

Erratum

Erratum: Liang, X., et al. Applying Deep Learning to Clear-Sky Radiance Simulation for VIIRS with Community Radiative Transfer Model—Part 2: Model Architecture and Assessment. *Remote Sens.* 2020, 12, 3825

Xingming Liang ^{1,*} and Quanhua (Mark) Liu ²¹ Earth System Science Interdisciplinary Center, University of Maryland, College Park, MD 20740, USA² Center for Satellite Applications and Research (STAR), National Environmental Satellite, Data, and Information Service (NESDIS), National Oceanic and Atmospheric Administration (NOAA), College Park, MD 20740, USA; quanhua.liu@noaa.gov* Correspondence: xingming.liang@noaa.gov; Tel.: +1-301-683-3362

The authors would like to make the following correction of [1]:

In the original article, Reference 28 was incorrect, because Part 1 was accepted by *Remote Sensing* later than Part 2, but the title of Part 1 was changed during the review. It should be changed from

Liang, X.; Liu, Q. Development of Fast and Robust Clear-sky Mask for VIIRS using Deep Neural Network. *Remote Sens.* under review.

into:

Liang, X.; Liu, Q. Applying Deep Learning to Clear-Sky Radiance Simulation for VIIRS with Community Radiative Transfer Model—Part 1: Develop AI-Based Clear-Sky Mask. *Remote Sens.* 2021, 13, 222.

Conflicts of Interest: The authors declare no conflict of interest.
