17. Assessment of the Atka mackerel stock in the Gulf of Alaska [2017]

Sandra A. Lowe Alaska Fisheries Science Center

National Marine Fisheries Service

[NOTE: In accordance with the approved assessment schedule, no stock assessment was conducted for this stock this year, however, a full stock assessment will be conducted in 2019. Until then, the values generated from the previous stock assessment (below) will be rolled over for 2019 specifications
