

Supplement to
Atlantic Marine Assessment Program for
Protected Species: 2019-2025

Appendix E
Species Distribution Maps of Sightings
Not Used in Density-Habitat Models

Contents

Contents	2
List of Figures.....	3
E.1 North Atlantic right whale.....	4
E.2 Rare whales and dolphins	5
E.3 Seals	6
E.4 Unidentified dolphins	7
E.5 Unidentified whales.....	8
E.6 Fish	9

List of Figures

Figure E.1-1 Distribution of track lines and sightings of North Atlantic right whales 2010 to 2023	4
Figure E.2-1 Distribution of track lines and sightings of rarely detected cetaceans 2010 to 2023	5
Figure E.3-1 Distribution of track lines and sightings of seals 2010 to 2023	6
Figure E.4-1 Distribution of track lines and sightings of unidentified dolphins 2010 to 2023	7
Figure E.5-1 Distribution of track lines and sightings of unidentified whales 2010 to 2023.....	8
Figure E.6-1 Distribution of track lines and sightings of fish 2010 to 2023	9

E.1 North Atlantic right whale

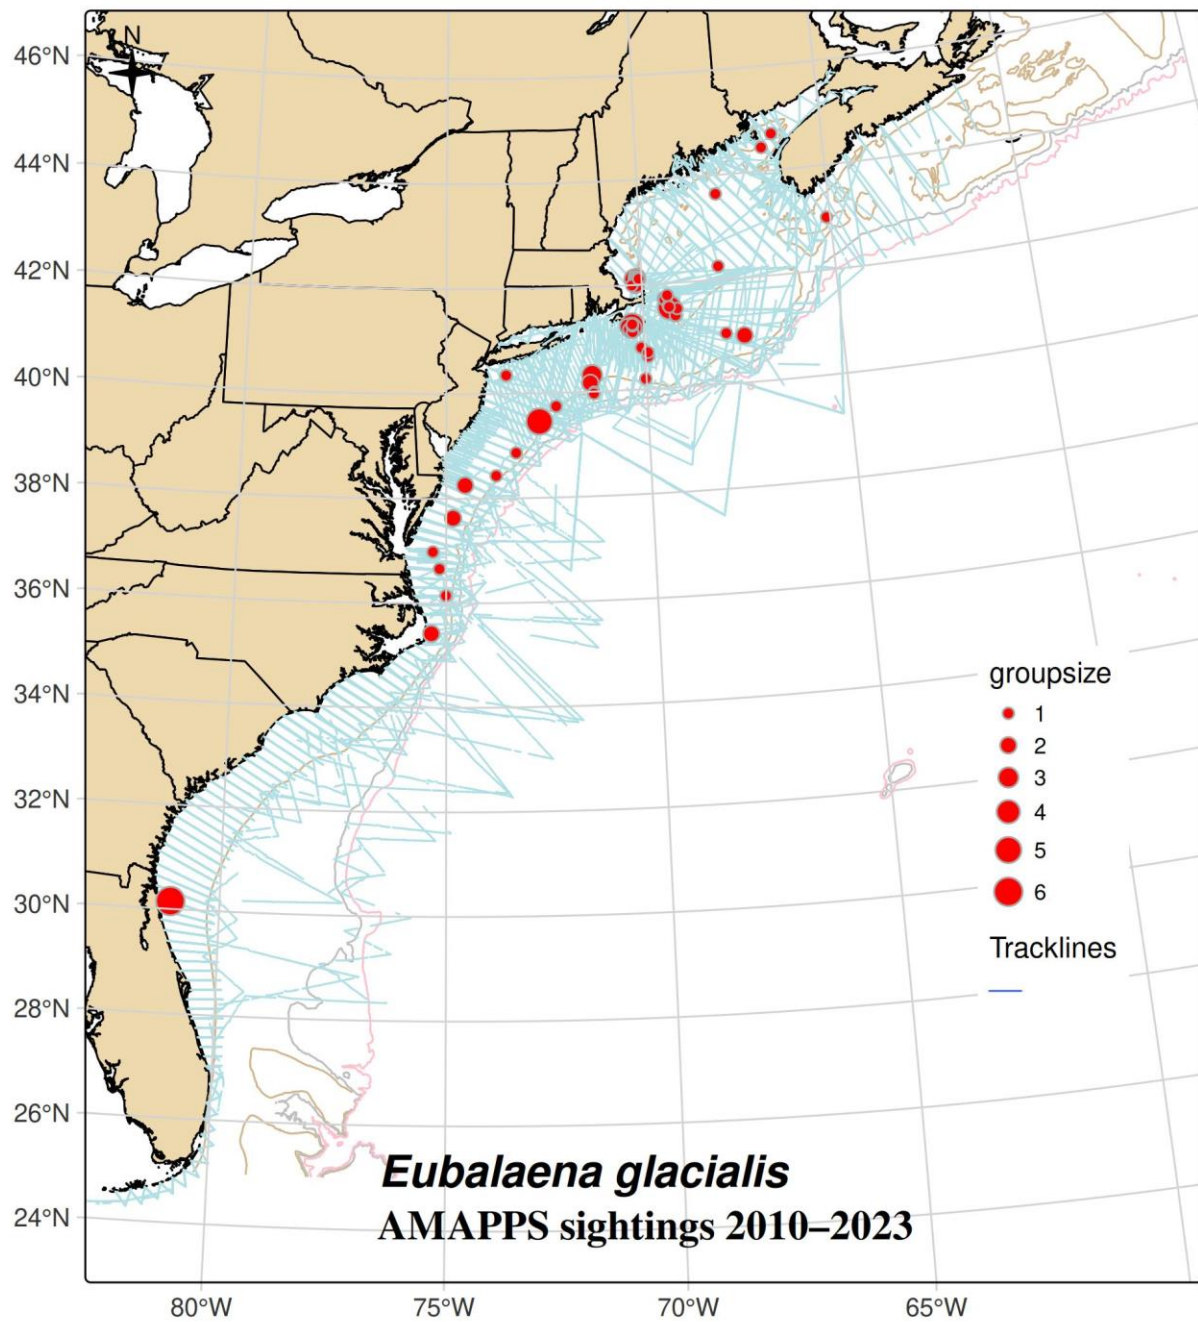

Figure E.1-1 Distribution of track lines and sightings of North Atlantic right whales 2010 to 2023

E.2 Rare whales and dolphins

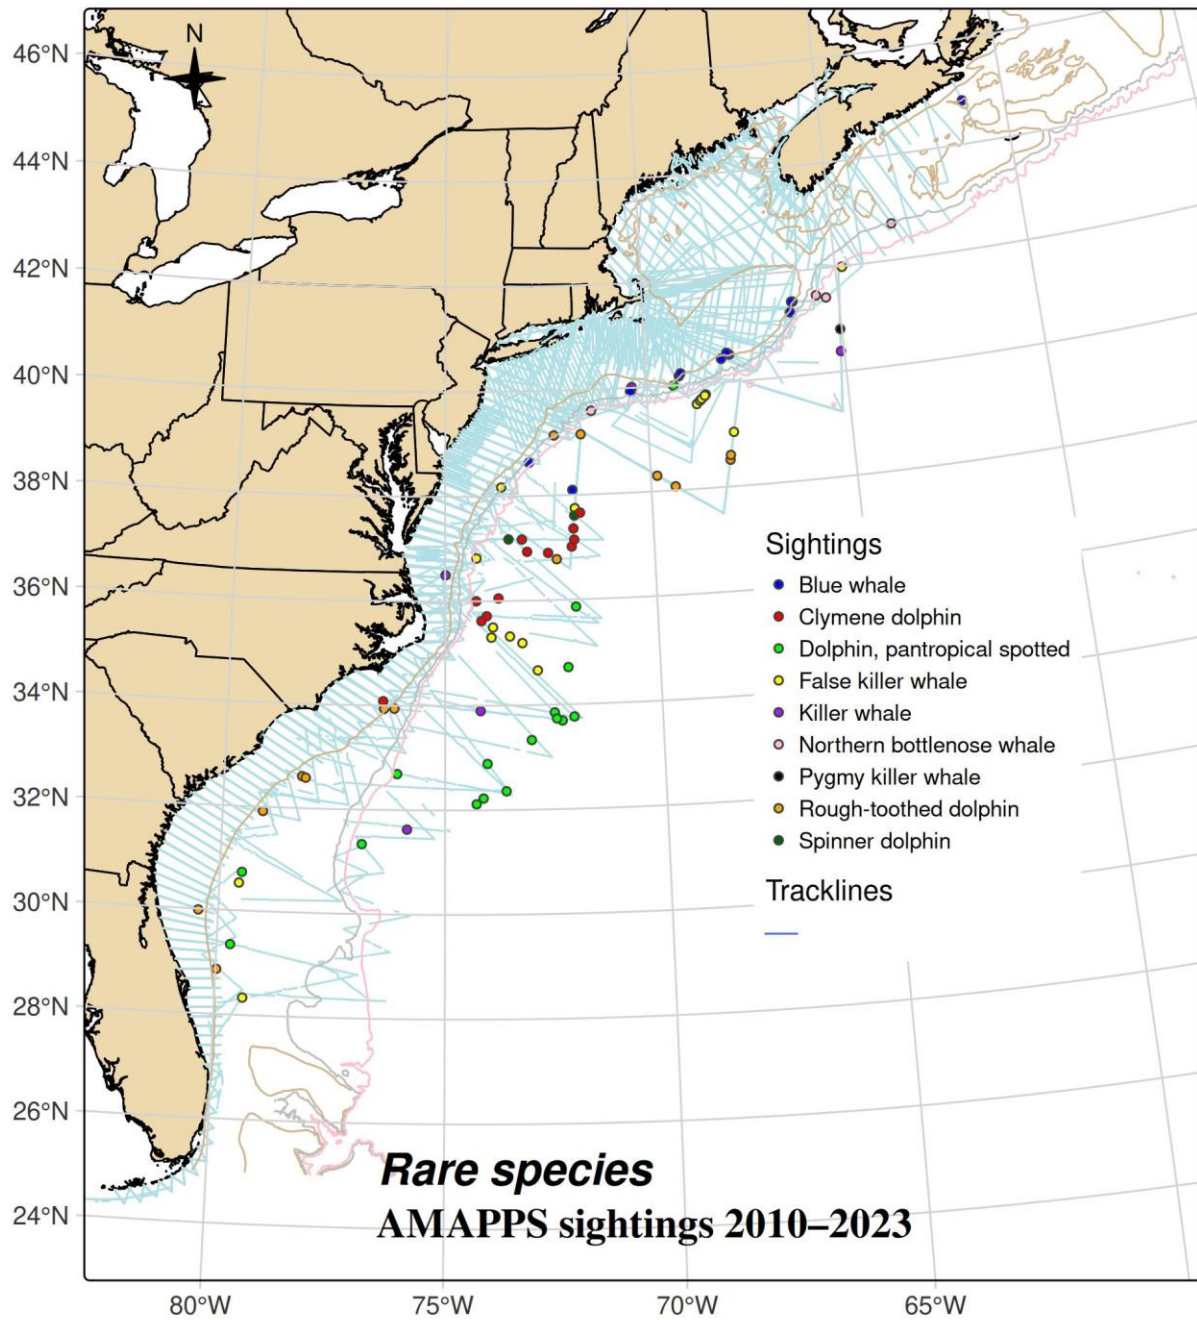

Figure E.2-1 Distribution of track lines and sightings of rarely detected cetaceans 2010 to 2023

E.3 Seals

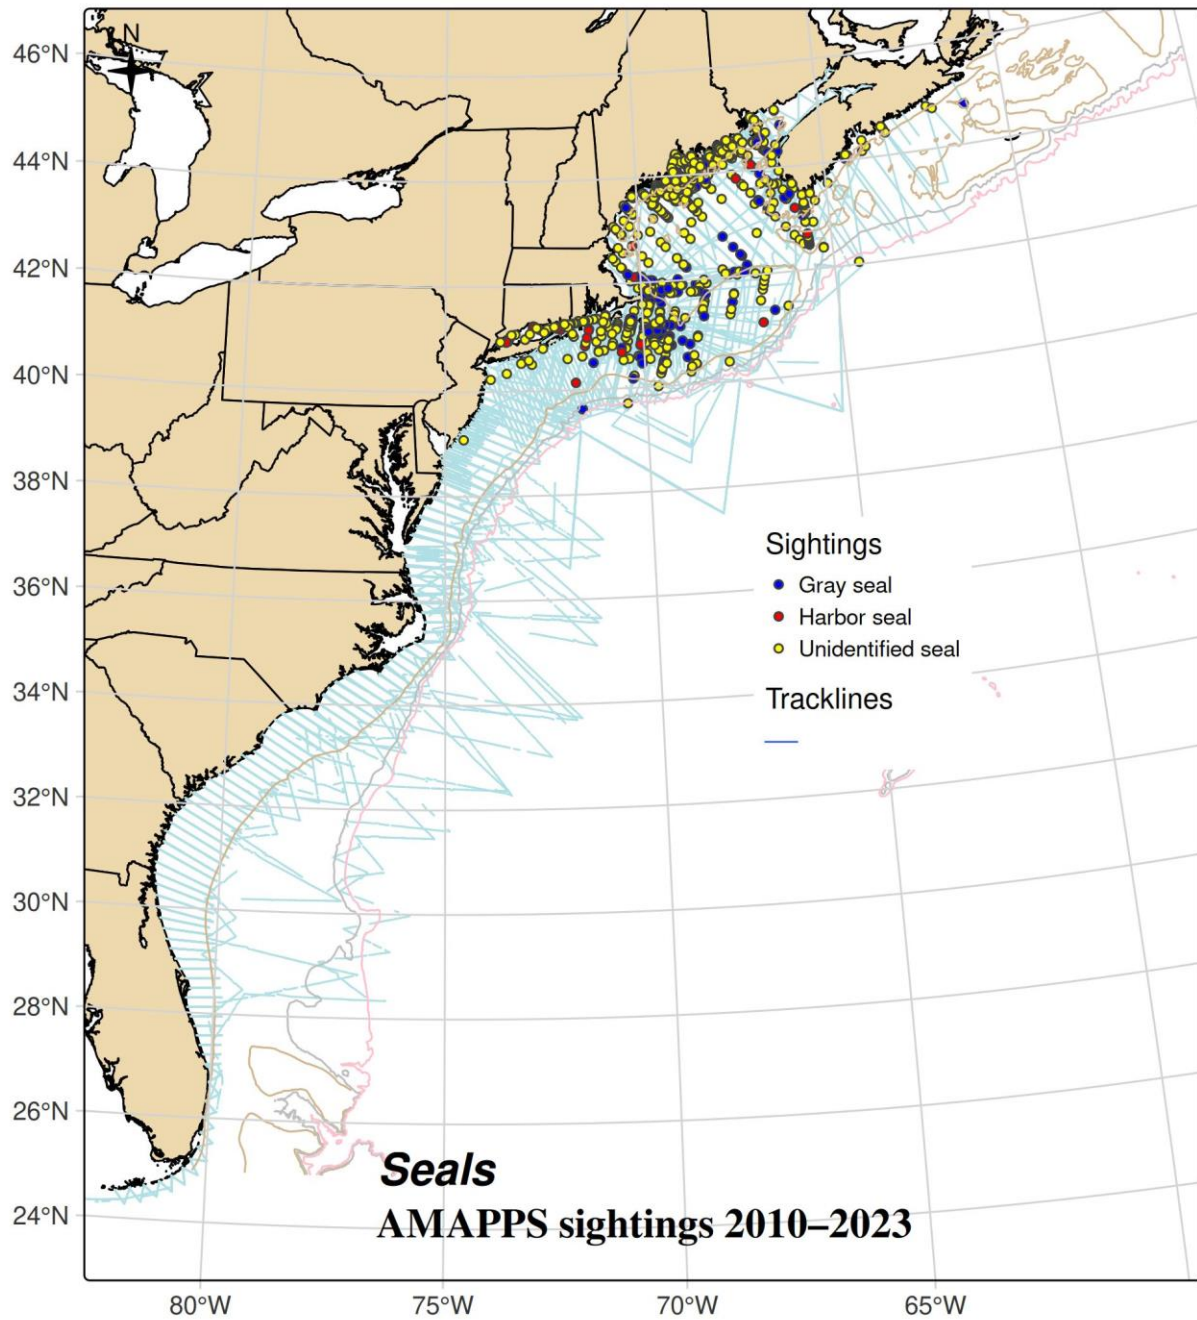

Figure E.3-1 Distribution of track lines and sightings of seals 2010 to 2023

E.4 Unidentified dolphins

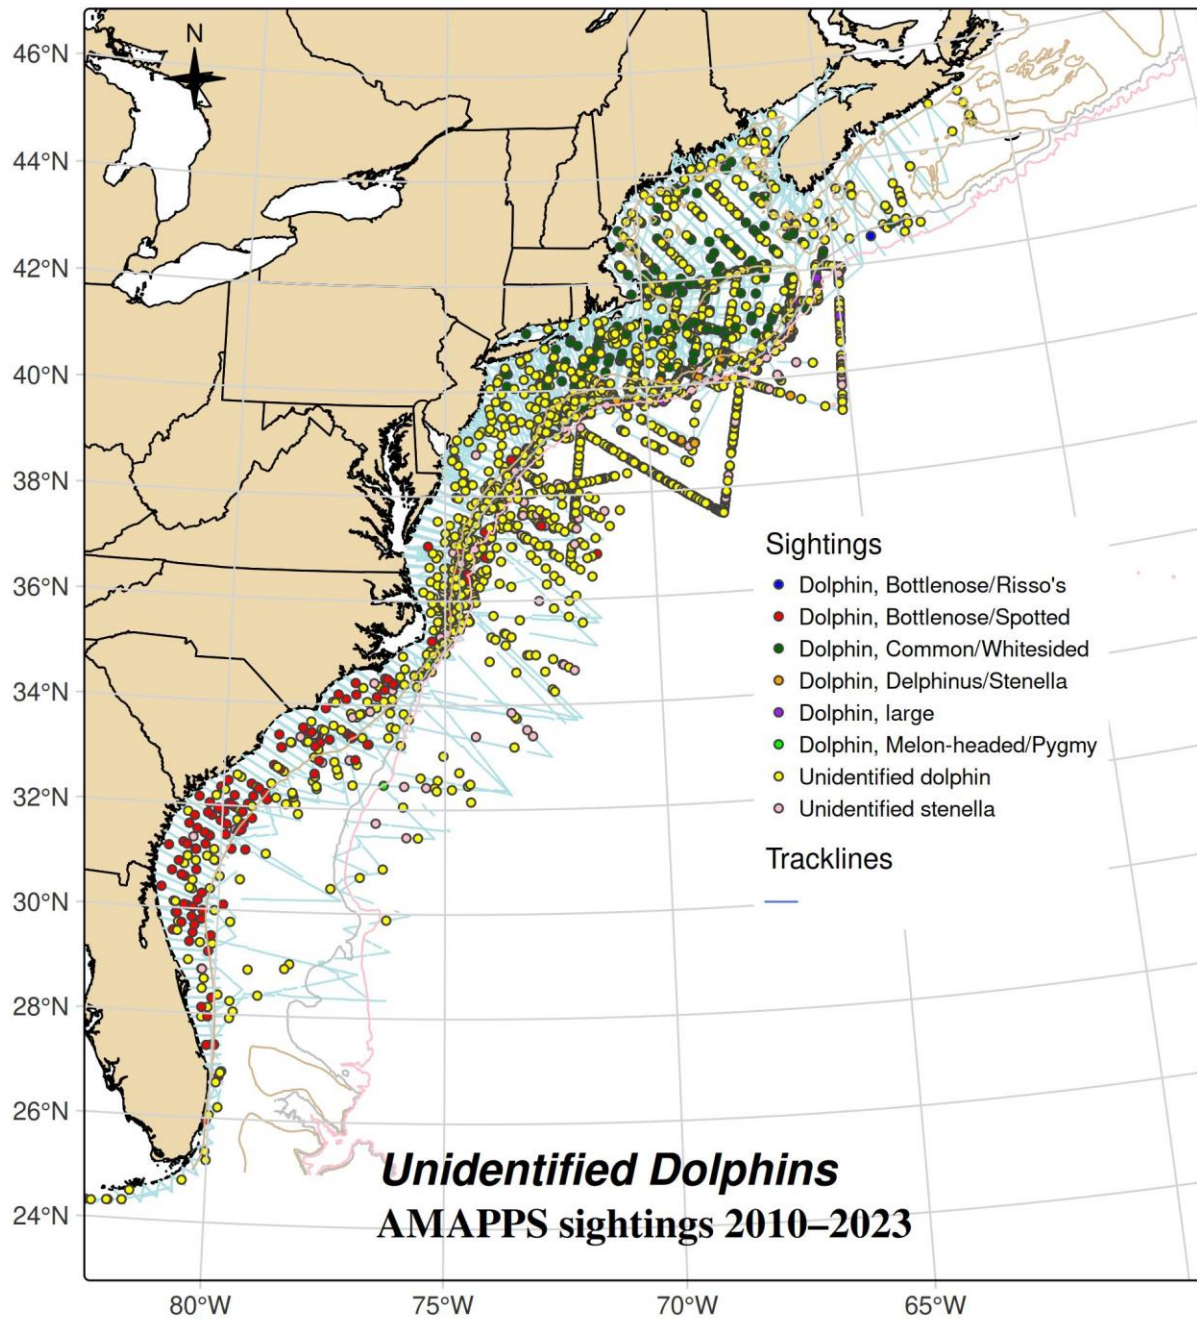

Figure E.4-1 Distribution of track lines and sightings of unidentified dolphins 2010 to 2023

E.5 Unidentified whales

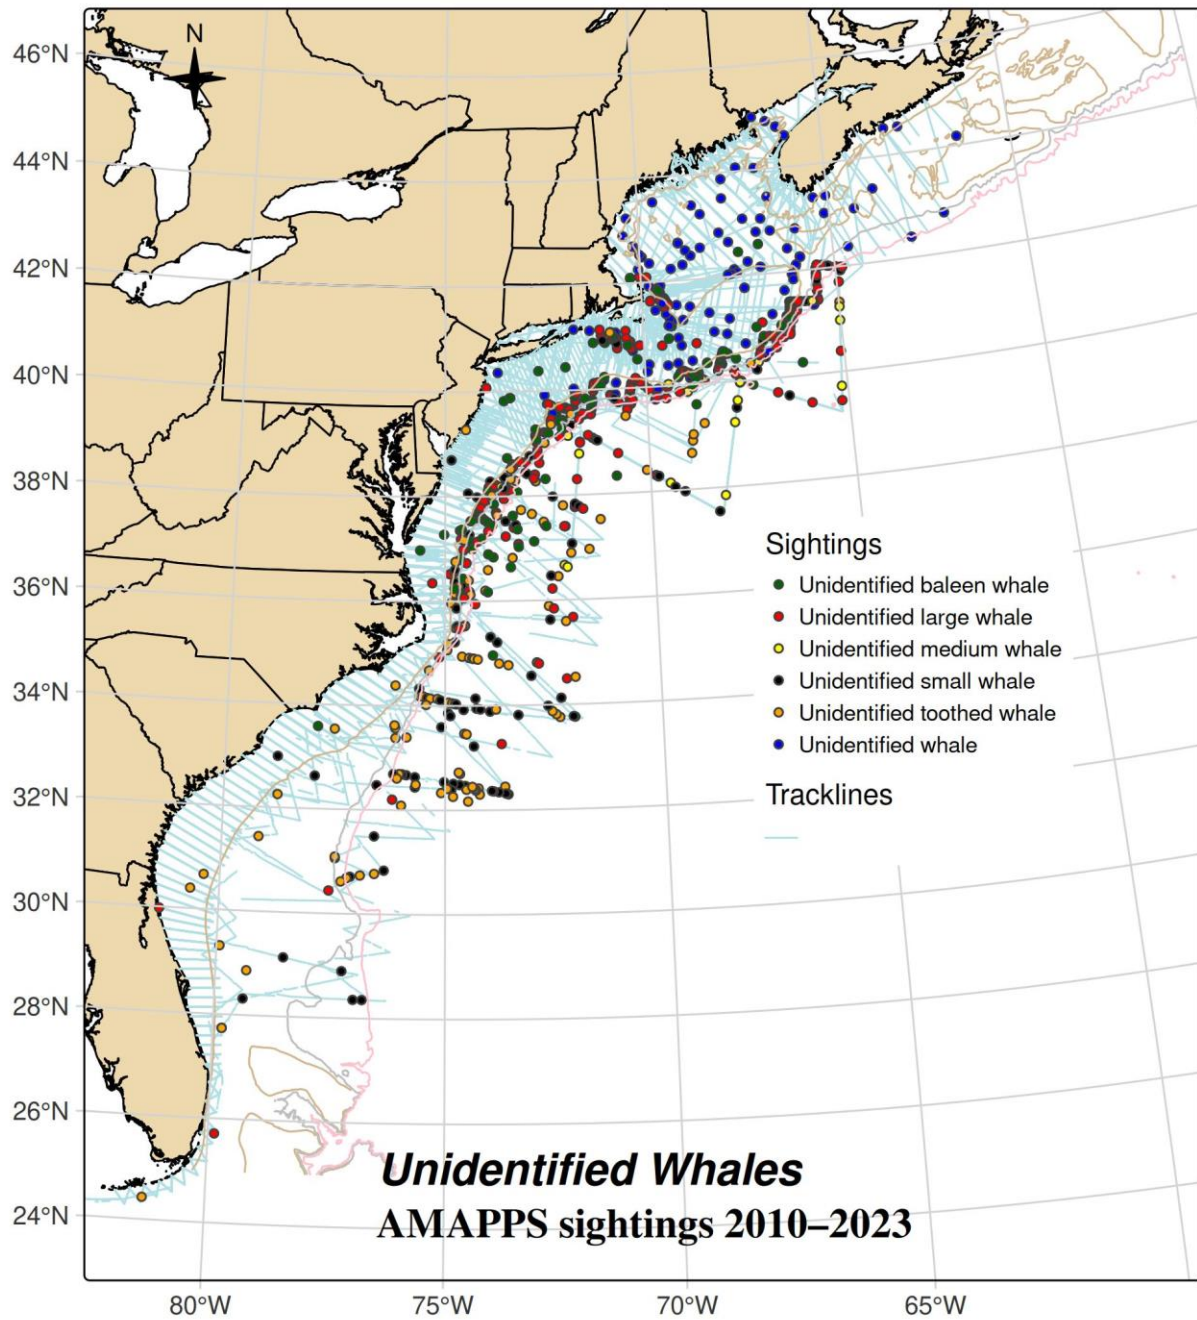

Figure E.5-1 Distribution of track lines and sightings of unidentified whales 2010 to 2023

E.6 Fish

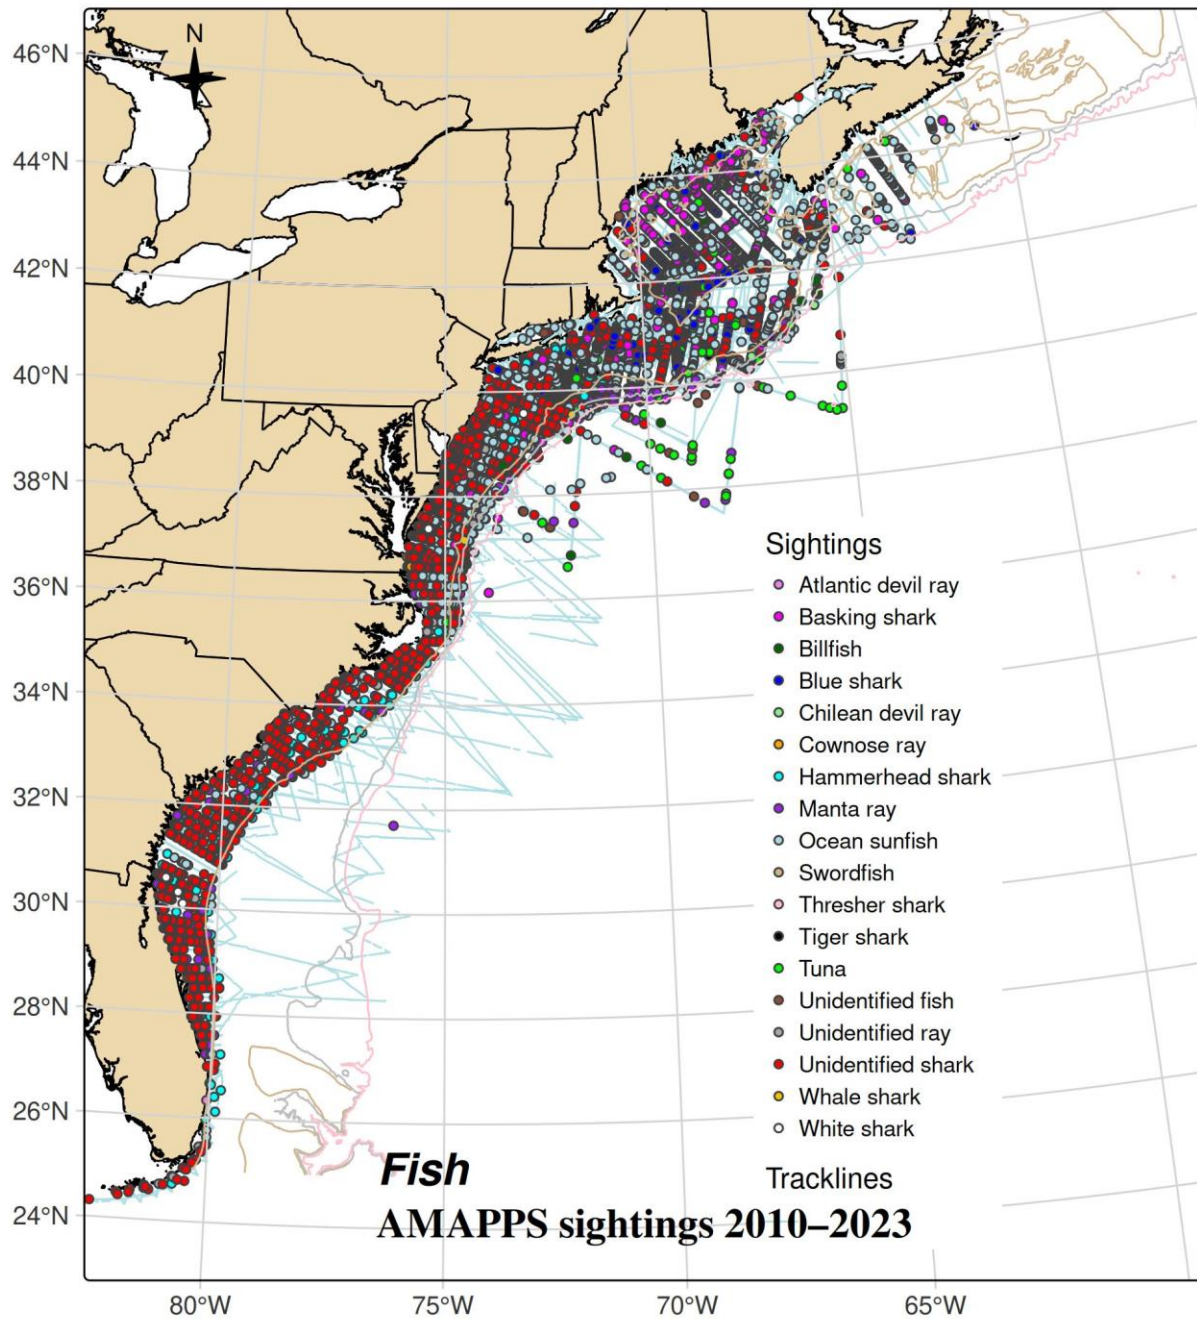

Figure E.6-1 Distribution of track lines and sightings of fish 2010 to 2023
