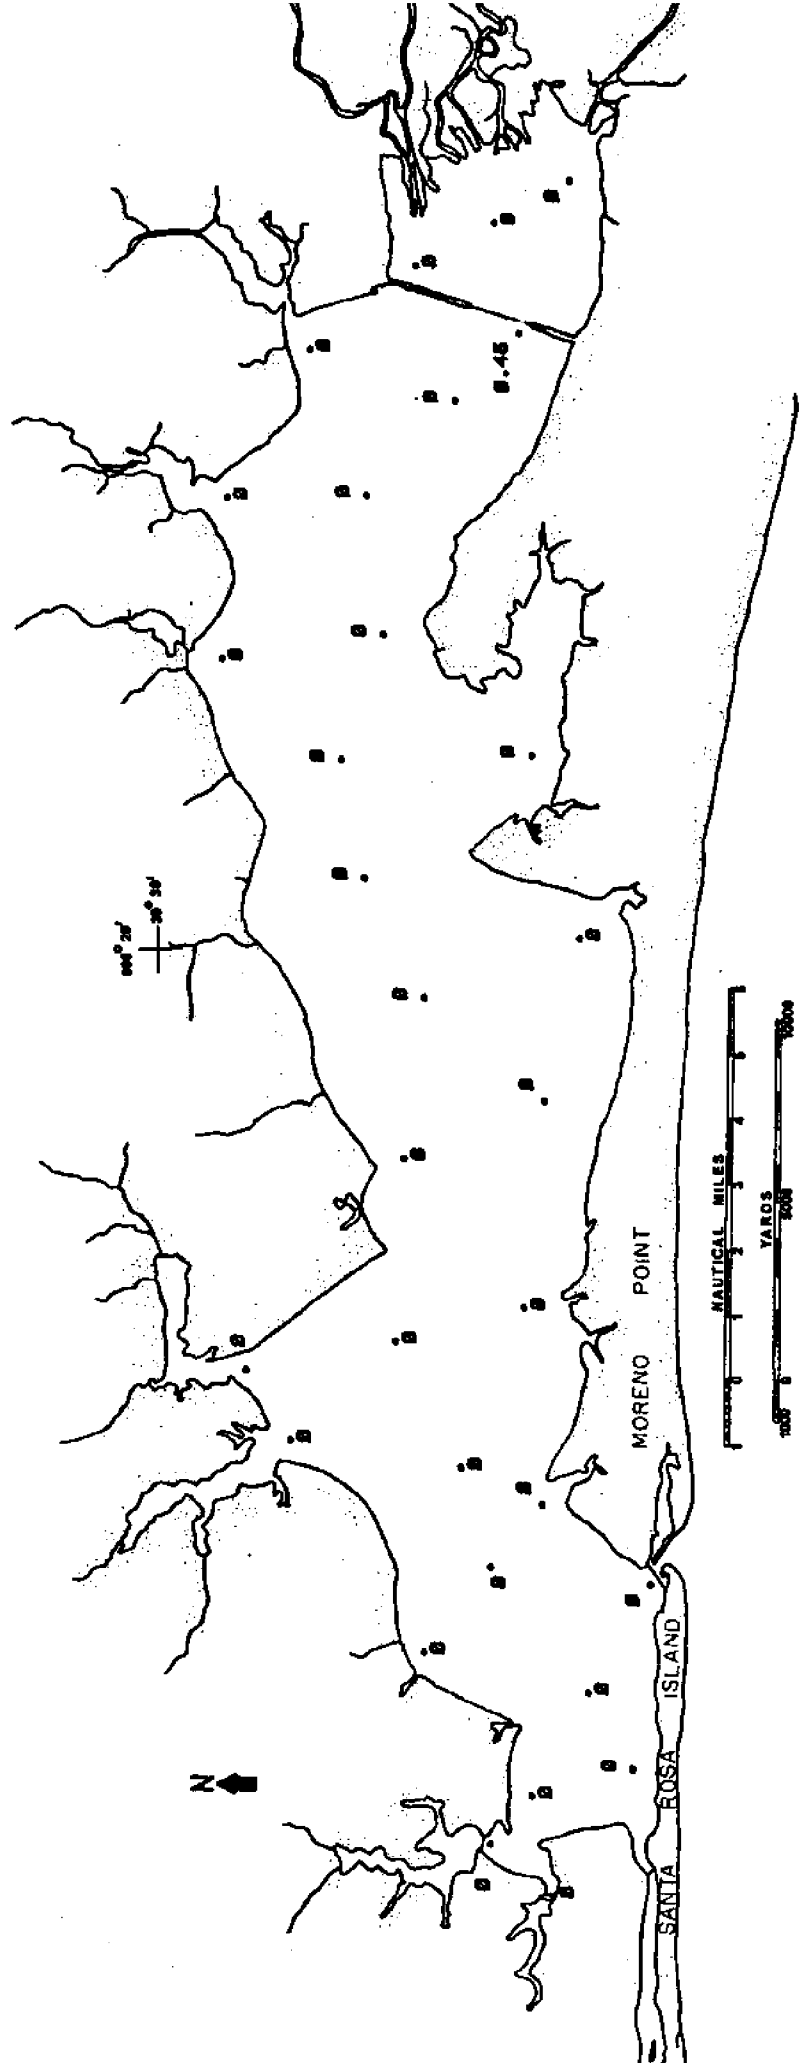

Figure : Dissolved phosphorus concentration (mg/l-P) in surface waters of Choctawhatchee Bay on April 21-22, 1975.

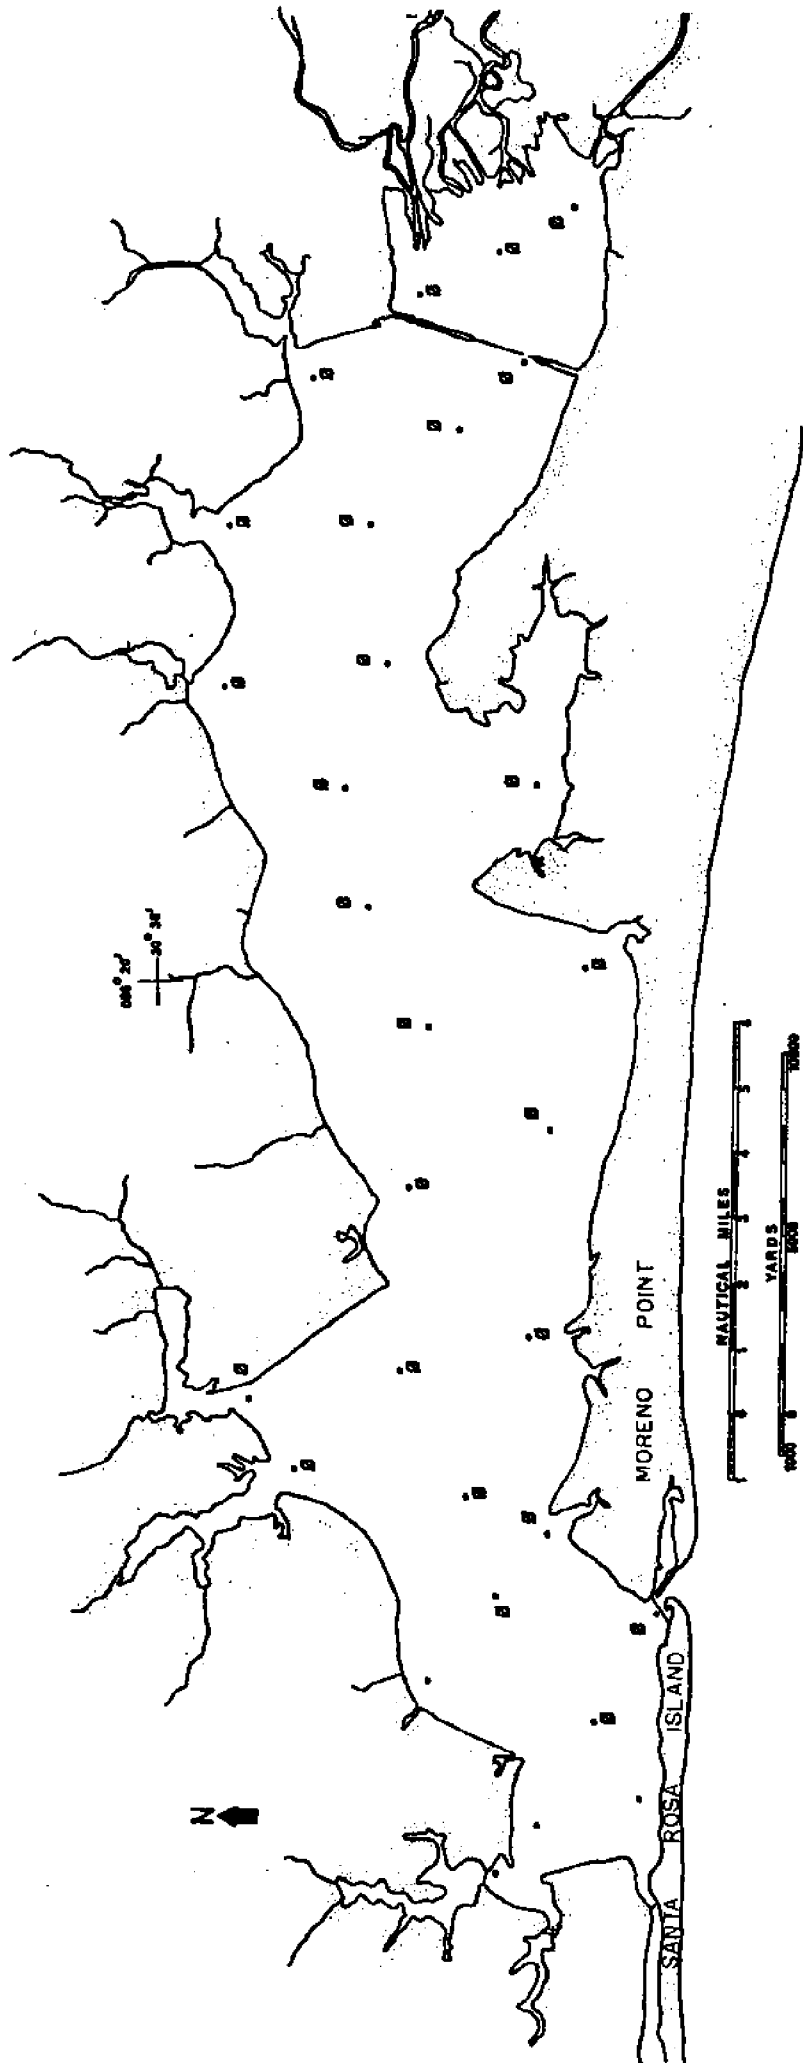

Figure : Dissolved phosphorus concentration
 (mg/l-P) in surface waters of Choctawhatchee
 Bay on May 20-21, 1975.

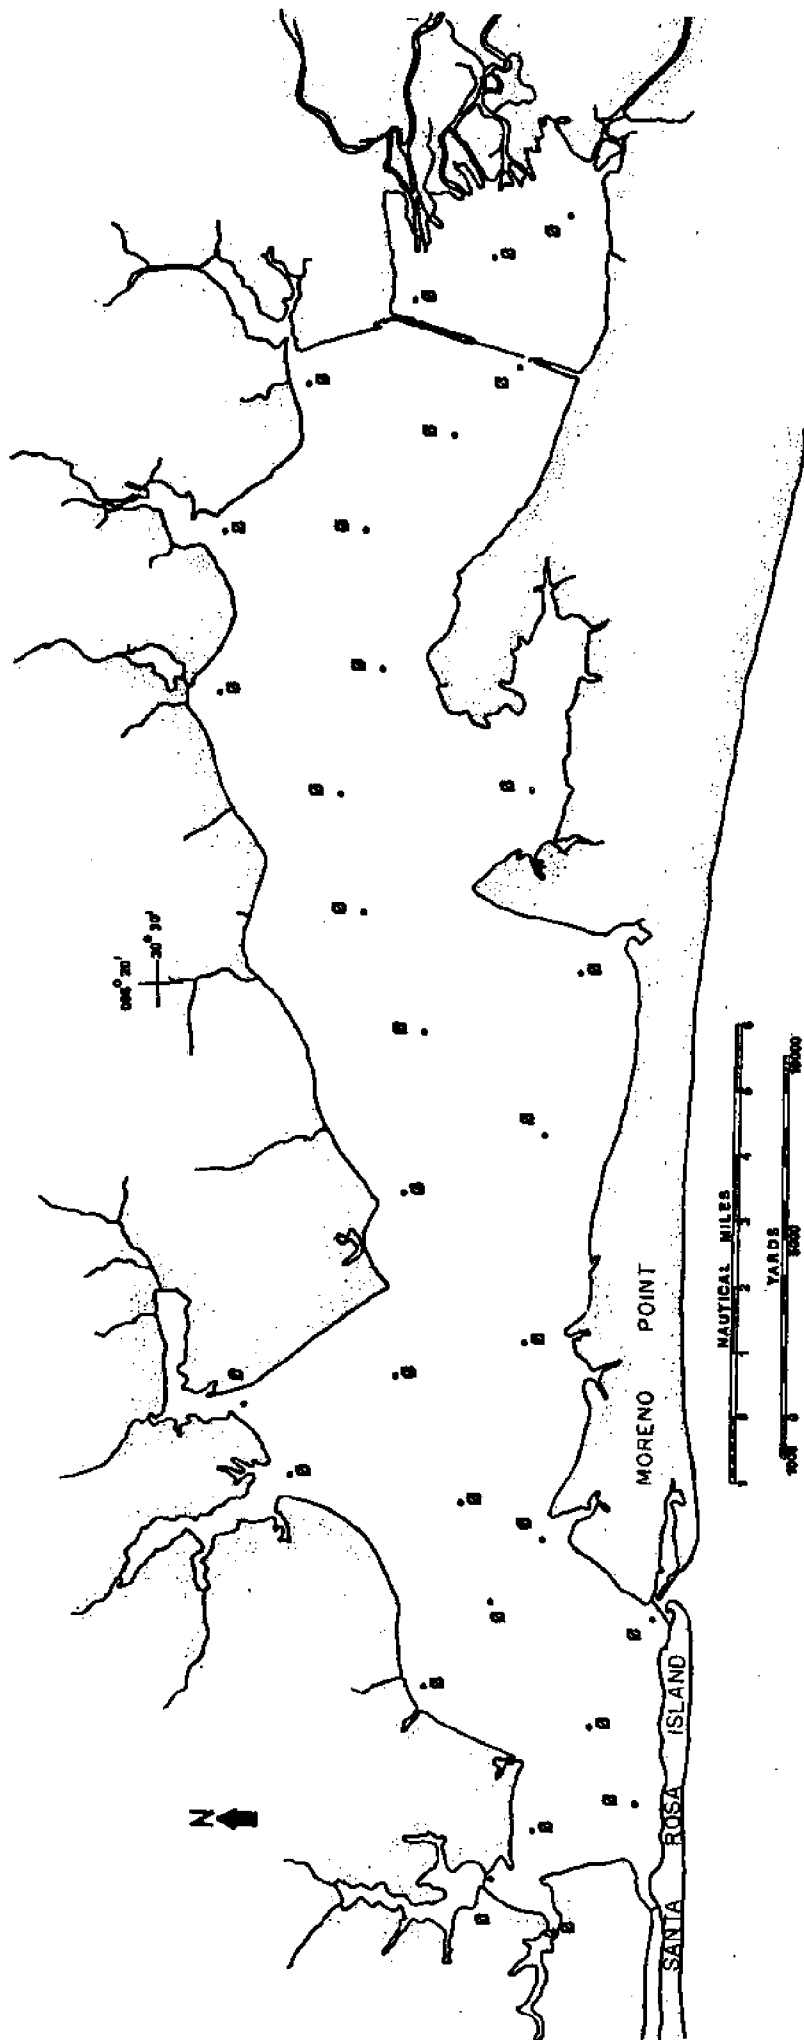

Figure : Dissolved phosphorus concentration (mg/l-P) in surface waters of Choctawhatchee Bay on June 21-22, 1975.

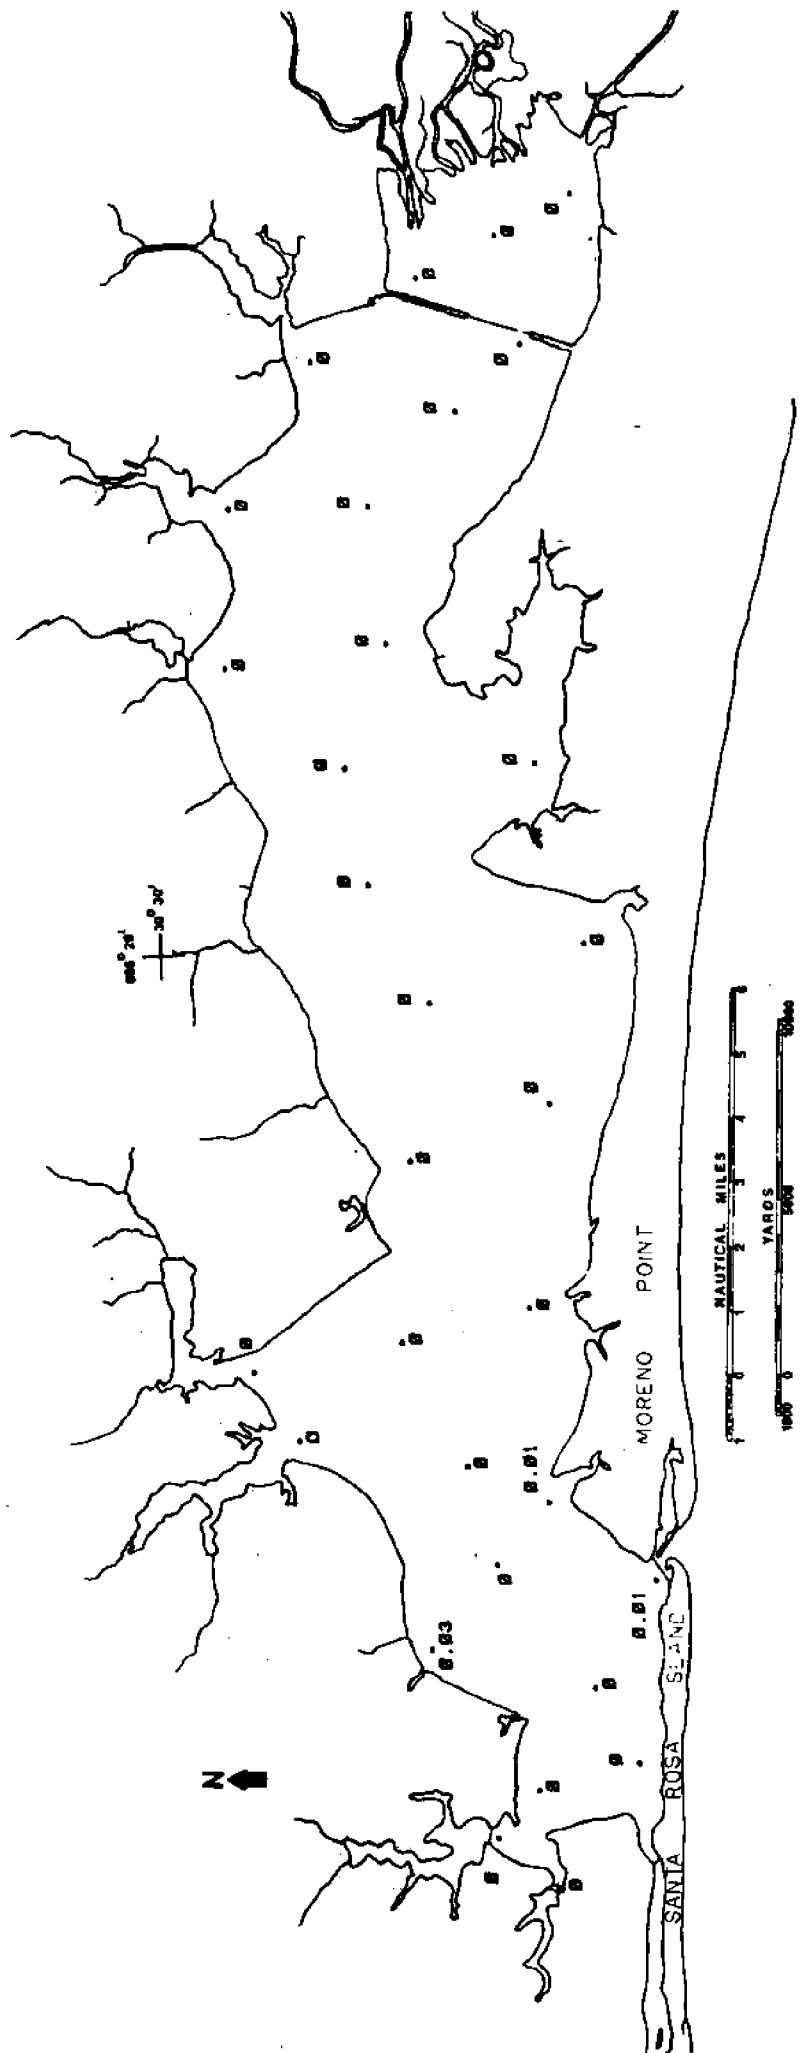

Figure : Dissolved phosphorus concentration (mg/l-P) in surface waters of Choctawhatchee Bay on July 19 & 23, 1975.

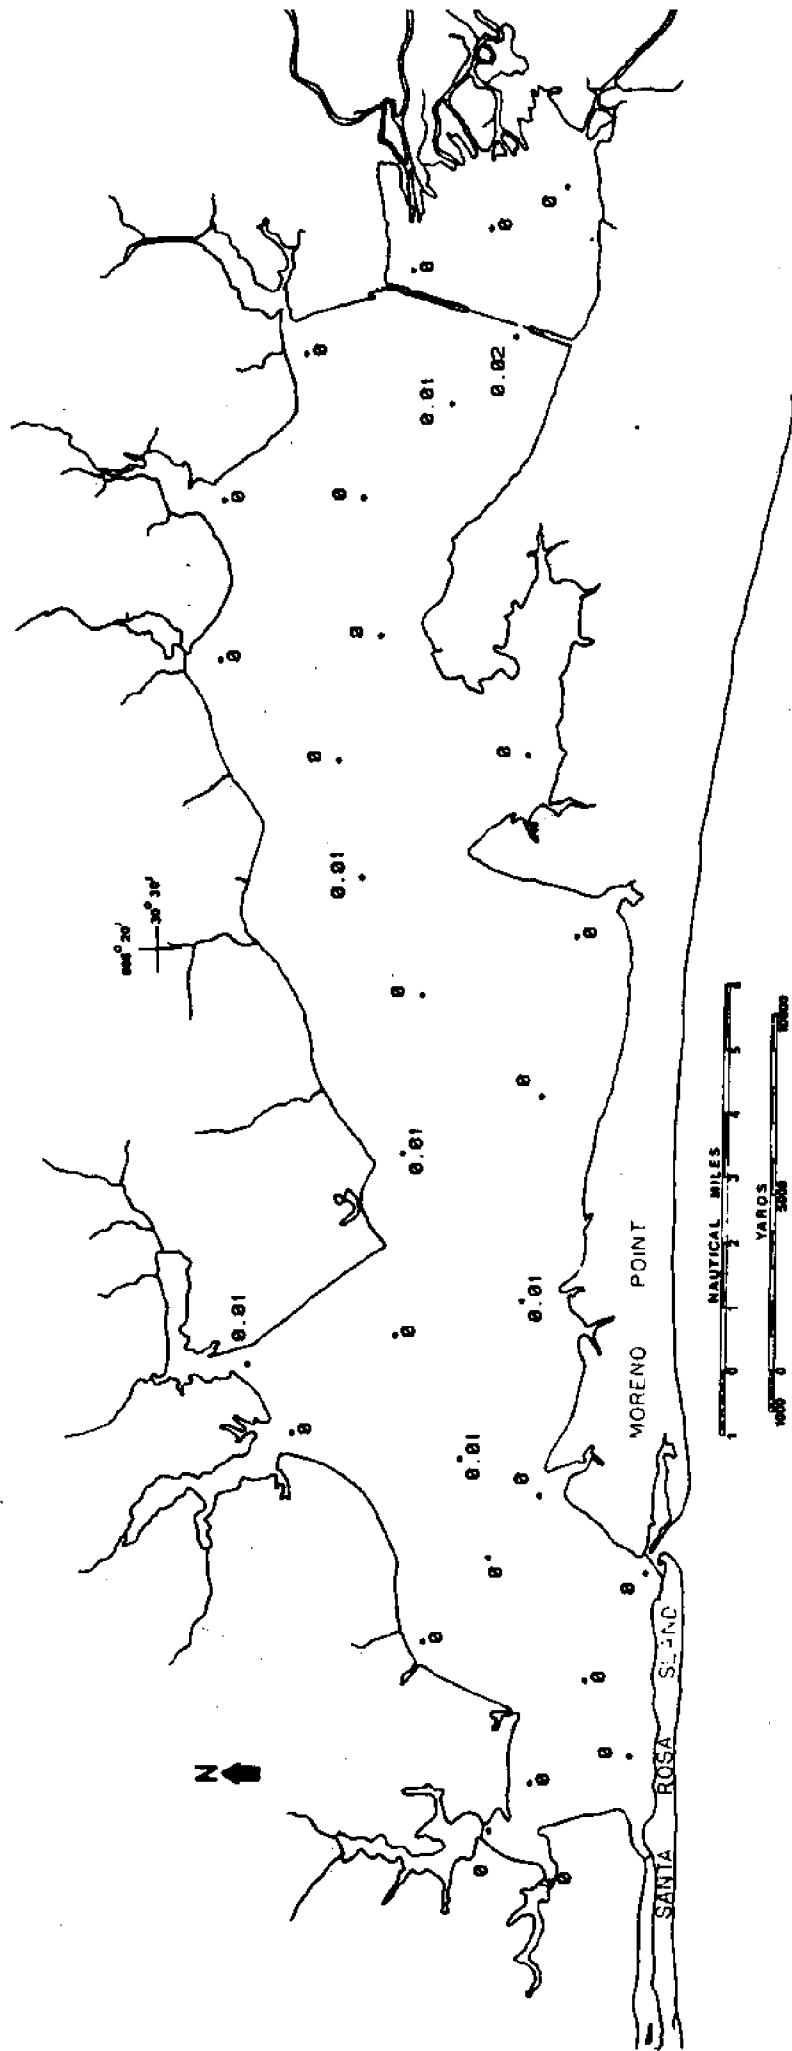

Figure : Dissolved phosphorus concentration (mg/l-P) in surface waters of Choctawhatchee Bay on September 25-26, 1975.

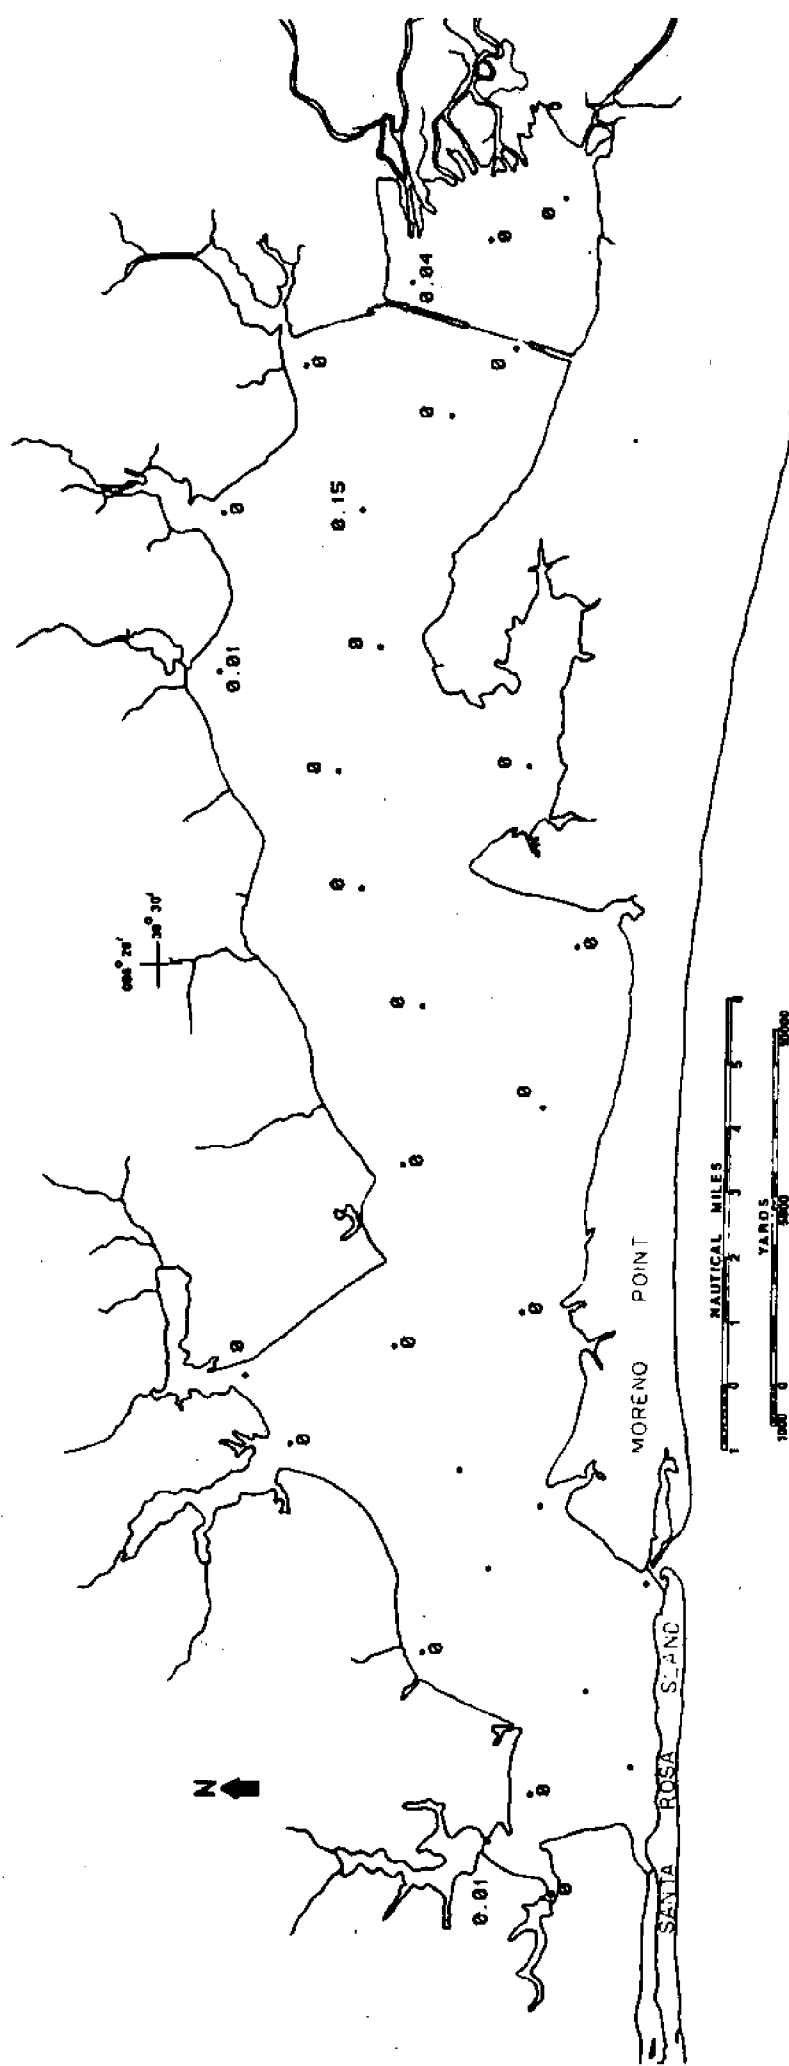

Figure : Dissolved phosphorus concentration
 (mg/l-P) in surface waters of Choctawhatchee
 Bay on October 29-30, 1975.

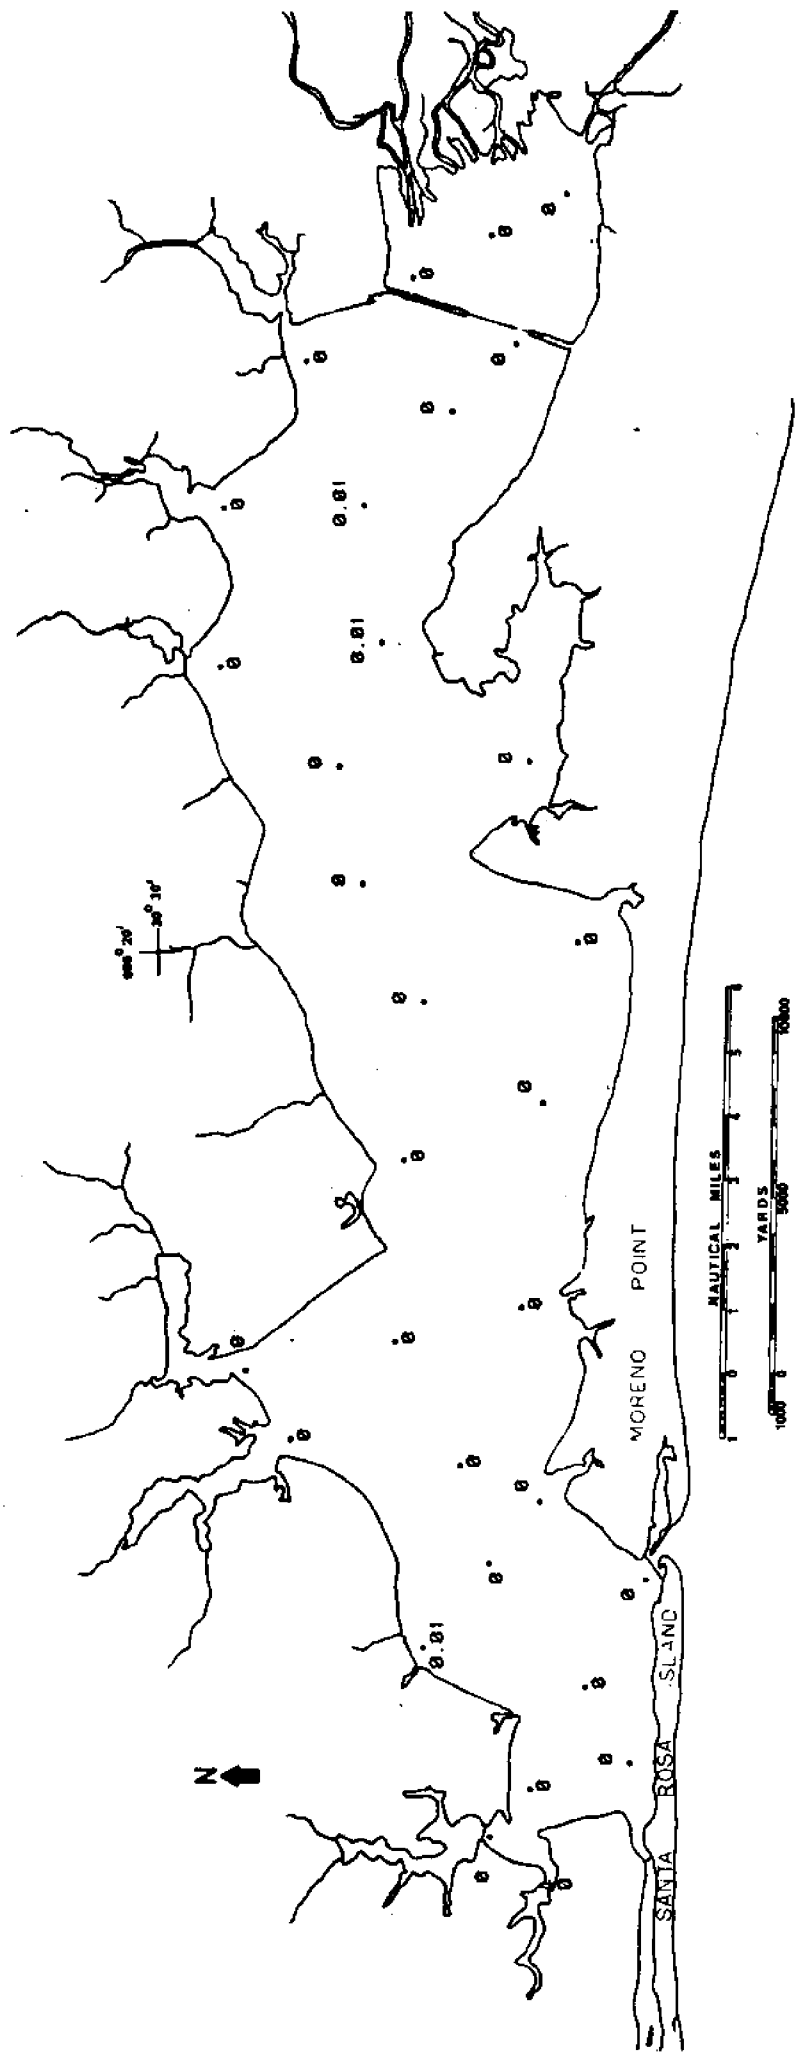

Figure : Dissolved phosphorus concentration
 (mg/l-P) in surface waters of Choctawhatchee
 Bay on November 24, 1975.

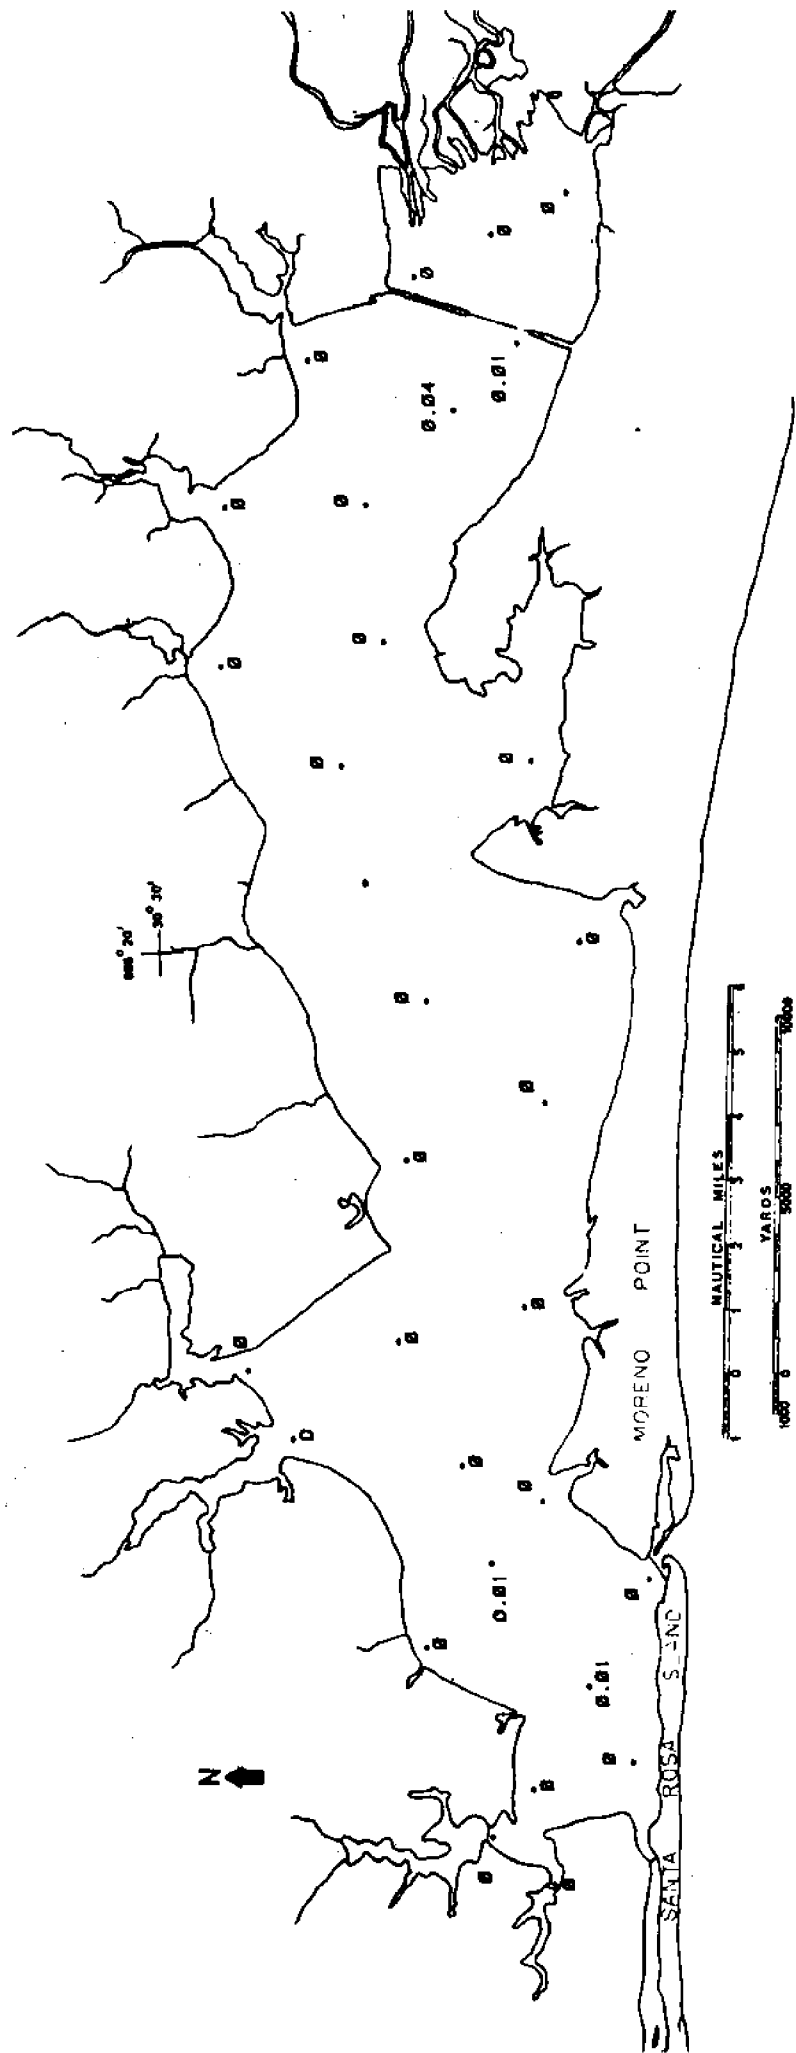

Figure : Dissolved phosphorus concentration (mg/l-P) in surface waters of Choctawhatchee Bay on December 15, 1975.

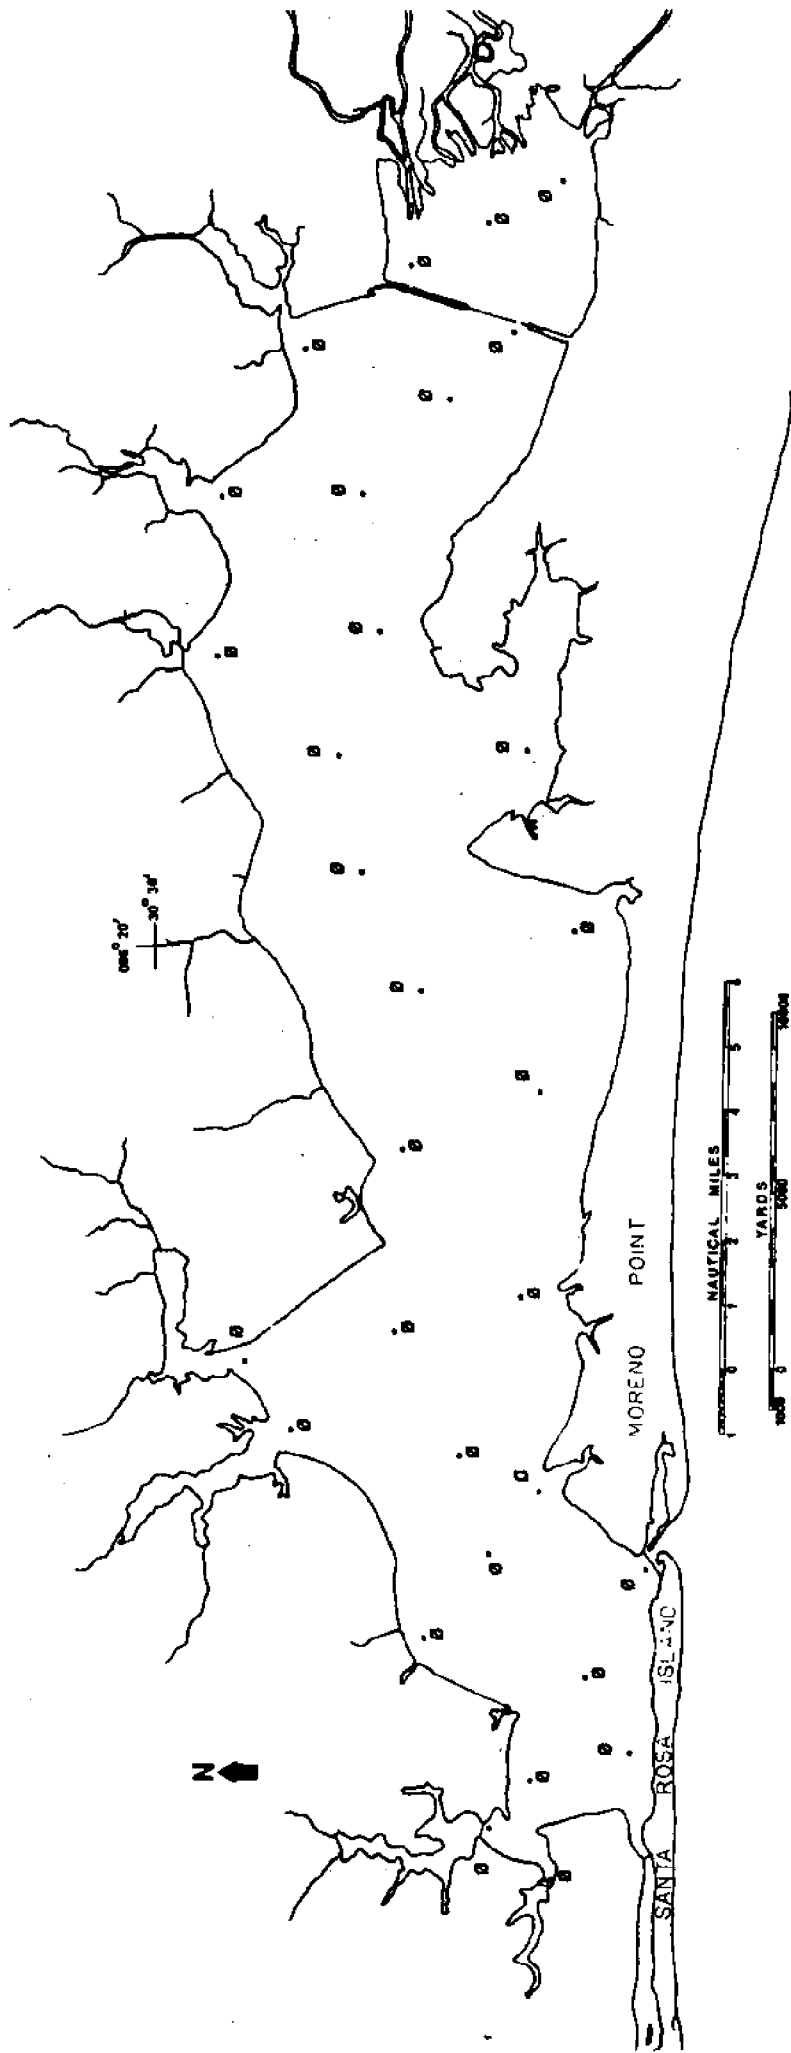

Figure : Dissolved phosphorus concentration (mg/l-P) in mid-depth waters of Choctawhatchee Bay on January 28-29, 1975.

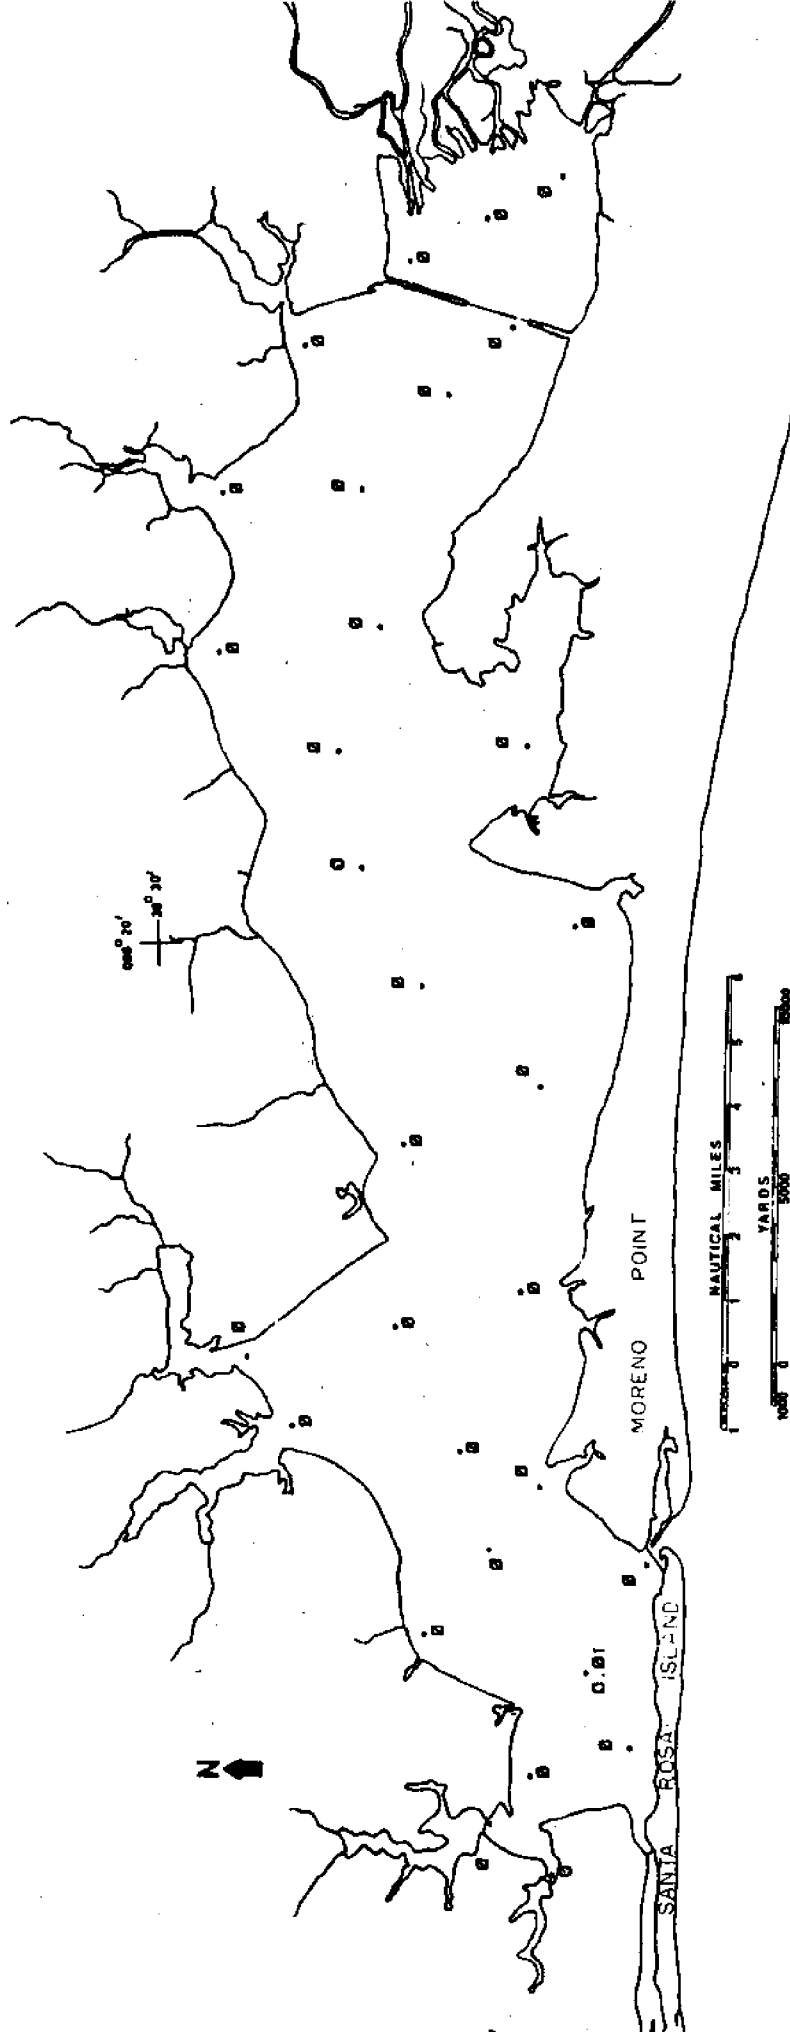

Figure : Dissolved phosphorus concentration (mg/l-P) in mid-depth waters of Choctawhatchee Bay on March 19-20, 1975.

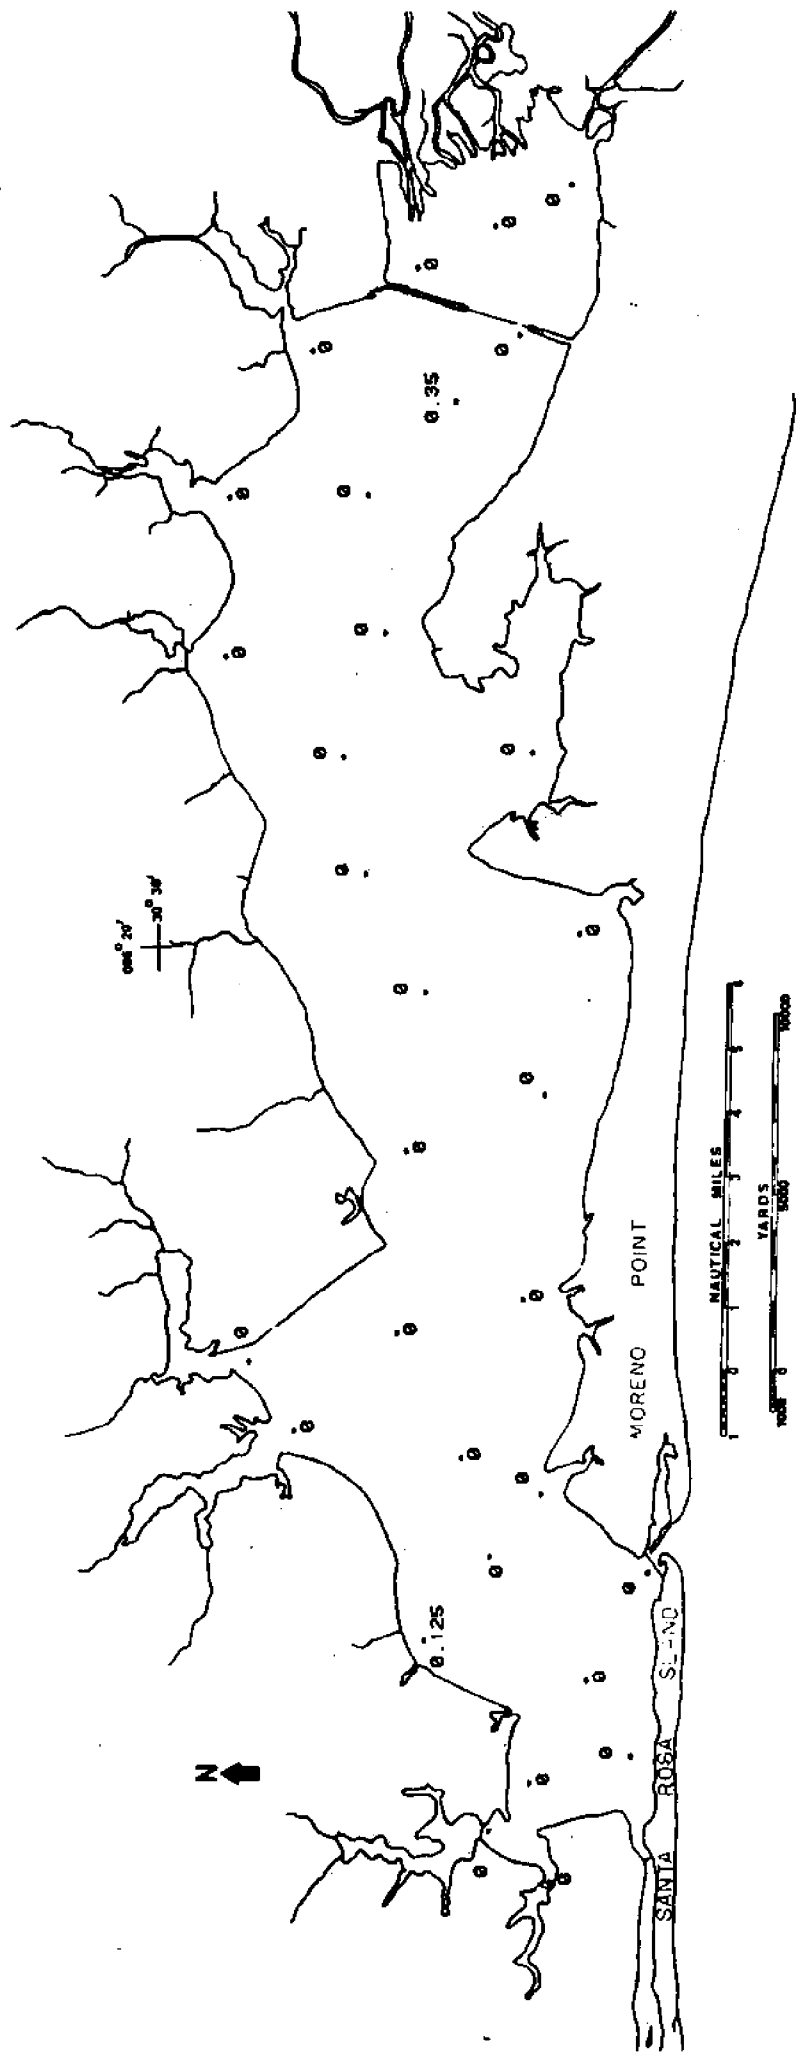

Figure : Dissolved phosphorus concentration (mg/l-P) in mid-depth waters of Choctawhatchee Bay on April 21-22, 1975.

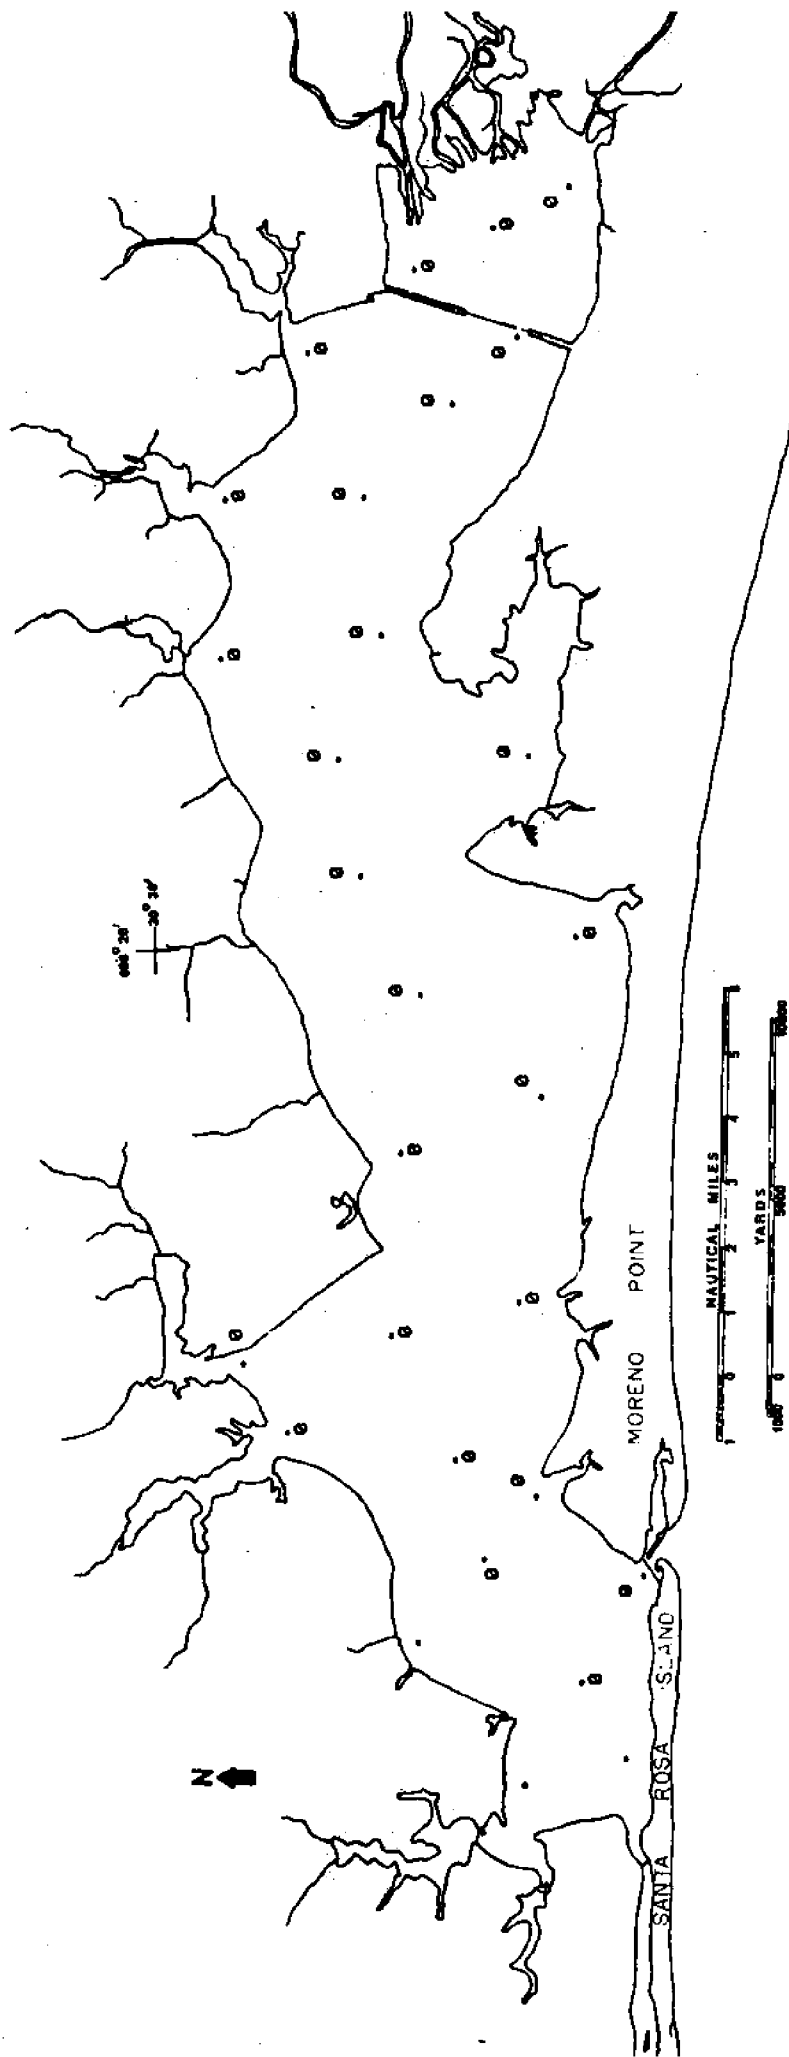

Figure : Dissolved phosphorus concentration
 (mg/l-P) in mid-depth waters of Choctawhatchee
 Bay on May 20-21, 1975.

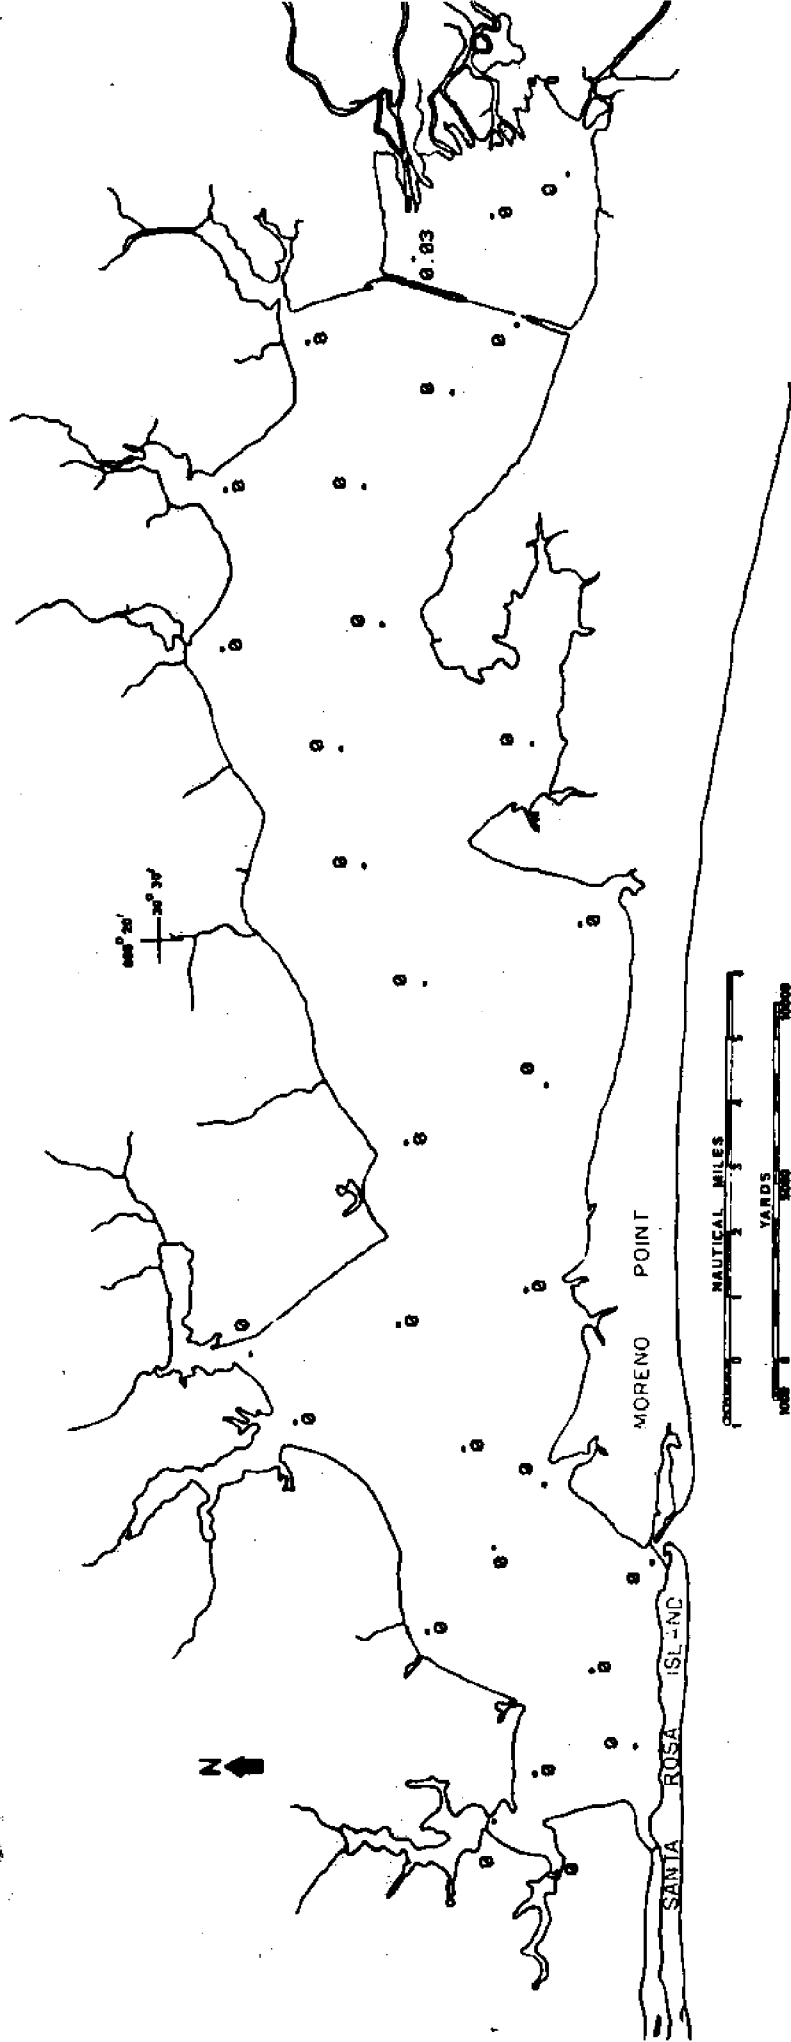

Figure : Dissolved phosphorus concentration (mg/l-P) in mid-depth waters of Choctawhatchee Bay on June 21-22, 1975.

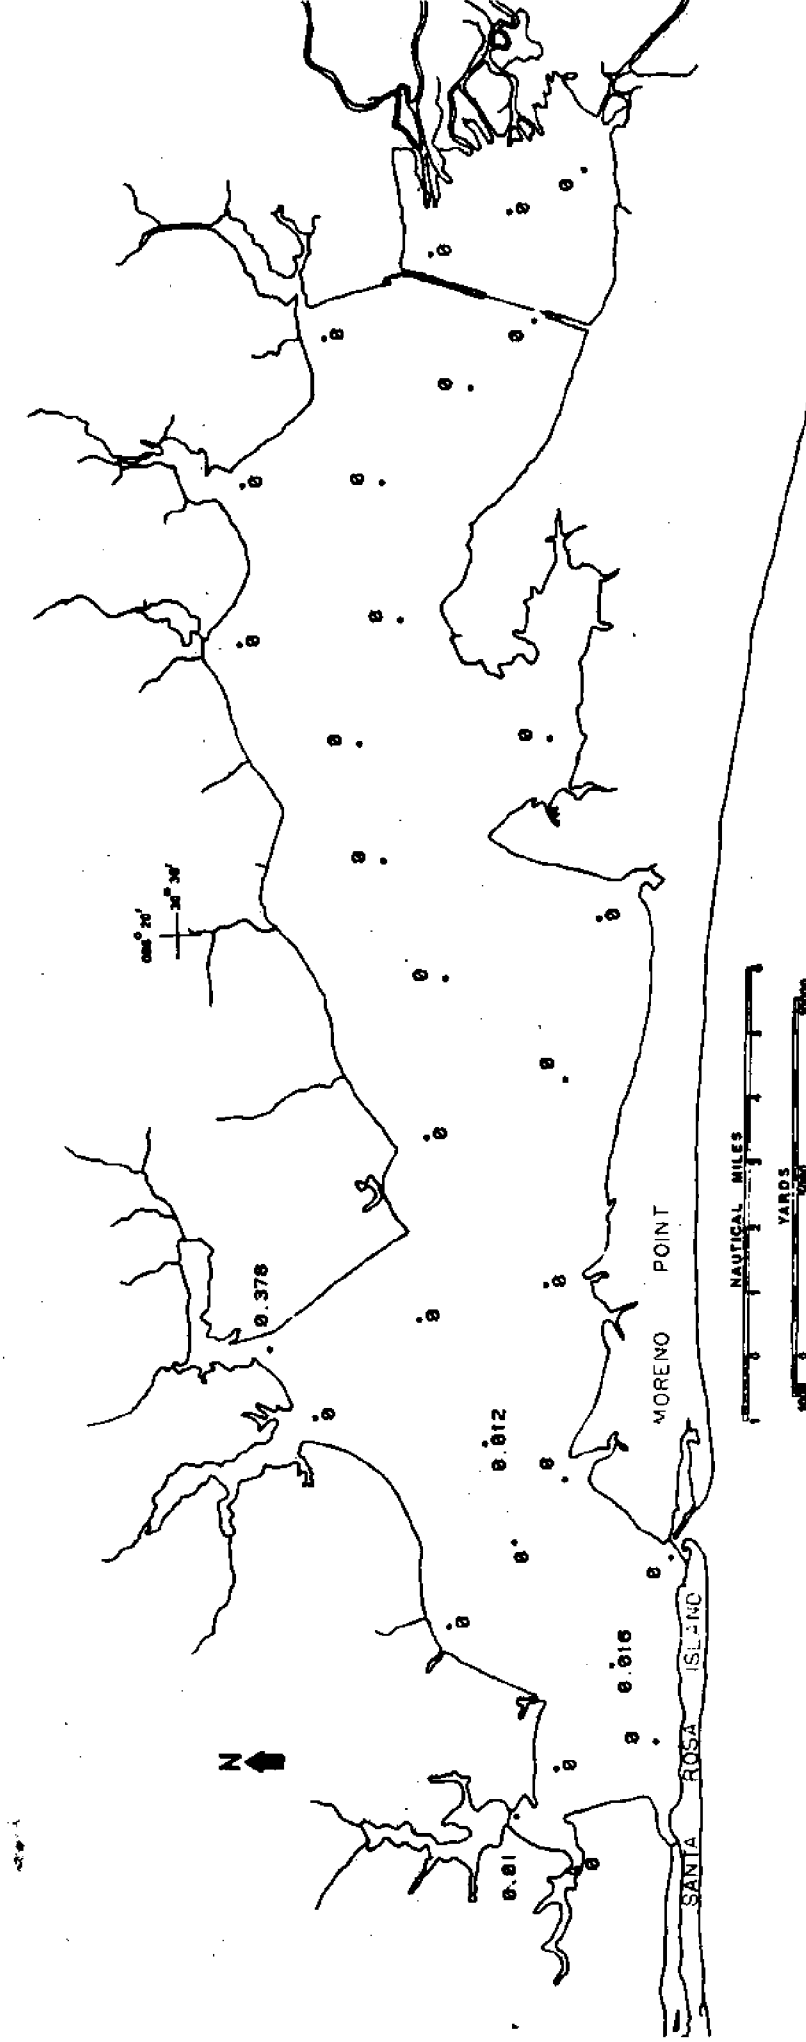

Figure : Dissolved phosphorus concentration
(mg/l-P) in mid-depth waters of Choctawhatchee
Bay on July 19 & 23, 1975.

422

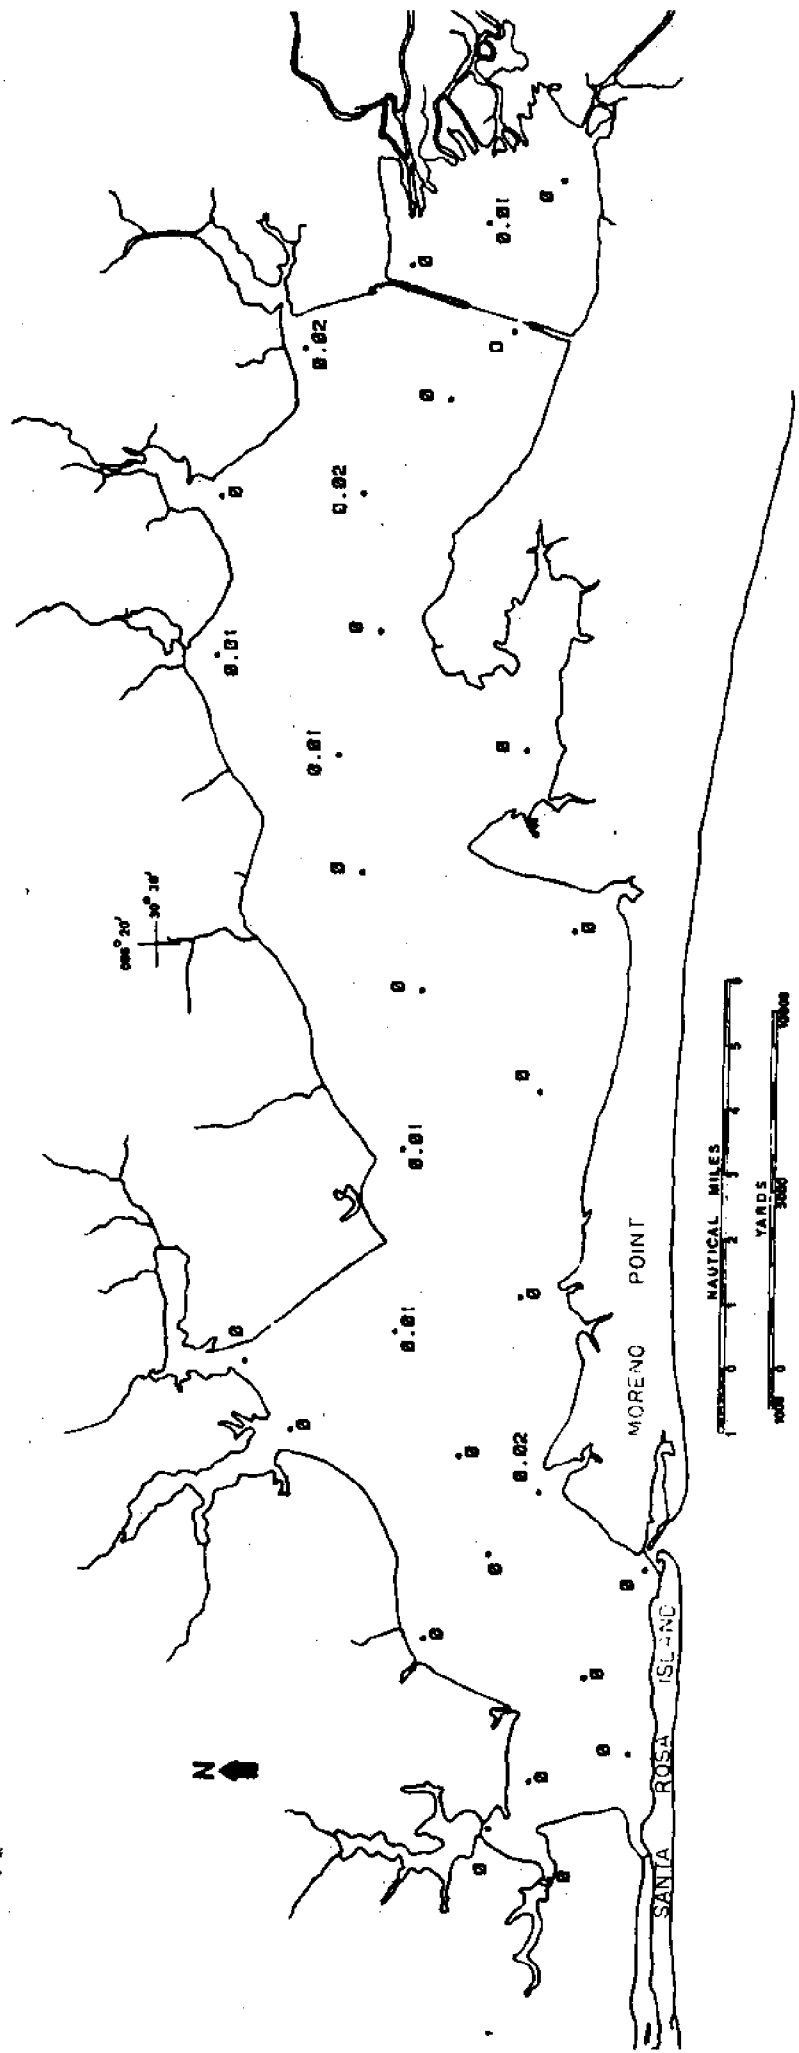

Figure : Dissolved phosphorus concentration (mg/l-P) in mid-depth waters of Choctawhatchee Bay on September 25-26, 1975.

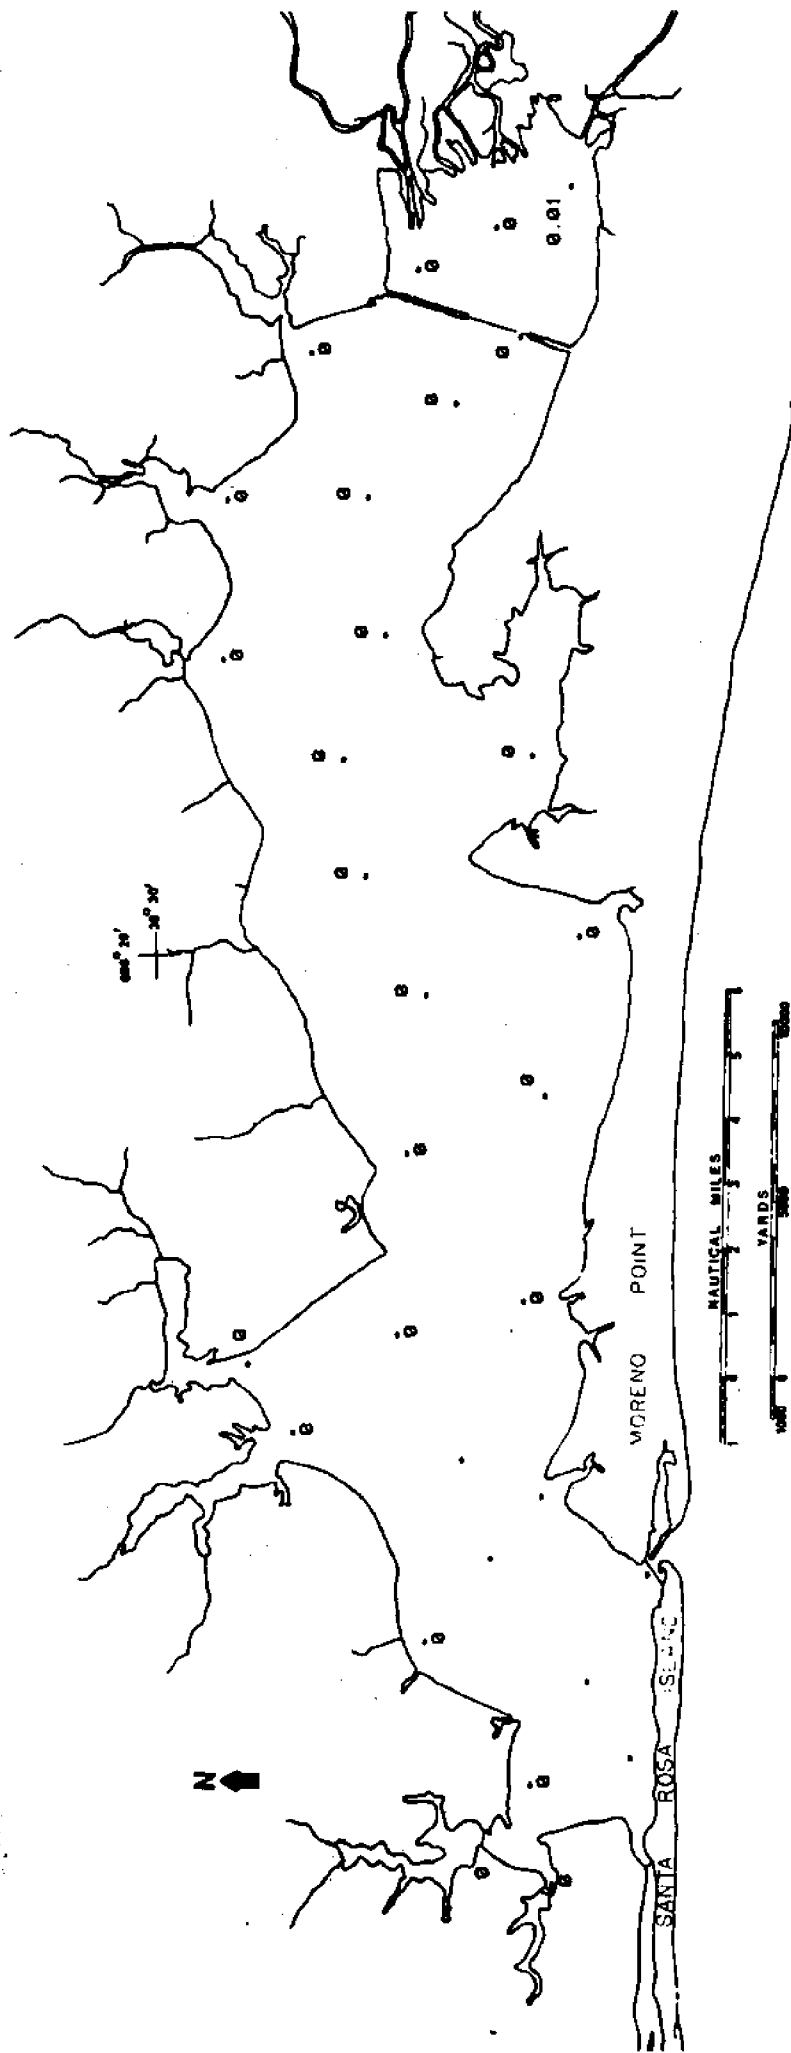

Figure : Dissolved phosphorus concentration (mg/l-P) in mid-depth waters of Choctawhatchee Bay on October 29-30, 1975.

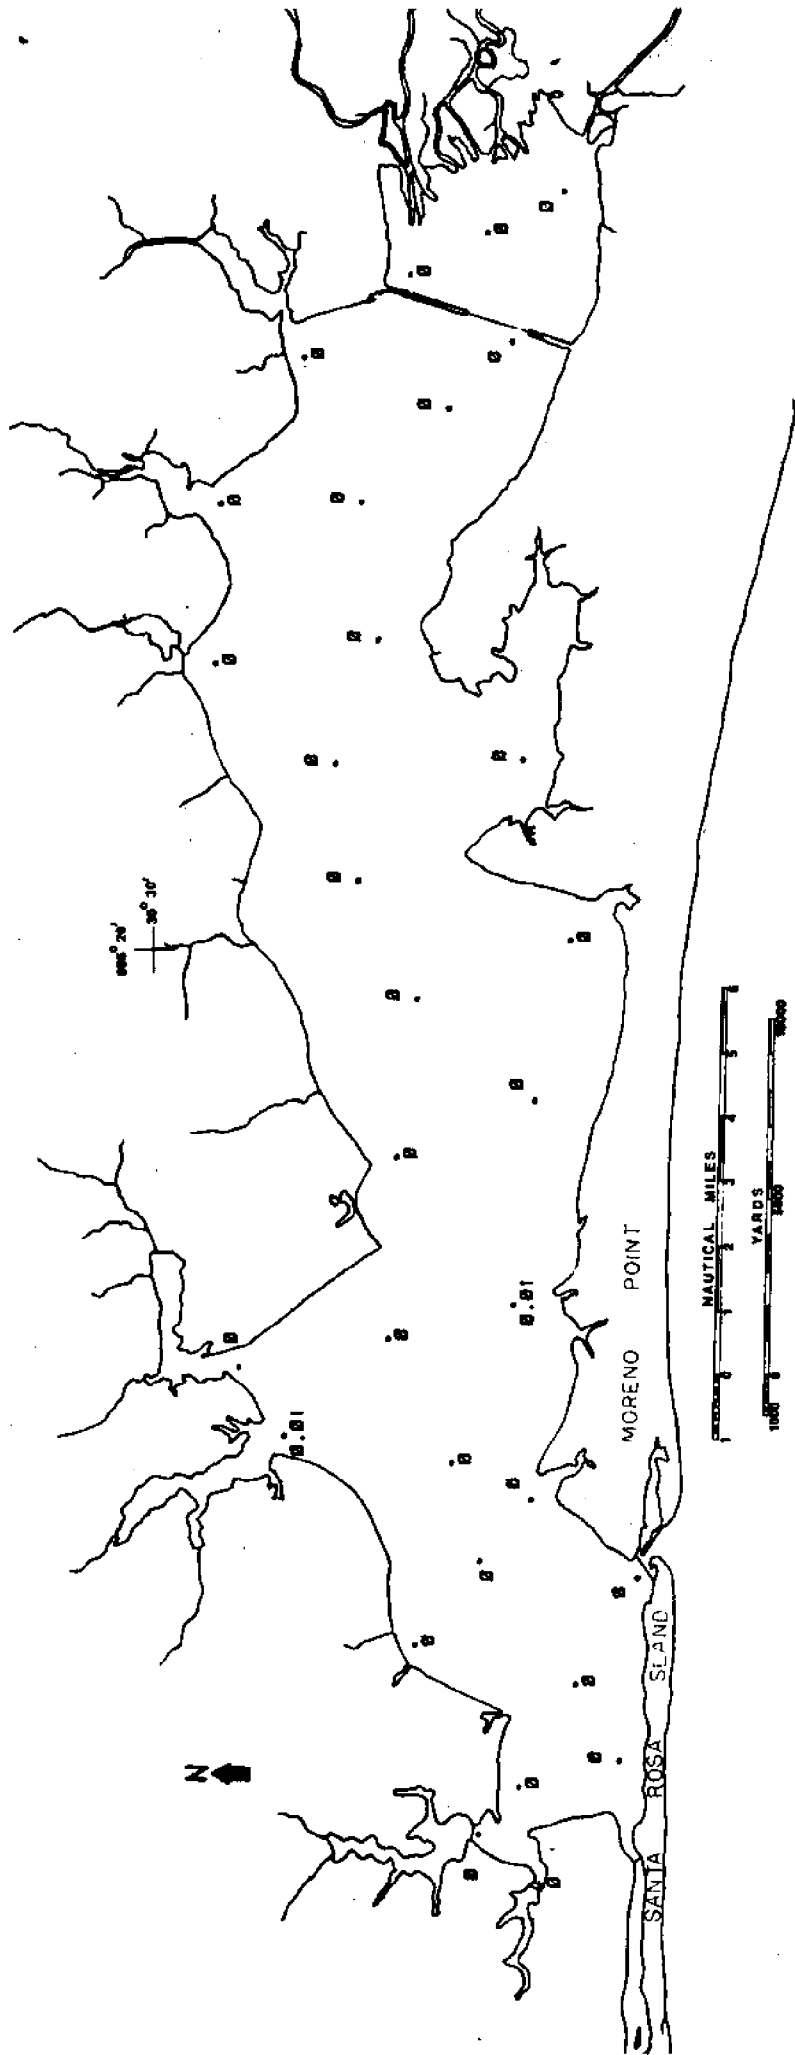

Figure : Dissolved phosphorus concentration (mg/l-P) in mid-depth waters of Choctawhatchee Bay on November 24, 1975.

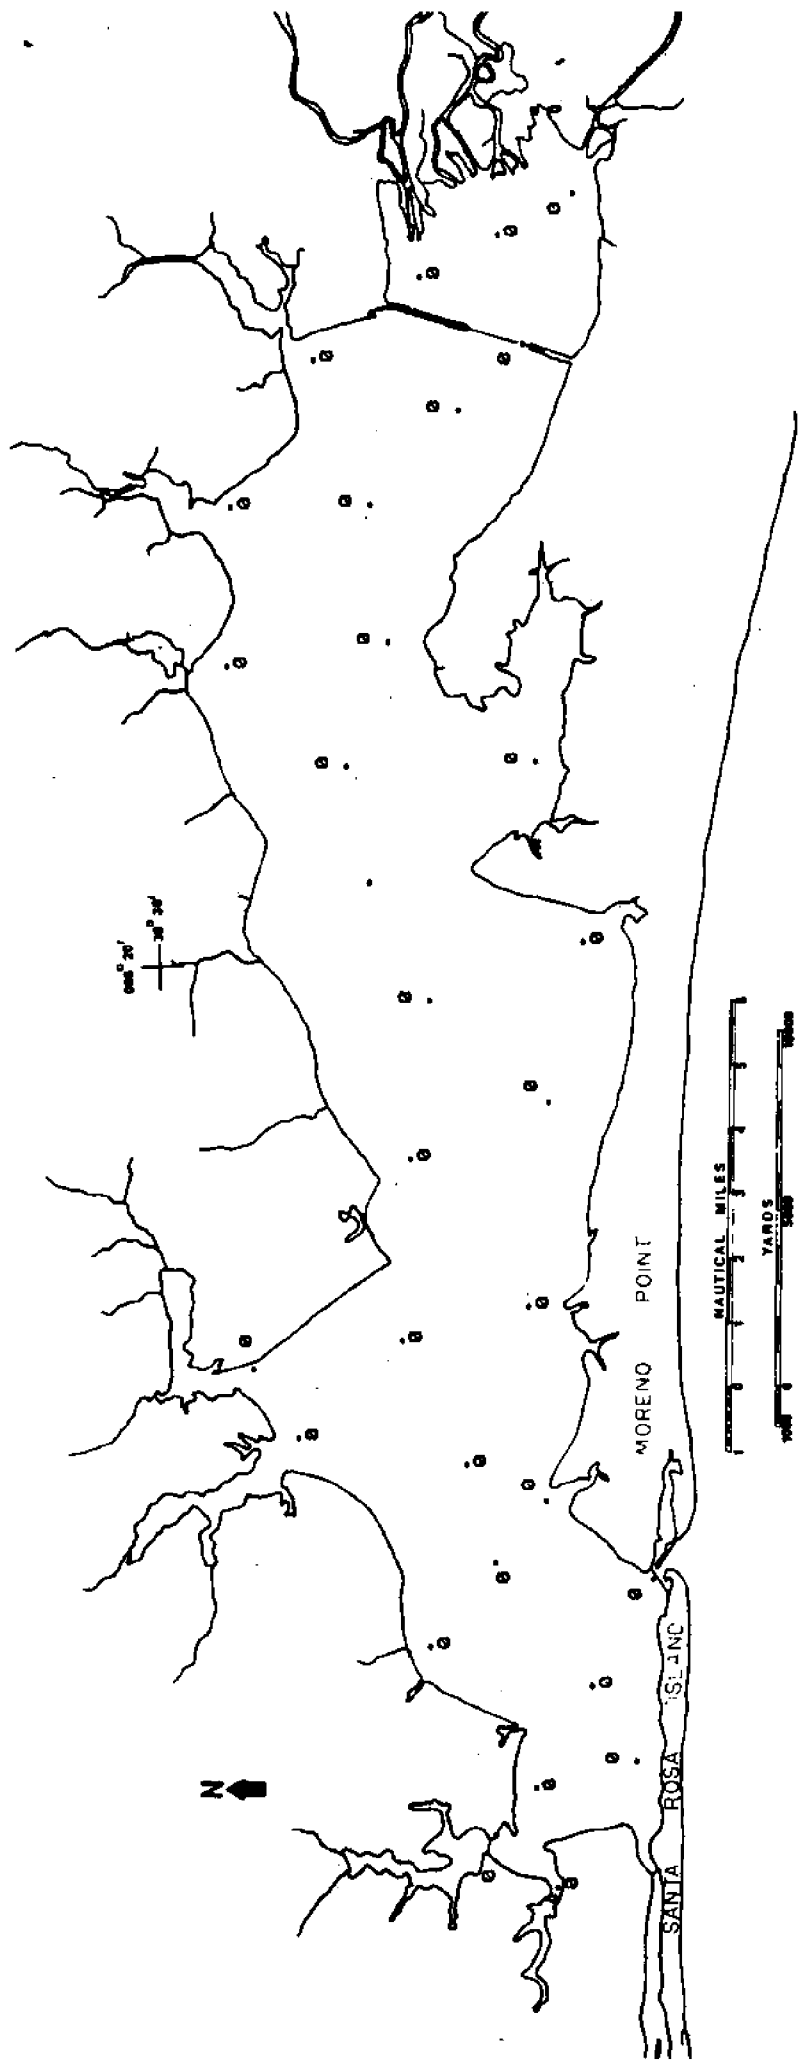

Figure : Dissolved phosphorus concentration
 (mg/l-P) in mid-depth waters of Choctawhatchee
 Bay on December 15, 1975.

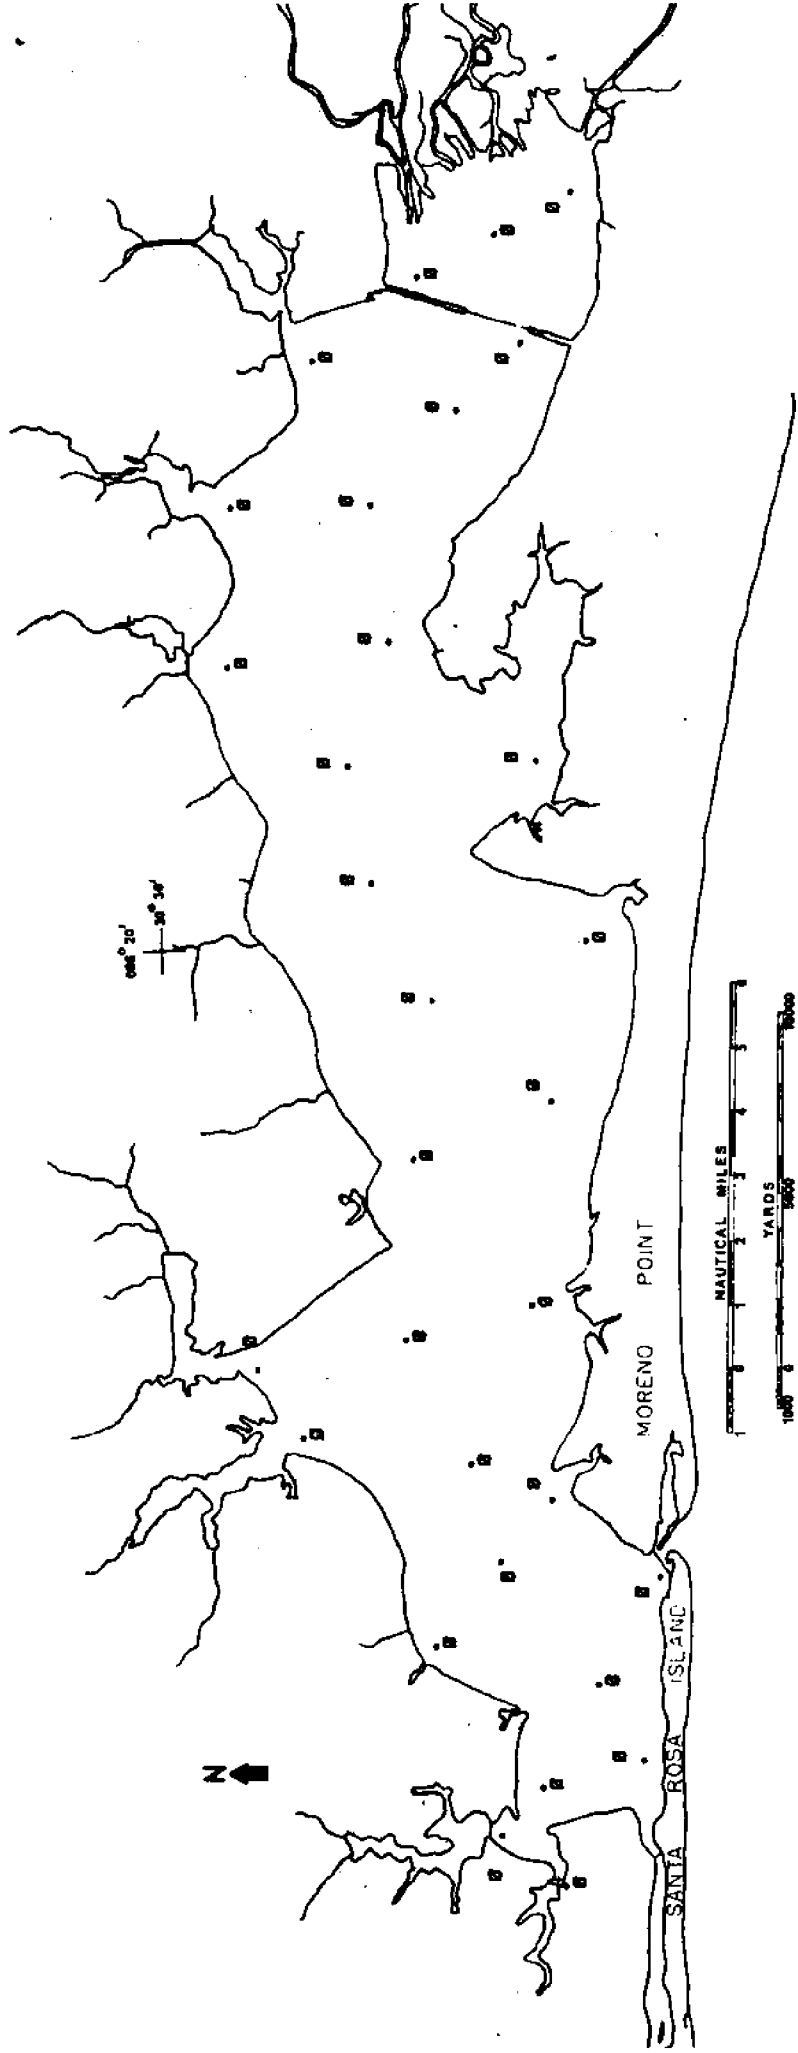

Figure : Dissolved phosphorus concentration (mg/l-P) in bottom waters of Choctawhatchee Bay on January 28-29, 1975.

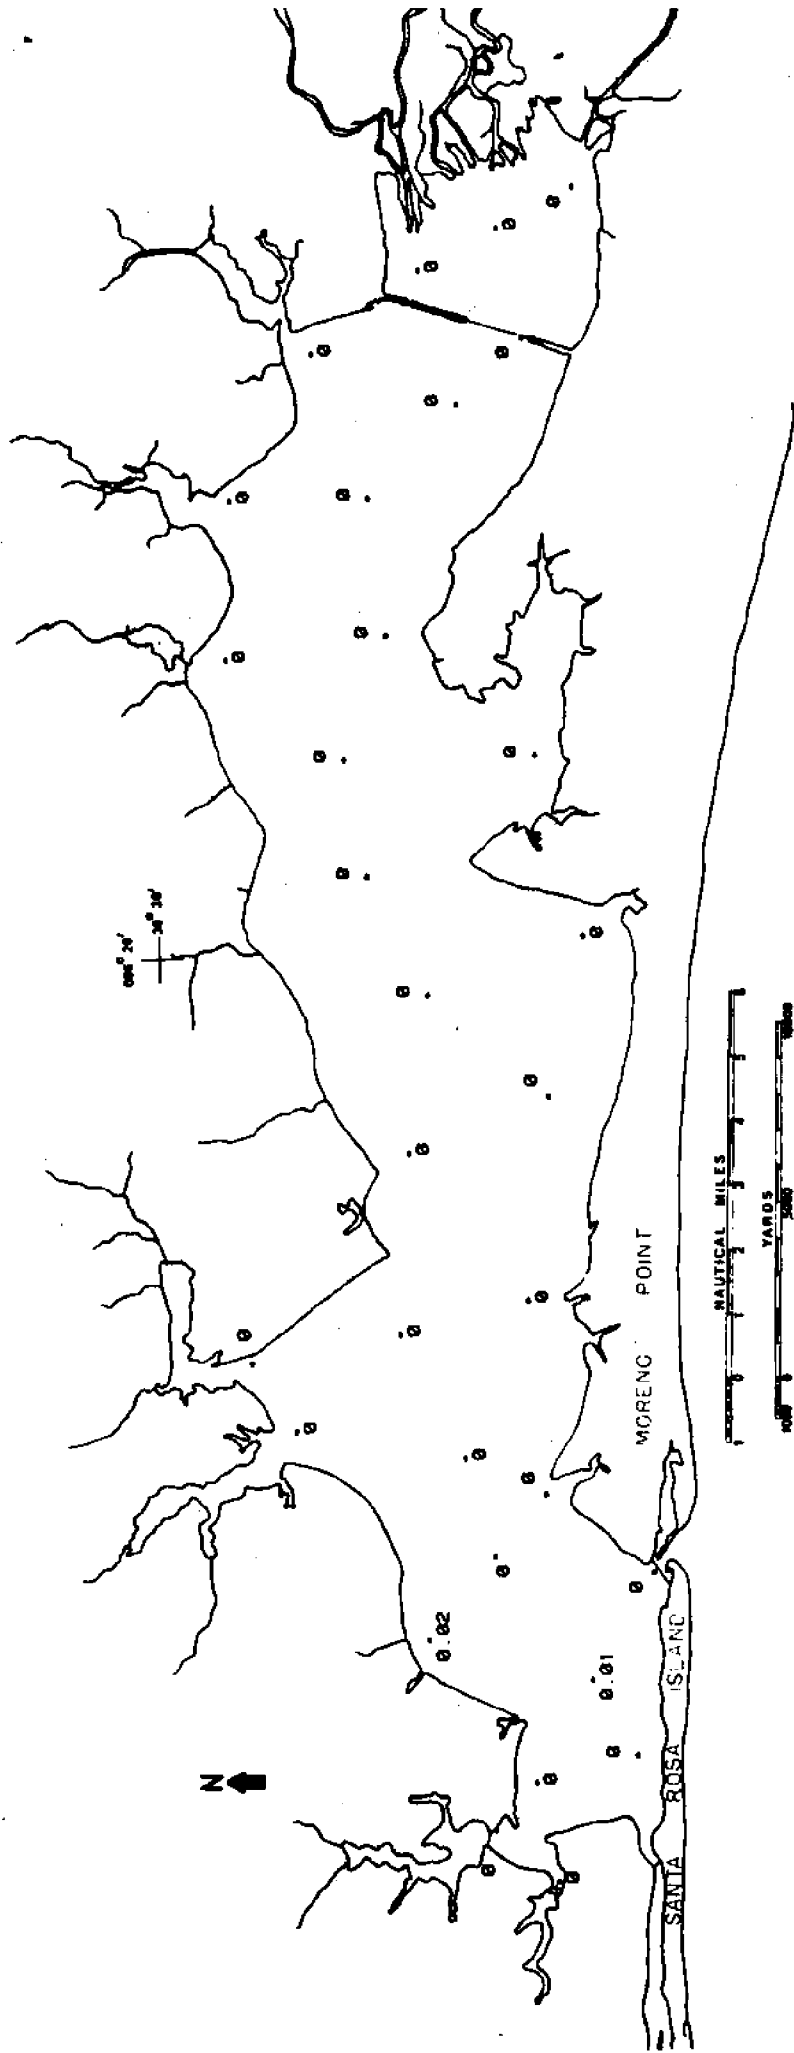

Figure Dissolved phosphorus concentration (mg/l-P) in bottom waters of Choctawhatchee Bay on March 19-20, 1975.

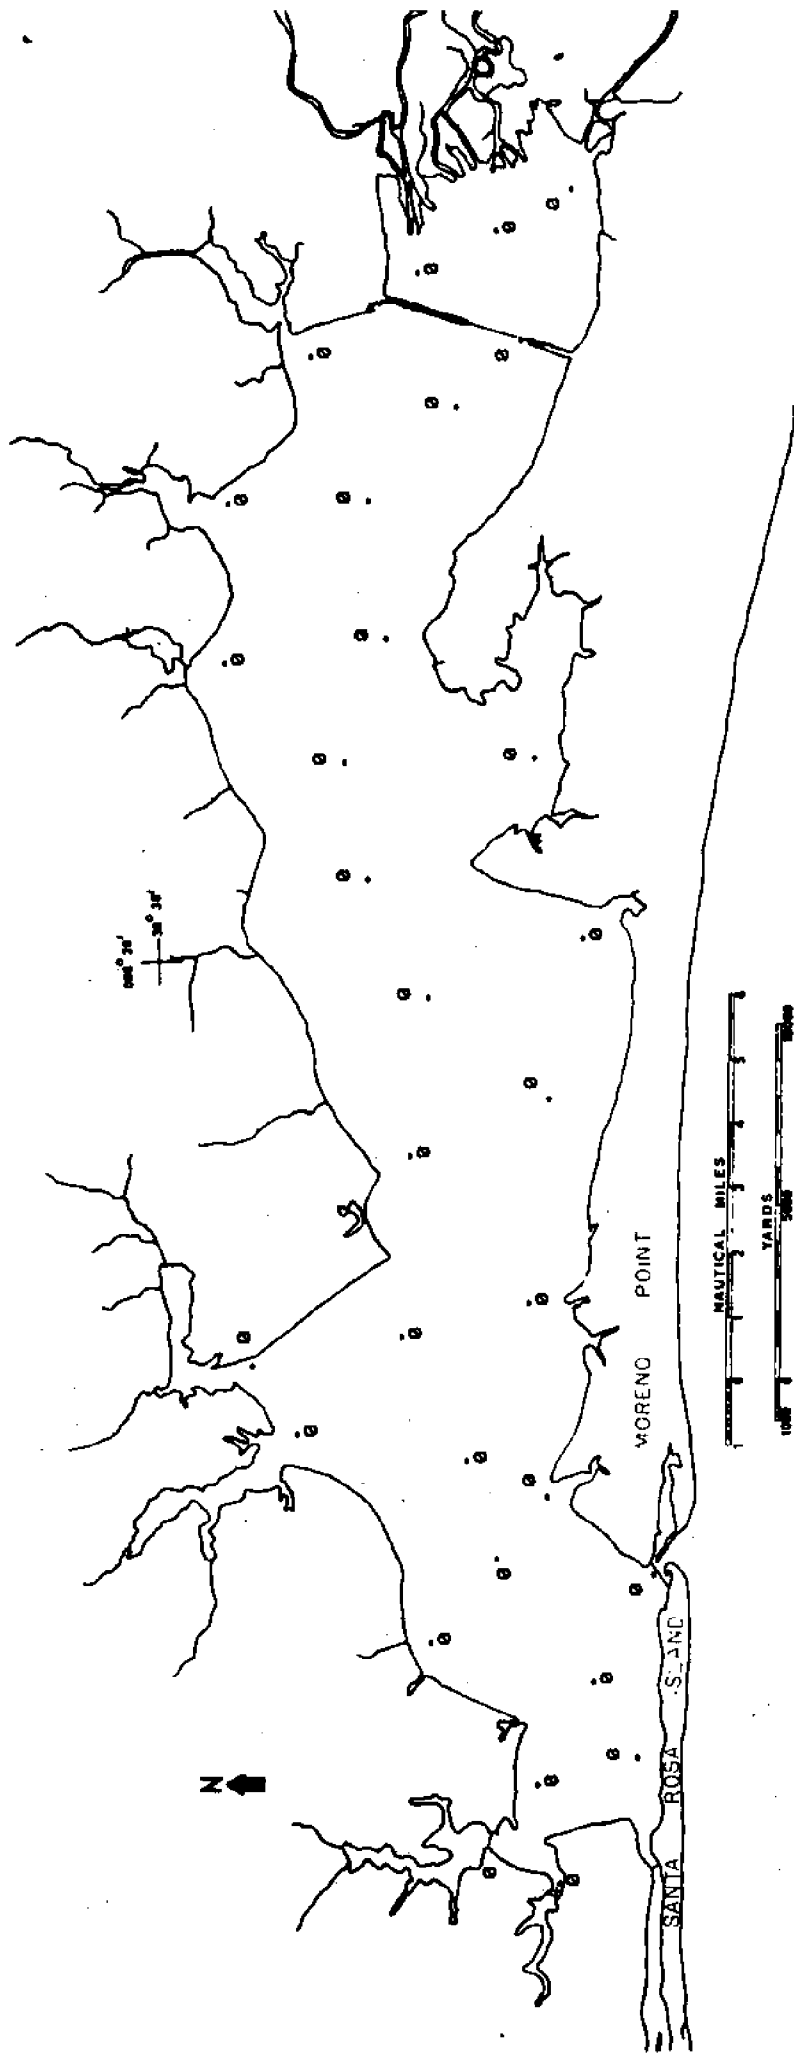

Figure : Dissolved phosphorus concentration
 (mg/l-P) in bottom waters of Choctawhatchee
 Bay on April 21-22, 1975.

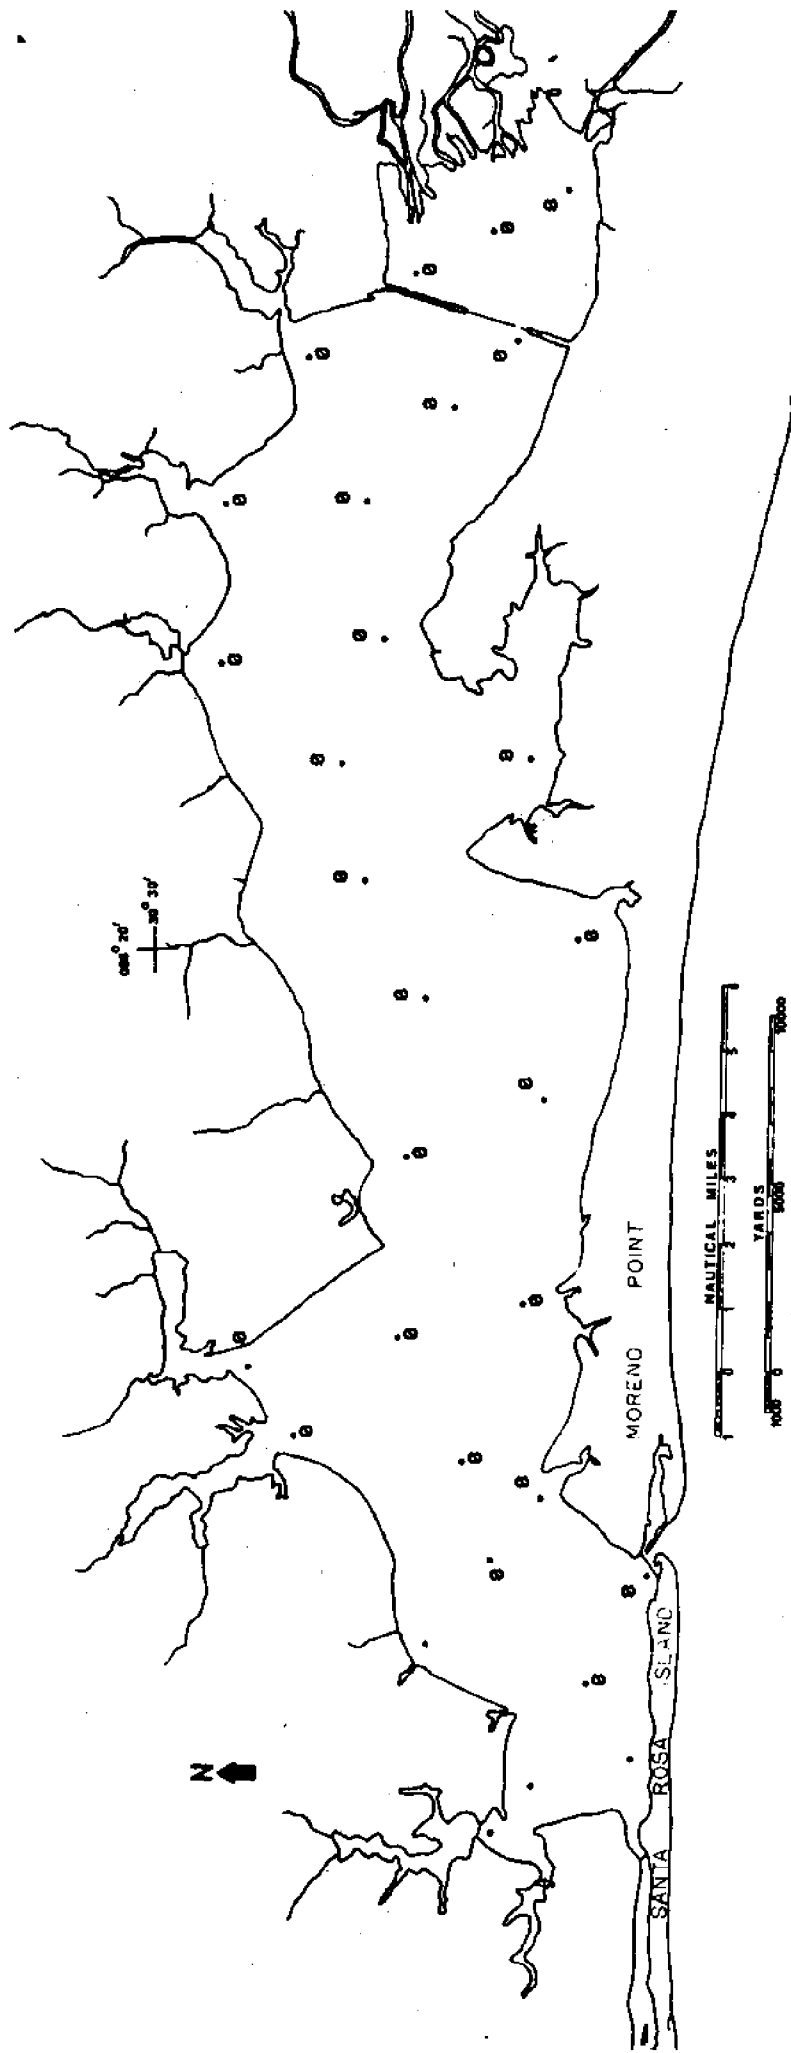

Figure : Dissolved phosphorus concentration
 (mg/l-P) in bottom waters of Choctawhatchee
 Bay on May 20-21, 1975.

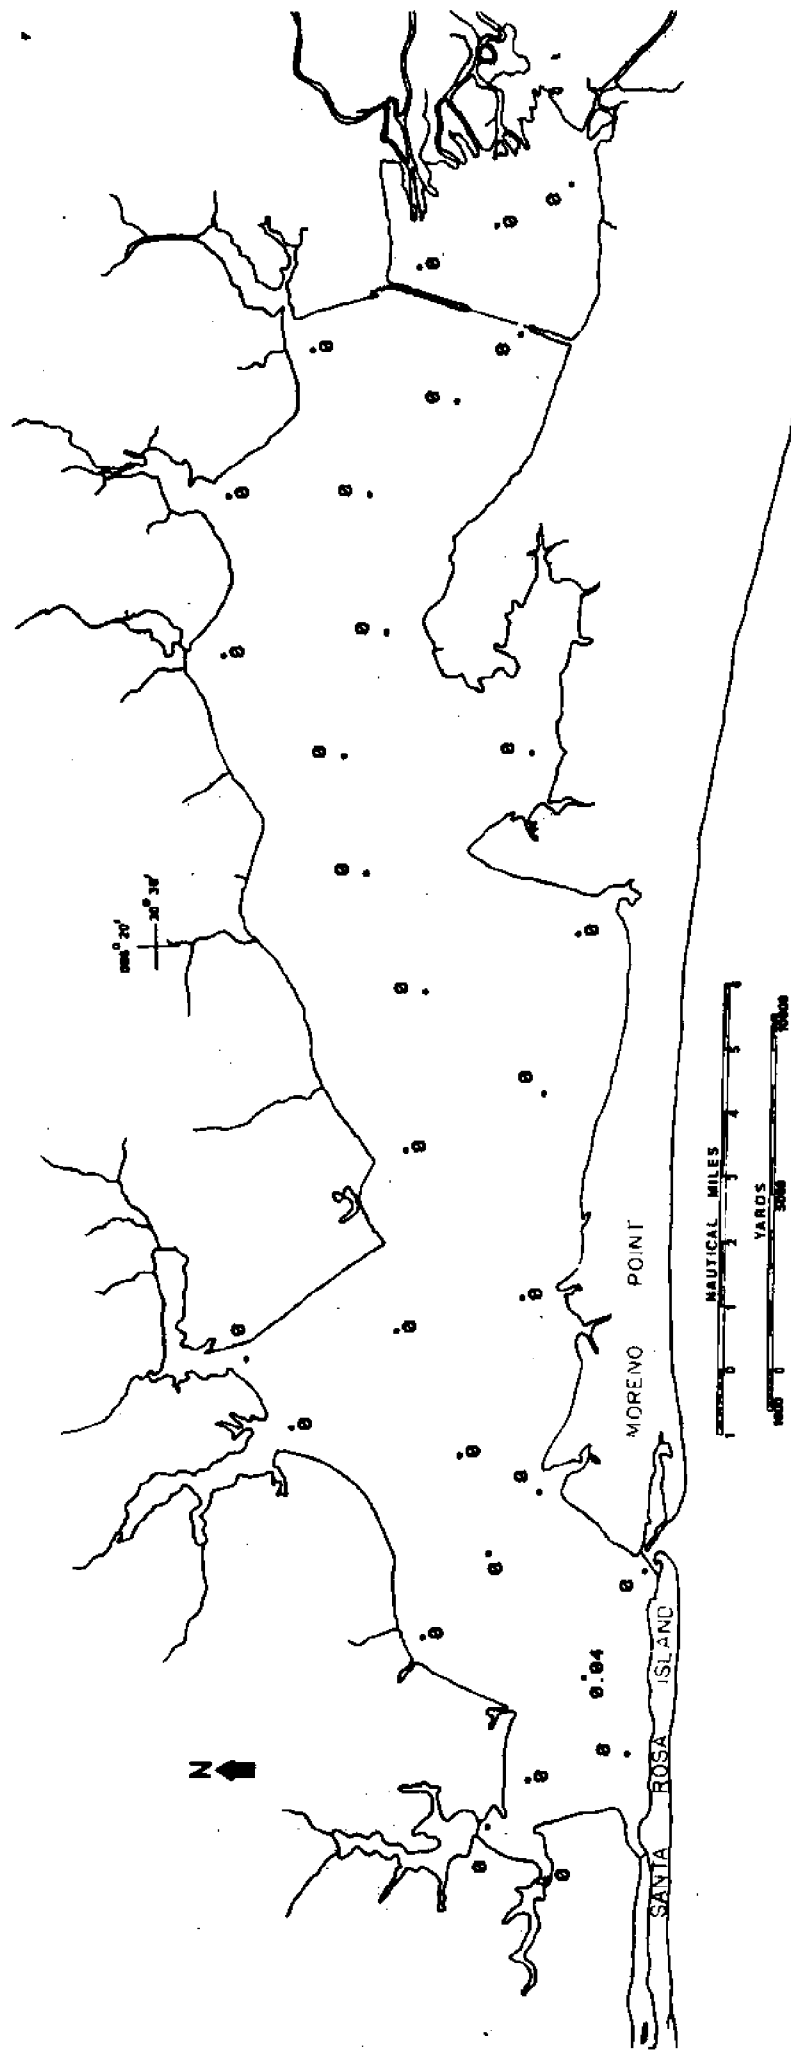

Figure : Dissolved phosphorus concentration
 (mg/l-P) in bottom waters of Choctawhatchee
 Bay on June 21-22, 1975.

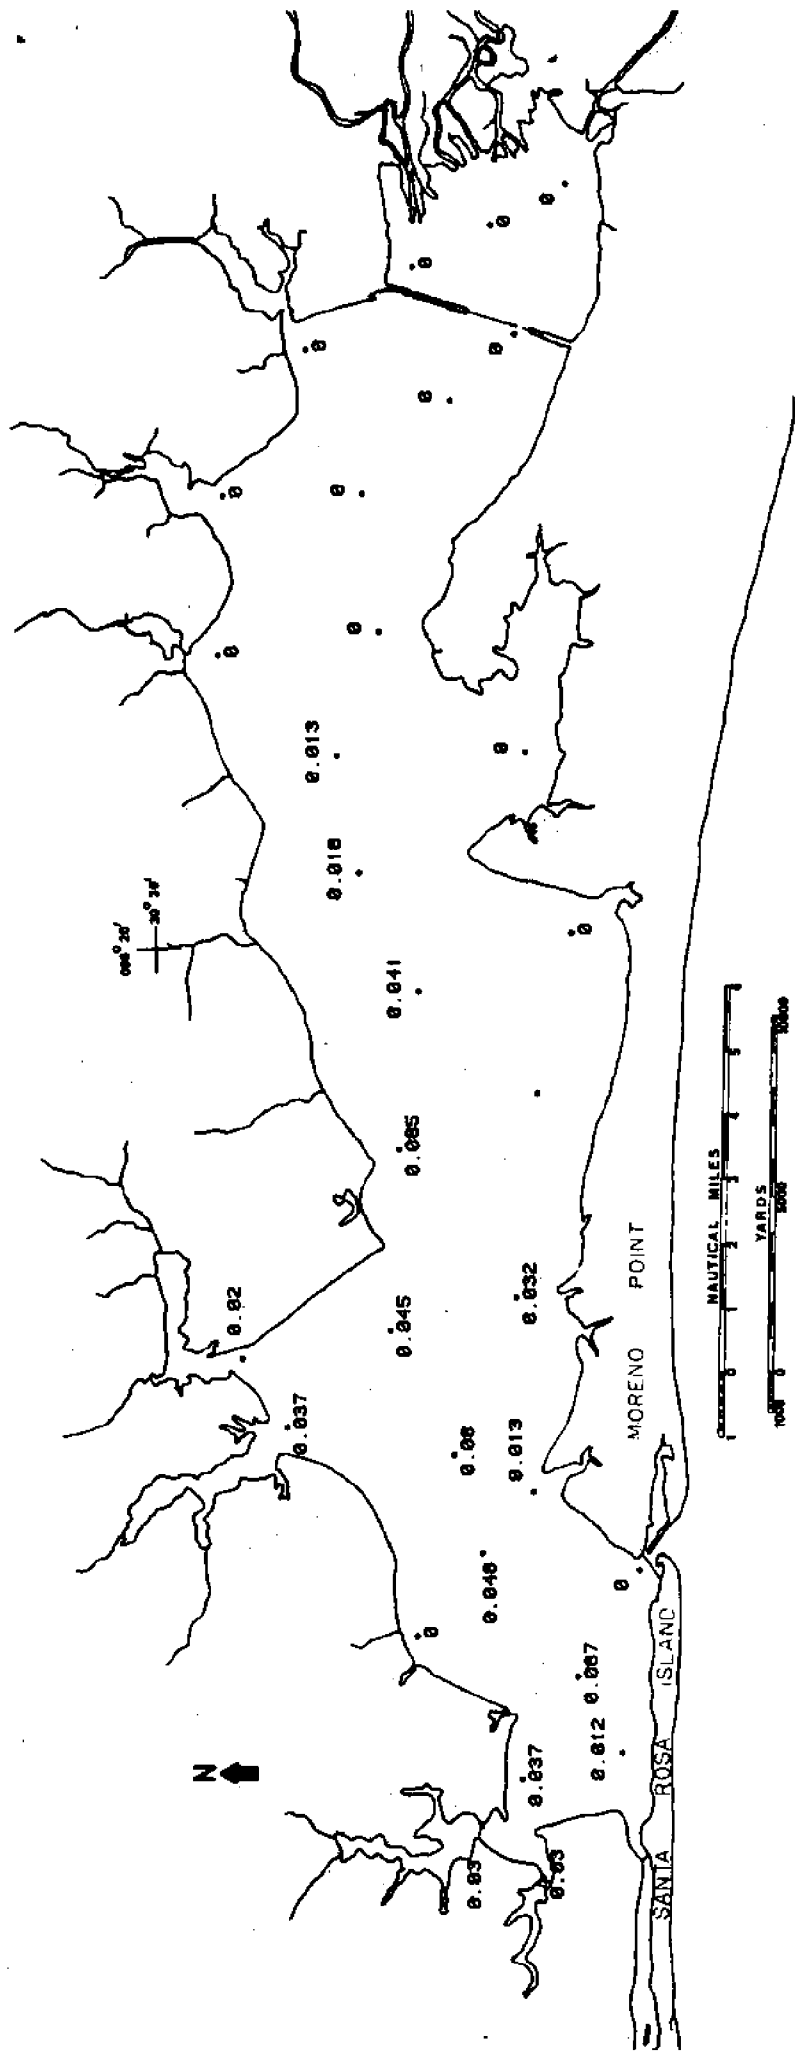

Figure : Dissolved phosphorus concentration (mg/l-P) in bottom waters of Choctawhatchee Bay on July 19 & 23, 1975.

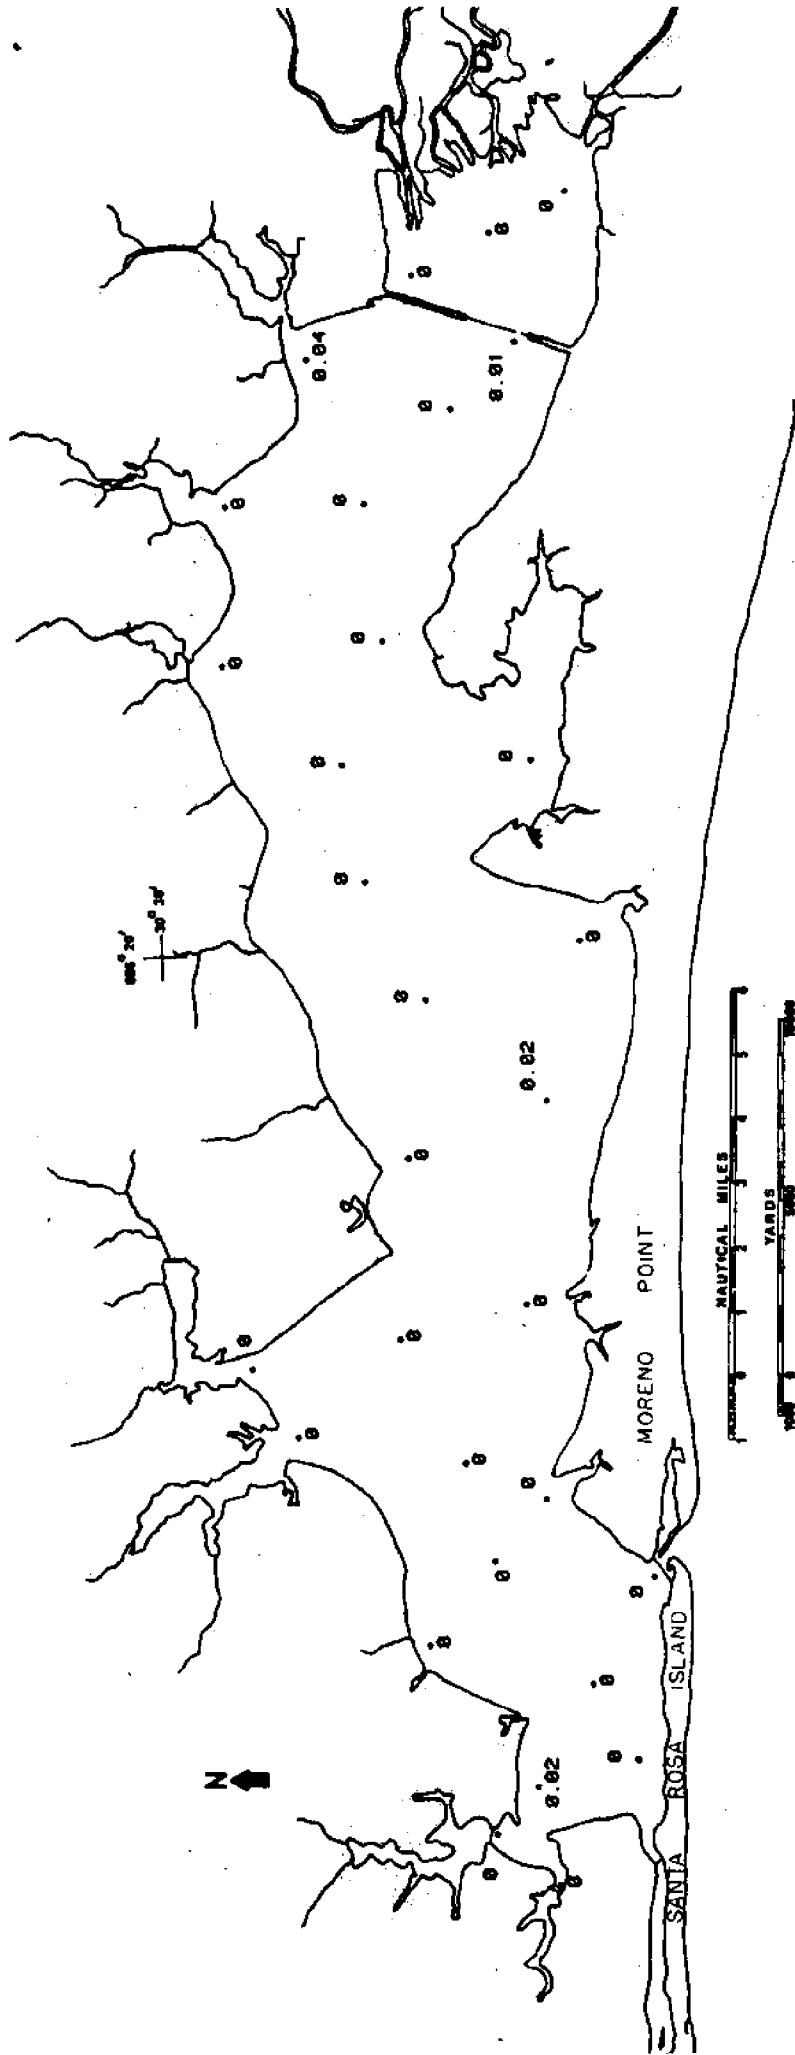

Figure : Dissolved phosphorus concentration (mg/l-P) in bottom waters of Choctawhatchee Bay on September 25-26, 1975.

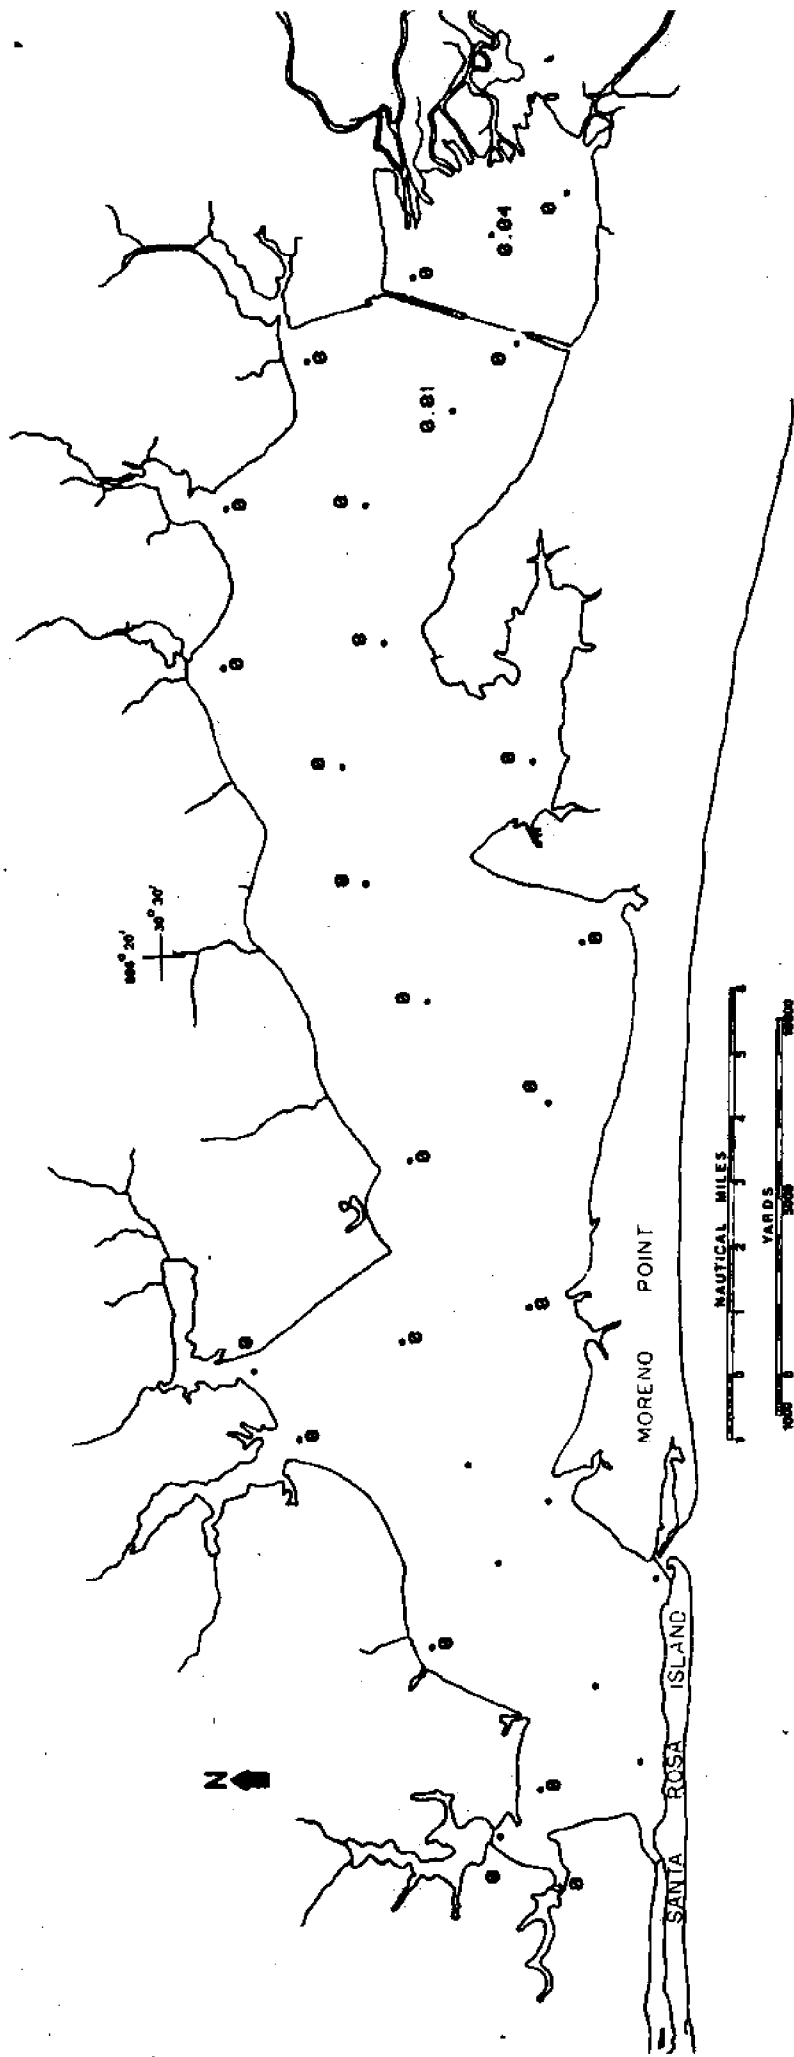

Figure : Dissolved phosphorus concentration (mg/l-P) in bottom waters of Choctawhatchee Bay on October 29-30, 1975.

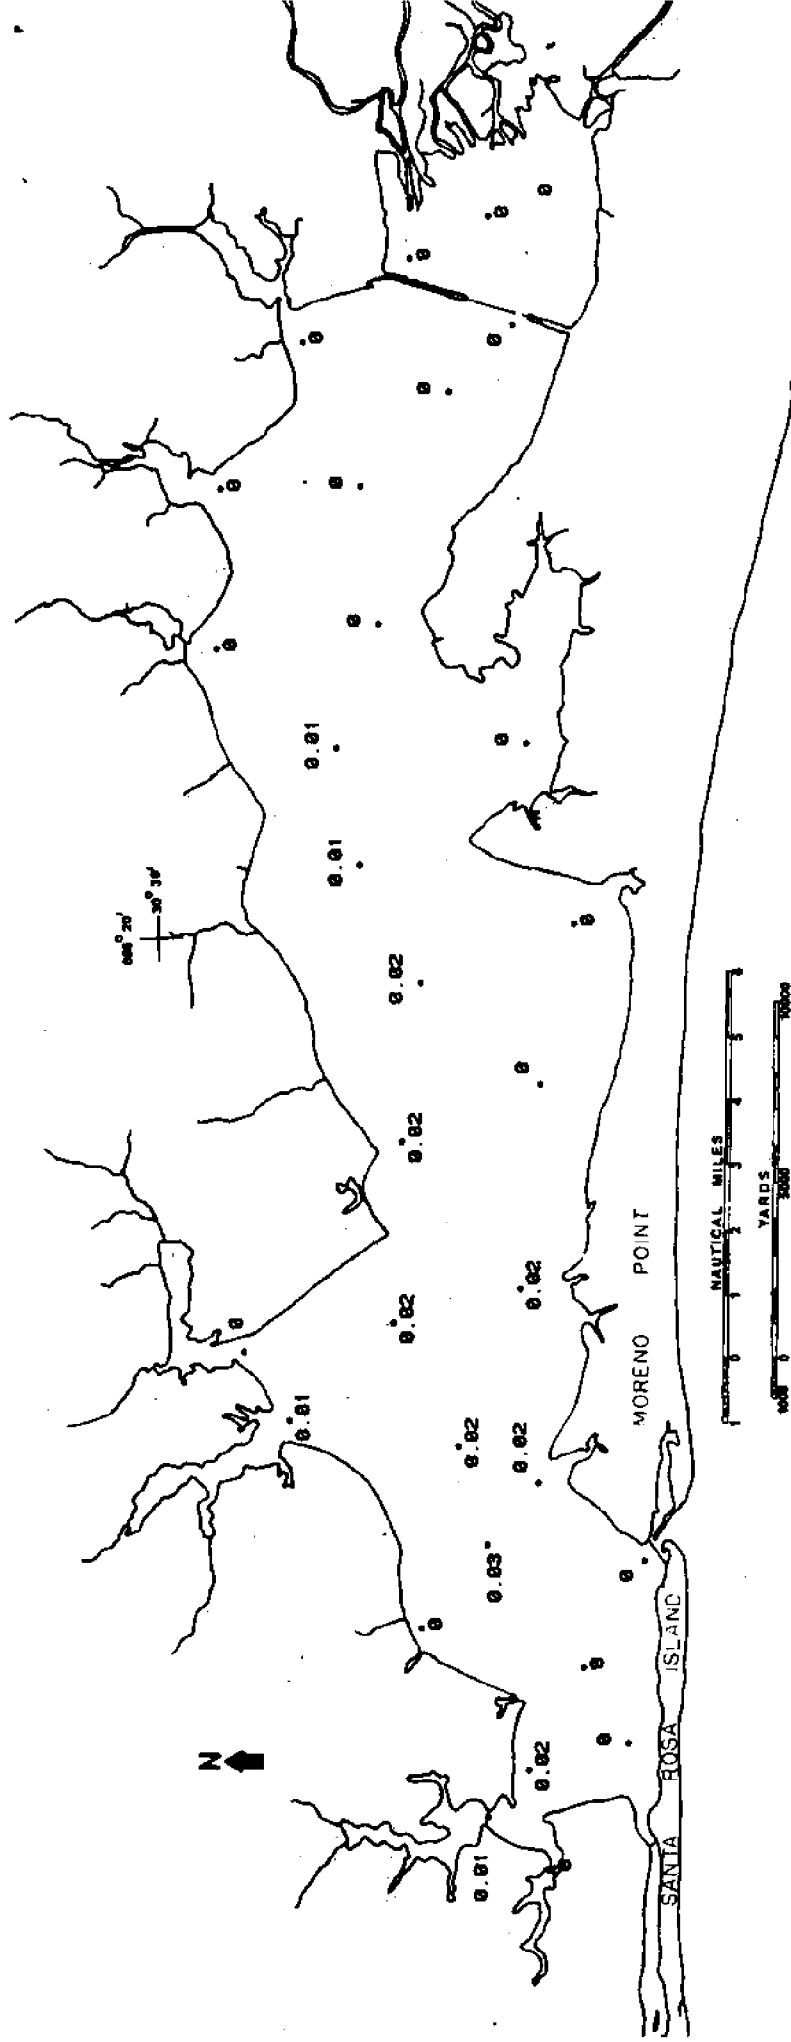

Figure : Dissolved phosphorus concentration (mg/l-P) in bottom waters of Choctawhatchee Bay on November 24, 1975.

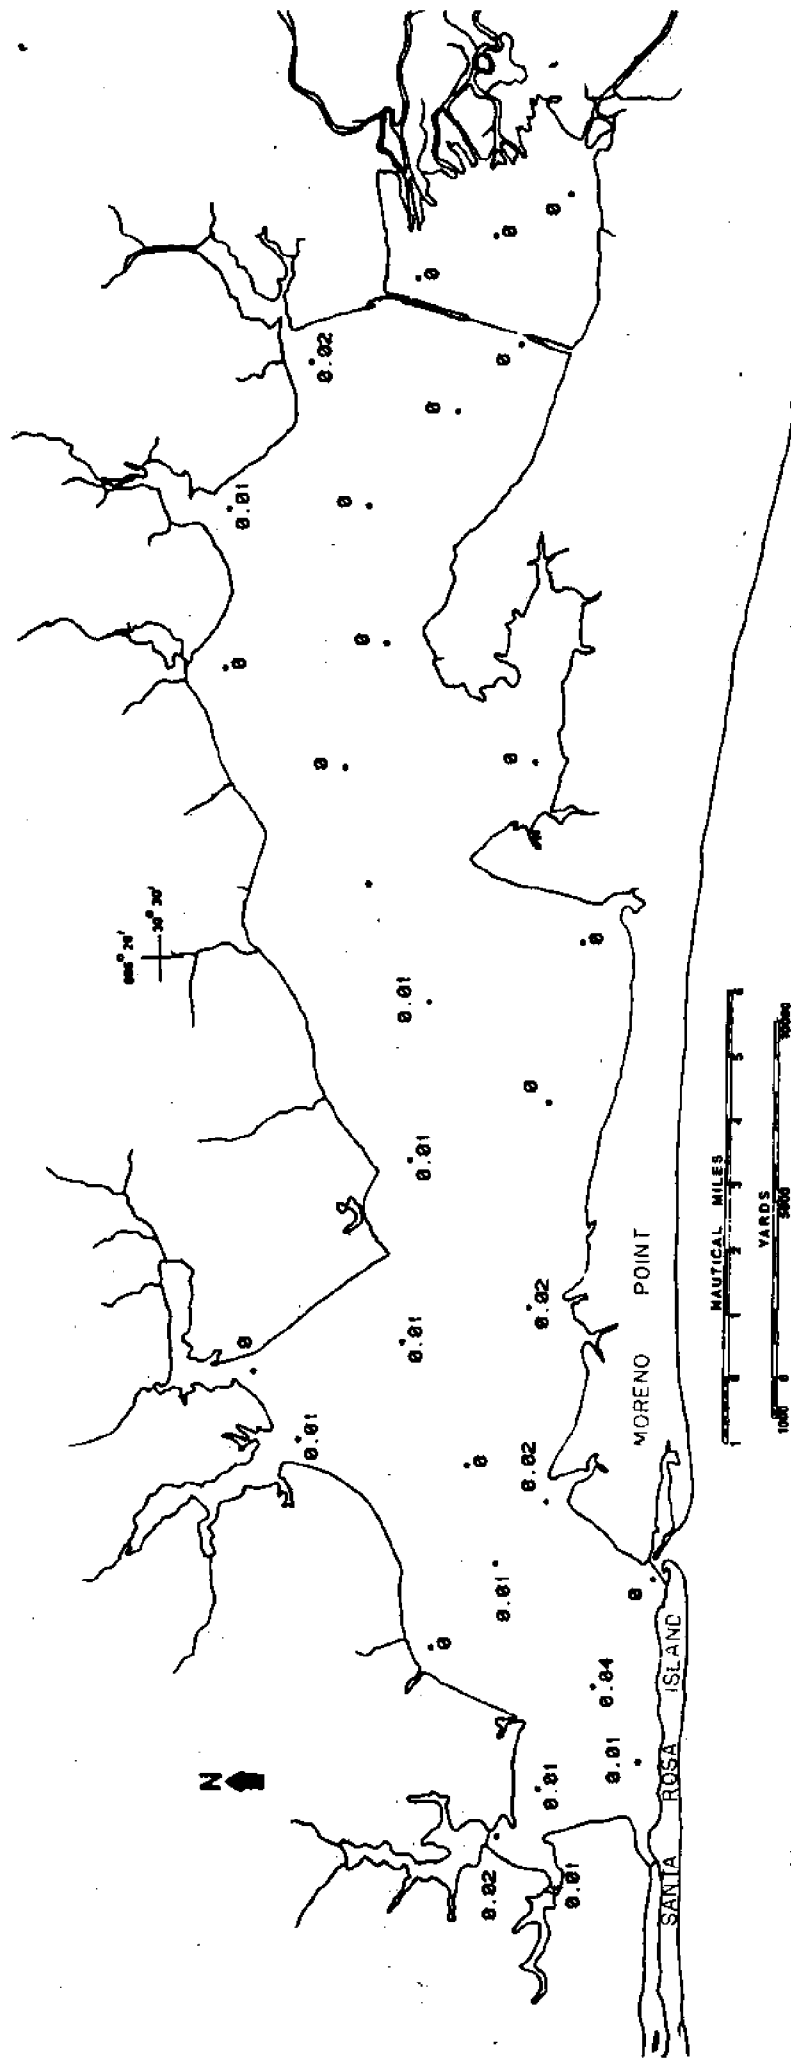

Figure : Dissolved phosphorus concentration (mg/l-P) in bottom waters of Choctawhatchee Bay on December 15, 1975.
