

Oregon Whale Entanglement Working Group Meeting

Thursday, May 25, 2017, 10am-2pm

*Location: Englund Marine and Industrial Supply Conference Room
880 S.E. Bay Blvd., Newport, OR 97103*

Meeting goals:

- Convene the group and establish ground rules, decision making processes.
- Establish goals for working group, and begin to map out the work plan to achieve them.
- Prioritize information needs to address in subsequent meetings to inform the working group's efforts

Welcome and Introductions

Process Decisions and Review Proposed Agenda

Review, revise and affirm ground rules and determine group decision making process. Review and revise agenda.

Goal Setting: Overall Working Group Goals

Initial discussion of what the working group wants to accomplish.

Reporting and Discussion: PSFMC Workshop in Portland, March 29-30, 2017

Participants who attended the workshop share what was learned, to help inform the group's discussions of opportunities and next steps

Working Lunch

Report from California Group Meeting, May 16-17, 2017 and discussion

Brainstorm: Opportunities and Potential Solutions

Building on the outcomes of the PSFMC workshop, what opportunities and potential solutions are worth further exploration by this group?

Brainstorm and Prioritize: Information Needs

What does the working group need to know in order to evaluate these potential solutions? What information needs are the highest priority? Who or what resources can the group access to help fill these gaps?

Wrap up and Next Steps

Determine an official name for the group, outline action items and responsible group members for any interim efforts, determine priority discussion topics for next meeting.
