FINAL PROJECT REPORT

The City of Cheboygan has prepared, manufactured and installed 17 sign faces which will inform residents and visitors of Cheboygan coastal attractions. The signs also provide information to public access points to Lake Huron and the Cheboygan River.

The sign subject matter is as follows:

1. Welcome to Cheboygan. Information on marinas, boat launching, swimming, fishing dam, marsh boardwalk (CZM funds), locks, view of bridge and island. (3 faces).
2. United States Coast Guard ice breaker "Mackinaw". Location of homeport and miscellaneous information. (2 faces).
3. Gordon Turner Park. Information on marsh boardwalk, picnicking, boat launching, swimming, view, etc. (2 faces).
4. Cheboygan River. Information on 87-mile inland waterway, boat mooring, fishing, parking. (4 faces).
5. Washington Park. Information and location of this Cheboygan River city park. (2 faces)
6. Cheboygan River. Information on power dam, boat locks entrance to historic 87-mile inland water route. (2 faces)
7. Department of Natural Resources Park. Information on state operated Cheboygan River park with boat launching, fishing, etc. (2 faces)

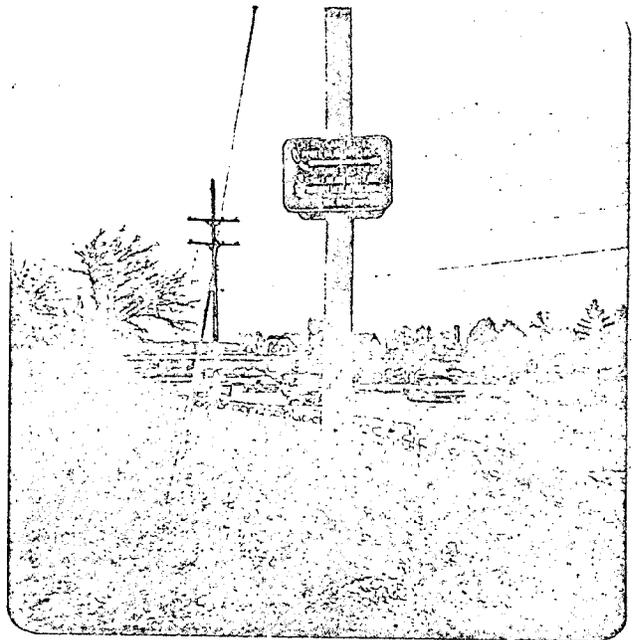

These contract signs are a portion of a larger signage project. The only signs funded under this grant deal with coastal features and general access information.

The signs were prepared under contractual services with a sign painter and were erected by city Public Works Department employees.

The City of Cheboygan agrees to maintain these signs for the public with city appropriated funds.
